FINANCIAL STATEMENTS AND
INDEPENDENT AUDITORS' REPORT
DECEMBER 31, 2021 AND 2020

INDEPENDENT AUDITORS' REPORT

The Plan Administrator and Participants of Reed Automotive Group, Inc. 401(k) Retirement Plan
Kansas City, Missouri

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Reed Automotive Group, Inc. 401(k) Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – 2021 Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter – Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 13, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

REED AUTOMOTIVE GROUP, INC. 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

1. DESCRIPTION OF THE PLAN

The following description of Reed Automotive Group, Inc. 401(k) Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General – The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") for employees of the following companies (collectively the "Company"):

- Reed Automotive Group, Inc.
- Reed Chevrolet, LLC
- Reed Buick GMC, Inc.
- Reed Auto of Overland Park, LLC
- Reed Motors STJ, LLC
- Reed Hyundai, LLC
- Studio R, LLC

Capital Bank and Trust Company serves as the Plan's trustee and custodian and the Retirement Plan Services Division of The Capital Group Companies, Inc. serves as recordkeeper.

Eligibility – An individual is eligible to participate in the Plan after reaching the age of 18 years old and completion of 6 consecutive months of employment with 1,000 hours of service; otherwise, eligible upon the crediting of one year of service, as defined in the Plan document. Employees may enter the Plan on the first day of January or July after meeting the eligibility requirements. The Plan is not open to union employees, non-resident aliens and leased employees.

Contributions – Participants may elect to contribute any percentage of their annual compensation, subject to certain Internal Revenue Code ("IRC") limitations.

The Company may declare a discretionary matching contribution, also subject to certain IRC limitations. The Company matched 25% of a participant's contributions up to a maximum of 8% of compensation for the period January 1, 2021 to September 30, 2021, and 50% of the participant's contribution up to a maximum of 8% of compensation for the period October 1, 2021 to December 31, 2021. Additionally, the Plan provides that the Company may declare a discretionary profit sharing contribution annually. There was no such contribution in 2021.

Participant Accounts – Each participant's account is credited with the participant's and Company's contributions, and allocations of Plan earnings (losses), and is charged with the participant's withdrawals and distributions and an allocation of Plan administrative expenses. Allocations are based on account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options – The Plan offers various mutual funds as investment options for participants.

Vesting – Participants' contributions are fully vested at all times. The employer contributions vest in 20% increments, with 20% vested after the second year, 40% vested after the third year, and increasing in 20% increments. After 6 years of service, Company contributions become fully vested. In the event of permanent disability, death, reaching normal retirement age, or termination of the Plan, the Company contributions will become fully vested.

Forfeitures – Forfeitures occur upon termination of employment by a participant who is not fully vested in the Plan. Forfeiture amounts are used to reduce future employer contributions. During 2021, forfeitures of approximately \$12,100 were used to reduce employer matching contributions. As of December 31, 2021 and 2020, there is approximately \$1,800 and \$1,500 in forfeitures available, respectively.

Payment of Benefits – Distributions from the Plan are made upon death, retirement or termination pursuant to the Plan provisions and as permitted by law. A participant may elect to receive a distribution of all or any portion of their vested account balance in a single lump sum payment. For distributions greater than \$1,000 but not exceeding \$5,000, the account balance will be rolled over into an individual retirement account, unless otherwise directed by the participant.

In-Service Withdrawals – Certain participants may make withdrawals prior to termination of employment. Hardship withdrawals are available to Plan participants, as defined by the Plan and permitted by the IRC. Hardship withdrawals are limited to the participant's account balance comprised of the participant's elective deferrals.

Participants who have attained the age of 59 ½ are allowed to receive a distribution of all or any portion of the vested account balance in a single lump sum payment.

Notes Receivable from Participants – Participants may borrow from their fund accounts a minimum of \$1,000, up to the lesser of \$50,000 or 50% of their vested account balance. All loans (except for those made for purchase of a primary residence) must be repaid within five years. The loans are secured by the balance in the participant's account, and bear interest at the *Wall Street Journal* Prime rate, plus 1%. Loan repayments are made ratably through payroll deductions. A participant may have two loans outstanding at any time. A participant's loan shall immediately become due and payable upon termination from employment for any reason, or upon failure to make a principal and/or interest payment, as provided in the loan agreement.

Administrative Expenses – Plan fees and expenses, including fees and expenses connected with providing of administrative services by external service providers, are paid from Plan assets. Expenses totaled \$67,636 for 2021. The Company may pay other professional fees associated with the Plan.

Termination of the Plan – Although the Company has not expressed any intent to do so, it has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in the Plan and under ERISA. In the event that the Plan should be terminated, participants' accounts would become fully vested, and all remaining Plan assets would be allocated to the participants as described in the full text of the Plan.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The accompanying financial statements have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Contributions – Employer and employee contributions are reported in the year services are rendered to the Company by the Plan participants.

Investment Valuation and Income Recognition – The Plan’s investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis.

Management fees and operating expenses charged to the Plan for investments in the mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. No allowance for doubtful accounts is considered necessary.

Excess Refundable Contributions – Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2021 excess contributions to the applicable participants in 2022.

Payment of Benefits – Benefit payments are reported in the year paid.

Date of Management’s Review – Subsequent events have been evaluated through October 10, 2022, which is the date the financial statements were available to be issued.

3. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (“FASB”) Accounting Standards Codification (“ASC”) 820, *Fair Value Measurements*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs consist of unadjusted quoted prices for identical assets in active markets that the plan has the ability to access.

Level 2 – Inputs consist of 1) quoted prices for similar assets in active markets, 2) quoted prices for identical or similar assets in inactive markets, 3) inputs other than quoted prices that are observable, and 4) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset has a specified (contractual) term, the level 2 input must be observable for substantially the full term.

Level 3 – Inputs consist of unobservable inputs where there is little or no market activity, and the reporting entity makes estimates and assumptions related to the pricing of the asset including assumptions regarding risk.

The asset’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020:

Mutual funds – Valued at the net asset value (“NAV”) of shares held by the plan at year end based on published quoted prices.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. The Plan's investments are reported at fair value as follows at December 31, 2021 and 2020:

	Fair Value Measurements Using:			Total
	Level 1	Level 2	Level 3	
December 31, 2021:				
Mutual funds	\$ 15,966,508			\$ 15,966,508
Investments at fair value	<u>\$ 15,966,508</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 15,966,508</u>
December 31, 2020:				
Mutual funds	\$ 13,320,200			\$ 13,320,200
Investments at fair value	<u>\$ 13,320,200</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 13,320,200</u>

4. RISKS AND UNCERTAINTIES

The Plan invests in investment securities, which hold securities including U.S. Government securities, corporate debt instruments, and corporate stocks. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

5. INFORMATION CERTIFIED BY THE TRUSTEE

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Capital Bank and Trust Company, the trustee of the Plan, has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate with respect to investments as of December 31, 2021 and 2020, and for the year ended December 31, 2021:

- Investments, at fair value
- Notes receivable from participants, including related interest income
- Interest and dividend income
- Net appreciation in fair value of investments
- Schedule of Assets (Held at End of Year)

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

6. EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are mutual funds managed by American Funds, an affiliated company of Capital Bank and Trust Company. Capital Bank and Trust Company is the trustee as defined by the Plan, and therefore, these transactions qualify as party-in-interest.

The Plan pays certain fees to Retirement Plan Services Division of The Capital Group Companies, Inc. to administer the Plan. These transactions qualify as party-in-interest. Notes receivable to participants are party-in-interest transactions.

7. TAX STATUS

The Company adopted a Prototype Non-Standardized Cash or Deferred Profit-Sharing Plan with a deferral arrangement which received a favorable opinion letter from the IRS on March 31, 2014, which stated that the Plan and related trust are designed in accordance with applicable sections of the IRC. The Plan has been amended since the date of the opinion letter. However, the Company believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and that, therefore, the Plan qualifies under Section 401(a) and the related trust is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Generally accepted accounting principles requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of December 31, 2021 and 2020:

	2021	2020
Net assets available for benefits per the financial statements	\$ 16,198,137	\$ 13,477,179
Excess refundable contributions	2,248	28,747
Net assets available for benefits per the Form 5500	<u>\$ 16,200,385</u>	<u>\$ 13,505,926</u>

The following is a reconciliation of net increase per the financial statements to net income per the Form 5500 for the year ended December 31, 2021:

Net increase per the financial statements	\$ 2,720,958
Excess refundable contributions - current year	2,248
Excess refundable contributions - prior year	(28,747)
Net income per the Form 5500	<u>\$ 2,694,459</u>

9. SUBSEQUENT EVENTS

The Plan's assets were transferred in May 2022 to John Hancock Trust Company ("John Hancock"). John Hancock serves as the custodian and assumed the recordkeeping responsibilities. In conjunction with the transfer, the Company adopted a new plan agreement effective May 12, 2022, with similar provisions to the previous Plan's agreement except for an individual is eligible to participate in the Plan on the first day of the month after 30 days of service.
