Independent Auditor's Report

Plan Administrator
Family Practice Center, P.C. 401(k) Plan
Mifflinburg, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Family Practice Center, P.C. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statement comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the 2021 financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of, and for the year then ended December 31, 2021, stating that the certified investment information, as described in Note 2 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year from issuance.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

Other Matter

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets held at end of year is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to, or is derived from, the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 20, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

FAMILY PRACTICE CENTER, P.C. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2021

(with comparative information at December 31, 2020)

1. Description of Plan and summary of significant accounting policies:

The following description of the Family Practice Center, P.C. 401(k) Plan (the Plan), a defined contribution plan, provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General:

The Plan is a defined contribution plan covering all employees of Family Practice Center, P.C; D&C Realty, LLP and Lycoming Physicians Services, Inc., except leased employees and, effective January 1, 2016, resident doctors on stipend not being paid hourly or actively working in an office of Family Practice Center, P.C., (collectively the Plan Sponsor) who have attained the age of 21 and completed one year of service. It is subject to the provisions of the Employee Retirement Income Security Act (ERISA).

Employees may begin to participate on the first day of the Plan year and the first day of the seventh month of the Plan year.

Effective June 1, 2021, Spring Garden Family Practice was acquired by the Plan Sponsor. Spring Garden employees were immediately eligible and enrolled in the Plan effective June 1, 2021.

Contributions:

Each year, participants may contribute up to the maximum amount allowed by law of pretax annual compensation, as defined in the Plan. Participants may designate all or a portion of their contribution as a Roth contribution. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their accounts into various investment options offered by the Plan. The Plan Sponsor may contribute an amount equal to 100% of a participant's deferral up to 4% of compensation. The Plan Sponsor's contributions are discretionary.

Upon reaching eligibility to enter the Plan, participants who do not affirmatively elect to receive cash or have a specified amount of compensation contributed to the Plan automatically have compensation deferred at a rate of 4% of pretax compensation for each payroll period, unless otherwise elected by the participant. There is no automatic escalation of the deferral rate. The default investment option for auto enrollees is the target retirement fund that coincides with the participant's anticipated normal retirement based on age.

FAMILY PRACTICE CENTER, P.C. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS YEAR ENDED DECEMBER 31, 2021 (with comparative information at December 31, 2020)

1. Description of Plan and summary of significant accounting policies (continued):

Participant accounts:

Each participant's account is credited or charged with the participant's contribution and allocations of the Plan Sponsor's contribution and Plan earnings (losses) and certain administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting:

Participants are immediately vested in their contributions and contributions made by the Plan Sponsor, plus actual earnings thereon.

Payment of benefits:

Upon termination of service, a participant shall receive a lump-sum distribution in an amount equal to the value of the participant's vested interest in their account.

Hardship withdrawals:

Participants may withdraw their vested contributions in the event of hardship as defined in the Plan agreement.

Notes receivable from participants:

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of the lesser of 50% of their vested account balance or \$50,000 minus the highest outstanding loan balance in the previous 12 months. The loans are secured by the balance in the participant's account and bear interest at a reasonable rate of interest as determined by the Plan Sponsor at the time the loan is made. Principal and interest are paid ratably through payroll deductions.

Notes receivable from participants are stated at their unpaid principal balance, plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan agreement.

Basis of accounting:

The financial statements of the Plan are prepared under the accrual method of accounting.

FAMILY PRACTICE CENTER, P.C. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2021

(with comparative information at December 31, 2020)

1. Description of Plan and summary of significant accounting policies (continued):

Investment valuation:

The Plan's investments in mutual funds are valued at quoted market price, which is available on the active market.

The fixed income contract consists of a group annuity contract with Great-West Life & Annuity Insurance Company that invests in the Key Guaranteed Portfolio Fund. Great-West Life & Annuity Insurance Company maintains the contributions in a general account. This contract meets the fully benefit-responsive investment contract criteria and, therefore, is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions plus earnings, less participant withdrawals and administrative expenses.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments. The contract permits the insurance company to terminate the agreement with at least 60 days' advance written notice.

Certain events may limit the ability of the Plan to transact at contract value with the issuer. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants are probable of occurring.

Payment of benefits:

Benefits are recorded when paid.

Administrative expenses:

Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. Fees related to the processing of payments of benefits to participants and related to the set-up and maintenance of notes receivable from participants are included in administrative expenses. Investment related and certain recordkeeping service expenses are included in net appreciation in fair value of investments, as they are paid through revenue sharing, rather than a direct payment.

FAMILY PRACTICE CENTER, P.C. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS YEAR ENDED DECEMBER 31, 2021 (with comparative information at December 31, 2020)

1. Description of Plan and summary of significant accounting policies (continued):

Use of estimates:

The preparation of financial statements in accordance with generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

2. Certification of Plan assets and transactions:

The Plan's investments are held by Great-West Trust Company, LLC (the custodian). Investment information disclosed in the accompanying financial statements and schedule of assets held at end of year, specifically investments held at December 31, 2021 and 2020, net appreciation in fair value of investments, dividend income and interest on fixed income contract for the year ended December 31, 2021, was obtained or derived from the information supplied to the Plan administrator and certified as complete and accurate by the custodian.

3. Fair value measurements:

The Plan ranks investments required to be reported at fair value in a three-level hierarchy for fair value measurements based upon the transparency of inputs to the valuation of an asset. Inputs may be observable or unobservable and refer broadly to the assumptions that market participants would use in pricing the asset. Observable inputs reflect the assumptions market participants would use in pricing the asset based on market data obtained from sources independent of the reporting entity. Unobservable inputs reflect the reporting entity's own assumptions about the assumptions that market participants would use in pricing the asset developed based on the best information available in the circumstances. The three levels of the fair value hierarchy are described below:

Level 1 – Quoted prices in active markets for identical investment.

Level 2 – Other significant observable inputs (including quoted prices for similar investments, interest rates, prepayment speeds, credit risk, etc.). The Plan does not hold any Level 2 investments.

Level 3 – Significant unobservable inputs (including the Plan's own assumptions in determining the fair value of investments). The Plan does not hold any Level 3 investments.

See Note 1 for a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021.

FAMILY PRACTICE CENTER, P.C. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS YEAR ENDED DECEMBER 31, 2021 (with comparative information at December 31, 2020)

3. Fair value measurements (continued):

Assets reported at fair value and required to be disclosed according to the fair value measurement hierarchy at December 31, 2021 and 2020 were as follows:

		Fair value measurements using Level 1
<u>2021</u>	<u>Fair value</u>	
Mutual funds	<u>\$ 92,150,164</u>	<u>\$ 92,150,164</u>
<u>2020</u>		
Mutual funds	<u>\$ 78,148,184</u>	<u>\$ 78,148,184</u>

4. Plan termination:

Although it has not expressed any intention to do so, the Plan Sponsor has the right under the Plan to terminate the Plan subject to the provisions set forth by ERISA.

In the event the Plan is terminated, all amounts credited to participants' accounts will become 100% vested. The Plan Sponsor will direct that either benefits be distributed to participants, or the trust created by the Plan be continued and benefits be distributed to participants and beneficiaries as if the Plan had not been terminated.

5. Income tax status:

Effective January 1, 2016, the Plan trustees adopted the PA Retirement Solutions Inc. Volume Submitter Profit Sharing Plan with CODA. PA Retirement Solutions Inc. received a letter from the Internal Revenue Service dated June 30, 2020 that the form of the Plan was acceptable under provisions of the Internal Revenue Code (IRC) for use by employers. The Plan has been amended since the opinion letter was received. The Plan administrator believes the Plan is designed and is operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan, as amended, is qualified and the related trust is exempt from tax.

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2021

(with comparative information at December 31, 2020)

6. Risks and uncertainties:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities could occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

7. Related party and party-in-interest transactions:

Certain Plan investments are managed by Empower Retirement. Empower Retirement is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services and certain recordkeeping services are included in net appreciation in fair value of investments.

8. Concentrations:

Three investments accounted for approximately 38% of investments at December 31, 2021. Two investments accounted for approximately 26% of investments at December 31, 2020.

9. Subsequent events:

The Plan has evaluated subsequent events through October 5, 2022, the date which the financial statements were available to be issued.
