INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
Tx:Team Rehab, Inc. 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of the Tx:Team Rehab, Inc. 401(k) Profit Sharing Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits – modified cash basis as of December 31, 2021, and the related statement of changes in net assets available for benefits – modified cash basis for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting, this includes determining that the modified cash basis of accounting is an acceptable basis for the presentation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets held at year end is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements and supplemental schedules were prepared on the modified cash basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Tx:Team Rehab, Inc. 401(k) Profit Sharing Plan (the "Plan") provides only general information. Reference should be made to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all eligible employees of Tx:Team Rehab, Inc. (the "Company") who are at least 18 years old, have completed six months of service with at least 500 hours or 1,000 hours in any given year of service, and work over 20 hours per week. Effective January 1, 2020, the Plan was amended to change the service requirement for eligibility from 500 hours in the first six months of service to simply 500 hours of service from date of hire. Once employees enroll in the Plan, they will remain eligible even if they later reduce their hours to less than 20 per week. The Plan is subject to the provisions of ERISA. Employees become eligible to participate on either January 1st or July 31st following the date on which eligibility requirements have been met.

Pursuant to the Setting Every Community Up for Retirement Enhancement Act of 2019 ("SECURE Act"), as of January 1, 2021 part-time employee will now become eligible to enroll in the Plan once they reach three consecutive years of service with at least 500 hours in each year and may enroll beginning in 2024. These employees may still be excluded when completing annual nondiscrimination and coverage testing.

Contributions

Each year, participants may contribute up to a maximum amount of their pretax or after-tax annual compensation, as defined by the Internal Revenue Service and recorded in the Plan document. Participants who have attained age 50 before the end of the Plan year may make additional catch-up contributions. Participants may also contribute amounts representing rollovers from other qualified plans.

Under the Plan, the Company may make a discretionary matching contribution to each eligible participant who elects to contribute to the Plan through a salary deferral election. The discretionary match from January 1, 2020 to January 23, 2020 was 50% of deferrals up to 2% of compensation with no true-up. As of January 24, 2020 and through December 31, 2021, the discretionary match formula was increased to 50% of deferrals up to 3% of compensation. The Company may also make a discretionary non-elective contribution on behalf of all eligible participants based upon each participant's representative compensation. Any non-elective contribution allocation is at the discretion of the Company's Board of Directors. There were no non-elective contributions made in 2021 or 2020. Contributions are subject to certain limitations.

Participant accounts

Each participant's account is credited with the participant's contribution, the Company's matching contributions, if any, allocations of plan earnings (losses), and charged with an allocation of administrative expenses. Allocations are based on participant account balances or earnings, as defined. The benefit to which a participant is entitled, is the benefit that can be provided from the participant's vested account.

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

Vesting

Participants are immediately vested in their deferral contributions and rollover contributions plus actual earnings (losses) thereon. Vesting in the Company's discretionary matching and profit sharing contributions plus actual earnings (losses) thereon is based on years of continuous service in a six year graded schedule. A participant is 100% vested after 6 years of service. Participants also become fully vested in the event of death, disability, retirement, or Plan termination.

Forfeited amounts

Forfeited balances of terminated participants' non-vested accounts may be used to reduce future Company matching and non-elective contributions, and prior to April 5, 2021, could also be used to pay Plan expenses. As of December 31, 2021 and 2020, forfeited non-vested accounts totaled \$0 and \$2,475, respectively. In 2021 and 2020, respectively, \$5,371 and \$2,006 in forfeitures was used to pay Plan expenses and \$5,871 and \$0 was used to reduce Company matching contributions.

Investment options

Upon enrollment in the Plan, participants are able to invest in a variety of investment choices as more fully described in the Plan document. Participants may change their investment options at any time during the year.

Neither the Plan nor the plan sponsor provides investment advice. Participants are encouraged to speak with the broker of record concerning matching their personal investment philosophies with the investment choices available within the Plan.

Payment of benefits

Upon termination of employment, retirement, death or disability, a participant (or beneficiary) may receive benefits based on the participant's vested account balance. Benefits may only be paid in a lump sum or installment payments, and hardship distributions of pretax elective deferrals and vested Company contributions are permitted. The Plan also has a mandatory distribution provision for terminated or retired participants with a vested account balance under \$1,000.

Notes receivable from participants

A participant may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of 50% of the participant's vested balance or \$50,000. Participants may not borrow from roth contributions, and no loan consolidation or refinancing is allowed. Loans are secured by the participant's account balance and must be repaid over a period not to exceed 5 years. Interest is charged on these loans at a rate equal to the current prime rate plus 1%. The interest rates on all current outstanding loans are between 4.25% and 6.50%. Principal and interest are paid ratably through payroll deductions.

Effective January 1, 2021 the loan policy was updated to state that participants may only have one loan outstanding at a time. Any participants with two loans outstanding as of January 1, 2021 were to continue their repayments per the original amortization schedules.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The financial statements of the Plan are prepared under the modified cash basis method of accounting. This method of accounting differs from accounting principles generally accepted in the United States of America because, under this method, income is recognized when received (except contributions which are recognized on the accrual basis) and expenses are recognized when paid.

Use of estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 6 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest and dividend income is recorded when received by the Plan. Fees paid to various mutual fund companies are netted against investment returns prior to being posted to participant accounts.

Payment of benefits

Benefits are recorded when paid.

At December 31, 2021, thirty-seven former participants were separated from service with a total deferred vested benefit of \$807,976.

At December 31, 2020, thirty-two former participants were separated from service with a total deferred vested benefit of \$646,667.

Notes receivable from participants

Loans to participants are reported at their unpaid principal balance. Delinquent loans are reclassified as distributions based on the terms of the Plan document.

Administrative expenses

Administrative expenses for investment advice, third party record keeping, the preparation of the annual Form 5500, and the required annual audit for the years ended December 31, 2021 and 2020 were \$62,539 and \$60,389, respectively. Of these amounts, \$9,000 and \$8,750 was paid directly by the Plan sponsor for the years ended December 31, 2021 and 2020. Also, \$5,371 and \$2,006 was paid out of plan forfeitures in 2021 and 2020, respectively. See Note 7 for details regarding parties-in-interest.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Date of management's review

Management has evaluated subsequent events through September 27, 2022, the date on which the financial statements were available to be issued.

NOTE 3 - INCOME TAX STATUS

The Plan has adopted a volume submitter plan provided by American Trust & Savings Bank. American Trust has received an opinion letter from the Internal Revenue Service dated March 31, 2014, that states the volume submitter plan document is designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). The plan document and the Plan were restated on February 1, 2015 and have been amended since the opinion letter was issued. The Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified and the related trust is tax exempt at the financial statement date.

Tax filings are subject to examination by authorities during the statute of limitations (generally three years). The plan administrator has not been contacted by authorities related to any previous tax filings under statute.

NOTE 4 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination, the account balance of each participant becomes fully vested and nonforfeitable.

NOTE 5 - INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The following information, as of and for the periods ending December 31, 2021 and 2020 and included in the accompanying financial statements and supplemental schedule, was obtained from data that has been prepared and certified to as complete and accurate by the trustee:

	2021	2020
Registered investment companies	\$ 2,248,446	\$ 2,289,348
Common/collective trusts	\$ 5,892,710	\$ 5,017,504
Interest and dividends	\$ 158,597	\$ 61,025
Net realized and unrealized gains	\$ 804,285	\$ 801,659

NOTE 6 - FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 or 3 inputs are only used when Level 1 inputs are not available.

Level 1 fair value measurements

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

	<u>Fair Value Measurements Using:</u>	
		Quoted Prices in Active Markets for Identical Assets

NOTE 6 - FAIR VALUE MEASUREMENTS (CONTINUED)

* In accordance with FASB ASC 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

The following table summarizes the common collective trust investments measured at fair value based on net asset value per share as a practical expedient as of December 31, 2021 and 2020, respectively.

December 31, 2021	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period

Tactical allocation fund	23,954	--	Daily	--
Stable value fund	9,936	--	Daily	--
	<u>\$ 5,017,504</u>			

NOTE 7 - TRANSACTIONS WITH PARTIES-IN-INTEREST

American Trust is the trustee and third party administrator, Transamerica is the financial advisor, and Delta Wealth CPAs & Advisors, LLC is the plan auditor. Any transactions between the Plan and these parties would qualify as party-in-interest transactions. As stated in Note 2, fees paid to various mutual fund companies are netted against investment returns prior to being posted to participant accounts. A portion of these fees may, in turn, be paid from the mutual fund companies back to American Trust.

Certain employees of the Company provide administrative services to the Plan. These employees are not compensated by the Plan for such services. Certain other expenses are paid by the Company on behalf of the Plan as described in Note 2.

NOTE 8 - RISKS AND UNCERTAINTIES

FASB ASC 275, *Risks and Uncertainties*, requires disclosures that focus primarily on risk and uncertainties that could significantly affect the amounts reported in the financial statements in the near term or the near-term functioning of the reporting entity. The risks and uncertainties addressed can stem from the nature of an entity's operations, the use of significant estimates, and current vulnerabilities due to certain concentrations.

The Plan participants invest in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amount reported in the statements of net assets available for benefits.

NOTE 9 - RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The reconciling items noted in the tables below are primarily due to the difference between the basis of accounting used to prepare the financial statements and the Form 5500 (modified cash basis and cash basis, respectively), minor classification differences between various categories of income, deemed distributions of participant loans, and the fact that the common collective fund is reported at contract value in the financial statements and at fair market value on the Form 5500.

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500.
