INDEPENDENT AUDITORS' REPORT

To the Administrator of the
CorTech, LLC 401(k) Plan
Atlanta, Georgia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of the CorTech, LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the CorTech, LLC 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520-103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section -

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

2030 Powers Ferry Road, SE SUITE 208 Atlanta, Georgia 30339 PHONE 678.202.5955 FAX 770.485.3860 VISIT www.seayweissinger.com

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the CorTech, LLC 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the CorTech, LLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but it is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the CorTech, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the CorTech, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H, Line 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2021 and Schedule H, Line 4i - Schedule of Assets (Held at End of Year), as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including

comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

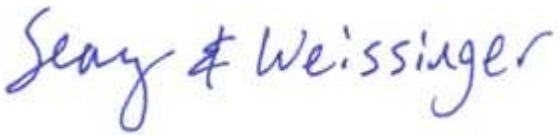

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT

To the Administrator of the
CorTech, LLC 401(k) Plan
Atlanta, Georgia

We were engaged to audit the accompanying statement of net assets available for benefits of the CorTech, LLC 401(k) Plan, as of December 31, 2020, and the related notes to the financial statement.

Management's Responsibility for the 2020 Financial Statement

Management is responsible for the preparation and fair presentation of the 2020 financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility for the 2020 Financial Statement

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the *Basis for Disclaimer of Opinion* paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion on the 2020 Financial Statement

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Transamerica Financial Life Insurance Company, Inc., the custodian of the Plan, except for comparing the information with the related information included in the financial statement. We have been informed by the Plan administrator that Transamerica Financial Life Insurance Company, Inc. holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the custodian as of December 31, 2020, that the information provided to the Plan administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statement.

Report on Form and Content in Compliance with DOL Rules and Regulations for the 2020 Financial Statement

The form and content of the information included in the 2020 financial statement, other than that derived from the information certified by the custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Note 1 - Description of plan:

The following description of the CorTech, LLC 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan Sponsor is CorTech, LLC (CorTech). The Plan is a defined contribution plan covering substantially all employees of CorTech (the Company, Plan Sponsor, or Plan Administrator). During the 2020 Plan year, employees of CorTech West Staffing, LLC and Staffing XL, LLC began participating in the Plan. These two entities were acquired by CorTech and are considered part of a controlled group. See Plan amendments below.

The Plan allows for immediate eligibility for employees of the Company. There are no age or service requirements to participate in the Plan. Employees may begin participating in the Plan on the first day of the month after employment commences (see Plan amendments below). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan amendments

The Plan Sponsor adopted the provisions of the CARES Act in April 2020. The major provisions affecting the Plan that were adopted are as follows:

- The 10% penalty relating to distributions made before age 59 1/2 is not applicable for coronavirus-related distributions.
- Any coronavirus-related distributions may be repaid by participants within three years at the discretion of the participant. Repayment of these distributions will be treated as rollover contributions.
- The 20% withholding requirement is waived for coronavirus-related distributions.
- The maximum loan amount for qualified loans is increased from the lesser of $50,000 or 50% of the participant's vested account balance to the lesser of $100,000 or 100% of the participant's vested balance. The modification of the loan provisions extends for 180 days after the adoption of the CARES Act amendment.

Note 1 - Description of plan - continued:

Plan amendments - continued

- For participants who meet the coronavirus-related distribution definition who have an outstanding loan balance on or after the enactment date and loan payments due from the date of enactment through December 31, 2020 may delay payments on those loans for one year. The five-year loan repayment limit period may be disregarded for the purpose of payment of any accrued and delayed loan interest payments.

- Required minimum distributions may be forgone for the 2020 Plan year.

The Plan Sponsor executed a restated adoption agreement effective January 1, 2021. The restated adoption agreement is substantially the same as the previously existing adoption agreement with the exceptions noted below:

- CorTech West Staffing, LLC was added as a participating employer;

- Staffing XL, LLC was added as a participating employer;

- The participant entry window allowing employees to begin participating in the Plan on the first day of the month after employment was eliminated. Employees are eligible to participate in the Plan immediately upon employment.

Effective August 5, 2021, the Plan was amended using a Self-Correction Amendment to allow certain non-highly compensated employees who began participating in the Plan before eligibility requirements were met to retain monies in the Plan for periods prior to eligibility. The amendment waived the first day of the month entry requirements which were formally removed in the January 1, 2021 adoption agreement restatement above. The amendment also allowed employees of CorTech West Staffing, LLC and Staffing XL, LLC to retain their monies in the Plan that were contributed in 2020 before these entities were adopted as participating employers. This issue was also corrected in the January 1, 2021 amendment above which allowed these two entities to participate in the Plan.

Contributions

Participants may contribute up to 90% of compensation, up to current Internal Revenue Service (IRS) limitations, through payroll deductions. Participants who have attained age 50 before the end of the Plan year are permitted to make catch-up contributions. The Plan does not allow for employer contributions to the Plan.

Note 1 - Description of plan - continued:

Contributions - continued

The Plan does not allow for Roth or after-tax contributions. Additionally, the Plan does not allow for participant rollover contributions of Roth or after-tax amounts. Participants may direct their contributions to any of the Plan's fund options. Participants may change their investment options daily and may change their contribution election on the first day of each month.

Participant accounts

Each participant's account is credited with the participant's contributions Plan expenses, and Plan earnings.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon.

Payment of benefits

A participant is entitled to a distribution of the vested value of his or her account upon attainment of age 65 (normal retirement age), termination of service, disability, death, or retirement. Upon attainment of age 59 1/2, currently employed participants may elect to withdraw all or part of their contributions. Participants are required to take distributions as lump-sum payments, with the exception of required minimum distributions. In-service withdrawals of a participant's vested account balance are permitted in cases of proven financial hardship. If a participant's account balance is less than $5,000 upon termination of employment, a distribution of the participant's account will be automatically rolled over to an individual retirement account setup in the participants name unless the participant chooses otherwise.

Note 1 - Description of plan - continued:

Notes receivable from participants

Participants may borrow a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. Note terms are for a maximum of five years, except for notes for the purchase of a primary residence which may have longer repayment periods at the discretion of the Plan Sponsor. Participants may have one note outstanding at any given time. Notes are secured by the participant's account and bear interest at the Prime rate plus 2%. Principal and interest are paid ratably through payroll deductions. Participants may prepay their notes at any time. Participants may also refinance their note.

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan document.

Administrative expenses

Administrative expenses of the Plan are paid by either the Company or the Plan, as determined by the Plan Sponsor. The Company absorbs a portion of the administrative expenses of the Plan. Fees charged for processing distributions, as well as other account transaction fees, are charged directly to the accounts of applicable participants.

Note 2 - Summary of significant accounting policies:

Basis of accounting

The financial statements of the Plan are prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Stable value fund

Investment contracts are reported at contract value as contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. Contract value represents the cost plus contributions made under the contract plus interest at the contract rate less withdrawals and administrative expenses.

Note 2 - Summary of significant accounting policies - continued:

Stable value fund - continued

The Plan invests in the Transamerica Stable Value Advantage Account investment. This investment is considered to be fully benefit-responsive, and thus is reportable at contract value. Generally, participants may withdraw assets from the Transamerica Stable Value Advantage Account without restrictions. Transamerica may impose a hold period at the contract level in the event of a full contract discontinuance or partial contract discontinuance. The investment's interest rate is set semi-annually on January 1 and July 1. There is no stated minimum or maximum interest rate for this investment.

Investment valuation and income recognition

The Plan's pooled separate accounts and cash investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. These investments are valued at fair value based on a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Note 2 - Summary of significant accounting policies - continued:

Investment valuation and income recognition - continued

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2021 and 2020.

- Pooled separate account investments are primarily in underlying investments in shares of registered investment companies or in fixed maturity securities. Investments in underlying registered investment companies are valued at the net asset value (NAV) of shares held by the Plan at year end by obtaining quoted prices on nationally recognized securities exchanges. Investments in fixed maturity securities are measured based on the pricing data provided by outside valuation service providers who in turn generally use the mean of bid and ask prices but may also use alternative observable pricing inputs for certain securities.

- Cash is valued at cost, which approximates fair value.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 2 - Summary of significant accounting policies - continued:

Investment valuation and income recognition - continued

The following tables set forth by level, within the fair value hierarchy, the Plan's fair value measurements as of December 31, 2021 and 2020:

	Fair Value Measurements at December 31, 2021			
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
Pooled separate accounts	$ 1,484,819	$ 6,828,045	$ -	$ 8,312,864
Cash	4,420	-	-	4,420
Total investments at fair value	$ 1,489,239	$ 6,828,045	$ -	$ 8,317,284

	Fair Value Measurements at December 31, 2020			
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
Pooled separate accounts	$ 1,954,562	$ 5,681,945	$ -	$ 7,636,507
Cash	3,876	-	-	3,876
Total investments at fair value	$ 1,958,438	$ 5,681,945	$ -	$ 7,640,383

Purchases and sales of investments are recorded on a trade-date basis. Interest income is accrued when earned. Dividend income is recorded on the ex-dividend date.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make certain estimates that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Note 2 - Summary of significant accounting policies - continued:

Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the accompanying statements of net assets available for benefits.

Payment of benefits

Benefits are recorded when paid.

Subsequent events

The Plan has evaluated subsequent events through October 7, 2022, which is the date these financial statements were available to be issued. All subsequent events, if any, requiring recognition as of December 31, 2021, have been incorporated into these financial statements.

Note 3 - Investments and information certified by the custodian:

Certain information related to investments and notes receivable from participants disclosed in the accompanying 2021 financial statements and ERISA-required supplemental schedules, including investments and notes receivable from participants held at December 31, 2021, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by the custodian, Transamerica Financial Life Insurance Company, Inc.

For the 2020 plan year, the Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, all investment information disclosed in the accompanying 2020 financial statement, including investments held at December 31, 2020, was obtained or derived from information supplied to the Plan Administrator by the custodian, Transamerica Financial Life Insurance Company, Inc.

Note 3 - Investments and information certified by the custodian - continued:

Investments that represent 10% or more of the Plan's investments at December 31, 2021 and 2020 are as follows:

	2021	2020
Morgan Stanley Growth Retirement Account	*	$ 1,033,446
Transamerica LifeGoal with BlackRock 2030 Account	$ 2,059,632	$ 1,807,849

*Indicates an investment that was less than 10% of the Plan's investments at December 31, 2021.

Note 4 - Party-in-interest transactions:

The custodian and its affiliates perform services for the Plan, sell products to the Plan, and manage and maintain certain investments of the Plan for which fees are charged to the Plan. The Plan pays a portion of the administrative expenses. Such transactions, while considered party-in-interest transactions under ERISA, are specifically exempt from the prohibited transaction rules.

In April 2019, the Plan amended the services agreement with Transamerica. The amended agreement provides that the Plan receives revenue from contract asset charge fees related to investments of the Plan which is placed into an Expense Budget Account (EBA). The funds in the EBA can either be allocated to participants or used to offset amounts owed to the Plan's service providers for administrative and other services provided to the Plan. During the year ended December 31, 2021, the Plan received $17,134 of EBA credits associated with the services agreement which are included in other income on the statement of changes in net assets available for benefits. During the year ended December 31, 2021, $16,592 of the Plan's expenses were paid out of the EBA and are included in administrative expenses on the statement of changes in net assets available for benefits. As of December 31, 2021 and 2020, the Plan had available $4,420 and $3,876, respectively, of these monies for payment of future expenses. The EBA is included in cash on the statements of net assets available for benefits as of December 31, 2021 and 2020.

Note 5 - Plan termination:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all participants' accounts will become fully-vested.

Note 6 - Tax status:

The underlying prototype plan has received an opinion letter from the IRS dated June 30, 2020 stating that the form of the Plan is qualified under Section 401(a) of the Internal Revenue Code (IRC), and therefore, the related trust is tax-exempt. The Plan Administrator has determined that it is eligible to and has chosen to rely on the current IRS prototype plan opinion letter. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan Administrator has indicated that it will take the necessary steps to bring the Plan's operations into compliance with the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or asset or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for Plan years prior to 2018.

Note 7 - Plan operational issues:

During the year ended December 31, 2021, and in multiple prior years, there were remittances of participant deferral contributions and participant loan payments that were determined to be delinquent per Department of Labor rules and regulations. The delinquent deferral contributions and loan payments are disclosed, by year, in Schedule H, Line 4a - Schedule of Delinquent Participant Contributions. The years range from 2012 through 2021. No corrections have yet been made related to these delinquent contributions.

Corrective distributions related to the Plan year ended December 31, 2019 have not been distributed to participants as required. Subsequent to the 2019 Plan year, some of the affected participants have taken complete distributions of their account balances. These distributions reduced the amount of the corrective liability outstanding at the end of the years presented in the statements of net assets. Corrective distributions payable related to the 2019 Plan year are $53,216 and $70,218 as of December 31, 2021 and 2020, respectively, and are included in corrective distributions payable.
