INDEPENDENT AUDITORS' REPORT

To the Administrative Committee
Precision Spine, Inc. 401(k) Employee Retirement Plan
Pearl, Mississippi

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Precision Spine, Inc. 401(k) Employee Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021, and the related statements of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the 2021 audit of Precision Spine, Inc. 401(k) Employee Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the accompanying 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Precision Spine, Inc. 401(k) Employee Retirement Plan and to meet our other responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Precision Spine, Inc. 401(k) Employee Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Precision Spine, Inc. 401(k) Employee Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Precision Spine, Inc. 401(k) Employee Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021 is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

To the Administrative Committee
Precision Spine, Inc. 401(k) Employee Retirement Plan

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Precision Spine, Inc. 401(k) Employee Retirement Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 19, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

PRECISION SPINE, INC. 401(K) EMPLOYEE RETIREMENT PLAN
Notes to Financial Statements
December 31, 2021 and 2020

NOTE 1 DESCRIPTION OF PLAN

The following description of the Precision Spine, Inc. 401(k) Employee Retirement Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of Precision Spine, Inc. (the Employer). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Participants must be 21 years of age or older to participate in the Plan.

SECURE Act

On December 20, 2019, Congress enacted the Setting Every Community Up for Retirement Enhancement (SECURE) Act. During 2020 the Plan adopted the following provisions of the SECURE Act.

- Required starting age for Required Minimum Distributions (RMD's) was increased from 70½ to 72 years of age.

CARES Act

On March 27, 2020, Congress enacted the Coronavirus Aid, Relief, and Economic Security (CARES) Act. During 2020 the Plan adopted the following provisions of the CARES Act.

- Allowing participants to take a Coronavirus related distribution of up to \$100,000 (not to exceed the participant's account balance) from their retirement plan without a 10% early withdrawal penalty. Eligible distributions can be taken up to December 31, 2020. Coronavirus-related distributions may be repaid within three years.
- Allowing participants to take Plan loans up to 100% of their vested balance or \$100,000, whichever is less. This option was available for loans taken out during the six-month period from March 27, 2020 to September 23, 2020.
- Allowing Plan participants to suspend required minimum distributions during 2020.

Tax Status

The Plan obtained its latest determination letter on March 31, 2014, in which the Internal Revenue Service (IRS) stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America (GAAP), require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there

Notes to Financial Statements

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Tax Status (Continued)

are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Employee Contributions

Eligible participants can defer up to 100% of their eligible compensation into the Plan, up to the maximum allowed by the IRC. Participants are allowed to make deferrals to either pre-tax non-Roth accounts or post-tax Roth accounts. Participants are allowed to make additional catch-up contributions to the Plan if they are 50 years of age or older as of the end of the Plan year. Additionally, participants are permitted to make rollover contributions to the Plan from other eligible Plans or individual retirement accounts.

Employer Contributions

The Employer makes safe harbor matching contributions equal to 100% of the elective deferrals that do not exceed 3% of each employee's compensation plus 50% of the elective deferrals between 3% and 5% of each employee's compensation. This safe harbor matching contribution is 100% vested.

Participant Accounts

Each participant's account is credited with the participant's deferral contributions, the Employer's matching contributions, any Employer discretionary contributions, and account earnings thereon. Investment income is allocated to the account of each participant according to the gain or loss of each investment in which the participant has elected to invest. Participants' accounts may also be charged with an allocation of administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Vesting

Participants are immediately vested in their salary deferral contributions plus actual earnings thereon. Participants are also immediately vested in Employer safe harbor contributions and the earnings thereon. A participant will become fully vested after six years of ratably credited service in any discretionary Employer contributions.

Investments and Investment Options

Contributions to the Plan are invested as directed by each participant. Participants may change their individual investment options at any time effective immediately. The Plan offers various investments in mutual funds and a stable value investment contract as investment options for participants.

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Participant Loans

Participants may borrow from their account up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance. The loans are secured by the balance in the participant's account and bear interest at 4.75% - 5.50%. Principal and interest is paid ratably through monthly payroll deductions. Participant loans are measured at their unpaid principal balance plus any accrued but unpaid interest.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution, or a rollover to another retirement account. Participants may take in-service distributions from their vested account balance once they have attained age 59½. Benefits are recorded when paid.

Hardship Withdrawals

Under certain conditions, participants, while still employed by the Employer, are permitted to take hardship withdrawals from the employee contribution portion of their account balance. These conditions include payment of unreimbursed medical expenses, the purchase of the participant's principal residence, the payment of postsecondary education tuition, the payment of burial or funeral costs of immediate family members, the payment of expenses for the repair of damage to the participant's principal residence that would qualify for the casualty deduction under the IRC, or to prevent eviction or foreclosure from the participant's principal residence.

Forfeitures

A forfeiture will occur on the earlier of (1) the last day of the Plan year in which the former participant incurs five (5) consecutive 1-year breaks in service, or (2) the distribution of the entire vested portion of the participant's account. There were \$194 forfeited during 2021, and \$312 was forfeited during 2020. Forfeitures were used to reinstate previously forfeited account balances of participants, if any, or pay Plan expenses.

Terminated Participants

Plan participants included 26 terminated employees with vested balances totaling \$1,266,439, and 26 terminated employees with vested balances totaling \$1,015,735, for the years ended December 31, 2021 and 2020, respectively.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

New Auditing Standard for Employee Benefit Plans

In July 2019, the American Institute of Certified Public Accountants (AICPA) Auditing Standards Board (ASB) issued the Statement on Auditing Standards (SAS) No. 136, Forming an Opinion and Reporting on Financial Statements of Employee Benefit Plans Subject to ERISA (SAS 136). The new standard prescribes certain new audit performance requirements and includes ERISA Section 103(a)(3)(C). SAS 136 is effective for audits of financial statements for periods ending on or after December 15, 2021. Early implementation is permitted.

ERISA Section 103(a)(3)(C) Audits

ERISA Section 103(a)(3)(C) allows plan management to elect to exclude from the audit certain investment information held and certified by a qualified institution.

This type of audit, previously known and referred to as a “limited-scope audit”, is now referred to an “ERISA Section 103(a)(3)(C) audit” in the new standard. SAS 136 does not change anything in ERISA, and, therefore, plan management is able to continue electing such an audit.

SAS 136 clarifies what is expected of the auditor, including specific procedures when performing an ERISA Section 103(a)(3)(C) audit. It also establishes a new form of report that provides greater transparency about the scope and nature of the audit and describes the procedures performed on the certified investment information.

SAS 136 is effective for audits of financial statements for periods ending on or after December 15, 2021. Early implementation is permitted.

Estimates

The preparation of financial statements in conformity with GAAP requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Employer. Expenses that are paid by the Employer are excluded from these financial statements. Certain investment related expenses are included in net appreciation (depreciation) of fair value of investments.

Investment Valuation and Income Recognition

The Plan’s assets are stated at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. GAAP defines fair value as the price that would be received for an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Gains and losses (realized and unrealized) included in changes in net assets available for benefits are reported in net appreciation (depreciation) in fair value of investments, net of expenses. See Note 3 for a discussion of fair value measurements and Note 4 for a discussion on fully benefit-responsive investment contracts.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Risk and Uncertainties

The Plan invests in a variety of investment funds. Investments in general are exposed to various risks, such as interest rate, credit, and overall volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan Agreement to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

Subsequent Events

Management has evaluated subsequent events through September 27, 2022, the date the financial statements were available to be issued.

NOTE 3 FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value or contract value in the accompanying statements of net assets available for benefits. GAAP establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels as follows:

Level 1 - inputs used to measure fair value consist of prices quoted in active markets for identical assets or liabilities.

Level 2 - inputs used to measure fair value consist of significant observable inputs other than the prices quoted in active markets for identical assets or liabilities, such as quoted prices in active markets for similar assets or liabilities.

Level 3 - fair value measurements are based upon significant unobservable inputs.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. There have been no changes in the methodologies used at December 31, 2021 and 2020.

The following table presents assets that are measured at fair value on a recurring basis at December 31, 2021 and 2020:

2021	Fair Value	(Level 1)	(Level 2)	(Level 3)
Mutual Funds	\$ 8,098,387	\$ 8,098,387	\$ -	\$ -
Total	<u>\$ 8,098,387</u>	<u>\$ 8,098,387</u>	<u>\$ -</u>	<u>\$ -</u>
2020	Fair Value	(Level 1)	(Level 2)	(Level 3)
Mutual Funds	\$ 6,499,413	\$ 6,499,413	\$ -	\$ -
Total	<u>\$ 6,499,413</u>	<u>\$ 6,499,413</u>	<u>\$ -</u>	<u>\$ -</u>

NOTE 3 FAIR VALUE MEASUREMENTS (CONTINUED)

In accordance with Financial Accounting Standards Board (FASB) Accounting Standards Update (ASU) 2015-12, fully benefit responsive investments are not included in the fair value hierarchy table above.

NOTE 4 INVESTMENT CONTRACT

During 2021 and 2020 the Plan included an investment option in the American United Life (AUL) Stable Value Account (Stable Value Account), a fully benefit-responsive investment contract. The Stable Value Account is an interest-earning investment option, backed by AUL's general account assets. The Stable Value Account is a fully benefit-responsive investment contract and stated at contract value. Contract value represents deposits made to the contract, plus earnings at guaranteed crediting rates, less withdrawals and fees.

The Stable Value Account investments primarily consist of a diversified mix of high quality corporate and agency securities. The objective of the investment policy is to maximize long-term, risk-adjusted returns. Participants invested in the Stable Value Account can transfer money into and out of the account without restrictions. Plan management believes the occurrence of events that would cause the Stable Value Account to transact at less than contract value are not probable. An interest rate is declared prior to the beginning of a calendar year and is guaranteed for that year until the new rate is set for the next year. The average interest rate during 2021 and 2020 was 0.56% and 1.33%, respectively. Contract value totaled \$34,044 and \$39,281 at December 31, 2021 and 2020, respectively.

NOTE 5 INFORMATION CERTIFIED BY THE CUSTODIANS (UNAUDITED)

Management, having determined it is permissible in the circumstances, has elected to have the 2021 audit of Precision Spine, Inc. 401(k) Employee Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our 2021 audit procedures need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

As then permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, management instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution, for the 2020 audit.

Management has obtained applicable certifications from a qualified institution as of and for the years ended December 31, 2021 and 2020, stating that the certified investment information is complete and accurate.

Accordingly, investments and related investment income included in the accompanying financial statements as of December 31, 2021 and 2020, and for the years then ended, and supplemental schedule as of December 31, 2021, have been compiled from statements certified as complete and accurate by American United Life Insurance Company, a OneAmerica company, the custodian, in accordance with DOL regulations.

NOTE 5 INFORMATION CERTIFIED BY THE CUSTODIANS (UNAUDITED)
(CONTINUED)

The following is a summary of the Plan's financial information included in the financial statements based on information certified by the Plan custodian.

- Investments as shown in the statements of net assets available for benefits as of December 31, 2021 and 2020.
- Investment income as shown in the statements of changes in net assets available for benefits for the years ended December 31, 2021 and 2020.
- Investment information included in the accompanying schedule of assets (held at end of year) as of December 31, 2021.

NOTE 6 PARTY-IN-INTEREST TRANSACTIONS

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or an employee association or relatives of such persons.

Certain Plan investments are invested in mutual funds and investment contracts managed by OneAmerica, custodian of the Plan. Such investments involving the custodian qualify as party-in-interest transactions. GranthamPoole PLLC, the Plan auditor, is considered a party-in-interest to the Plan. Additionally, the Plan sponsor is a party-in-interest to the Plan; however, there were no transactions with the Plan sponsor other than the funding of contributions to the Plan and payment of certain administrative expenses of the Plan.

NOTE 7 OTHER UNCERTAINTIES

On March 11, 2020 the World Health Organization declared the novel strain of coronavirus (COVID-19) a global pandemic and recommended containment and mitigation measures worldwide. The extent of the impact of COVID-19 on the Plan's operational and financial performance will depend on certain developments, including the duration and spread of the outbreak and its impact on the Plan investment performance, all of which are uncertain and cannot be predicted. At this point, the extent to which COVID-19 may impact the Plan's financial condition or results of operations are uncertain.
