INDEPENDENT AUDITOR'S REPORT

To the Plan Participants and Plan Administrator of
the Dakota Nation 401(k) Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Dakota Nation 401(k) Plan and Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the

audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the 2021 Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of assets held at end of year as of December 31, 2021, is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2021, we indicated that (a) because of the significant of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from certified information were presented in compliance with DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

DAKOTA NATION 401(K) PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Dakota Nation 401(k) Plan and Trust, formerly, Dakota Magic Casino 401(k) Plan and Trust, (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan, established on January 1, 1999 is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). Effective January 1, 2015 Dakota Nation Gaming Enterprise (the “Company” or “Plan Sponsor”) amended its 401(k) profit sharing plan and renamed that plan to Dakota Magic Casino 401(k) Plan and Trust. Effective June 1, 2019, Dakota Nation Gaming Enterprise amended its 401(k) profit sharing plan and renamed that plan to Dakota Nation 401(k) Plan and Trust. The policies below reflect all changes from amendments required by law through this date.

On March 27, 2020, in response to the COVID-19 pandemic, the U.S. Congress enacted the Coronavirus Aid, Relief and Economic Security Act (“CARES Act”), which among other things, includes provisions that impact retirement plan rules for 2020. A participant was considered qualified if they were diagnosed with COVID-19, had a spouse or dependent diagnosed with COVID-19, or experienced “adverse financial consequences” as a result of quarantine, furlough, lay-off, reduction in work hours, business closure, the lack of childcare or other factors due to the COVID-19 pandemic. The CARES Act allows for utilization of these provisions immediately, but requires formal adoption via plan amendment no later than the last day of the plan year beginning on or after January 1, 2022. The Plan did not adopt the temporary provisions during the period and has not been formally amended as of the report date.

Eligibility

The Plan covers eligible employees of Dakota Magic Casino, Dakota Connection Casino, and Dakota Sioux Casino who have three consecutive months of service and have met the tribal membership requirement; are at least 18 years old. Eligible employees can enter the Plan on the first day of the month after eligibility requirements are met.

Contributions and Funding Policy

Participants may contribute up to 100% of their annual compensation to the Plan through participant elective deferral contributions, subject to certain limitations by law. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate. Automatically enrolled participants have their deferral rate set at 4% of eligible compensation.

Company contributions are made according to a matching formula, up to 3% for non-tribal members and 4% for tribal members. Additionally, discretionary tribal gift contributions can be made. Participants may also make rollover contributions to the Plan from other retirement plans and certain individual retirement accounts. Employer matching and tribal gift contributions of \$651,064 and \$586,727 were made during the years ended December 31, 2021 and 2020, respectively.

Participant Accounts

Each participant’s account is credited with the participant’s contributions (elective deferral, catch-up and rollover), employer matching contributions, and discretionary tribal gift contributions, if applicable, and an

DAKOTA NATION 401(K) PLAN AND TRUST

allocation of Plan earnings or losses. Allocations of Plan earnings or losses and administrative expenses are based on participant account balances as defined by the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investments

The Plan allows participants to direct their investments and to make transfers between these funds daily, except for participant loans. Participant loan transactions are treated as transfers between the investment funds and the participant loan account. The total of all inter-fund transfers between the investment funds and the participant loan account is zero.

Vesting

Participant elective deferral and rollover contributions, plus actual earnings and losses thereon, are 100% vested regardless of length of service. Vesting in the employer's contributions and discretionary tribal gift contributions are based on years of continuous service. A participant is 100% vested ratably over five years of credited service.

Notes Receivable from Participants

Participants may borrow from their account a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. A participant is allowed one outstanding loan at a time. Loan terms are five years or less, or 15 years if used for the purchase of a primary residence. Loans are secured by the balance in the participant's vested account and bear interest at a rate equal to 2% above the (Wall Street Journal) prime rate.

As of December 31, 2021, notes receivable from participants had maturities through October 2026 and interest rates ranging from 5.25% to 7.50%. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

Participants may receive distributions from the Plan upon death, retirement, or termination of service. Upon death or retirement of service, a participant or their beneficiary may elect to receive a lump sum amount equal to the value of his or her account, or monthly annuity installments of their vested account balance. For termination of service due to other reasons, a participant may receive the value of the vested balance as a lump sum distribution.

Hardship Distributions

Participants may withdraw in a lump sum up to 100% of the vested balance in their accounts to pay for certain hardships caused by eligible medical expenses, purchases of a principal residence, 12 months of college tuition, and mortgage payments needed to prevent eviction or foreclosure. Participants should review Plan provisions for complete details on hardship distributions and to review the restrictions on the withdrawals.

Forfeitures

Forfeitures are retained in the Plan and may be used first to pay Plan administrative expenses. Any remaining amounts may be used to reduce future employer contributions, subject to Internal Revenue Service ("IRS") limitations. The forfeited non-vested accounts totaled \$79,122 and \$16,036 as of December 31, 2021 and 2020, respectively.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements were prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from these estimates.

Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Net Appreciation (Depreciation) in Fair Value of Investments

Net appreciation (depreciation) in the fair value of investments represents the net realized gains or losses and the net unrealized appreciation or depreciation of investments. Realized gains or losses are the differences between the proceeds received and either the cost of the investments sold, determined on an average cost basis, or fair value at the end of the preceding year, whichever is applicable. Unrealized appreciation or depreciation is the difference between fair value and the cost of investments or fair value at the end of the preceding year, whichever is applicable.

Notes Receivable from Participants and Deemed Distributions

Notes receivable due from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Delinquent notes receivable considered to be in default are reclassified as distributions based upon the terms of the Plan document. Deemed distributions resulting from delinquent loans for the Plan years ended December 31, 2021 and 2020 were \$54,980 and

DAKOTA NATION 401(K) PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2021 and 2020

\$52,288 respectively, which are included in benefits paid to participants in the statements of changes in net assets available for benefits.

Payment of Benefits

Benefits are recorded when paid. As of December 31, 2021 and 2020, there were no amounts allocated to accounts of persons who had elected to withdraw from the Plan but had not been paid.

Plan and Administrative Expenses

Plan expenses such as investment management fees, administrative expenses, audit, legal, and trustee fees, are paid by the Company. Additionally, some miscellaneous expenses may be paid by the Plan.

Subsequent Events

The Plan evaluated its December 31, 2021 financial statements for subsequent events through October 7, 2022, the date the financial statements were available to be issued. The Plan is not aware of any subsequent events which would require recognition or disclosure in the financial statements.

NOTE 3 – FAIR VALUE MEASUREMENTS

Accounting Standards Codification (“ASC”) 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the asset or liability, including:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in markets that are not active;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology that are unobservable and reflect the Plan’s own assumptions about the assumptions market participants would use in pricing the asset or liability based on the best information available in the circumstances (e.g., internally derived assumptions surrounding the timing and amount of expected cash flows).

DAKOTA NATION 401(K) PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2021 and 2020

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2021 and 2020.

Cash and cash equivalents – Classified as Level 1 as investments are comprised of uninvested cash and money market funds with initial maturities of three months or less. Such amounts are recorded at cost, plus accrued interest, which approximates fair value.

Registered investments – Classified as Level 1 as investments are valued at quoted market prices, which represent the fair value of shares held by the Plan at year-end.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

		December 31, 2021		
Investment Type	Total	Level 1	Level 2	Level 3
Cash and cash equivalents	\$ 342,455	\$ 342,455	\$ -	\$ -

NOTE 4 – INFORMATION PREPARED AND CERTIFIED BY TRUSTEES

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Matrix Trust Company, the Plan custodian, has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments and notes receivable from participants, as shown in the statements of net assets available for benefits as of December 31, 2021 and 2020.

DAKOTA NATION 401(K) PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS - CONTINUED

- Total investment and interest income, including interest income from notes receivable, as shown in the statement of changes in net assets available for benefits for the years ended December 31, 2021 and 2020.
- Schedule H, Part IV, Line 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2021.

NOTE 5 – FEDERAL INCOME TAX STATUS

The Plan, as adopted, is a volume submitter profit sharing plan with CODA. The sponsoring organization requested a determination letter covering the Plan. A separate determination providing that the Dakota Magic Casino 401(k) Plan, as adopted, and the related trust are designed in accordance with applicable sections of the Internal Revenue Code (“IRC”) has not been sought from the IRS.

The Company is relying on an opinion letter, provided by the prior trustee as a volume submitter, received from the IRS dated March 31, 2014 that the Plan is acceptable under Section 401 of the IRC for use by employers for the benefit of their employees. The Plan has been amended since receiving the opinion letter. However, the Plan Administrator and the Plan’s counsel believe the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

The Plan Administrator is required by GAAP to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to examinations for years prior to 2018.

NOTE 6 – EXEMPT PARTY-IN-INTEREST TRANSACTIONS

The Plan allows for transactions with certain parties who may perform services or have fiduciary responsibilities to the Plan, including the Company. The Plan issues loans to participants, which are secured by the vested balances in the participants’ accounts.

Certain officers of the Company provide administrative services to the Plan. These services are provided at no cost to the Plan. Administrative expenses, such as audit, legal and trustee fees, are paid by the Company. These qualify as party-in-interest transactions.

NOTE 7 – INVESTMENT CONCENTRATIONS

The following investments individually represent 10% or more of the Plan’s net assets as of December 31:

	2021	2020
Vanguard Target Retirement 2020 Fund	\$ 3,421,370	\$ 3,076,948
