Independent Auditor's Report

To the Plan Committee
401(k) Plan and Employees Trust of Oncology Hematology West, P.C.
Omaha, Nebraska:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of 401(k) Plan and Employees Trust of Oncology Hematology West, P.C. (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate to the best of their knowledge and belief.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i, Schedule of Assets (Held at End of Year) as of December 31, 2021 (Schedule 1), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

The 2020 financial statements of the Plan were audited by Seim Johnson, LLP, who joined Eide Bailly LLP on July 25, 2022. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditor not to perform and they did not perform any auditing procedures with respect to the information certified by qualified institutions. Their report dated September 3, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to Financial Statements December 31, 2021 and 2020

(1) Description of Plan

The following description of the 401(k) Plan and Employees Trust of Oncology Hematology West, P.C. (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

A. General

The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was established to provide retirement benefits for the employees of Oncology Hematology West, P.C. (the Company). The Plan Committee is responsible for oversight of the Plan. The Fiduciary Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan Committee.

B. Contributions

Participants may make voluntary pre-tax and Roth after-tax salary deferral contributions up to the maximum dollar limits allowable by law. Participants may also contribute amounts representing distributions from other qualified plans (rollovers). The Plan is a safe harbor plan, whereby the Company makes non-elective safe harbor contributions equal to 3% of the participant's compensation for the Plan year. The Company also made a 3% discretionary profit sharing contribution for 2021. Participants who are eligible to make deferral contributions and who are projected to attain age 50 before the close of the calendar year shall be eligible to make catch-up contributions. Contributions are subject to certain limitations. Participants direct the investment of employee and Company contributions into various investment options offered by the Plan.

The Plan was amended effective July 1, 2021 to add an automatic contribution arrangement. Therefore, employees who became eligible to participate in the Plan on or after October 1, 2021 were automatically enrolled in the Plan at a deferral rate of 3% of eligible compensation unless the participant made an election to the contrary.

C. Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contributions, (b) Plan earnings (losses), and (c) charged with an allocation of administrative expenses paid by the Plan. Allocations are based on participant earnings (losses), account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

D. Eligibility

Employees are eligible to make pre-tax and Roth after-tax salary reduction contributions after attaining age 21 and completing three months of service. Eligible employees become participants on the first day of the quarter coinciding with or following the date of eligibility. Employees are eligible to receive Company non-elective safe harbor and discretionary profit sharing contributions after attaining age 21 and completing one year (1,000 hours) of service.

E. Vesting

Participants are vested immediately in their contributions and the Company's non-elective safe harbor contribution plus actual earnings thereon. Vesting in the Company's discretionary profit sharing contribution is based on years of continuous service. A participant is 34% vested after the first year of credited service, 67% vested after the second year of credited service and 100% vested after three years of credited service. A year of credited service requires a minimum of 1,000 hours of service during the Plan year.

401(k) Plan and Employees Trust of Oncology Hematology West, P.C.

Notes to Financial Statements December 31, 2021 and 2020

F. Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account and bear interest at commercially reasonable rates. Principal and interest are paid ratably through payroll deductions over a period not to exceed five years, unless the purpose of the note is to acquire or construct the primary residence of the participant, in which case the repayment period shall not exceed ten years. Notes receivable from participants outstanding at December 31, 2021 bear interest rates of 5.25% to 7.50% with maturities ranging from April 2022 to October 2031.

On March 27, 2020 the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) was enacted to provide emergency assistance for individuals, families, and businesses affected by the coronavirus pandemic. As a result of the CARES Act, the Plan elected to adopt provisions allowing eligible participants to request loans of up to \$100,000 or 100% of the participant's vested balance for qualifying coronavirus related reasons and make extended loan repayment periods available through December 31, 2020.

G. Payment of Benefits

Upon termination of service, if the participant's vested account balance exceeds \$5,000, the participant must consent to receive the distribution, and may elect to receive either a lump sum or installment payments over a period of not more than the participant's assumed life expectancy. If the participant's vested account balance does not exceed \$5,000, then the vested account balance may only be distributed in a single lump-sum payment and will be distributed regardless of whether the participant consents to receive it.

The Plan also allows for in-service distributions of fully vested accounts once a participant has attained age 59 ½. Effective July 1, 2021, the Plan was amended to allow for hardship distributions from participant deferral accounts.

As a result of the CARES Act, the Plan has elected to adopt provisions allowing eligible participants to request penalty-free distributions of up to \$100,000 for qualifying coronavirus related reasons through December 31, 2020.

H. Forfeitures

Upon a participant's termination of employment before normal retirement, disability, or death, the portion of their Company contributions not then vested shall be forfeited. The forfeited portion of any participant's account may be used to reduce future Company contributions or pay Plan expenses. At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$10,148 and \$10,039, respectively. During the year ended December 31, 2021 the Company used \$8,425 of forfeitures to reduce Company contributions.

(2) Summary of Significant Accounting Policies

A. Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

B. Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results may differ from those estimates.

401(k) Plan and Employees Trust of Oncology Hematology West, P.C.

Notes to Financial Statements December 31, 2021 and 2020

C. *Investment Valuation and Income Recognition*

Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Fiduciary Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisor, custodian and trustee.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held throughout the year.

D. *Notes Receivable from Participants*

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. Delinquent notes are treated as distributions based upon the terms of the Plan document.

E. *Payments of Benefits*

Benefit payments to participants are recorded when paid.

F. *Administrative Expenses*

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements.

G. *Subsequent Events*

The Plan has evaluated subsequent events through October 7, 2022, the date the financial statements were available to be issued.

(3) **Information Certified by Empower Retirement Company (Empower) – formerly Massachusetts Mutual Life Insurance Company (MassMutual) (see Note 10) and Reliance Trust Company (Reliance)**

The following is a summary of the Plan information as of December 31, 2021 and 2020, and for the year ended December 31, 2021, included throughout the Plan's financial statements and supplemental schedule, that was prepared by or derived from information provided by Empower, the custodian of the Plan and Reliance (to the best of its knowledge and belief), the trustee of the Plan, and furnished to the Plan Administrator.

The Plan Administrator has obtained certifications from the custodian and the trustee (to the best of its knowledge and belief) as of December 31, 2021 and 2020 and for the year ended December 31, 2021, that information provided to the Plan Administrator related to the following is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and supplemental schedule related to the following information.

	<u>2021</u>	<u>2020</u>
Investments, at fair value	\$ 34,833,259	30,125,623
Investments, at contract value	\$ 5,338,667	5,427,368
Notes receivable from participants	\$ 160,019	102,626

401(k) Plan and Employees Trust of Oncology Hematology West, P.C.

Notes to Financial Statements December 31, 2021 and 2020

The custodian and trustee also certified to the completeness and accuracy of \$5,149,910 of net appreciation in the fair value of investments (including realized gains and losses on investments bought and sold, as well as unrealized gains and losses on investments held during the year), \$153,472 of interest from investments, and \$7,470 of interest on notes receivable from participants for the year ended December 31, 2021.

(4) Fair Value Measurements

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 820, *Fair Value Measurement*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

- Level 1 inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date.
- Level 2 inputs to the valuation methodology include:
 - Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at fair value as determined by quoted marked prices, which represents the net asset value of shares held by the Plan at year end.

Pooled separate accounts: Valued at fair value based on the net asset value (NAV) of the units held in the account. The NAV, as provided by the custodian is used as a practical expedient to estimate fair value. The NAV is based on the observable market prices of the underlying investments within the account less liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Notes to Financial Statements December 31, 2021 and 2020

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

	Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 22,201,570	--	--	22,201,570
Pooled separate accounts (a)				12,631,689
Total investments, at fair value				\$ 34,833,259

	Fair Value as of December 31, 2020

Mutual funds	\$ 21,029,413	--	--	21,029,413
Pooled separate accounts (a)				9,096,210
Total investments, at fair value				\$ 30,125,623

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

(5) Fair Value of Investments in Certain Entities that Calculate Net Asset Value per Share (or its Equivalent)

The following tables set forth additional disclosures of the Plan's investments whose fair value is estimated using net asset value per share (or its equivalent) as of December 31, 2021 and 2020:

- (a) This category includes funds that seek to provide income and preservation and growth of capital. The funds invest primarily in a diversified portfolio of equity and debt securities.
- (b) This category includes funds that seek capital appreciation and growth, and typically invest at least 80% of their net assets in equity securities of mid-capitalization companies.
- (c) This category includes funds that seek long-term capital appreciation and growth, and typically invest at least 80% of their net assets in equity securities of small-capitalization companies.
- (d) This category includes funds that seek total return and typically invest at least 80% of their net assets in equity securities of large-capitalization companies.
- (e) This fund seeks total return. The fund invests at least 80% of its net assets in common stocks and other equity securities of real estate companies.
- (f) This fund seeks current income consistent with preservation of capital and liquidity.

(6) Investment Contract

The Plan holds a group annuity investment contract with Empower. This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Empower, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses.

Under the traditional investment contract, the Plan owns only the investment contract itself, not the underlying assets. The contract is designed to accrue interest based on crediting rates established by the contract issuer. The contract held by the Plan is a guaranteed investment contract. The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 3%. The crediting rate is reviewed bi-annually for resetting.

The Plan's ability to receive amounts due in accordance with the fully benefit-responsive investment contract is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. Such events include, but may not be limited to a participant termination of employment due to: (1) removal of a group of participants from Plan coverage as a result of a temporary absence; (2) change in position or other occurrence qualifying as a temporary break in service under the Plan; (3) transfer or other change of position resulting in employment by an entity controlling, controlled by, or under other common control with the employer; or (4) cessation of an employment relationship resulting from a reorganization, merger, layoff or the sale or discontinuance of all or any part of the Plan sponsor's business. Such events also include: (1) removal from the Plan of one or more groups or classifications of participants; (2) a partial or complete Plan termination; or (3) Plan disqualification. The Plan Administrator believes that no events are probable of occurring that would limit the Plan's ability to transact at contract value with the contract issuer and that would also limit the ability of the Plan to transact at contract value with the participants.

Notes to Financial Statements December 31, 2021 and 2020

(7) Income Tax Status

The Plan has adopted a volume submitter profit sharing plan and trust sponsored by MassMutual. The volume submitter profit sharing plan and trust has received an advisory letter from the Internal Revenue Service dated March 31, 2014 as to the volume submitter plan's qualified status. The volume submitter plan advisory letter has been relied upon by this Plan.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(8) Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their entire account.

(9) Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2021 and 2020 to the Form 5500:

	<u>2021</u>	<u>2020</u>
Net assets available for benefits per the financial statements	\$ 41,639,580	36,781,119
Company contributions receivable	<u>(1,307,635)</u>	<u>(1,125,502)</u>
Net assets available for benefits per Form 5500	<u>\$ 40,331,945</u>	<u>35,655,617</u>

The following is a reconciliation of contributions per the financial statements for the year ended December 31, 2021 to the Form 5500:

	<u>2021</u>
Contributions per the financial statements	\$ 3,840,889
Change in Company contributions receivable	<u>(182,133)</u>
Contributions per Form 5500	<u>\$ 3,658,756</u>

(10) Party-in-Interest Transactions

On December 31, 2020, Empower acquired the retirement plan and group insurance business of MassMutual. Following an initial transition period, Empower Retirement will become the sole administrator of the retirement business acquired from MassMutual. Through this transaction, group insurance business written by MassMutual is reinsured by Great-West Life & Annuity Insurance Company (GWLA). Empower refers to the products and services offered by GWLA and its subsidiaries, including Empower Retirement, LLC; GWFS Equities, Inc.; and registered investment advisers Advised Assets Group, LLC and Personal Capital Advisors Corporation. GWFS Equities, Inc. is the distributor of the MassMutual insurance products sold on Empower's platform.

Certain Plan investments are pooled separate accounts and a guaranteed investment contract managed by Empower. Empower is the recordkeeper and the custodian for the Plan and therefore, these transactions qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules.

401(k) Plan and Employees Trust of Oncology Hematology West, P.C.

Notes to Financial Statements December 31, 2021 and 2020

Additionally, the Plan has a number of service providers which qualify as parties-in-interest. Fees paid by the Plan to parties-in-interest amounted to \$170,603 for the year ended December 31, 2021.

(11) Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

(12) Subsequent Event

The Plan was restated effective January 1, 2022 to comply with the IRS cycle 3 restatement requirement. Under the restated Plan, eligible employees become participants on the first day of the month coinciding with or following the date of eligibility.
