CERTIFIED PUBLIC ACCOUNTANT

Independent Auditor's Report

To the Trustees of
the Portfolio 401(K) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

I have performed an audit of the accompanying financial statements of Portfolio 401(K) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Portfolio 401(K) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), my audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In my opinion, based on my audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

I conducted my audit in accordance with auditing standards generally accepted in the United States of America. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am required to be independent of Portfolio 401(K) Profit Sharing Plan and to meet my other ethical responsibilities in accordance with the relevant ethical requirements relating to my audit. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Portfolio 401(K) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of my report, my objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, I:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Portfolio 401(K) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in my judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Portfolio 401(K) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

My audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

I am required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that I identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, Part IV, line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, I compared such information to the related certified investment information.

In forming my opinion on the supplemental schedule, I evaluated whether the supplemental schedules other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In my opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditor's Report

To the Trustees of
the Portfolio 401(K) Profit Sharing Plan

I was engaged to audit the accompanying statement of net assets available for benefits of Portfolio 401(K) Profit Sharing Plan as of December 31, 2020, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, I was not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed me not to perform, and I did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by John Hancock Life Insurance Company, the custodian of the Plan, except for comparing such information with the related information included in the financial statement. I have been informed by the plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the custodian as of December 31, 2020 that the information provided to the plan administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, I have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, I do not express an opinion on the 2020 financial statement.

Report on Form and Content in Compliance With DOL Rules and Regulations for 2020 Financial Statement

The form and content of the information included in the 2020 financial statement, other than that derived from the information certified by the custodian, have been audited by me in accordance with auditing standards generally accepted in the United States of America and, in my opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

PORTFOLIO 401(K) PROFIT SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

Note 1 – Description of plan

The following description of the Portfolio 401(K) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of Portfolio General Management Group, Inc. and Express Systems, Inc. (collectively, the Plan Sponsor). The Plan was established by the Plan Sponsor on January 1, 2004 to provide retirement income for its employees and is subject to the provisions of the Employee Retirement Income Security Act of 1974 as amended (ERISA).

The Plan was amended and restated effective January 1, 2017 to meet the requirements of the Economic Growth and Tax Relief Reconciliation Act of 2001 (EGTRRA), the Pension Funding Equity Act of 2004 (PFEA), the Pension Protective Act of 2006 (PPA '06), the U.S. Troop Readiness, Veterans' Care, Katrina Recovery, and Iraq Accountability Appropriations Act, 2007, the Heroes' Earnings Assistance and Relief Tax Act of 2008 (HEART Act), the Worker, Retiree and Employer Recovery Act of 2008 (WRERA), and the Small Business Jobs Act of 2010 (SBJA).

The Plan was amended effective January 1, 2022. This adoption agreement changes the name to Portfolio 401(K) Plan and adds additional employers as part of a controlled group to the Plan. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

During 2020, the Plan Sponsor elected to implement certain provisions of the CARES Act for qualified participants, including the increased limit of loan amounts and allowed percentage of loans for loans issued between March 27, 2020 and September 23, 2020 and qualified participants can elect to suspend loan payments from March 27, 2020 through December 31, 2020 for one year. Participants also have the choice to waive their 2020 required minimum distributions. Additionally, distributions received by qualified participants, from January 1, 2020 to December 31, 2020, if less than \$100,000 will not have to pay a 10% withdrawal penalty, if applicable, and is not subject to mandatory tax withholding. The tax on the distribution can be paid over a 3-year period, and the distribution can be repaid to a retirement plan or IRA, over a 3-year period. The plan has not yet been amended to reflect these CARES Act provisions as of the date these financial statements were issued.

The Plan has also implemented certain requirements of the Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act), including delaying the commencement date for required minimum distributions. Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and IRS guidance.

Administration

During the years ended December 31, 2021 and 2020, John Hancock Life Insurance Company has been contracted to serve as the custodian of the Plan's assets.

Eligibility and participation

Employees of the Plan Sponsor that are eighteen years of age and have been employed for six months are eligible to participate in this plan. Participants are able to enter the Plan on the first day of the quarter following the date on which they satisfy the above eligibility requirements. The plan will cover all employees except non-resident aliens who receive no U.S. earned income, employees who are included in a unit of collective bargaining, employees that are acquired in an acquisition, merger, or similar transaction, and employees electing not to participate in the plan.

PORTFOLIO 401(K) PROFIT SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

Note 1 – Description of plan (continued)

Investment options

Participants may direct employee and employer contributions to various investment options available under the Plan. The investment options include pooled separate accounts that invest in a variety of underlying funds.

Contributions

The Plan is a contributory plan whereby participants may contribute pre-tax annual compensation and/or Roth 401(k) contributions from 1% to 100% of their salary, not to exceed \$19,500 for the years ending December 31, 2021 and 2020. Participants age 50 or older may elect to defer up to an additional \$6,500 of “catch up” contributions to the Plan for 2021 and 2020. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. The Plan Sponsor may elect to make a discretionary matching contribution. During the years ended December 31, 2021 and 2020, the employer made matching contributions of \$525,926 and \$233,464, respectively. Contributions are subject to certain limitations as defined by the Plan.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. The Sponsor's discretionary contributions and related earnings are vested over a five-year period with 0% vested in year 1, and 20% vesting each year thereafter.

Participant accounts

Each participant's account is credited with the participant's contribution and an allocation of a) the Sponsor's contribution and b) Plan earnings. Each participant's account is decreased by investment losses and depreciation in the value of investments, as well as withdrawals and distributions from their account. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Notes receivable from participants

Prior to implementing provisions of the CARES Act for qualified participants, participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of 50% of their vested account balance, not to exceed \$50,000 reduced by the highest outstanding loan balance during the prior 12-month period. Loan terms range from 1 year to a maximum of 5 years. CARES Act provision allowed suspension of loan payments from March 27, 2020 through December 31, 2020 for one year for qualified participants. The loans are secured by the balance in the participant's account and bear a fixed rate of interest based on the prime rate of interest published by the Wall Street Journal as of the date of the loan, plus 2 percent. However, the amortization period for a loan to a participant to acquire his or her principal residence may be extended to 25 years. Interest rates on participant loans range from 5.25% to 7.50% as of December 31, 2021 and 2020. The amount of the loan, plus interest, is amortized over the repayment period. Loans are repaid by payroll deductions or participant payments.

Corrective distributions payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding addition to corrective distributions expense. There were no corrective distributions payable for the years ended December 31, 2021 and 2020.

PORTFOLIO 401(K) PROFIT SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

Note 1 – Description of plan (continued)

Payments of benefits

Upon retirement, death, disability, or termination of service, a participant is entitled to receive, as benefits, a lump sum amount equal to the value of his/her account, distributed in accordance with the Plan. Benefits provided under this plan are neither insured nor guaranteed by the Plan Sponsor, by the Pension Benefit Guarantee Corporation, a federal governmental agency, nor under any state or federal law. CARES Act provisions allowed participants the choice to waive their 2020 Required Minimum Distributions. Additionally, distributions received by qualified participants, from January 1, 2020 to December 31, 2020, if less than \$100,000 will not have to pay a 10% withdrawal penalty, if applicable, and is not subject to mandatory tax withholding. The tax on the distribution can be paid over a 3-year period, and the distribution can be repaid to a retirement plan or IRA, over a 3-year period.

Forfeitures

Forfeited balances of terminated participating non-vested accounts may be used to reduce administrative expenses and Plan Sponsor's contributions to the Plan. As of December 31, 2021, there were no forfeitures available. During 2021, forfeitures in the amount of \$18,978 were used to reduce administrative expenses or Plan Sponsor contributions to the Plan. In 2020, there were no forfeitures used.

Note 2 – Summary of significant accounting policies

Basis of accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Investment valuation and income recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments consists of realized gains and losses and the change in unrealized gains and losses in the Plan's investments. Realized gains and losses from the sale of investments are computed using the participant's cost basis in the investment aggregated at the Plan level. Net changes in unrealized appreciation/depreciation in investments represents the difference between the fair value of investments held at year-end and the cost of investments purchased in the current fiscal year or the fair value of investments held at the end of the preceding year.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Sponsor to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. The Plan Sponsor believes that the estimates utilized in preparing these financial statements are reasonable and prudent. Actual results could differ from these estimates.

Payment of benefits

Benefits are recorded when paid.

PORTFOLIO 401(K) PROFIT SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

Note 2 – Summary of significant accounting policies (continued)

Notes receivable from participants

Participant notes receivable are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on participant notes receivable is recorded when earned. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan document. Related fees are recorded as administrative expenses and are expensed when incurred.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Sponsor and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's accounts and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments. Fees paid by the Plan for certain administrative fees amounted to \$62,934 for the year ended December 31, 2021. Fees paid by the Plan Sponsor for administrative fees amounted to \$18,960 for the year ended December 31, 2021. These fees will not be reimbursed by the Plan.

Subsequent events

The Plan was amended effective January 1, 2022. This new adoption agreement changes the name to Portfolio 401(K) Plan and adds additional employers as part of a controlled group to the Plan. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

The Plan evaluated the impact of subsequent events through October 7, 2022, the date these financial statements were issued. No other material subsequent events have occurred since December 31, 2021 that required recognition or additional disclosure in the current period financial statements.

Note 3 – Fair value measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access;
- Level 2: Inputs to the valuation methodology include
- quoted prices for similar assets or liabilities in active markets;
 - quoted prices for identical or similar assets or liabilities in inactive markets;
 - inputs other than quoted prices that are observable for the asset or liability;
 - inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

PORTFOLIO 401(K) PROFIT SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

Note 3 – Fair value measurements (continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. There have been no changes in the methodologies used at December 31, 2021 and 2020. The valuation methodology used for the assets measured at fair value is as follows:

Pooled separate accounts: Pooled separate accounts represent investments in participation units held in pooled separate accounts through sub-accounts of an insurance company. The underlying securities in pooled separate accounts, except for the stable value fund, are listed on national securities exchanges and valued on the basis of year-end closing prices. The Plan concluded that the net asset value as adjusted (for mutual fund dividends, mutual fund splits and administrative maintenance charges and other items) and reported by the insurance company denotes readily determinable fair value. These pooled separate accounts are classified in Level 1 in the fair value hierarchy.

Stable value fund: Included in pooled separate accounts, is a stable value fund which represents participation units of a collective instrument trust for which the net asset value is based on the market value of the underlying investments. The stable value fund is composed primarily of fully benefit-responsive investment contracts that are valued at the net asset value of units of the bank collective trust. The Plan has concluded that the net asset value as adjusted and reported by the insurance company denotes readily determinable fair value. The stable value fund is classified in Level 1 in the fair value hierarchy.

It is possible that the redemption rights may be restricted or eliminated in the future. Due to the nature of the investments, changes in market conditions, liquidity requirements, and the economic environment may significantly affect the net asset value of the pooled separate accounts, and consequently, the fair value of the Plan's investments.

The following table set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

Investments at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Pooled separate accounts	\$ 11,370,976	\$ -	\$ -	\$ 11,370,976
Total investments	\$ 11,370,976	\$ -	\$ -	\$ 11,370,976
Investments at Fair Value as of December 31, 2020				
	Level 1	Level 2	Level 3	Total
Pooled separate accounts	\$ 9,848,257	\$ -	\$ -	\$ 9,848,257
Total investments	\$ 9,848,257	\$ -	\$ -	\$ 9,848,257

Note 4 - Information certified by the custodian

The Plan Sponsor elected the method of compliance permitted by 29 CFR 2520.103-5(c) of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employment Retirement Income Security Act of 1974 (the Act). Under this provision of the Act, certain information certified need not be subject to independent audit.

Net appreciation (depreciation) in fair value of investments	1,637,696	1,443,166
Interest income on notes receivable from participants	19,391	20,466
Administrative expenses	\$ 62,934	\$ 49,876

Note 5 – Parties-in-interest transactions

The Plan has investments in participation units held in pooled separate accounts through sub-accounts of John Hancock. John Hancock provides services to the Plan as the custodian and recordkeeper; therefore, these investments and transactions qualify as party-in-interest transactions. As of December 31, 2020, the Plan also had a noninterest-bearing cash account with John Hancock with a balance of \$12,325.

Note 6 – Tax status

The IRS has determined and informed the Plan Sponsor by a letter dated March 31, 2014, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the opinion letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified as tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan. The financial statement effects are recognized when the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021, there are no uncertain tax positions taken or expected to be taken. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

Note 7 – Plan termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participant accounts will become fully vested and non-forfeitable.

Note 8 – Risks and uncertainties

The Plan has holdings in various investment securities including pooled separate accounts sponsored by an insurance company. These investments are exposed to various risks such as interest rate, market, and credit risk. Due to the level of risk associated with these investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.
