INDEPENDENT AUDITOR'S REPORT

To the Trustees of the
A.W.A.R.E., Inc. Retirement Plan and Trust, Plan 001
Anaconda, Montana

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of A.W.A.R.E., Inc. Retirement Plan and Trust, Plan 001 (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ["ERISA Section 103(a)(3)(C) Audit"]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- the information in the financial statements referred to above related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of A.W.A.R.E., Inc. Retirement Plan and Trust, Plan 001, and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America (U.S. GAAP).

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held for investment purposes at end of year) for the year ended December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

To the Trustees of the
A.W.A.R.E., Inc. Retirement Plan and Trust, Plan 001
Anaconda, Montana

We were engaged to audit the accompanying financial statements of the A.W.A.R.E., Inc. Retirement Plan and Trust, Plan 001, (the Plan), which comprise the statement of net assets available for benefits as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America (U.S.GAAP); this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2020 financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 5, which was certified by Great-West Life & Annuity Insurance Company and Great-West Trust Company, LLC, the custodians of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the custodians hold the Plan's investment assets and execute investment transactions. The plan administrator has obtained a certification from the custodians as of December 31, 2020, that the information provided to the plan administrator by the custodians is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statements. Accordingly, we do not express an opinion on the 2020 financial statements.

Report on Form and Content in Compliance With DOL Rules and Regulations for the 2020 Financial Statement

The form and content of the information included in the 2020 financial statements, other than that derived from the information certified by the custodians, have been audited by us in accordance with GAAS and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

PLAN 001
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 1. PLAN DESCRIPTION

The following description of the A.W.A.R.E., Inc. Retirement Plan and Trust, Plan 001 (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a safe-harbor defined contribution plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended, and is a single employer plan.

Contributions

Participant salary deferral contributions are voluntary and are limited to an amount not to exceed \$19,500 each year for the years ended December 31, 2021 and 2020. Participants who have attained age 50 before the end of the plan year are eligible to make additional catch-up contributions up to \$6,500 each year for the years ended December 31, 2021 and 2020. The Plan Sponsor contributes 100% of salary deferrals up to the first 3% of plan compensation, plus 50% of salary deferrals up to the next 2% of plan compensation. For the years ended December 31, 2021 and 2020, the Plan Sponsor safe-harbor matching contribution was \$262,110 and \$224,257, respectively. The Plan Sponsor may also provide discretionary profit-sharing contributions. For the years ended December 31, 2021 and 2020, the Plan Sponsor did not provide any discretionary profit-sharing contributions.

Participant Accounts

Each participant's self-directed account is credited with the participant's and Sponsor's contributions and plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately 100% vested in their elective deferrals and rollover contributions, plus actual earnings thereon. For the plan years ended December 31, 2021 and 2020, participants are immediately 100% vested in Sponsor contributions.

Administrative Expenses

The Plan Sponsor pays certain administrative expenses for operating the Plan. Generally, these expenses include audit and miscellaneous administration fees. Administrative expenses presented in the financial statements include transactional fees paid to the third-party administrator and recordkeeping fees charged in accordance with terms of the service agreement.

Expense Offset Arrangements

Fees incurred by the Plan for investment management services are included in net appreciation of fair value of investments, as they are paid through revenue sharing, rather than as a direct payment.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

NOTE 1. PLAN DESCRIPTION (CONTINUED)

Payment of Benefits

On termination of service, participants may elect to receive a lump-sum amount equal to the vested value of their account, may transfer the vested value of their account to another retirement investment vehicle, or may choose to leave vested benefits exceeding \$5,000 in the Plan until April 1st of the year succeeding the year in which age 72 is attained, at which time participants are required to take annual minimum distributions. Accounts with balances \$1,000 or less as of the termination date will be distributed in a lump sum. Accounts with balances greater than \$1,000, but less than \$5,000 will be automatically rolled into an IRA, if an alternative election is not made by the participant. Early in-service withdrawal payments may also be obtained, subject to the provisions imposed by the Internal Revenue Code.

As of December 31, 2021 and 2020, there were no amounts withdrawn by participants that had not been paid.

Disposition of Forfeitures

Account balances forfeited under the vesting schedule are first used to pay administrative expenses and then allocated among active participant accounts as additional sponsor contributions based upon the ratio of each participant's sponsor safe harbor match to the total sponsor safe harbor match. As of December 31, 2021 and 2020, unallocated forfeited non-vested accounts totaled \$4,639 and \$4,617, respectively. Forfeitures withheld from participants' accounts for the years ended December 31, 2021 and 2020, amounted to \$990 and \$5,063, respectively. Forfeitures used to pay administrative expenses amounted to \$1,313 and \$3,792, for the years ended December 31, 2021 and 2020, respectively.

NOTE 2. SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements are presented in accordance with U.S. GAAP, as codified by the Financial Accounting Standards Board (FASB).

Notes Receivable from Participants

Participants may obtain a loan from their vested account balance, subject to approval by the Plan Administrator. Loans are measured at the outstanding balance plus accrued interest. The minimum amount of loan allowed is \$1,000 and the maximum is 50% of the participant's vested balance up to a maximum of \$50,000. The interest rate is the published prime rate plus 2%.

All loans must be repaid within five years. Exceptions are permitted if the loan is used to acquire the participant's principal residence. Participants are allowed a maximum of one loan outstanding at any one time. Principal and interest are paid ratably through semi-monthly payroll deductions. All loans held at year end are considered collectible. Delinquent loans are deemed as distributions based on the terms of the plan agreement.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)
December 31, 2021 and 2020

NOTE 2. SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments in mutual funds and collective trust funds are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The investment in the group annuity contract is stated at contract value. See Note 4 for discussion of the contract.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Investment Options

Upon enrollment in the Plan, a participant may direct both their participant and sponsor contributions, in 1% increments, into any of the currently offered investment options. Participants may change their investment options at any time by accessing Great-West's website or automated phone system.

Payments of Benefits

Benefits are recorded when paid.

Income Tax Status

The Plan's prototype plan document opinion letter was received on March 31, 2014, in which the Internal Revenue Service stated that the plan document, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The plan document has been amended since receiving the determination letter. However, the plan administrator believes that the plan document is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Subsequent Events

The plan administrator has evaluated subsequent events through October 10, 2022, the date which the financial statements were available to be issued.

PLAN 001
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
December 31, 2021 and 2020

NOTE 3. PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA. If the Plan is terminated, partially terminated, or if there is a complete discontinuance of contributions by the Plan Sponsor, all amounts credited to the accounts of participants shall vest and become non-forfeitable.

NOTE 4. INVESTMENT CONTRACT

Group Annuity Contract

As of December 31, 2021 and 2020, the Plan held the Key Guaranteed Portfolio Fund, an investment contract with Great-West Life & Annuity Insurance Company (Great-West). The contract meets the fully benefit-responsive investment contract criteria and, therefore, is reported at contract value. Contract value is the relevant measure for a fully benefit-responsive investment contract because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses.

The Group Contract holder is the owner of the Group Annuity Contract, and has all rights, remedies and recourses given in this Group Annuity Contract. The Group Annuity Contract shall be treated as a trust for purposes of Code sections 401(a), 401(f) and 457(g), and no portion of the amount contributed to the Group Annuity Contract, including earnings thereon, may be used for or diverted to any purpose other than the exclusive benefit of plan participants and their beneficiaries prior to the satisfaction of all liabilities with respect to payees.

The Group Annuity Contract and the Participant Annuity Accounts are held in respect of the Plan, and there is no contractual relationship between the Plan Sponsor and the participants. The interest of the Group Contract holder in this Group Annuity Contract may not be transferred, sold, assigned, pledged, charged, encumbered, or in any way alienated without the prior written consent of Great-West.

The Key Guaranteed Portfolio Fund is a general account product. The methodology for calculating the interest crediting rate is based on the earnings of the underlying assets in the entire medium-long term new portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. The interest crediting rate is reset quarterly. The average yield earned by the Plan for the benefit responsive fund can be derived by averaging the quarterly gross interest rates for the fund over the year. The average for 2021 and 2020, is 0.90% and 1.04%, respectively. The actual average yield earned by the Plan for the benefit responsive fund can be derived by averaging the Plan's quarterly interest rates. This average for 2021 and 2020, is 0.90% and 1.04%, respectively. The effective annual interest rate will never be less than 0%. The contract value of the group annuity contract at December 31, 2021 and 2020, was \$128,078 and \$115,923, respectively.

NOTE 4. INVESTMENT CONTRACT (CONTINUED)

Group Annuity Contract (Continued)

The Plan's ability to receive amounts due in accordance with the fully benefit-responsive contract is dependent on the contract issuer's ability to meet its financial obligations. There are no reserves against contract value for credit risk of the contract issuer or otherwise. Certain events limit the Plan's ability to transact at contract value with Great-West. Such events include (a) premature termination of the contract, (b) if the Plan fails to comply with any provisions contained in the contract, (c) the Plan fails to qualify for or becomes disqualified under Code section 401(a), (d) if the Organization closes, or (e) if the Plan terminates. The plan administrator does not believe that the occurrence of such events, which would also limit the Plan's ability to transact at contract value with participants, is probable. The group annuity contract permits either the insurance company or the Plan to terminate the agreement prior to the scheduled maturity date with at least 60 days written notice.

NOTE 5. INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIANS OF THE PLAN'S INVESTMENT ASSETS

The following information included in the accompanying financial statements and supplemental schedule was obtained from statements prepared and certified by the custodians of the Plan's investment assets, Great-West Life & Annuity Insurance Company and Great-West Trust Company, LLC (the Custodians), to be complete and accurate as of December 31, 2021 and 2020, and for the years then ended.

NOTE 6. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

PLAN 001
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
December 31, 2021 and 2020

NOTE 6. FAIR VALUE MEASUREMENTS (CONTINUED)

The three input levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access;

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the assets or liabilities
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full-term of the asset or liability;

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective trust funds: Share Prices/NAV's are generally obtained directly from the fund house or other investment provider daily as a practical expedient for fair value. If available, share prices from more than one source, and before the share price is entered into the recordkeeping system, a systematic comparison is performed and any difference in quoted share prices for the same fund is resolved by contacting the investment provider directly to ensure the correct share price is recorded. Various unique investments that may be allowed in a collective trust fund, and various redemption restrictions may be imposed.

NOTE 6. FAIR VALUE MEASUREMENTS (CONTINUED)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan administrator believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables present by level, within the fair value hierarchy, the Plan's investments at fair value, as of December 31, 2021 and 2020. As required by U.S. GAAP, the investment assets are classified in their entirety based upon the lowest level of input that is significant to the fair value measurement. The Plan's policy for determining the timing of significant transfers between Levels 1, 2, and 3 is at the end of the reporting period.

Description	Fair Value as of December 31, 2021	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Mutual funds	\$ 362,990	<u>\$ 362,990</u>	<u>\$ -</u>	<u>\$ -</u>
Collective trust funds at NAV ^(A)	<u>5,429,400</u>			
Total investments at fair value	<u>\$ 5,792,390</u>			

Description	Fair Value as of December 31, 2020	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Mutual funds	\$ 299,078	<u>\$ 299,078</u>	<u>\$ -</u>	<u>\$ -</u>
Collective trust funds at NAV ^(A)	<u>4,780,602</u>			
Total investments at fair value	<u>\$ 5,079,680</u>			

- ^(A) In accordance with FASB Accounting Standards Codification Subtopic 820-10, certain investments that are measured at fair value using the net asset value per share (or its equivalent) as a practical expedient to fair value measurement have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

Fair Value of Investments in Entities that use NAV

The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2021 and 2020.

<i>December 31,</i>	<i>Investment</i>	<i>Fair Value</i>	<i>Unfunded Commitments</i>	<i>Redemption Frequency</i>	<i>Redemption Notice Period</i>
2021	Collective trust funds	\$ 5,429,400	n/a	Daily	Daily
2020	Collective trust funds	\$ 4,780,602	n/a	Daily	Daily

The collective trust funds are multiple funds consisting of equity, fixed income, and asset allocation funds.

NOTE 7. PARTY-IN-INTEREST TRANSACTIONS

The Plan's Trustee is an employee of the Plan Sponsor. The plan administrator is also an employee of the Plan Sponsor. There are no transactions between these parties other than contributions to the Plan and normal benefit payments. The Plan Sponsor maintains service agreements with its custodians, third-party administrator, and independent auditor.

For the years ended December 31, 2021 and 2020, the Plan's investments represent mutual funds, collective trust funds and fixed annuities managed by Great-West Life & Annuity Insurance Company and Great-West Trust Company, LLC. These are the Custodians of the Plan's investments, and, therefore, these transactions represent party-in-interest transactions. Fees paid by the Plan for record keeping services to Great-West Life & Annuity Insurance Company for the years ended December 31, 2021 and 2020, amounted to \$43,861 and \$38,161, respectively.

NOTE 9. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are expose to various risks such as interest rate, credit, and market risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect the participants account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9. RISKS AND UNCERTAINTIES (CONTINUED)

As a result of economic uncertainty and volatility in financial markets, various investment securities held by the Plan have incurred significant declines in fair value since December 31, 2021. The markets continue to evolve rapidly, and plan management is not able at this time to estimate the full impact on the Plan's financial statements.
