Independent Auditor's Report

To the Trustees of the
Firsttrust 401(k) and Profit Sharing Plan
Horsham, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Firsttrust 401(k) and Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Firsttrust 401(k) and Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Firsttrust 401(k) and Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Firsttrust 401(k) and Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Firsttrust 401(k) and Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the financial statements of Firsttrust 401(k) and Profit Sharing Plan as of December 31, 2020, and for the year then ended. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. Our report dated October 13, 2021, indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the financial statements and supplemental schedule, and (b) the form and content of the information included in the financial statements and supplemental schedule other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

FIRSTRUST 401(K) AND PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2021 AND 2020

(1) DESCRIPTION OF PLAN

The following description of the Firsttrust 401(k) and Profit Sharing Plan (“Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering employees of Firsttrust Savings Bank and certain entities related by common ownership or control (collectively, the “Company”) who have completed 250 hours of service within three consecutive months of employment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

First Lease, Inc. and Apex Mortgage Corporation, affiliates of Firsttrust Savings Bank, participate in the employee pretax and employer regular matching components of the Plan, but not in the profit-sharing component of the Plan.

Coronavirus

The continued global economic uncertainty associated with the COVID-19 pandemic has resulted in significant volatility in global financial markets. This volatility has affected, and may continue to affect, the value of the Plan's net assets available for benefits. The effects of economic and market conditions subsequent to December 31, 2021 are not reflected in these financial statements and future effects on the Plan's net assets available for benefits cannot be predicted due to uncertainty regarding the duration and scope of the pandemic and other changing market conditions.

CARES Act

On March 27, 2020, Congress signed the Coronavirus Aid, Relief, and Economic Security Act, also known as the CARES Act. The CARES Act contained several provisions that temporarily impacted 401(k) plans. Plan management has evaluated the relief options available to plan participants under the CARES Act and has implemented the following provisions:

- Coronavirus-related distributions up to \$100,000 through December 31, 2020.
- The available loan amount, as further described herein, was increased to the lesser of \$100,000 or 100% of the participant’s vested account balance for loans issued between March 27, 2020 and September 22, 2020.
- The period for loan repayments was extended, if applicable, up to one year.

Contributions

Each year, participants may contribute from 1% to 100% of pretax annual compensation or after-tax annual compensation, as defined in the Plan, not to exceed the maximum amount allowable under the Internal Revenue Code. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions in accordance with, and subject to limitations of the Internal Revenue Code. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Eligible employees of the Company are automatically enrolled in the Plan. Unless the participant elects otherwise, each participant is automatically enrolled at a 6% deferral rate in the Plan’s default investment fund.

YEARS ENDED DECEMBER 31, 2021 AND 2020

(1) DESCRIPTION OF PLAN - Continued

Contributions – Continued

In addition, unless a participant elects otherwise, each participant's deferral percentage will automatically increase each year on or after their employment anniversary by 1% until it reaches 10%. During 2021 and 2020, the Company contributed 50% of the first 6% of compensation contributed by the participant. The Company may also make profit-sharing contributions and qualified non-elective contributions. All Company contributions are discretionary.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of the Company's contribution and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan and deducted from earnings credited to participants' accounts. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

Upon enrollment in the Plan, a participant may direct employee contributions to any of the investment options offered by the Plan. Participants may change their investment options at any time. Employer contributions are invested in certificates of deposit or a cash account.

Vesting and Forfeitures

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after six years of credited service.

At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$59,341 and \$54,701, respectively. These accounts can be used to reduce future employer contributions or for the payment of recordkeeping expenses. Forfeited nonvested accounts of \$45,773 and \$43,318 were used to fund employer contributions to the Plan in 2021 and 2020, respectively.

Notes Receivable from Participants

Participants may borrow from their accounts up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance, which was temporarily increased to the lesser of \$100,000 or 100% for new loans issued between March 27, 2020 and September 22, 2020 as part of the CARES Act. Loans are secured by the vested balance in the participant's account and bear interest based on the prime rate as reported in the Wall Street Journal. Principal and interest are paid ratably through regular payroll deductions.

Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum amount, or in the form of an annuity or installment payments.

Payment of Benefits – Continued

In addition, hardship distributions are permitted if certain criteria are met. The Plan provides that participants may receive in-service distributions of any or all of their account as of the date they attain 59-1/2.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America (“U.S. GAAP”) as set forth in the Financial Accounting Standards Board (“FASB”) Accounting Standards Codification (“ASC”).

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosures of contingent assets and liabilities. Actual results may differ from those estimates.

Risks and Uncertainties

The Plan invests in various investment securities which are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for further discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan’s gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded. No allowance for credit losses has been recorded as of December 31, 2021 or 2020.

FIRSTTRUST 401(K) AND PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2021 AND 2020

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Excess Contributions Payable

At December 31, 2020, the Plan recorded \$157,101 as excess contributions payable related to contributions that were based on ineligible compensation received by Plan participants. During 2020, the Plan refunded a portion of the excess contributions, adjusted for earnings, totaling \$38,948 to the applicable participants. During 2021, an additional \$49,893 of excess contributions, adjusted for earnings, were refunded to participants related to the excess contributions discovered in 2020.

The total refunds in 2020 and 2021 were offset against participant contributions included on the statements of changes in net assets available for benefit for the years ended December 31, 2021 and 2020.

Payment of Benefits

Benefit payments are recorded as a deduction from Plan assets when paid. Corrective distributions are made for excess deferrals and contributions.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are shown separately on the statements of changes in net assets available for benefits.

Subsequent Events

Management has evaluated subsequent events through August 25, 2022, which is the date the Plan's financial statements were available to be issued.

Reclassifications

Certain prior year amounts have been reclassified to conform to the current year presentation.

(3) INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA for 2021 and 2020. Accordingly, John Hancock Trust Company LLC, the Trustee of the Plan, has certified to the completeness and accuracy of all investments and notes receivable from participants (except for certificates of deposit and cash accounts) reported in the accompanying statements of net assets available for benefits as of December 31, 2021 and 2020, the related investment activity reported in the statements of changes in net assets available for benefits for the years then ended, and the supplemental Schedule H, Line 4(i) – Schedule of Assets (held at end of year) as of December 31, 2021.

Certificates of deposit and interest-bearing cash include participant-directed and nonparticipant-directed investments. Both of these investments were subject to full scope auditing procedures. Mutual funds and net appreciation in fair value of investments relate to participant-directed investments.

(5) FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC Topic 820 are described as follows:

Level 1 – Inputs are unadjusted, quoted prices in active markets for identical assets or liabilities as of the reporting date.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3 – Unobservable inputs that are not corroborated by market data.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

NOTES TO FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2021 AND 2020

(5) FAIR VALUE MEASUREMENTS - Continued

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

- Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
- Interest-bearing cash account: Valued at its outstanding balance, which approximates fair value.
- Certificates of deposit: Valued at carrying value, which approximates fair value and are classified within Level 2 of the valuation hierarchy.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

Fair Value Measurements at December 31, 2021

	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total

(6) PARTY-IN-INTEREST TRANSACTIONS

John Hancock Trust Company LLC is the Trustee as defined by the Plan and, therefore, the services provided to the Plan qualify as party-in-interest transactions. Many of the investment funds provide for a revenue sharing arrangement with the Plan that provides for a portion of fund expenses to be credited to the Plan to pay for certain administrative expenses that are incurred by the Plan, such as recordkeeping and investment advisory fees. Revenue sharing receipts totaling \$67,738 in 2021 and \$55,036 in 2020 are included as other income in the statements of changes in net assets available for benefits. At December 31, 2021 and 2020, unallocated accounts totaled \$49,451 and \$33,588, respectively.

(7) PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right, under the Plan, to discontinue its contribution at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will remain or become 100 percent vested in their accounts.

(8) PLAN TAX STATUS

The Internal Revenue Service ("IRS") has determined and informed the Company by a letter dated May 4, 2017, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, the Plan Administrator and counsel believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. No provisions for income taxes have been included in the Plan's financial statements.

FASB ASC 740, *Income Taxes*, prescribes a recognition threshold and a measurement attribute for the financial statement recognition and measurement of tax positions taken or expected to be taken in a tax return as well as guidance on de-recognition, classification, interest and penalties and financial statement reporting disclosures. No liability for uncertain positions taken or expected to be taken has been recognized in the Plan's financial statements.

FIRSTRUST 401(K) AND PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2021 AND 2020

(1) DESCRIPTION OF PLAN

The following description of the Firsttrust 401(k) and Profit Sharing Plan (“Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering employees of Firsttrust Savings Bank and certain entities related by common ownership or control (collectively, the “Company”) who have completed 250 hours of service within three consecutive months of employment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

First Lease, Inc. and Apex Mortgage Corporation, affiliates of Firsttrust Savings Bank, participate in the employee pretax and employer regular matching components of the Plan, but not in the profit-sharing component of the Plan.

Coronavirus

The continued global economic uncertainty associated with the COVID-19 pandemic has resulted in significant volatility in global financial markets. This volatility has affected, and may continue to affect, the value of the Plan's net assets available for benefits. The effects of economic and market conditions subsequent to December 31, 2021 are not reflected in these financial statements and future effects on the Plan's net assets available for benefits cannot be predicted due to uncertainty regarding the duration and scope of the pandemic and other changing market conditions.

CARES Act

On March 27, 2020, Congress signed the Coronavirus Aid, Relief, and Economic Security Act, also known as the CARES Act. The CARES Act contained several provisions that temporarily impacted 401(k) plans. Plan management has evaluated the relief options available to plan participants under the CARES Act and has implemented the following provisions:

- Coronavirus-related distributions up to \$100,000 through December 31, 2020.
- The available loan amount, as further described herein, was increased to the lesser of \$100,000 or 100% of the participant’s vested account balance for loans issued between March 27, 2020 and September 22, 2020.
- The period for loan repayments was extended, if applicable, up to one year.

Contributions

Each year, participants may contribute from 1% to 100% of pretax annual compensation or after-tax annual compensation, as defined in the Plan, not to exceed the maximum amount allowable under the Internal Revenue Code. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions in accordance with, and subject to limitations of the Internal Revenue Code. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Eligible employees of the Company are automatically enrolled in the Plan. Unless the participant elects otherwise, each participant is automatically enrolled at a 6% deferral rate in the Plan’s default investment fund.

NOTES TO FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2021 AND 2020

(1) DESCRIPTION OF PLAN - Continued

Contributions – Continued

In addition, unless a participant elects otherwise, each participant's deferral percentage will automatically increase each year on or after their employment anniversary by 1% until it reaches 10%. During 2021 and 2020, the Company contributed 50% of the first 6% of compensation contributed by the participant. The Company may also make profit-sharing contributions and qualified non-elective contributions. All Company contributions are discretionary.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of the Company's contribution and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan and deducted from earnings credited to participants' accounts. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

Upon enrollment in the Plan, a participant may direct employee contributions to any of the investment options offered by the Plan. Participants may change their investment options at any time. Employer contributions are invested in certificates of deposit or a cash account.

Vesting and Forfeitures

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after six years of credited service.

At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$59,341 and \$54,701, respectively. These accounts can be used to reduce future employer contributions or for the payment of recordkeeping expenses. Forfeited nonvested accounts of \$45,773 and \$43,318 were used to fund employer contributions to the Plan in 2021 and 2020, respectively.

Notes Receivable from Participants

Participants may borrow from their accounts up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance, which was temporarily increased to the lesser of \$100,000 or 100% for new loans issued between March 27, 2020 and September 22, 2020 as part of the CARES Act. Loans are secured by the vested balance in the participant's account and bear interest based on the prime rate as reported in the Wall Street Journal. Principal and interest are paid ratably through regular payroll deductions.

Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum amount, or in the form of an annuity or installment payments.

(1) DESCRIPTION OF PLAN - Continued

Payment of Benefits – Continued

In addition, hardship distributions are permitted if certain criteria are met. The Plan provides that participants may receive in-service distributions of any or all of their account as of the date they attain 59-1/2.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America (“U.S. GAAP”) as set forth in the Financial Accounting Standards Board (“FASB”) Accounting Standards Codification (“ASC”).

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosures of contingent assets and liabilities. Actual results may differ from those estimates.

Risks and Uncertainties

The Plan invests in various investment securities which are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for further discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan’s gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded. No allowance for credit losses has been recorded as of December 31, 2021 or 2020.

YEARS ENDED DECEMBER 31, 2021 AND 2020

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Excess Contributions Payable

At December 31, 2020, the Plan recorded \$157,101 as excess contributions payable related to contributions that were based on ineligible compensation received by Plan participants. During 2020, the Plan refunded a portion of the excess contributions, adjusted for earnings, totaling \$38,948 to the applicable participants. During 2021, an additional \$49,893 of excess contributions, adjusted for earnings, were refunded to participants related to the excess contributions discovered in 2020.

The total refunds in 2020 and 2021 were offset against participant contributions included on the statements of changes in net assets available for benefit for the years ended December 31, 2021 and 2020.

Payment of Benefits

Benefit payments are recorded as a deduction from Plan assets when paid. Corrective distributions are made for excess deferrals and contributions.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are shown separately on the statements of changes in net assets available for benefits.

Subsequent Events

Management has evaluated subsequent events through August 25, 2022, which is the date the Plan's financial statements were available to be issued.

Reclassifications

Certain prior year amounts have been reclassified to conform to the current year presentation.

(3) INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA for 2021 and 2020. Accordingly, John Hancock Trust Company LLC, the Trustee of the Plan, has certified to the completeness and accuracy of all investments and notes receivable from participants (except for certificates of deposit and cash accounts) reported in the accompanying statements of net assets available for benefits as of December 31, 2021 and 2020, the related investment activity reported in the statements of changes in net assets available for benefits for the years then ended, and the supplemental Schedule H, Line 4(i) – Schedule of Assets (held at end of year) as of December 31, 2021.

Certificates of deposit and interest-bearing cash include participant-directed and nonparticipant-directed investments. Both of these investments were subject to full scope auditing procedures. Mutual funds and net appreciation in fair value of investments relate to participant-directed investments.

(5) FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC Topic 820 are described as follows:

Level 1 – Inputs are unadjusted, quoted prices in active markets for identical assets or liabilities as of the reporting date.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3 – Unobservable inputs that are not corroborated by market data.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

(5) FAIR VALUE MEASUREMENTS - Continued

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

- Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
- Interest-bearing cash account: Valued at its outstanding balance, which approximates fair value.
- Certificates of deposit: Valued at carrying value, which approximates fair value and are classified within Level 2 of the valuation hierarchy.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

Fair Value Measurements at December 31, 2021

	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total

(6) PARTY-IN-INTEREST TRANSACTIONS

John Hancock Trust Company LLC is the Trustee as defined by the Plan and, therefore, the services provided to the Plan qualify as party-in-interest transactions. Many of the investment funds provide for a revenue sharing arrangement with the Plan that provides for a portion of fund expenses to be credited to the Plan to pay for certain administrative expenses that are incurred by the Plan, such as recordkeeping and investment advisory fees. Revenue sharing receipts totaling \$67,738 in 2021 and \$55,036 in 2020 are included as other income in the statements of changes in net assets available for benefits. At December 31, 2021 and 2020, unallocated accounts totaled \$49,451 and \$33,588, respectively.

(7) PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right, under the Plan, to discontinue its contribution at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will remain or become 100 percent vested in their accounts.

(8) PLAN TAX STATUS

The Internal Revenue Service ("IRS") has determined and informed the Company by a letter dated May 4, 2017, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, the Plan Administrator and counsel believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. No provisions for income taxes have been included in the Plan's financial statements.

FASB ASC 740, *Income Taxes*, prescribes a recognition threshold and a measurement attribute for the financial statement recognition and measurement of tax positions taken or expected to be taken in a tax return as well as guidance on de-recognition, classification, interest and penalties and financial statement reporting disclosures. No liability for uncertain positions taken or expected to be taken has been recognized in the Plan's financial statements.
