INDEPENDENT AUDITOR'S REPORT

To the Participants
Wright Construction Co., Inc. 401(k) Plan
Grapevine, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Wright Construction Co., Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Wright Construction Co., Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2021 and 2020, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Wright Construction Co., Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Wright Construction Co., Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Wright Construction Co., Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Wright Construction Co., Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Assets (Held at End of Year) and Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or are derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

WRIGHT CONSTRUCTION CO., INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021

NOTE 1 DESCRIPTION OF PLAN

The following description of the Wright Construction Co., Inc. 401(k) Plan (Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions. The Plan is a defined contribution plan established by Wright Construction Co., Inc. (the Company). The Plan qualifies as a profit-sharing plan under Internal Revenue Code (Code) Section 401(a) and as a cash-or-deferred arrangement under Code Section 401(k).

The Plan covers all employees over 18 years of age who have completed six months of service, and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan, as amended and restated effective January 1, 2016, excludes bonuses from compensation for Highly Compensated Employees.

Employee contributions

Subject to limitations in the Code, participants are permitted to contribute up to 100% of their annual compensation (as defined in the Plan document) to the Plan on a tax-deferred or non tax-deferred (Roth) basis. Employees over the age of 50 may make additional "catch up" contributions up to \$6,500. Transfers from qualified plans (rollovers) are allowed under the provisions of the Plan. Except for the Roth contributions, after-tax contributions are not allowed.

Employer contributions

The Company makes safe harbor matching contributions of 100% of the first 4% of the employee's contributions. At its discretion, the Company may make additional matching, profit sharing, qualified matching (QMAC), or qualified nonelective (QNEC) contributions. If made, these contributions would be allocated to participants under the terms of the plan document. All 2021 employer contributions were safe harbor matching contributions. In addition, all employer contributions have been safe harbor matching contributions since inception of the plan.

Participant accounts

Each participant's account is credited with the participant's contribution, the employer's contribution (if any), and Plan investment earnings or losses, which are allocated proportionately among all participants based on their investment in each fund.

WRIGHT CONSTRUCTION CO., INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021

NOTE 1 DESCRIPTION OF PLAN – (continued)

Vesting

Participants are fully vested in their elective tax-deferred, Roth, Safe Harbor Matching, rollover, QMAC, and QNEC contributions, together with the accumulated earnings on those accounts. Participants still employed by the Company become fully vested in all accounts at normal retirement age (65), death, or termination of employment due to disability. Otherwise, any additional matching and profit sharing contributions and the related earnings are 100% vested after three years of service.

Notes receivable from participants

Participants may borrow from their participant accounts, a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. These loans are secured by the balance in the participant's account and, as of December 31, 2021, bear interest between 4.25% – 6.25%, and mature at various dates through September 2026. Principal and interest are paid ratably through weekly payroll deductions.

Payment of benefits

Benefits are generally paid as lump-sum distributions. Participants may elect to receive distributions of their vested balances upon termination of service due to death, disability, retirement or other reasons. Upon termination of service, participants with vested balances of \$5,000 or less receive a distribution of their vested balances. If the participant does not affirmatively request that vested balances of \$5,000 or less be rolled directly into an eligible retirement plan or paid to them, net of tax withholding, an individual retirement account is created for them and the balance is rolled into it.

The Plan allows in-service withdrawals: (1) of rollover contributions, at the participant's request, (2) for employees over the age of 59 ½, and (3) for certain hardship situations, as defined. In-service withdrawals for 59 ½ are limited to the participant's salary deferral and Safe Harbor Matching contributions. In-service hardship withdrawals are limited to the participant's salary deferral. Participants may take an in-service withdrawal of their rollover contributions at any time.

Administrative expenses

The Company absorbs the cost of all administrative expenses not paid from the Plan's assets.

Other plan provisions

Other plan provisions are described in the Plan Document.

WRIGHT CONSTRUCTION CO., INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 6 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded when earned. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus accrued interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

Payment of benefits

Benefits are recorded when paid.

Use of estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires Plan management to make estimates and assumptions that affect the reported amounts of Plan assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Subsequent events

The Plan has evaluated subsequent events through October 5, 2022, the date which the financial statements were available to be issued.

WRIGHT CONSTRUCTION CO., INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021

NOTE 3 TAX STATUS

Effective January 1, 2021, the Plan adopted the July Business Services Non-standardized Profit Sharing/401(k) Plan (the Non-standardized Prototype Plan.) The Non-standardized Prototype Plan obtained its latest opinion letter on June 30, 2020 in which the Internal Revenue Service stated that the Non-standardized Prototype Plan, as designed, was in compliance with the applicable requirements of the Code.

The Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that is more likely than not would not be sustained upon examination by the U.S. Internal Revenue Service. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2018.

NOTE 4 PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan's sponsor has the right to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of a full or partial plan termination, affected participants will become fully vested in their accounts.

NOTE 5 INFORMATION PREPARED AND CERTIFIED BY MID ATLANTIC TRUST COMPANY

The December 31, 2021 and 2020 statements of net assets available for benefits, the investment activities included on the statement of changes in net assets available for benefits for the year ended December 31, 2021, and the accompanying notes to the financial statements were prepared in part or entirely from information certified by Mid Atlantic Trust Company (Mid Atlantic) in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The information certified includes total investments of \$2,654,778 and \$2,602,981 at December 31, 2021 and 2020, respectively, and related investment earnings of \$327,575 for the year ended December 31, 2021.

These accounts are maintained by Mid Atlantic, a party-in-interest.

WRIGHT CONSTRUCTION CO., INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021

NOTE 6 FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets or liabilities and have the highest priority. Level 2 inputs consist of observable inputs other than quoted market prices for identical assets or liabilities. Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments.

When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. Level 1 inputs are used to value mutual funds and interest bearing cash. There are no plan assets requiring the use of Level 2 or Level 3 inputs for the periods presented.

Level 1

The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded. Interest bearing cash is carried at amortized cost.

The following table sets forth by level, within the fair value hierarchy, the plan's assets at fair value as of December 31, 2021 and 2020.

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 2,302,148	\$ -	\$ -	\$ 2,302,148

Total	<u>\$ 2,602,981</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 2,602,981</u>

NOTE 7 PARTY-IN-INTEREST TRANSACTIONS

Most of the Plan's investments at December 31, 2021 are shares of mutual funds managed by Box Advisors, and held by Mid Atlantic, the custodian of the Plan.

NOTE 8 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
