Independent Auditors' Report

The Plan Administrator
Haynes Furniture Company Retirement Savings Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Haynes Furniture Company Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 2 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with U.S. generally accepted accounting principles.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. generally accepted accounting principles, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statement section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. generally accepted accounting principles.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. generally accepted accounting principles.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, line 4a – Schedule of Delinquent Participant Contributions for the years ended December 31, 2021 and 2020 and Schedule H, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 13, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**HAYNES FURNITURE COMPANY
RETIREMENT SAVINGS PLAN**

Notes to Financial Statements

December 31, 2021 and 2020

(1) Summary of Significant Accounting Policies

(a) Basis of Presentation

The Haynes Furniture Company Retirement Savings Plan (the Plan) is a defined-contribution plan sponsored by Haynes Furniture Company, Incorporated (the Company or the Plan Sponsor). The accompanying financial statements have been prepared on the accrual basis of accounting and present the net assets available for benefits and changes in those net assets.

(b) Plan Custodian

The custodian of the Plan's assets is Great-West Life and Annuity Company and Great-West Trust Company, LLC (Great-West). The Plan's investment assets are held under a participant-directed investment arrangement.

(c) Investment Valuation

The Plan's investments are stated at fair value as determined by Great-West, except for the guaranteed investment contract, which is valued at contract value and described below. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note 3 for discussion of fair value measurements.

As described in note 5, the Plan was invested in Great-West Key Guaranteed Portfolio Fund as of December 31, 2021 and 2020. This group annuity insurance contract is recorded at contract value. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions and reinvested interest, less withdrawals and expenses, plus or minus net participant-directed transfer activity with the Plan's other investment funds.

(d) Income Recognition

Net appreciation or depreciation in fair value of investments includes realized gains and losses on investments bought and sold and the change in fair value from one period to the next. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

(e) Notes Receivable from Participants

Notes receivable from participants are valued at unpaid principal balance plus accrued and unpaid interest. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the plan document. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020.

**HAYNES FURNITURE COMPANY
RETIREMENT SAVINGS PLAN**

Notes to Financial Statements

December 31, 2021 and 2020

(f) Administrative Expenses

Administrative expenses of the Plan are paid by the Plan or by the Plan Sponsor, at the Plan Sponsor's discretion. Audit fees and other administrative expenses are typically paid by the Plan Sponsor.

Transaction fees related to loan processing and investment management fees are paid from individual participants' accounts.

(g) Payment of Benefits

Benefits are recorded when paid.

(h) Use of Estimates

The plan administrator has made a number of estimates and assumptions relating to the reporting of net assets available for benefits and changes in net assets available for benefits and disclosure of commitments and contingencies to prepare these financial statements in accordance with accounting principles generally accepted in the United States of America. Actual results could differ from those estimates.

(2) Certified Investments

The plan administrator has elected the alternative method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under Employee Retirement Income Security Act of 1974 (ERISA). Accordingly, as permitted under such election, the information certified by Great-West was not audited by the Plan's independent auditors except for comparing such information to the related information included in the accompanying financial statements and supplemental schedule. A summary of the Plan's financial information, which has been certified as complete and accurate by Great-West, is presented as follows:

	Net assets available for benefits		Changes in net assets available for benefits

Notes to Financial Statements

December 31, 2021 and 2020

The investment balances included in note 3 and the accompanying Schedule H, line 4i-Schedule of Assets (Held at End of Year) were also certified by Great-West.

(3) Fair Value Measurements

Fair value measurements are made in accordance with ASC 820, *Fair Value Measurement* (ASC Topic 820), which establishes a framework for measuring fair value that utilizes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds: Fair value is based upon closing prices reported from national securities exchanges.

Common Collective Trusts: Fair value is determined by the trustee, based on estimates of fair values of the underlying assets of the fund, using a market approach. The common collective trusts do not have a finite life, unfunded commitments relating to these investments, or restrictions on redemptions. The fair value of the funds is calculated daily, and net investment income and unrealized and realized gains on investments are not distributed, but rather reinvested and reflected in the fair value of the funds. Units of the trusts are issued and redeemed at the current fair value. Underlying investments of these funds include stable value, equity, and fixed income portfolios.

**HAYNES FURNITURE COMPANY
RETIREMENT SAVINGS PLAN**

Notes to Financial Statements

December 31, 2021 and 2020

The valuation methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's total investments at fair value as of December 31, 2021 and 2020:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Total December 31, 2021:				
Mutual funds	\$ 6,811,552	—	—	6,811,552
Common collective trusts	—	6,422,013	—	6,422,013
	<u>\$ 6,811,552</u>	<u>6,422,013</u>	<u>—</u>	<u>13,233,565</u>
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Total December 31, 2020:				
Mutual funds	\$ 6,105,818	—	—	6,105,818
Common collective trusts	6,170,589	—	—	6,170,589
	<u>\$ 12,276,407</u>	<u>—</u>	<u>—</u>	<u>12,276,407</u>

Investments in the common collective trusts are classified as level 2 within the fair value hierarchy. The 2020 presentation has not been restated.

(4) Description of the Plan

The following description of the Plan provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

(a) General

Employees are eligible to participate in the Plan on the first day of any month coincident with or following 60 days of service.

(b) Contributions

Employees who elect to contribute may contribute up to the maximum amount permissible under the Internal Revenue Code (IRC), totaling \$19,500 for 2021 and 2020, respectively. In addition, participants who are 50 years of age or older may make a catch-up contribution each year, subject to the limits imposed by the IRC. The catch-up contribution limit was \$6,500 for 2021 and 2020, respectively. Discretionary matching contributions to the Plan are determined by the Company's board of directors. Participants' accounts are adjusted daily for the contributions, forfeitures, and earnings or losses of the Plan, including the adjustment to reflect changes, if any, in market value of the Plan's investments.

**HAYNES FURNITURE COMPANY
RETIREMENT SAVINGS PLAN**

Notes to Financial Statements

December 31, 2021 and 2020

(c) Vesting

Participants become fully vested in employer matching contributions upon: (1) retirement, permanent disablement, or death; (2) completion of six full years of service; or (3) the termination of the Plan or permanent discontinuance of contributions by the employer. Each participant is at all times fully vested in his or her contributions and earnings or losses thereon.

(d) Forfeitures

All forfeitures of nonvested account balances are used to reduce employer contributions or pay plan expenses. Forfeitures for the years ended December 31, 2021 and 2020 totaled \$4,010 and \$9,423, respectively. There were \$48,213 and \$44,951 of unallocated forfeitures as of December 31, 2021 and 2020, respectively. Forfeitures totaling \$1,178 and \$775 were used to pay plan expenses for the years ended December 31, 2021 and 2020, respectively.

(e) Payments of Benefits

When a participant dies, retires, requests a hardship withdrawal, or is totally and permanently disabled, he or she shall be entitled to distribution of all balances in his or her account in the manner provided by the Plan. If a participant is terminated before retirement, death, or disability, he or she is entitled to withdraw his or her vested account balance.

(f) Notes Receivable from Participants

Under the provisions of the Plan, the Plan may lend participants a portion of their account balance as described in the plan document. The maximum loan amount allowed is the lesser of (1) 50% of the individual participants' vested account balance or (2) \$50,000 reduced by the highest outstanding loan balance during the preceding 12-month period. Each participant may have no more than one loan outstanding. Loans must be repaid over a period not to exceed five years, unless a loan is made for the purchase of a principal residence, in which case the loan may be repaid over a period not to exceed 15 years. Loans are secured by the balance in the participants' accounts and bear interest at a rate set by the Company (rates ranged from 4.25% to 6.50% at December 31, 2021 and 2020).

(5) Group Annuity Contract

The Plan has a group annuity contract with Great-West that invests contributions in the Key Guaranteed Portfolio Fund. The Key Guaranteed Portfolio Fund is a general account product. This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value, as reported to the Plan by Great-West, represents cash contributions deposited under the contract, plus earnings, less participant withdrawals, and administrative expenses. There were no reserves against contract value for credit risk of the contract issuer or otherwise. The average yield and crediting interest rates was 0.90% and 1.04% for the years ended December 31, 2021 and 2020, respectively. The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the plan documents (including complete or partial plan termination), (2) termination of the contract or breach of a provision of the contract by the Plan, or (3) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption

**HAYNES FURNITURE COMPANY

Notes to Financial Statements

under the ERISA. The Plan Sponsor does not believe that the occurrence of any such event, which would limit the Plan's ability to transact at contract value with participants, is probable.

(6) Plan Termination

Although it has not expressed any intent to do so, the Company reserves the right to amend or terminate the Plan or discontinue contributions at any time. If the Plan is terminated, each participant would be fully vested in the amount in his or her individual account. Under no condition will any part of the Plan revert to the Company.

(7) Federal Income Taxes

The Plan is a nonstandardized prototype plan for which a favorable opinion letter dated March 31, 2014 has been received by the prototype plan sponsor. The Plan Sponsor does not intend to request a determination letter for its specific plan and is placing reliance on the prototype plan opinion letter as provided for in IRS Announcement 2001-77. In the opinion of the plan administrator, the Plan and its underlying trust have operated within the terms of the prototype plan document and remain qualified under applicable provisions of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.

(8) Related-Party Transactions and Party in Interest Transactions

Certain plan assets are invested in a group annuity contract managed by an affiliate of Great-West. The Plan also uses the services of an external recordkeeper. These transactions qualify as exempt party-in-interest transactions. The Plan paid \$38,283 and \$30,568 for services rendered to parties in interest during 2021 and 2020, respectively. Additionally, at December 31, 2021 and 2020, participants had outstanding plan loan balances due to the Plan of \$351,773 and \$292,839, respectively. Loan transactions represent exempt party-in-interest transactions.

Great-West receives revenue from mutual fund service providers for services Great-West provides to the funds. This revenue is used to offset certain amounts owed to Great-West for its administrative services to the Plan.

(9) Risks and Uncertainties

The Plan may invest in various types of investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.
