INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
Q International Courier, LLC
401(k) Profit Sharing Plan
Jamaica, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Q International Courier, LLC 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section —

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

The 2020 financial statements of the Plan were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed the predecessor auditor not to perform and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report dated September 21, 2021 indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the 2020 financial statements and supplemental schedule, and (b) the form and content of the information included in the 2020 financial statements and supplemental schedule, other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

*Notes to Financial Statements
December 31, 2021 and 2020*

1 - ORGANIZATION AND DESCRIPTION OF PLAN

Effective January 1, 1996, Q International Courier, Inc. established the Q International Courier, Inc. 401(k) Profit-Sharing Plan (the "Plan") as a defined contribution plan for employees of Q International Courier, Inc. and its affiliates (collectively referred to as the "Company" or the "Plan Sponsor"). During February 2017, the Plan Sponsor was converted to a limited liability company ("LLC") and, as a result, the Plan Document was amended effective February 27, 2017 to change the Plan name to Q International Courier, LLC 401(k) Profit Sharing Plan. The Plan is administered by Reliance Trust N.A. ("Reliance Trust" or the "Trustee").

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") was passed by Congress, which included provisions relating to retirement plans. The Plan adopted certain temporary relief provisions for qualified individuals (as defined under the CARES act). These temporary relief provisions were effective through December 31, 2020. The Plan has not been formally amended to incorporate these provisions into the Plan. The deadline for adopting these amendments is December 31, 2022.

Effective June 2, 2021, the Plan was restated to comply with the IRS requirement for plan sponsors to restate their plan documents every 6 years to incorporate legal updates that have occurred during that time frame. The restatement did not have a significant impact on the provisions of the Plan.

The following description of the Plan provides only general information. Participants should refer to the Summary Plan Description for a more complete description of the Plan's provisions.

- a. **General** - Employees of the Company are eligible to participate in the Plan immediately upon completion of six months of service, as defined, and the attainment of age 21. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").
- b. **Contributions** - Participants may contribute up to 50% of pre-tax annual compensation, as defined by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. In no event may participant contributions exceed any statutory limitations. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

The Company may elect to make discretionary matching contributions. For the year ended December 31, 2021, the Company elected to match 25% of participant deferrals up to \$1,500.

All investments are participant-directed. Participants direct the investment of contributions into the various investment options offered by the Plan, which include various mutual funds and a stable asset income fund. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation, unless the participant makes a contrary election. Their contributions are invested in a designated fund based upon the participants date of birth, until changed by the participant.

- c. **Participant Accounts** - Each participant's account is credited with the participant's contributions and allocations of the Company's matching contributions and Plan earnings or losses, and is charged with an allocation of recordkeeping and investment fees. Allocations are based on account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
- d. **Vesting** - Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Participants become 100% vested in the Company matching contribution portion of their accounts plus actual earnings thereon upon attaining three years of continuous service, or upon death or disability.
- e. **Notes Receivable from Participants** - Participants may borrow from their Plan accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 reduced by the participant's highest outstanding note balance to the Plan during the one-year period ending on the day before the date on which the note is made or 50% of their vested account balances, less current outstanding note balances. All notes, other than those used to purchase a principal residence, must be repaid within five years. Notes used to purchase a principal residence may be extended beyond five years, up to a maximum of fifteen years, and must be consistent with commercial practices. All notes outstanding were in compliance with the provisions of the Plan applicable at the time of the note's inception. The notes are secured by the vested balance in the participant's account. The interest rates are set by the plan administrator at loan issuance based on the rates available for similar loans from commercial lending institutions. At December 31, 2021 and 2020, outstanding notes bear interest at rates ranging from 4.25% to 6.50% and have scheduled maturities to December 2030. Principal and interest are paid ratably through bi-weekly payroll deductions or another approved manner, with payments made not less frequently than quarterly.

In accordance with the CARES Act, the maximum participant loan limit was temporarily increased to the lesser of \$100,000 or 100% of the participant's vested account balance for qualified participants and participants were given the option to suspend loan repayments for up to one year.

- f. **Payment of Benefits** - Participants may elect to receive distribution of their benefits upon retirement, in the event of death or disability, in the event of immediate and heavy financial hardship, or upon termination of employment. Normal retirement age is 65. Participants who have vested benefits in excess of \$5,000 and are eligible to receive benefits due to retirement, death, disability, hardship, or termination may elect to receive either a lump-sum amount equal to the participant's vested interest in his or her account or installment payments over a period of years that does not exceed the life expectancy of the participant or, if applicable, the beneficiary. If, at the time of termination, the participant's vested account balance does not exceed \$5,000, the participant may receive a lump-sum distribution of his or her benefits.

In accordance with the CARES Act, qualified participants were permitted to request penalty-free distributions of up to \$100,000 for qualifying coronavirus-related reasons. These reasons include the participant or the participant's spouse or dependent being diagnosed with COVID-19 and adverse financial consequences due to being quarantined, furloughed, laid off, having work hours reduced, or being unable to work due to lack of childcare due to COVID-19.

- g. **Plan Expenses** - Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. The Plan provides for direct transactional charges, such as for benefit payments or loan transactions, to be directly charged to the participant involved. Investment-related expenses are included in *net appreciation in fair value of investments*.
- h. **Forfeitures/Asset Holding Account** - The Plan has a forfeiture / asset holding account, which consists of forfeited nonvested accounts totaling \$31,210 and \$25,092 at December 31, 2021 and 2020, respectively. Forfeitures by participants may be used to pay plan expenses, reduce any nonelective contributions, or reduce any matching contributions. During the year ended December 31, 2021, \$1,000 of plan expenses were paid from the forfeiture / asset holding account.

- i. **Excess Matching Contributions** - There were no excess employer matching contributions for the year ended December 31, 2020. There were \$3,512 of excess employer matching contributions for the year ended December 31, 2021, which were forfeited during February 2022.

2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of the significant accounting policies of the Plan follows:

- a. **Basis of Accounting** - The financial statements of the Plan are prepared on the accrual basis of accounting, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- b. **Investment Valuation and Income Recognition** - Investments held are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

- c. **Payment of Benefits** - Benefits are recorded when paid.
- d. **Use of Estimates** - The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.
- e. **Notes Receivable from Participants** - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a deemed distribution payment is recorded. If the participant resumes payment under the Plan in a later year, the loan is reinstated with an offset to deemed distributions for the amount previously deemed a distribution. For the year ended December 31, 2021, *deemed distributions – net* in the accompanying statement of changes in net assets available for benefits represents deemed distributions of \$13,144 in the aggregate for 2 participants who ceased making loan repayments during 2021, partially offset by \$1,077 for 1 participant who resumed making loan repayments during 2021 on a loan that was previously deemed to be a distribution.
- f. **Excess Contributions Payable** - Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service ("IRS") are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2021 excess contributions in the amount of \$53,202, plus earnings, to the applicable participants during February 2022.
- g. **Other Income** - Other income of \$18,902 is the excess revenue earned on mutual funds from a revenue sharing arrangement with the investment manager, which was deposited into an ERISA Spending Account during 2021. See Note 6.

3 - INFORMATION CERTIFIED BY THE TRUSTEE (UNAUDITED)

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the U.S. Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, Reliance Trust, the Trustee of the Plan, has certified to the completeness and accuracy of all investments and related investment activity and notes receivable from participants and related activity in the accompanying statements of net assets available for benefits as of December 31, 2021 and 2020, the statement of changes in net assets available for benefits for the year ended December 31, 2021, and the accompanying supplemental schedule of assets (held at end of year) as of December 31, 2021.

4 - FAIR VALUE MEASUREMENTS

The financial Accounting Standards Codification ("ASC"), 820, Fair Value Measurements and Disclosures, provides a framework for measuring fair value. The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value are as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Trust Fund - Valued at the NAV of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the Plan will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust fund, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting dates.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

<i>Investments at Fair Value</i>					
	<i>Level 1</i>	<i>Level 2</i>	<i>Level 3</i>	<i>Investments at NAV (A)</i>	<i>Total</i>
December 31, 2021					
Mutual Funds	\$ 39,481,199	\$ -	\$ -	\$ -	\$ 39,481,199
Collective Trust Fund	<u>-</u>	<u>-</u>	<u>-</u>	<u>2,391,205</u>	<u>2,391,205</u>
Total Investments at Fair Value	<u>\$ 39,481,199</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 2,391,205</u>	<u>\$ 41,872,404</u>
December 31, 2020					
Mutual Funds	\$ 35,139,133	\$ -	\$ -	\$ -	\$ 35,139,133
Collective Trust Fund	<u>-</u>	<u>-</u>	<u>-</u>	<u>2,037,575</u>	<u>2,037,575</u>
Total Investments at Fair Value	<u>\$ 35,139,133</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 2,037,575</u>	<u>\$ 37,176,708</u>

- (A) Certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of net assets available for benefits.

The Plan's policy is to recognize transfers into and out of any level as of the date of the event or change in circumstances that caused the transfer. There were no transfers into or out of any level for the years ended December 31, 2021 and 2020.

The following describes the investment strategy for the Collective Trust Fund, reported as investments measured at NAV, held by the Plan for the years ended December 31, 2021 and 2020:

JPMCB Stable Asset Income Fund - The primary investment objective is to seek to provide capital preservation, liquidity, and current income at levels that are typically higher than those provided by money market funds.

5 - INCOME TAX STATUS

The IRS has determined and informed Great West Trust Company, LLC, by a letter dated June 30, 2020, that its prototype plan was designed in accordance with applicable sections of the Internal Revenue Code ("IRC") and is exempt from income taxes. Plan management believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, is qualified and the related trust is tax-exempt.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6 - RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Plan investments include mutual funds and shares of a stable asset income fund managed by Reliance Trust, the Trustee, or its affiliates and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the year ended December 31, 2021 amounted to \$2,106 for investment management services and recordkeeping and processing fees.

The Trustee provides certain administrative services to the Plan and receives revenue from mutual fund providers for services the Trustee provides to the funds. This revenue is used to offset certain amounts owed to the Trustee for its administrative services to the Plan. If the revenue received by the Trustee from such mutual fund service providers exceeds the amounts owed, the Trustee remits the excess to the Plan pursuant to the service agreement. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of the participants, depending on the Plan's provisions. During 2021, \$18,902 was received from the Trustee and is reflected as *other income* in the statement of changes in net assets available for benefits. \$33,512 was used to pay Plan expenses, which were accrued as of December 31, 2020. The account balance as of December 31, 2021 and 2020 was \$32,914 and \$47,043, respectively.

7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will be 100% vested in their employer contributions.

8 - RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Volatility in the financial markets may significantly impact the subsequent valuation of the Plan's investments. Accordingly, the valuation of investments at December 31, 2021 may not necessarily be indicative of amounts that could be realized in a current market exchange.

During the years ended December 31, 2018 and 2017, the Plan Sponsor utilized different matching formulas for participating employers. Per the original Adoption Agreement in effect for the 2017 plan year, matching formulas should be the same for all participating employers. As of the date these financial statements were available to be issued, the Plan Sponsor is in the process of preparing an application to the EPCRS voluntary compliance program of the IRS requesting approval of a retroactive amendment to the Plan Document. The requested amendment is effective October 18, 2017 to allow differing employer matching formulas for participating employers. Although it is not certain how the IRS will respond, the Plan Sponsor has consulted with ERISA counsel who believes it is more likely than not that the IRS will approve this amendment.

9 - RECONCILIATION OF FINANCIAL STATEMENT AMOUNTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of certain financial statement amounts to Schedule H of Form 5500:

<i>Line Item</i>	<i>Financial Statements</i>	<i>Reconciling Item</i>	<i>Form 5500</i>
