Independent Auditor's Report

To the Plan Administrator of the
Fulenwider Enterprises, Inc. 401(k) Profit Sharing Plan and Trust:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for 2021 Financial Statements

We have performed an audit of the financial statements of the Fulenwider Enterprises, Inc. 401(k) Profit Sharing Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the 2021 financial statements, referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern over the twelve months from the report date.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of the Plan, as listed in the accompanying index, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Fulenwider Enterprises, Inc. 401(k) Profit Sharing Plan and Trust. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 24, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Fulenwider Enterprises, Inc. 401(k) Profit Sharing Plan and Trust

Notes to Financial Statements December 31, 2021 and 2020

Note 1: Description of Plan

The following description of Fulenwider Enterprises, Inc. 401(k) Profit Sharing Plan and Trust (the Plan) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General

The Plan is a voluntary defined contribution profit sharing plan, effective February 1, 2016 and amended on July 1, 2021, covering substantially all employees of Fulenwider Enterprises, Inc., Butches BBQ Inc., Judges LLC, and Colonels Pantry Inc. (collectively, the Plan Sponsor or the Company), with exception to employees covered by a collective bargaining agreement, non-resident aliens, highly compensated employees, non-management hourly employees, and non-office clerical hourly employees. Prior to amendment, in order to participate in the Plan, employees must be at least sixteen years of age and have completed one year of service. Eligible employees are automatically enrolled in the Plan with a 3% contribution on the next semi-annual enrollment date following satisfaction of the eligibility requirements. If the employee does not want to make contributions to the Plan, they can "opt out" of automatic enrollment. If the employee wants to contribute a different percentage, they can change the initial automatic contribution percentage at any time. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Effective July 1, 2021, the Plan was amended to allow employees to become eligible after completing 90 days of service. Additionally, the Plan was amended such that eligible employees are automatically enrolled on the next quarterly enrollment date following satisfaction of the eligibility requirements.

Transfers from Affiliated Plans

During 2021, assets of \$3,077 were transferred from affiliated plans to the Plan, and assets of \$10,148 were transferred to affiliated plans from the Plan. Asset transfers between the Plan and affiliated plans occur when a participant changes employment from one affiliated company to another.

Contributions

Participants may make pre-tax and Roth contributions to the Plan through payroll deductions up to 100% of their annual compensation, subject to limitations under the Internal Revenue Code (IRC). Additionally, participants who have attained age fifty before the end of the taxable year are eligible to make catch-up contributions in accordance with and subject to limitations under the IRC.

The Company may match, subject to limitations under the IRC, participants' pre-tax and Roth contributions. The Plan Sponsor has elected to make qualified matching contributions of 25% of each participant's pre-tax or Roth contributions, up to 6% of the participant's compensation. The Plan Sponsor may also make discretionary profit sharing contributions for eligible employees. In order to participate in the profit sharing contribution, employees must either be an active participant in the Plan on the last day of the Plan year or have had earned more than 500 hours prior to termination during the year. Contributions are subject to certain other Plan and statutory limitations. The Plan Sponsor's matching contributions totaled \$67,180 for 2021. There were no discretionary profit sharing contributions made during 2021.

Effective July 1, 2021, the Plan was amended and the Plan Sponsor has elected to make qualified matching contributions of 50% of each participant's pre-tax or Roth contributions, up to 6% of the participant's compensation.

At the discretion of the plan administrator, employees may deposit rollover contributions from another qualified plan. Rollover contributions may be made even though an employee is not eligible to participate in the Plan. Such contributions are placed in the participant's account and are subject to the rules for investments established by the plan administrator.

Administration

Principal Life Insurance Company (Principal or the Trustee) serves as the Trustee of the Plan pursuant to the Plan Document. The Trustee receives all contributions made under the Plan, holds plan assets, and pays benefits to participants as directed by the plan administrator (Note 6).

The Company serves as the plan administrator and has the responsibility to administer the Plan for the exclusive benefit of the participants and their beneficiaries. These duties include, but are not limited to, establishing procedures, maintaining records, interpreting provisions of the Plan, and making determinations regarding questions which may affect eligibility for benefits. The plan administrator has engaged the Trustee as a third-party administrator to assist in the administration of the Plan.

Expenses

Administrative expenses of the Plan are liabilities of the Plan but are paid primarily by the Plan Sponsor. These expenses include, but are not limited to, legal, accounting, recordkeeping fees, and investment expenses. For administrative expenses not paid by the Plan Sponsor, a proportionate share of fees and expenses paid by the Plan is charged to each participant's account.

Participant Accounts

Each participant's account is credited with pre-tax, Roth, and rollover contributions made by the participant and the participant's portion of the Plan Sponsor's matching and additional discretionary profit sharing contributions and plan earnings. Earnings, expenses, and gains and losses on investments are allocated to the participants' accounts daily based on participant account balances, as defined in the Plan Document.

Vesting

Participant vesting in Plan Sponsor matching and additional discretionary profit sharing contributions and income earned thereon is based on years of service for employees over the age of 18, during which an employee is credited with at least 1,000 hours of service. Prior to July 1, 2021, all participants became 100% vested after six years of service.

Effective July 1, 2021, the Plan was amended such that all participants become 100% vested after five years of service. The percentages are as follows:

Years of Service	Percentage
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5 or more	100%

Participants also become 100% vested upon termination of the Plan, upon reaching normal retirement age of sixty-five, or upon disability or death while still an employee of the Plan Sponsor.

Any portion of a participant's account balance attributable to pre-tax, Roth, rollover, or qualified nonelective contributions is 100% vested at the time of the contribution and is not subject to forfeiture.

Investment Options

Upon enrollment in the Plan, participants direct contributions in any whole percentage increments into any of the available funds, selected by the plan administrator. Participants may change their allocation to the various investment options at any time.

Notes Receivable from Participants

Effective July 1, 2021, the Plan was amended such that participants may now borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Participants are limited to one loan at a time. The loans are secured by the balance in the participant's account and bear a reasonable rate of interest as determined by the Plan administrator based on the prevailing interest rates charged by persons in the business of lending money for loans which would be made under similar circumstances. The loans are payable over a period not to exceed five years. Principal and interest are paid ratably through payroll deductions. All loans outstanding as of December 31, 2021, bear interest at 4.25% with various maturity dates through November 2024.

Payment of Benefits

Benefits are paid according to the vested interest in the account that the participant is entitled to upon hardship, normal retirement age of 65, the in-service age of 59 ½, termination, death, or disability. Benefits are distributed to the participant or beneficiary in installment payments or as a single lump-sum payment, as defined in the Plan Document.

Hardship withdrawals are permitted if certain criteria are met, as defined in the Plan Document, and are subject to taxes in the year received.

Participants withdrawing from the Plan due to termination of employment, other than due to retirement, death, or disability, may receive the value of their vested account by transfer to another qualified plan or individual retirement account, through a lump-sum distribution, or through a single sum distribution of a portion of the account balance. The Plan may, upon termination of service of a participant for any reason, automatically distribute the benefits owed if no alternative election has been made and the account balance is \$1,000 or less, as defined in the Plan Document. If no alternative election has been made and the benefits owed are more than \$1,000, but less than \$5,000, the Plan may automatically transfer the funds into an individual retirement account established on the participant's behalf.

Forfeitures

Forfeitures of terminated participants' nonvested accounts are used to pay plan expenses or reduce the Company's future contributions, as defined. During the year ended December 31, 2021, forfeitures totaled \$5,710. Forfeitures available for future use as of December 31, 2021 and 2020 were \$6,238 and \$4,851, respectively. During 2021, forfeitures totaling \$4,290 were used to reduce the Plan Sponsor contributions.

Note 2: Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Use of Estimates in Financial Statements

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid, interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan Document.

Payments of Benefits

Benefit payments are recorded when paid by the Plan.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of investments, including gains or losses, are recorded on a trade-date basis. Interest income is recorded when earned. Dividends are recorded on the ex-dividend date. Net appreciation in the fair value of the investments represents the change in fair value during the year, including realized and unrealized gains and losses.

Risks and Uncertainties

The Plan's invested assets ultimately consist of stocks, bonds, fixed income securities, and other investment securities. Investment securities are exposed to various risks, such as interest rate risk, market risk, and credit risk. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the accompanying statements of net assets available for benefits and the statement of changes in net assets available for benefits.

CARES Act

Effective March 27, 2020, the Plan adopted provisions of the Coronavirus Aid, Relief, and Economic Security Act (CARES Act). The CARES Act permitted retirement plans to provide qualified individuals (as defined in the CARES Act) who were impacted by the novel coronavirus (COVID-19) expanded distribution options and certain loan relief. Participants should refer to plan documents for specific changes made to the Plan. Written amendments to the Plan to reflect those operational changes will be adopted at a later date in accordance with applicable laws and IRS guidance.

Note 3: Fair Value Measurements

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820-10, *Fair Value Measurements*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds are valued at quoted market prices on the last day of the Plan year.

The common collective trusts (CCTs) are valued based on the net asset value (NAV) reported by the Trustee of the fund. The NAV is used as a practical expedient to estimate fair value and is based on the value of the underlying assets owned by the funds, minus any liabilities, and then divided by the number of shares outstanding. This practical expedient would not be used if it is determined to be probable that the investments will sell for an amount different from the reported NAV. Participant transactions (purchases and sales) have no restrictions. There are currently no unfunded commitments on these investments.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by Level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

Assets at fair value as of December 31, 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 305,051	\$ -	\$ -	\$ 305,051
Common collective trusts (a)	<u>-</u>	<u>-</u>	<u>-</u>	<u>864,239</u>
Total assets at fair value	<u>\$ 305,051</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 1,169,290</u>

Assets at fair value as of December 31, 2020:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 212,064	\$ -	\$ -	\$ 212,064
Common collective trusts (a)	<u>-</u>	<u>-</u>	<u>-</u>	<u>636,313</u>
Total assets at fair value	<u>\$ 212,064</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 848,377</u>

(a) In accordance with Subtopic 820-10, these investments were measured at NAV per share (or its equivalent) as a practical expedient and have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

Note 4: Information Certified by Trustees (Unaudited)

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by the Trustee, except for comparing such information certified by the Trustee to information included in the Plan's financial statements and supplemental information:

	2021	2020
Statements of net assets available for benefits:		
Investments, at fair value	\$ 1,169,290	\$ 848,377
Statement of changes in net assets available for benefits:		
Investment income:		
Net appreciation in fair value of investments	\$ 151,926	
Interest and dividends	588	

Note 5: Income Tax Status

The Plan Sponsor has adopted a prototype plan sponsored by Principal. The prototype plan has received a determination letter from the Internal Revenue Service (IRS) dated March 31, 2014, which stated that the prototype plan and related trust met the requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

Note 6: Party-in-Interest Transactions

The Trustee and its affiliates perform services for, sell products to, and manage and maintain certain investments of the Plan for which fees are charged to the Plan. While the Plan Sponsor pays most of the fees, a portion is paid by the Plan (Note 1).

Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

Note 7: Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

Note 8: Subsequent Events

The Plan Sponsor has evaluated for subsequent events between December 31, 2021 and the date the financial statements were available for issuance and has concluded that all subsequent events requiring recognition or disclosure have been incorporated into these financial statements.
