INDEPENDENT AUDITORS' REPORT

To the Trustees of
Veltek Associates, Inc. 401K Profit Sharing Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Veltek Associates, Inc. 401K Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Veltek Associates, Inc. 401K Profit Sharing Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2021 and 2020, and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- The amounts and disclosures in the accompanying 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Veltek Associates, Inc. 401K Profit Sharing Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Veltek Associates, Inc. 401K Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

VOYNOW, BAYARD, WHYTE AND COMPANY, LLP • CERTIFIED PUBLIC ACCOUNTANTS

1210 NORTHBROOK DRIVE • SUITE 140 • TREVOSE, PA 19053

In performing an audit in accordance with GASS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Veltek Associates, Inc. 401K Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Veltek Associates, Inc. 401K Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of Assets Held For Investment Purposes At End of Year and the schedule of reportable transactions. are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly

to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS, auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion-

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Veltek Associates, Inc. 401K Profit Sharing Plan and Trust. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 8, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

VELTEK ASSOCIATES, INC. 401K PROFIT SHARING PLAN AND TRUST

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

1. DESCRIPTION OF PLAN

The following description of Veltek Associates, Inc. 401(K) Profit Sharing Plan provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

A. General

The Plan, which was started on January 1, 1999, and restated on July 5, 2021, is a defined contribution, profit-sharing and deferred compensation 401(K) plan covering all full-time, non-union employees of Veltek Associates, Inc. (plan sponsor, located in Malvern, Pennsylvania) who have attained the age of 21 years. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

B. Employee Contributions

Each year, participants may contribute up to 85 percent of pretax annual compensation, as defined by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions (rollovers) from other qualified plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

C. Employer Contributions

The sponsor contributes for each payroll period an amount equal to a specified percentage of the participant's base salary or a specified dollar amount. The Company contributes 100% of the first 4% of earnings contributed by participants.

At the end of the plan year, the sponsor, at the discretion of its Board of Directors, also may make profit-sharing contributions, as defined in the Plan document. Profit-sharing contributions are allocated to eligible participants based upon the percentage of a participant's compensation to the total compensation of all eligible participants. To be eligible to receive an allocation of the discretionary profit-sharing contributions, you must complete 1,000 hours of service during the plan year and be employed on the last day of the plan year.

D. Participant Accounts

A participant's account is credited in each year with contributions and plan earnings, net of administrative fees. Allocations are based on participant account balances in the investment funds. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

E. Vesting

Participants are immediately vested for their contributions and plan earnings attributed to their contributions. Participants are also immediately vested for the company match contributions.

See independent auditors' report.

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

1. DESCRIPTION OF PLAN (Continued)

E. Vesting (continued)

Employer discretionary profit-sharing contributions are vested in accordance with the following schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 3	0%
3 or more	100%

F. Investment Options

The assets of the Plan are allocated among mutual funds and common/collective trusts accounts at the direction of the participant. The investment options that are available include a cross-section of money, stock and bond funds.

G. Payment of Benefits

Participants are eligible for distributions after employment termination, death or disability, as defined. At retirement, a participant may elect to receive a distribution in one lump-sum equal to the value of his or her account or in installments over a period not exceeding the anticipated life expectancy of the participant and/or any designated beneficiaries. At retirement, the plan reserves the right to pay in a lump-sum a participant's account balance that is less than or equal to \$1,000. If the balance in a participant's account is over \$1,000, but not in excess of \$5,000 upon termination, the amount will be transferred to an Individual Retirement Account outside the plan.

The Plan has been amended for plan year 2020 only to waive any distribution requirements, as permitted by the CARES Act, for participants to receive their account balances over their anticipated life expectancy.

H. Forfeited Accounts

Amounts from forfeited nonvested accounts can be used to offset administrative expenses, restore forfeitures or reduce company contributions. Forfeitures amounting to \$4,147 and -0- were applied toward administrative fees in 2021, and 2020, respectively. There were \$6 and \$712 in unused forfeitures for the year ended December 31, 2021, and 2020, respectively.

2. SUMMARY OF ACCOUNTING POLICIES

A. Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting, except for benefit payments which are reflected on a cash basis.

B. Investments

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note 4 for discussion of fair value measurements.

See independent auditors' report.

VELTEK ASSOCIATES, INC. 401K PROFIT SHARING PLAN AND TRUST

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

2. SUMMARY OF ACCOUNTING POLICIES (Continued)

B. Investments (continued)

Purchases and sales of securities are recorded on a trade-date basis, with related dividend and interest income recorded on the accrual basis.

Dividends are recorded on the ex-dividend date. Net appreciation/depreciation includes the Plan's realized gains and losses on investments bought and sold, as well as unrealized gains/losses held during the year. Realized gains/losses are recognized using the average cost method.

C. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets, liabilities, income, contributions, expenses and required disclosures. Accordingly, actual results may differ from those estimates.

D. Notes Receivable from Participants

Notes receivable from participants are measured at their uncollected principal balances. Interest income is recorded when collected. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020.

E. Payment of Benefits

Benefits are recorded when paid.

F. Expenses

Certain expenses of maintaining the Plan are paid by the Plan, when not otherwise paid by the Company. Significant expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable and distributions from participants are charged directly to the participants' accounts and are included in administrative expenses. Investment related expenses are included in the net appreciation/depreciation in fair value of investments.

G. Subsequent Events

The Plan has evaluated subsequent events through October 4, 2022, the date on which the financial statements were available to be issued.

3. INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by Advisor Trust, Inc., the Plan's record keeper and agent for the custodian, Matrix Trust Company.

4. FAIR VALUE MEASUREMENTS

FASB ASC 820, Fair Value Measurements and Disclosures, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

*Quoted prices for similar assets or liabilities in active markets;

*Quoted prices for identical asset or liabilities in inactive markets;

*Inputs other than quoted prices that are observable for the asset or liability; and

*Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

*If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2021 and 2020.

See independent auditors' report.

4. FAIR VALUE MEASUREMENTS (Continued)

Cash Deposit Account
(interest-bearing): Valued at its daily cash balance.
Holdings earn interest at various rates.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Exchange Traded Funds (ETF'S): Valued at the daily closing price as reported by the fund. Exchange traded funds held by the plan are open-end funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. Exchange traded funds held by the Plan are actively traded.

Common/Collective Trusts: The plan's interest in the Reliance Metlife Series 25053 Fund is based on the fair value of a diversified portfolio of stable value investment contracts issued by life insurance companies, banks and other financial institutions, the performance of which may be predicated on the underlying fixed income investments.

5. NOTES RECEIVABLE, PARTICIPANTS

Participant loans are permitted transactions from trust fund assets. Loans must be approved by the trustee and the plan administrator upon the participant submitting an application through the website or by contacting the Third Party Administrator. The security for the loan must be adequate in the opinion of the trustee. Interest is charged at the rate of prime plus 1%. Loans are at a minimum amount of \$1,000. The maximum amount of an outstanding loan could not exceed one-half the vested account balance. In addition, under no event could the loan amount exceed \$50,000. This possible maximum amount is reduced by the highest outstanding loan balance during the one-year period ending on the day before the date the loan agreement becomes effective.

The Plan was amended for plan year 2020 only to allow loans up to the amount of \$100,000, as permitted under the CARES Act. An amendment was also instituted to waive any requirement for lending no more than one-half of a participant's vested balance.

6. DEFERRED BENEFITS PAYABLE

At December 31, 2021 and 2020, there were \$1,421,264 and \$1,337,568 in accounts included in the respective net assets available for benefits pertaining to deferred benefits of individuals who had withdrawn from participation in the plan.

7. RELATED PARTY TRANSACTIONS

Certain plan investments are held by TD Ameritrade Trust Company, which is the trustee for the Plan. Advisor Trust, Inc. is engaged in the record keeping of the investments for the Plan. Thereby, these transactions qualify as party-in-interest transactions. Fees paid in 2021 by the Plan itself for the related services amounted to \$8,740.

8. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

See Independent auditors' report.

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

9. RISK AND UNCERTAINTIES

The Plan invests in a variety of investment funds. Investments, in general, are exposed to various risks, such as interest rate, credit, and overall volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the value of investments will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

10. TAX STATUS

The Internal Revenue Service has determined and informed the plan sponsor by a letter dated June 30, 2020, that the plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (Code). The Plan has been amended and restated when required. The Plan administrator believes that the Plan is currently being operated in compliance with the applicable requirements of the Code and, therefore, believes the plan is qualified, and the related trust is tax-exempt. Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by federal authorities. The plan administrator has analyzed the tax positions taken by the plan, and has concluded that as of December 31, 2021 there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The plan is subject to routine audits by the taxing authorities; however, there are currently no audits in progress for any eligible tax periods.
