**INDEPENDENT AUDITORS' REPORT**

To the Administrative Committee of  
M&H Enterprises, Inc. 401(k) Plan  
Houston, Texas

**Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed an audit of the accompanying financial statements of the M & H Enterprises, Inc. 401(k) Plan, (the Plan) an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of M&H Enterprises, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution). Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 and 5 to the financial statements, is complete and accurate.

**Opinion**

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

**Auditors' Responsibilities for the Audit of the Financial Statements - Continued**

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Supplemental Schedule Required by ERISA**

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Auditors' Report on the 2020 Financial Statements**

We were engaged to audit the 2020 financial statements of M&H Enterprises, Inc. 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion, and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**M&H ENTERPRISES, INC. 401(k) PLAN  
NOTES TO FINANCIAL STATEMENTS  
FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020**

**1. Plan Description**

The following description of the M&H Enterprises, Inc. (the "Company") 401(k) Plan (the "Plan") as of December 31, 2021 and 2020 provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established in 1999 covering all employees who are age twenty-one or older and employed by the Company. It is subject to the provisions of the Employee Retirement Income Securities Act of 1974 as amended (ERISA).

Contributions

Each year participants may contribute up to the lesser of 60% of pretax annual compensation, as defined by the Plan, or \$19,500 (adjusted annually). Participants who have attained age 50 before the end of the Plan year are eligible to make additional catch-up contributions. Participants may also contribute amounts representing distributions from another plan. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company contributes 50% of a participant's deferral contributions contributed to the Plan subject to a maximum of 6% of eligible compensation. The matching company contribution is self directed by each Plan participant. The Company, at the discretion of its Board of Directors, may make a discretionary non-elective contribution. Contributions are subject to certain limitations.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and, (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants' vesting is based on years of continuous service. A participant's employer matching contribution account is progressively vested to 100% over five years of credited service. A participant is always 100% vested in their salary deferral contribution and rollover contribution.

Investment Options

Upon enrollment in the Plan, a participant may direct employee contributions and employer matching contributions into numerous investment options provided by Fidelity Management Trust Company (Fidelity). Participants may change their investments options daily.

Participant Loans

Participants may borrow from their fund accounts. No loan is made to the extent that such loan when added to the outstanding balance of all other loans to the participant would exceed the lesser of (a) \$50,000 reduced by the excess (if any) of the highest outstanding balance of Plan loans during the one-year period ending on the day before the loan is made over the outstanding balance of Plan loans on the date the loan is made, or (b) 50% of the participant's vested account balance.

The loans are secured by the balance in the participant's account and bear interest at rates of 4.25% to 5.25%, which are commensurate with local prevailing rates as determined by the Plan administrator.

Forfeited Accounts

At December 31, 2021 and 2020, non-vested balances of terminated employee accounts totaled \$23,953 and \$16,863, respectively. These forfeitures are being used to reduce employer contributions and Plan expenses in accordance with the provisions of the Plan. During the years ended December 31, 2021 and 2020, payments from forfeitures reduced employer contributions by \$60,442 and \$12,536, respectively.

**M&H ENTERPRISES, INC. 401(k) PLAN  
NOTES TO FINANCIAL STATEMENTS  
FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020**

**1. Plan Description - Continued**

Payment of Benefits

On termination of service due to death, disability or retirement, a participant receives a lump-sum amount equal to the value of the participant's interest in his or her account. For termination of service due to other reasons, a participant may elect to receive the value of the vested interest in his or her account as a lump-sum distribution.

Hardship withdrawals from the participant's deferral contribution account are allowed, subject to a \$500 minimum amount.

**2. Summary of Significant Accounting Policies**

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Participant Loans

Loans to participants are reported at their unpaid principal balances plus any accrued or unpaid interest.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (see Note 4).

Quoted market prices are used to value investments. Shares of registered investment companies (mutual funds) are valued at the net asset value of the shares held by the Plan at year end. Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

All expenses of maintaining the Plan are paid for by the Company with the exception of the administrative expenses charged by Fidelity (see Note 6). The sponsor absorbed significant costs such as accounting and audit fees incurred by the Plan.

**3. Investment Trust Agreement**

In 2002 the Plan entered into a Corporate Plan for Retirement Service Agreement with Fidelity. Fidelity maintains the contributions in each participant's account and administers the Plan as well as maintains custody of Plan assets. The participant accounts are credited with earnings on the investments selected by the participant and charged for participant withdrawals and administrative expenses. The investments held with Fidelity are included in the statements of net assets available for benefits at fair value. Investments measured at fair value are determined using the market approach based on each mutual fund's net asset value on the last business day of the Plan year. The Plan investment value represents contributions made under the Plan, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment in the Plan.

**M&H ENTERPRISES, INC. 401(k) PLAN  
NOTES TO FINANCIAL STATEMENTS  
FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020**

**3. Investment Trust Agreement - Continued**

All of the Plan's investment assets, income, and reportable transactions for the years ended December 31, 2021 and 2020 were certified by Fidelity. Fidelity certifies that the information provided on the Plan assets, income, and reportable transactions are complete and accurate. The certification provided by Fidelity was furnished pursuant to 29 CFR 2520.103-5(d).

The Trust Agreement is automatically renewed annually and may be terminated with sixty days notice.

**4. Fair Value Measurements**

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The method used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy consists of 3 broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are used only when Level 1 and Level 2 inputs are not available.

Level 1 Fair Value Measurements

The fair values of the registered investment company funds are based on the asset values of the shares held by the Plan at year end.

Level 2 Fair Value Measurements

The fair value of the common collective trust is valued on the contractual terms of the underlying guaranteed investment contracts, which provide a daily mil rate for income accretion. The common collective trust is priced daily. This mil rate is a blend of the contracts' rate of return and the liquidity component's daily mil rate. The contract's rate of return is typically reset on a quarterly basis. The common collective trust's daily value is calculated based on the contract value which is based on the provisions of the contracts.

Level 3 Fair Value Measurements

Level 3 inputs were not used by the Plan.

The Plan investments are shares of mutual funds and a common collective trust managed by Fidelity. Fidelity is the trustee as defined by the Plan and, therefore, these transactions qualify as parties-in-interest transactions. **7. Plan Termination**

Although it has not expressed any intent to do so, the Company has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Upon termination of the Plan, participants would become 100% vested in employer contributions.

**8. Tax Status**

The Internal Revenue Service (IRS) has approved and informed the Company by a letter dated March 31, 2014 that the Plan and related trust are designed in accordance with the applicable section of the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2017.

**9. Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risk such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**11. Changes in Audit Standards**

In accordance with Statement on Auditing Standards (SAS) 136, "Forming an Opinion and Reporting on Financial Statements of Employee Benefit Plans subject to ERISA", the Plan implemented the provisions of the SAS in the current year. The audit under the SAS provisions is no longer considering the use of certified documents as an audit scope limitation, but will require the auditor to issue an opinion. The audit will be considered to be an "ERISA Section 103(a)(3)(C) audit".

In doing so the SAS requires new responsibilities of the Plan sponsor as follows:

Plan sponsors who elect to have an "ERISA Section 103(a)(3)(C) audit" are required to assess whether the entity issuing the certification is a qualified institution.

Plan sponsors are also responsible for ensuring the certification meets ERISA requirements and for gaining an understanding as to which investments and disclosures are certified.

Plan sponsors are required to acknowledge, in writing, as to whether all the conditions are met.

Responsibilities for both management and the auditors for the financial statements have also been expanded.

**12. Subsequent Events**

The Company and the Plan's trustees and administrators have evaluated events that occurred subsequent to December 31, 2021 through the date of issuance of these financial statements on October 10, 2022. There were no material recognized or non-recognized subsequent events during this period.
