INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
Division Laundry & Cleaners, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Division Laundry & Cleaners, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Division Laundry & Cleaners, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Division Laundry & Cleaners, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Division Laundry & Cleaners, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 financial statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Division Laundry & Cleaners, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Division Laundry & Cleaners, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters – 2021 Supplemental Schedules Required by ERISA

The supplemental Schedule H, line 4i – Schedule of Assts (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

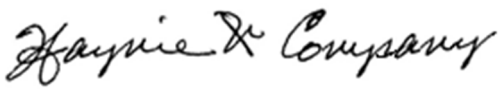

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Division Laundry & Cleaners, Inc. 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated July 28, 2021 we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than the derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting Disclosure under ERISA.

Division Laundry & Cleaners, Inc. 401k Plan
Notes to Financial Statements
December 31, 2021 and 2020

1. Description of Plan

The following brief description of the Division Laundry & Cleaners, Inc. 401k Plan ("the Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan, formed on January 1, 2011, covering all employees of Division Laundry & Cleaners, Inc. (the "Company") meeting participation requirements described below. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and all requirements of Section 401(a) and 401(k) of the Internal Revenue Code ("the Code") and all amendments. The Plan is sponsored by Division Laundry & Cleaners, Inc. (the "Plan Sponsor"). The custodian and record-keeper of the Plan is John Hancock Life Insurance Company ("John Hancock"). Nova 401(k) Associates provides administrative services to the plan. The plan trustees are responsible for oversight of the Plan and monitoring the investment offerings and performance.

The Plan is intended to be a qualified defined contribution plan which satisfies the requirements of Section 401(k) of the Code. Under the Code, participants are not liable for federal income taxes on employee contributions, the Company's contributions, or plan earnings until such time as they are partially or completely withdrawn from the plan.

Enrollment

Company employees hired prior to the Plan's adoption were automatically eligible to participate. The Plan is a defined contribution plan covering all employees not excluded by class are eligible to enter on the entry date coincident with or next following completion of the following requirement(s): one year of service, 18 years of age, and 1000 minimum service hours. Entry dates are January 1st and July 1st.

Contributions

Participants may elect to make both pre-tax and Roth salary reduction contributions, subject to an annual limit of the lesser of 90% of the eligible compensation or $19,500 in a calendar year. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participant contributions may not exceed the limits established by Internal Revenue Service guidelines which were $19,500 in 2021 and 2020, respectively. A participant's pre-tax and Roth deferrals will be separately accounted for, as will gains and losses attributable to each.

1. Description of Plan (Continued)

Contributions (continued)

Participants who are at least age 50 or will attain age 50 before the end of a calendar year are eligible to defer additional amounts ("catch-up contribution") to the Plan. The maximum catch-up contribution that one eligible participant can make was $6,500 in 2021 and 2020, respectively. Eligible employees may also contribute amounts representing distributions from other plans and certain IRAs. Participants directed the investment of their contributions into the various investment options offered by the Plan.

The Plan also allows the Employer to make discretionary matching contributions and discretionary non-elective employer contributions to eligible participants. During 2021 and 2020, the Employer made discretionary matching contributions equal to the sum of 100% of the amount of the participant's elective deferrals that do not exceed 3% of the participant's compensation, plus 50% of the amount of the participants elective deferrals that exceed 3% of the participant's compensation but do not exceed 5% of the participant's compensation. As a result, discretionary non-elective matching contributions in the amount of $75,000 and $63,786 were recorded for the years ended December 31, 2021 and 2020, respectively. Contributions are subject to certain statutory limitations.

The Plan provides for the employer to make profit sharing contributions every year. However, for the years ending December 31, 2021 and 2020, no profit sharing contributions were made.

Investment Options

Upon enrollment in the Plan, a participant directs both the participant and Company contributions in any or all the investment options offered by the Plan. Participants may change their investment options at will.

Administration of Plan Assets

The Plan's assets are held by the Custodian of the Plan which invests cash received, interest, and dividend income and makes distributions to participants.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution, if any, (b) Plan earnings (losses), and charged with an allocation of administrative expenses.

1. Description of Plan (Continued)

Participant Accounts

Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years or continuous service. Participants' vesting in employer contributions are based on years of service as follows:

Vesting Schedule
Profit Sharing & Employer Matching Contributions

Years of Service	Percentage
0 - 1	0%
2	25%
3	50%
4	75%
5	100%

Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of their participant's vested interest in his or her account. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

A participant may receive a hardship distribution from participant contributions if the distribution is (1) on account of uninsured medical expenses incurred by the participant, their spouse or dependents; (2) to purchase (excluding mortgage payments) a principal residence of the participant (3) for the payment of post-secondary tuition expenses for the participant, their spouse or dependents; (4) needed to prevent eviction of the participant from his or her principal residence or foreclosure upon the mortgage of the participant's principal residence; (5) for burial or funeral expenses for the participant's parent, spouse, children or dependents; or (6) for expenses for the repair of damage to the participant's principal residence caused by fire, storm or other casualty.

1. Description of Plan (Continued)

Forfeited Accounts

The Plan has no forfeited amounts due to no terminations of any participants with balances not fully vested during 2021 or 2020.

Administrative Expenses

The Plan Sponsor pays for certain direct Plan administrative and other expenses, but this is discretionary, and such expenses are excluded from these financial statements. Additionally, Plan Sponsor employees provide certain administrative duties at no charge to the Plan.

At the Plan Sponsor's option, Plan administrative expenses may be paid by the Plan Sponsor or charged to the Plan and deducted from participant's individual accounts. Participants are charged directly for loan and distribution fees.

Certain fees are also paid through revenue sharing from plan investments to John Hancock and the Plan's investment advisor and the third-party administrator, which are generally included in the investment appreciation. For the years ended December 31, 2021 and 2020, the Plan paid $14,707 and $13,834, respectively, in administrative expenses.

2. Summary of Significant Accounting Policies

Basis of Presentation and Use of Estimates

The financial statements of the Plan are prepared using the accrual basis of accounting. The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator and Plan Management determines the Plan's valuation policies. See Note 8 for discussion of fair value measurements.

2. Summary of Significant Accounting Policies (Continued)

Investment Valuation and Income Recognition (Continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well during the year.

Payment of Benefits

Benefits are recorded when paid.

Terminated Employees with Vested Benefits

As of December 31, 2021, there were no terminated participants with vested balances that remained in the Plan. The benefit payments are not reflected in the financial statements until benefit claims have been processed and approved for payment.

3. Information Prepared and Certified by Custodian

At December 31, 2021 and 2020, the Plan's investments were held by John Hancock Life Insurance Company. The following is a summary of the Plan's financial information that is included in the financial statements based on the information certified by the custodian as complete and accurate in accordance with Section 103(a)(3)(c) of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

December 31,	**2021**	**2020**
Pooled Separate Accounts	$ 1,414,696	$ 1,132,783
	$ 1,414,696	$ 1,132,783

Year end December 31,	**2021**	**2020**
Net appreciation in fair value of Investments	$ 134,683	$ 153,693
Reported in financial statements	$ 134,683	$ 153,693

3. Information Prepared and Certified by Custodian (Continued)

The Plan's independent auditors did not perform any auditing procedures with respect to this information, expect for comparing such information to the related information included in the financial statements and Schedule H, Line 4i – Schedule of Assets (Held at End of Year).

4. Income Tax Status

The Internal Revenue Service (IRS) has determined and informed the Company by a letter dated December 31, 2018, that the Plan and related trust are designated in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designated and is currently being operating in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

5. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

6. Related-Party and Party in Interest Transactions

Certain Plan investments are pooled separate accounts managed by John Hancock Life Insurance Company. John Hancock Life Insurance Company is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the custodial and record-keeping services amounted to $14,707 and $13,834 for the year ended December 31, 2021 and 2020, respectively.

These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

7. Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

8. Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying Statements of Net Assets Available for Plan Benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values.

Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly. Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

8. Fair Value Measurements (Continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value:

Pooled Separate Accounts with Underlying Mutual Fund Investment: Valued at the net asset value (NAV) of shares held by the Plan at year end. NAV is calculated by the fund manager based on the underlying investments. There are no unobservable inputs, therefore, the determination is that this investment option meets the definition of Level 2.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021:

	Assets measured at fair value	Fair value hierarchy level		
		Level 1	Level 2	Level 3
Pooled Separate Accounts	$ 1,414,696	$ -	$ 1,414,696	$ -
Total assets at fair value	$ 1,414,696	$ -	$ 1,414,696	$ -

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020:

	Assets measured at fair value	Fair value hierarchy level		
		Level 1	Level 2	Level 3
Pooled Separate Accounts	$ 1,132,783	$ -	$ 1,132,783	$ -
Total assets at fair value	$ 1,132,783	$ -	$ 1,132,783	$ -

9. COVID-19 Impact

In March 2020, the World Health Organization declared the outbreak of COVID-19 as a pandemic. The pandemic has generated significant uncertainty in the global economy and volatility in financial markets. The COVID-19 pandemic has affected and may continue to affect the market price of Plan assets.

9. COVID-19 Impact (Continued)

On March 27, 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security Act (the "CARES Act"), which included several relief provisions available to tax qualified retirement plans and their participants.

Plan management has adopted the Coronavirus-related distribution and participant loan provisions of the CARES Act as of the date of these financial statements.

Those provisions include, but are not limited to, the following key points relating to participants with a need caused by COVID:

- Increased maximum participant loans to lesser of account balance or $100,000 for loans made between March 28, 2020, and September 22, 2020 (180 days).
- Loan repayments can be delayed up to one year for payments due through December 31, 2020 (loan to be re-amortized).
- Required minimum distributions for 2020 were suspended
- 10% penalty tax does not apply to any COVID-related distribution to a participant of up to $100,000.

10. Evaluation of Subsequent Events

Plan management evaluated events and transactions that occurred after December 31, 2021 through September 22, 2022, the date these financial statements were available to be issued. In 2022, there was a significant market decline due to various factors, such as COVID-19, the Russian invasion of Ukraine, inflation surges, and global supply chain issues. These factors can materially affect participants' accounts and investment balances.
