## INDEPENDENT AUDITOR'S REPORT

Plan Administrative Committee  
Saad Healthcare Services 401(k) Profit Sharing Plan  
Mobile, Alabama

### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements*

We have performed an audit of the accompanying financial statements of ***Saad Healthcare Services 401(k) Profit Sharing Plan***, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021 and the related statements of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note E to the financial statements, is complete and accurate.

### *Opinion on the 2021 Financial Statements*

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section-

- the amounts and disclosures in the 2021 financial statements referred to above. Other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirement of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion on the 2021 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of ***Saad Healthcare Services 401(k) Profit Sharing Plan*** and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the 2021 Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

### ***Auditor's Responsibilities for the Audit of the 2021 Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but it is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Saad Healthcare Services 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about Saad Healthcare Services 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable amount of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charges with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Other Matters***

#### ***2021 Supplemental Schedule Required by ERISA***

The supplemental schedule, Assets Held at End of Year, as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing procedures. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the forms and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

*Auditor's Report on the 2020 Financial Statements*

We were engaged to audit the 2020 financial statements of ***Saad Healthcare Services 401(k) Profit Sharing Plan***. As permitted by CFR 2520.103-B of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 21, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

PROFIT SHARING PLAN  
NOTES TO FINANCIAL STATEMENTS**

**NOTE A - DESCRIPTION OF THE PLAN**

The following description of Saad Healthcare Services ("Company") 401(k) Profit Sharing Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

***Effective date*** - The Plan became effective and employees began making contributions on August 1, 2013.

***General*** - The Plan is a defined contribution plan established to provide retirement benefits for the employees of Saad Enterprises, Inc. was established in 2013 to provide retirement benefits for its employees. The Plan is available to all employees of Saad Enterprises, Inc. who are at least 21 years of age and have completed six months of service. Employees must elect participation in the Plan upon attaining eligibility. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

***Contributions*** - The Plan is a defined contribution profit sharing plan that allows employees to defer up to 90% of their pay with the employer matching the first 3% in full and 50% of the next 2%. No employer matching contributions are made for employee contributions that exceed 5% of pay. Employer matching contributions are made each pay period. In addition to the matching contributions, the employer may elect to make an annual profit sharing contribution based on the participants' annual pay. Participants direct the investment of their contributions into various investment options offered by the Plan.

***Participant Accounts*** - Each participant's account is credited with the participant's contributions and allocations of (a) the Company's matching and profit sharing contributions as the contributions are deposited, and (b) Plan earnings, and charged with allocation of administrative expenses. Allocation of investment income and plan expenses occurs in a daily valuation environment and is based on relative account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

***Vesting*** - Participants are immediately vested in their contributions and the employer matching contributions, plus actual earnings thereon. Vesting in the Company's profit sharing contribution is 100% after six years of service.

***Forfeitures*** - Forfeitures of employer profit sharing contributions will be used to defray plan administrative expenses or to reduce future employer contributions. Amounts forfeited for the years ended December 31, 2021 and 2020, were \$94 and \$1,606, respectively.

***Investment Options*** - Participants may direct their contributions to a variety of mutual funds and common collective trusts held at Reliance Trust Company. These funds include a variety of investment options with various objectives and degrees of financial risk.

**NOTE A - DESCRIPTION OF THE PLAN, continued**

***Notes Receivable from Participants*** - Plan participants may borrow from their accounts a minimum of \$500 up to a maximum of \$50,000 or one-half of their vested account balance. Loan terms range from one to five years, except for loans to purchase a primary residence, which may be offered over a term of thirty years. The loans are secured by the balance in the participants account and bear interest at current market rates. The notes currently bear interest at rates between 4.25% and 6.75%. Participants may only have one loan outstanding at any given time. Generally, Principal and interest are paid ratably through payroll deductions.

***Payment of Benefits*** - Upon retirement, disability, death or termination of employment, the participant shall become entitled to the total value of his or her vested account, determined as of the valuation date. Distributions will be paid by lump sum or in installments over a number of years, based upon election of the participant or the Plan, as defined in the Plan. Participants who have attained the age of 59-1/2 may withdraw all or any part of the non-forfeitable portion of their account balance. Participants who have not attained the age 59-1/2 may make a hardship withdrawal if they demonstrate to the Administrative committee that the withdrawal is necessitated by the participant's immediate financial need and lack of other available resources.

***Current Legislation*** -In March 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security Act (the "CARES Act") in response to the COVID-19 pandemic. The CARES Act allowed eligible Plan participants to request penalty-free distributions of up to \$100,000 through December 31, 2020 for qualifying reasons associated with the COVID-19 pandemic and to spread the related income over three tax years. As further defined within the CARES Act and among other benefits, it also permitted repayment of such distributions over a three-year period and deferral of 2020 required minimum distributions. Plan management implemented all of these provisions.

In December 2020, Congress passed the Consolidated Appropriations Act, 2021 (the "CA Act"). The CA Act provided relief for participants affected by disasters other than the COVID-19 pandemic that occurred between December 28, 2019 and December 7, 2020, as declared by the President of the United States between January 1, 2020 and February 25, 2021. The CA Act provided non-Covid-19 disaster relief options similar to the CARES Act and most of its provisions expired on June 25, 2021.

**NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

***Basis of Accounting.*** The financial statements of the Plan are presented on the accrual basis of accounting and, accordingly, include accruals for income to the Plan or benefits, or expenses payable as required in accordance with generally accepted accounting principles.

***Estimates.*** The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

PROFIT SHARING PLAN  
NOTES TO FINANCIAL STATEMENTS**

**NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued**

***Investment Valuation and Income Recognition.*** The Plan's investments are stated at fair value. Shares of registered investment companies and common collective trusts shares are valued at quoted market prices which represent the net asset value of shares held by the Plan at the end of the year. Participant loans receivable are valued at cost which approximates fair value. Purchase and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis and dividends are recorded on the ex-dividend date.

***Notes Receivable from Participants.*** Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are charged to expense when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

***Payments of Benefits.*** Benefits are recorded when paid.

***Administrative Expenses.*** Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

***Excess Contributions Payable.*** Some participants make excess contributions to the Plan and these amounts are refunded to the participants prior to March 15<sup>th</sup> of the subsequent plan year. The amount of excess contributions are immaterial for financial statement purposes and therefore no liability is recorded for these amounts. Excess contributions are recorded as benefit payments in the year paid.

**NOTE C - RECENT ACCOUNTING PRONOUNCEMENTS**

New accounting pronouncements implemented by the Plan during 2019 are discussed below.

In 2019, the Plan adopted Accounting Standards Update (ASU) 2018-09, "Codification Improvements" which among other things, amends an illustrative example of a fair value hierarchy disclosure to indicate that a certain type of investment should not always be considered to be eligible to use the net asset value per share practical expedient. Also it further clarifies that an entity should evaluate whether a readily determinable fair value exists or whether its investments qualify for the net asset value per share practical expedient in accordance with ASC 820, "Fair Value Measurement". ASU 2018-09 is effective for annual reporting periods beginning after December 31, 2018, with early adoption permitted. The adoption of this ASU, applied prospectively, did not have any impact on the Plan's net assets or changes in net assets available for plan benefits.

PROFIT SHARING PLAN  
NOTES TO FINANCIAL STATEMENTS**

**NOTE C - RECENT ACCOUNTING PRONOUNCEMENTS, continued**

New accounting pronouncements requiring implementation in future periods are discussed below.

In August 2018, the Financial Accounting Standards Board (FASB) issued ASU 2018-13, "Disclosure Framework - Changes to the Disclosure Requirements for Fair Value Measurements." This ASU amends ASC 820 to add, remove and modify certain disclosure requirements for fair value measurements. ASU 2018-13 is effective for annual reporting periods beginning after December 31, 2019, with early adoption permitted. Management does not expect the adoption of ASU 2018-13 to have any impact on the Plan's net assets or changes in net assets.

**NOTE D - INVESTMENTS AND FAIR VALUE MEASUREMENTS**

The Plan uses appropriate valuation techniques based on the available inputs to measure fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which level 1 inputs were not available. Level 3 inputs would only be used if Level 1 and Level 2 inputs were not available. There are no plan assets using Level 3 inputs for the periods presented.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Following is a description of the valuation methodologies used for assets measured at fair market value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Common Collective Trusts:* Common collective trust funds consist of the target-date funds which are age-based retirement investments held by the trustee. A traditional portfolio management methodology is used to target asset allocation over the term of the fund to meet return objectives. This methodology incorporates the blending of all investment holdings within the Plan. Target-date funds have been categorized as Level 2 assets because their value was based on assets held in the collective investment funds.

**NOTE F - INCOME TAX STATUS**

The Internal Revenue Service has determined and informed the Plan's volume submitter on July 8, 2014, that the Prototype Standardized Profit Sharing Plan with cash or deferred arrangement ("CODA"), as then designed, was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). The Plan has been amended since receiving the determination letter, however the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan is a qualified plan as described in Section 401(a) of the IRC and is therefore exempt from federal and state income taxes. Income generated by activities that would be considered unrelated to the Plan's purpose would be subject to tax which, if incurred, would be recognized as a current expense. No such tax has been recognized as of December 31, 2021 and 2020.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. Management has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently not audits for any periods in progress.

**NOTE G - RELATED PARTY TRANSACTIONS**

Certain Plan investments held in trust that at December 31, 2021 were managed by Reliance Trust Company, the trustee of the Plan. Therefore, any transactions between these two entities qualify as parties-in-interest transactions. Fees paid in 2021 by the Plan to Reliance Trust Company for investment management services were the same as other customers and, according to fund prospectus, amounted to between 0.02% and .40% of Plan assets held by Reliance Trust Company. Reliance Trust Company receives revenue from mutual fund service providers for services Reliance Trust Company provides to the funds. This revenue is used to offset certain amounts owed to Reliance Trust Company for its administrative services to the Plan.

Several shareholders and members of management of the plan sponsor have outstanding participant loans on December 31, 2021 and 2020.

All of these party-in-transactions are exempt from the prohibited transactions rules of ERISA.

**NOTE H - PLAN TERMINATION**

Although it has not expressed any interest to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan termination, participants will become 100% vested in their accounts.

**NOTE I - RISKS AND UNCERTAINTIES**

The Plan provides for various investment options in money market, mutual funds and common collective trusts. These investments are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain securities, it is at least reasonably possible that changes in the values of investments will occur in the near term and those changes could materially affect participant account balances and the amounts reported in the statement of net assets available for benefits.

On March 11, 2020, the World Health Organization declared the outbreak of a novel coronavirus (COVID-19) a pandemic. As a result of this pandemic, there has been substantial volatility in the global financial markets. The value of the investments of the Plan is likely to be impacted by this event.

No estimate of the potential impact of these uncertainties is included in the financial statements.

NOTES TO FINANCIAL STATEMENTS**

**NOTE J - DATE OF MANAGEMENT'S REVIEW**

As discussed in Note H "Risks and Uncertainties", the World Health Organization declared the outbreak of COVID-19 a global pandemic in March 2020. The spread of COVID-19 has created a global public health crisis that has resulted in unprecedented uncertainty, volatility and disruption in the global financial markets. While the future effects on the Plan cannot be reasonably estimated at this time, the value of the investments of the Plan is likely to be impacted.

Plan management has evaluated all other material events occurring through September 21, 2022, which is the date the financial statements were available to be issued (or "were issued" based on clients facts and circumstances) requiring recording or disclosure in the financial statements for the year ended December 31, 2021.
