INDEPENDENT AUDITOR'S REPORT

October 6, 2022

To the Plan Administrator of
Advocates Incorporated 401(k) Profit Sharing Plan and Trust:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Advocates Incorporated 401(k) Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from the qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by the qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Advocates Incorporated 401(k) Profit Sharing Plan and Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Advocates Incorporated 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITOR'S REPORT

(Continued)

Auditor's Responsibilities for the Audit of the 2021 Financial Statements (Continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the 2021 financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the 2021 financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Advocates Incorporated 401(k) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the 2021 financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Advocates Incorporated 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a the qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Advocates Incorporated 401(k) Profit Sharing Plan and Trust. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by the qualified institution. In our report dated September 28, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

ADVOCATES INCORPORATED 401(k) PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

1. DESCRIPTION OF PLAN

The following description of the Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a 401(k) defined contribution plan that is administered by Advocates Incorporated, the Plan Sponsor (the Company). Reliance Trust Company (Reliance) is the trustee of the Plan. ADP, LLC (ADP) is the recordkeeper of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

All employees of the Company who are at least age 21, have completed at least one year of eligible service as defined by the Plan, and have a minimum of 1,000 hours of service are eligible to participate. Eligible employees may participate in the Plan on the first day of the month following the completion of the eligibility requirements.

The Company's Board passed a resolution on September 25, 2020, to discontinue contributions into the Plan for 2021 as employees were provided another retirement option. The Company's Board passed another resolution on November 22, 2021, to begin accepting contributions again in 2022 including a two percent employer match.

Contributions

Participants may contribute up to 90 percent of their eligible pay as defined by the plan, subject to the limitation provisions of the Internal Revenue Code, on a pre-tax or after-tax (Roth) basis. Participants may also contribute amounts representing distributions from certain other qualified plans, as defined by the plan. Participants direct the investment of their contributions into various investment options offered by the Plan. Contributions are subject to certain limitations.

In addition to participant contributions, the Company may make discretionary contributions to the Plan, although it is not required to do so. There were no discretionary contributions made by the Company in 2021 or 2020.

Participant Accounts

Each participant's account is credited with the participant's contributions, Company contributions (if any) and Plan earnings. Participant accounts are charged with an allocation of administration expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

Participants may borrow from their account at a minimum of \$500 up to a maximum equal to the lesser of 50% of their account balance or \$50,000 reduced by the participant's highest outstanding loan balance during the previous twelve-month period. The maximum loan term is sixty months unless the loan is used to purchase a primary residence. Loans used to purchase a primary residence may be repaid within a period of no more than 10 years. Loans are collateralized by the vested balance in the participant's account and bear interest at rates equal to the prime rate plus two percentage points. Notes receivable from participants outstanding at December 31, 2021 and 2020 were \$1,214 and \$7,727, respectively.

1. DESCRIPTION OF PLAN (Continued)

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Company contributions vest as follows:

<u>Number of years of Vesting Service</u>	<u>Percentage</u>
Less than 2 years	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 or more years	100%

Payment of Benefits

Upon termination of service due to death, disability, retirement or other reasons, a participant may elect to receive their vested benefit in a single lump sum payment or have the payment paid as a direct rollover to an individual retirement account, annuity, installment payments or to another employer's tax qualified plan. Benefits are recorded when paid.

Forfeited Accounts

There were no forfeited non-vested accounts at December 31, 2021 and 2020. Should forfeited non-vested accounts occur, they will be used to reduce the Company's contributions, if any.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan's financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (US GAAP).

Estimates

The preparation of the Plan's financial statements in accordance with US GAAP requires the Plan administrator to make estimates and assumptions that affect the reported amounts of net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Investments

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants on the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Risks and Uncertainties

The Plan provides for various investment options including mutual funds and common collective trust funds. The underlying investments are stocks, bonds, fixed income securities and other investment securities. Investment securities are subject to risks including interest rate, market and credit risks. These risks make it at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Notes Receivable from Participants

Notes receivable from participants are measured at the unpaid principal balance plus any accrued but unpaid interest. There were no delinquent notes receivable at December 31, 2021 and 2020.

Administrative Expenses

Administrative expenses associated with the Plan, except for audit fees and record-keeper expenses, are paid by participants. Management fees and operating expenses charged to the Plan for investments are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of net appreciation in fair value of investments.

3. FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits.

Fair Value Inputs

Various inputs are used to determine the fair value of the Plan's investments. These inputs are summarized in the three broad levels listed below:

Level 1 - Valuations based on quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access. Valuation adjustments are not applied to Level 1 instruments. Since valuations are based on quoted prices that are readily and regularly available in an active market, valuation of these products does not entail a significant degree of judgment.

Level 2 - Valuations based on quoted prices in markets that are not active or for which all significant inputs are observable, directly or indirectly.

Level 3 - Valuations based on inputs that are unobservable and significant to the overall fair value measurement.

Observable inputs are those based on market data obtained from sources independent of the Plan, and unobservable inputs reflect management's own assumptions based on the best information available. The input levels are not necessarily an indication of the risk or liquidity associated with investments at that level.

3. FAIR VALUE MEASUREMENTS (Continued)

The following table summarizes the Plan's investments based on the inputs used to determine their fair values on December 31, 2021:

	<u>Level 1 Inputs</u>	<u>Level 2 Inputs</u>	<u>Level 3 Inputs</u>	<u>Total</u>
Mutual funds	<u>\$ 1,306,170</u>	<u>\$ -</u>	<u>\$ -</u>	\$ 1,306,170
Common collective trust funds valued using net asset value as a practical expedient				<u>175,545</u>
				<u>\$ 1,481,715</u>

The following table summarizes the Plan's investments based on the inputs used to determine their fair values on December 31, 2020:

	<u>Level 1 Inputs</u>	<u>Level 2 Inputs</u>	<u>Level 3 Inputs</u>	<u>Total</u>
Mutual funds	<u>\$ 1,377,375</u>	<u>\$ -</u>	<u>\$ -</u>	\$ 1,377,375
Common collective trust funds valued using net asset value as a practical expedient				<u>214,556</u>
				<u>\$ 1,591,931</u>

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at the year-end, consistent with the market approach.

The fair value of common collective trust funds is valued at the net asset value per share at year-end based on information provided by the trustee using the market value of the underlying investments. One of these funds seeks an investment return that approximates the performance of the S&P 500 over the long term, while the other seeks to provide stability in returns. There are no unfunded commitments or redemption restrictions.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

4. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA.

5. TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated March 31, 2008 that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRS and therefore believes that the Plan is qualified, and the related trust is tax-exempt.

6. SUMMARY OF INFORMATION CERTIFIED BY THE TRUSTEE

The following information was certified as complete and accurate by the Trustee of the Plan and is included in the accompanying financial statements and supplemental schedule:

	<u>2021</u>	<u>2020</u>

Net income per the 5500	<u>\$ (116,729)</u>	<u>\$ (257,225)</u>

8. PARTY-IN-INTEREST TRANSACTIONS

Reliance is the trustee of the Plan's assets. ADP is the record-keeper of the Plan's assets. As such, transactions between Reliance, ADP and the Plan qualify as party-in-interest transactions. Additionally, notes receivable from participants are party-in-interest transactions.

9. SUBSEQUENT EVENTS

Subsequent events have been evaluated through October 6, 2022, which is the date the financial statements were available to be issued.
