INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of
Pamar Enterprises, Inc. Employees 401(K) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Pamar Enterprises, Inc. Employees 401(K) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Pamar Enterprises, Inc. Employees 401(K) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Pamar Enterprises, Inc. Employees 401(K) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Pamar Enterprises, Inc. Employees 401(K) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Pamar Enterprises, Inc. Employees 401(K) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Pamar Enterprises, Inc. Employees 401(K) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Assets Held at End of Year, as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Ascensus Trust Company, the 2020 trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the year ended December 31, 2020, that the information provided to the plan administrator by the trustee is complete and accurate.

NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 1: DESCRIPTION OF THE PLAN

The following description of the Pamar Enterprises, Inc. Employee's 401(k) Profit Sharing Plan is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

Administrator/Trustees

The Plan Administrator is Pamar Enterprises, Inc. All recordkeeping functions, investment responsibilities, including safeguarding of assets and discretionary authority concerning the purchase and sale of those assets, were performed by Ascensus Trust Company, the Plan's Trustee.

General

Pamar Enterprises, Inc. Employee's 401(k) Profit Sharing Plan became effective on July 1, 1979. The Plan's year end and anniversary date is December 31st.

The Plan is a defined contribution profit sharing plan. Under terms of the Plan, employees who have attained the age of 18 are participants in the Plan. The net assets are allocated among "participants' accounts", which consists of each participant's accumulated share of annual contributions and any adjustment for appreciation or depreciation on asset revaluations.

Contributions to the Plan

Each participant may elect to defer for each plan year no greater than \$19,500 of his/her compensation for the years ended December 31, 2021 and 2020. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may elect either Pre-Tax 401(k) Deferrals or Roth 401(k) Deferrals. The Plan's Trustees reserve the right to amend or revoke a participant's election to defer compensation to insure that contributions made by or on behalf of a participant for a plan year do not exceed the limitations of Section 415 of the Internal Revenue Code or to insure that the discrimination tests of Section 401(k) of the Internal Revenue Code are met for each plan year.

The Plan includes a Safe Harbor provision. Under this provision, the Company contributes 100% of the first 3% of compensation that a participant contributes to the Plan, plus 50% of the participants' contributions between 3% and 5% of compensation. The Company made contributions of \$307,797 for the year ended December 31, 2021.

NOTE 1: DESCRIPTION OF THE PLAN - Continued

Vesting and Distributions

Company matching and discretionary contributions are vested in accordance with the following vesting schedule:

Years of Service	Percentage
Less than 2	0
2	20
3	40
4	60
5	80
6 or more	100

Participant deferral contributions and employer Davis Bacon contributions are always fully vested.

Participants can also become fully vested in the employer account upon the occurrence of one of the following events: death, disability or attainment of normal retirement age (59 1/2).

The Plan provides that the form by which a participant retirement benefit shall be paid is one lump-sum cash payment. In the event of death, the remaining balance in the participant's account shall be distributed to his/her beneficiaries.

Participant Loans

Participants may borrow from their fund accounts at the minimum amount of \$1,000 and up to a maximum of \$50,000. The loans are secured by the balance in the participant's account and bear interest at prime rate. Principal and interest are paid ratably through weekly payroll deductions. Participants are not permitted to borrow from their Roth deferrals or have more than two loans outstanding at any time.

Tax Status

The IRS has determined and informed the Plan sponsor by a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRS and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements are prepared using the accrual basis of accounting. Employer contributions and income from investments are recorded when earned. Expenses are recorded in the accounting period in which they are incurred.

Investments

Fund investments are valued based on the market value of the underlying investments as of the last business day of the year. Realized gains and losses on investment transactions are recorded as the difference between proceeds received and carrying value. Net unrealized appreciation or depreciation in the fair market value of investments is recorded as the change in carrying value of the investment portfolio from the beginning of the year or date of purchase to the end of the year.

Allocation of Contributions, Investment Income, Gains and Losses, and Forfeitures

The Plan states that the discretionary employer profit sharing contributions, if any, are allocated to the participants based on the ratio of a participant's current year compensation to the total compensation for all eligible participants. Compensation is limited to \$290,000 per participant for allocation purposes for the years ended December 31, 2021 and 2020.

Funds contributed by employees and by the Company are invested in mutual funds at percentages elected by each participant.

The income, gains or losses in each fund are allocated on a daily basis to the applicable participants accounts in that fund based on the previously reported account balances, adjusted for current period contributions and withdrawals.

Forfeitures of terminated participant's non-vested accounts are used to reduce Employer contributions to the plan. There were no forfeited non-vested accounts as of December 31, 2021.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Income Taxes

The Plan has adopted accounting rules that prescribe when to recognize and how to measure the financial statement effects of income tax positions taken or expected to be taken on its income tax return. These rules require management to evaluate the likelihood that, upon examination by relevant taxing jurisdictions, those income tax positions would be sustained. Based on that evaluation, the Plan only recognizes the maximum benefit of each income tax position that is more than 50% likely of being sustained. To the extent that all or a portion of the benefits of an income tax position are not recognized, a liability would be recognized for the unrecognized benefits, along with any interest and penalties that would result from disallowance of the position. Should any such penalties and interest be incurred, they would be recognized as operating expenses. Based on the results of management's evaluation, adoption of the rules did not have a material effect on the accompanying financial statements. Consequently, no liability is recognized in the accompanying statements of net assets available for plan benefits for unrecognized income tax positions. Further, no interest or penalties have been accrued as of December 31, 2021 and 2020 or charged to expense for the year then ended December 31, 2021. With limited exceptions, the Plan is no longer subject to federal tax audits for years prior to 2018.

Participant Loans

Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest.

Date of Management's Review

Subsequent events were evaluated through October 7, 2022, which is the date the financial statements were available to be issued.

NOTE 3: RELATED PARTY TRANSACTIONS

The Vanguard group is a partner of Ascensus Trust Company, Plan's trustee. The transactions qualify as party-in-interest transactions. Fees paid by the Plan for trustee services amounted to \$19,635 for the year ended December 31, 2021.

Iannuzzi, Manetta & Company, P.C. is the Plan's auditor. The transactions qualify as part-in-interest transactions. Fees paid by plan for auditing services amounted to \$17,659 for the year ended December 31, 2021.

NOTE 4: INVESTMENTS

Unaudited Information Certified by the Plan Trustee

The Plan management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan management instructed the plan's independent auditors not to perform any auditing procedures with respect to the information certified, as complete and accurate, by Ascensus Trust Company. The information certified included investments of \$5,616,851 and \$4,474,644, and participant loans of \$369,336 and \$377,830 as of December 31, 2021 and 2020, respectively, and employer contributions receivable of \$4,268 and employer contributions receivable of \$3,196 as of December 31, 2021. Also included is the related gain of \$595,046, interest and dividends of \$82,978, and interest on participant loans of \$14,691 for the year ended December 31, 2021.

NOTE 5: PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 6: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 7: FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for plan benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTES TO FINANCIAL STATEMENTS

NOTE 7: FAIR VALUE MEASUREMENTS - Continued

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. No Level 2 or 3 inputs were available to the Plan.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end. The fair values of common stocks, corporate bonds, and U.S. Government securities are based on the closing price reported on the active market where the individual securities are traded.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

	Fair Value Measurements at Reporting Date Using:	
	Quoted Prices in Active Markets for Identical Assets <u>Fair Value</u>	<u>(Level 1)</u>

INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of
Pamar Enterprises, Inc. Employees 401(K) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Pamar Enterprises, Inc. Employees 401(K) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Pamar Enterprises, Inc. Employees 401(K) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Pamar Enterprises, Inc. Employees 401(K) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Pamar Enterprises, Inc. Employees 401(K) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Pamar Enterprises, Inc. Employees 401(K) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Pamar Enterprises, Inc. Employees 401(K) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Assets Held at End of Year, as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Ascensus Trust Company, the 2020 trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the year ended December 31, 2020, that the information provided to the plan administrator by the trustee is complete and accurate.

December 31, 2021 and 2020

NOTE 1: DESCRIPTION OF THE PLAN

The following description of the Pamar Enterprises, Inc. Employee's 401(k) Profit Sharing Plan is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

Administrator/Trustees

The Plan Administrator is Pamar Enterprises, Inc. All recordkeeping functions, investment responsibilities, including safeguarding of assets and discretionary authority concerning the purchase and sale of those assets, were performed by Ascensus Trust Company, the Plan's Trustee.

General

Pamar Enterprises, Inc. Employee's 401(k) Profit Sharing Plan became effective on July 1, 1979. The Plan's year end and anniversary date is December 31st.

The Plan is a defined contribution profit sharing plan. Under terms of the Plan, employees who have attained the age of 18 are participants in the Plan. The net assets are allocated among "participants' accounts", which consists of each participant's accumulated share of annual contributions and any adjustment for appreciation or depreciation on asset revaluations.

Contributions to the Plan

Each participant may elect to defer for each plan year no greater than \$19,500 of his/her compensation for the years ended December 31, 2021 and 2020. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may elect either Pre-Tax 401(k) Deferrals or Roth 401(k) Deferrals. The Plan's Trustees reserve the right to amend or revoke a participant's election to defer compensation to insure that contributions made by or on behalf of a participant for a plan year do not exceed the limitations of Section 415 of the Internal Revenue Code or to insure that the discrimination tests of Section 401(k) of the Internal Revenue Code are met for each plan year.

The Plan includes a Safe Harbor provision. Under this provision, the Company contributes 100% of the first 3% of compensation that a participant contributes to the Plan, plus 50% of the participants' contributions between 3% and 5% of compensation. The Company made contributions of \$307,797 for the year ended December 31, 2021.

NOTE 1: DESCRIPTION OF THE PLAN - Continued

Vesting and Distributions

Company matching and discretionary contributions are vested in accordance with the following vesting schedule:

Years of Service	Percentage
Less than 2	0
2	20
3	40
4	60
5	80
6 or more	100

Participant deferral contributions and employer Davis Bacon contributions are always fully vested.

Participants can also become fully vested in the employer account upon the occurrence of one of the following events: death, disability or attainment of normal retirement age (59 1/2).

The Plan provides that the form by which a participant retirement benefit shall be paid is one lump-sum cash payment. In the event of death, the remaining balance in the participant's account shall be distributed to his/her beneficiaries.

Participant Loans

Participants may borrow from their fund accounts at the minimum amount of \$1,000 and up to a maximum of \$50,000. The loans are secured by the balance in the participant's account and bear interest at prime rate. Principal and interest are paid ratably through weekly payroll deductions. Participants are not permitted to borrow from their Roth deferrals or have more than two loans outstanding at any time.

Tax Status

The IRS has determined and informed the Plan sponsor by a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRS and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements are prepared using the accrual basis of accounting. Employer contributions and income from investments are recorded when earned. Expenses are recorded in the accounting period in which they are incurred.

Investments

Fund investments are valued based on the market value of the underlying investments as of the last business day of the year. Realized gains and losses on investment transactions are recorded as the difference between proceeds received and carrying value. Net unrealized appreciation or depreciation in the fair market value of investments is recorded as the change in carrying value of the investment portfolio from the beginning of the year or date of purchase to the end of the year.

Allocation of Contributions, Investment Income, Gains and Losses, and Forfeitures

The Plan states that the discretionary employer profit sharing contributions, if any, are allocated to the participants based on the ratio of a participant's current year compensation to the total compensation for all eligible participants. Compensation is limited to \$290,000 per participant for allocation purposes for the years ended December 31, 2021 and 2020.

Funds contributed by employees and by the Company are invested in mutual funds at percentages elected by each participant.

The income, gains or losses in each fund are allocated on a daily basis to the applicable participants accounts in that fund based on the previously reported account balances, adjusted for current period contributions and withdrawals.

Forfeitures of terminated participant's non-vested accounts are used to reduce Employer contributions to the plan. There were no forfeited non-vested accounts as of December 31, 2021.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Income Taxes

The Plan has adopted accounting rules that prescribe when to recognize and how to measure the financial statement effects of income tax positions taken or expected to be taken on its income tax return. These rules require management to evaluate the likelihood that, upon examination by relevant taxing jurisdictions, those income tax positions would be sustained. Based on that evaluation, the Plan only recognizes the maximum benefit of each income tax position that is more than 50% likely of being sustained. To the extent that all or a portion of the benefits of an income tax position are not recognized, a liability would be recognized for the unrecognized benefits, along with any interest and penalties that would result from disallowance of the position. Should any such penalties and interest be incurred, they would be recognized as operating expenses. Based on the results of management's evaluation, adoption of the rules did not have a material effect on the accompanying financial statements. Consequently, no liability is recognized in the accompanying statements of net assets available for plan benefits for unrecognized income tax positions. Further, no interest or penalties have been accrued as of December 31, 2021 and 2020 or charged to expense for the year then ended December 31, 2021. With limited exceptions, the Plan is no longer subject to federal tax audits for years prior to 2018.

Participant Loans

Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest.

Date of Management's Review

Subsequent events were evaluated through October 7, 2022, which is the date the financial statements were available to be issued.

NOTE 3: RELATED PARTY TRANSACTIONS

The Vanguard group is a partner of Ascensus Trust Company, Plan's trustee. The transactions qualify as party-in-interest transactions. Fees paid by the Plan for trustee services amounted to \$19,635 for the year ended December 31, 2021.

Iannuzzi, Manetta & Company, P.C. is the Plan's auditor. The transactions qualify as part-in-interest transactions. Fees paid by plan for auditing services amounted to \$17,659 for the year ended December 31, 2021.

NOTE 4: INVESTMENTS

Unaudited Information Certified by the Plan Trustee

The Plan management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan management instructed the plan's independent auditors not to perform any auditing procedures with respect to the information certified, as complete and accurate, by Ascensus Trust Company. The information certified included investments of \$5,616,851 and \$4,474,644, and participant loans of \$369,336 and \$377,830 as of December 31, 2021 and 2020, respectively, and employer contributions receivable of \$4,268 and employer contributions receivable of \$3,196 as of December 31, 2021. Also included is the related gain of \$595,046, interest and dividends of \$82,978, and interest on participant loans of \$14,691 for the year ended December 31, 2021.

NOTE 5: PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 6: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 7: FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for plan benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 7: FAIR VALUE MEASUREMENTS - Continued

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. No Level 2 or 3 inputs were available to the Plan.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end. The fair values of common stocks, corporate bonds, and U.S. Government securities are based on the closing price reported on the active market where the individual securities are traded.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

	Fair Value Measurements at Reporting Date Using:	
	Quoted Prices in Active Markets for Identical Assets <u>Fair Value</u>	<u>(Level 1)</u>
