INDEPENDENT AUDITOR'S REPORT

To the Administrator of
Hagar Restaurant Equipment
Service, Inc. 401(k) Plan
Oklahoma City, Oklahoma

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Hagar Restaurant Equipment Service, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Hagar Restaurant Equipment Service, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2021 and 2020, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements, referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements, referred to above, related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Hagar Restaurant Equipment Service, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Hagar Restaurant Equipment Service, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would

influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Hagar Restaurant Equipment Service, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Hagar Restaurant Equipment Service, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedule of Assets Held for Investment Purposes for the year ended December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and

certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

Hagar Restaurant Equipment
Service, Inc. 401(k) Plan

December 31, 2021

NOTE A--DESCRIPTION OF PLAN

The following description of Hagar Restaurant Equipment Service, Inc. 401(k) Plan ("the Plan") provides only general information. Participants should refer to the Plan agreement for more complete description of the Plan's provisions.

General: The Plan was established January 1, 1999. The latest Plan amendment and restatement was effective September 22, 2015. The Plan is a defined contribution plan covering all eligible employees, except non-resident aliens and union employees, of the Company who have completed one year of service and who have attained the age of twenty-one with a minimum of 1000 hours worked. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions: Participants may contribute a percentage of their compensation up to 15% of pretax compensation or the maximum limit determined annually by the Internal Revenue Service. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers).

The Company may make a discretionary matching contribution equal to a uniform percentage or dollar amount of the participants' elective deferrals each Plan year. This discretionary amount currently is a match up to 6% of the participant's elective deferral. Any additional employer contribution amounts may be contributed at the Company's discretion. Participants may also contribute amounts representing distributions from qualified plans for after tax contributions (rollovers).

Participants' Accounts: Each participant's account is credited with his or her salary deferral contribution; an allocation of the Company's matching contributions; an allocation of the Company's discretionary profit-sharing contributions, if any; the Plan's earnings and losses; and administrative expenses that are paid by the plan. Allocations are based on the participant's qualified compensation, account balances, or specific participant transactions as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options: Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds for the participants. Participants may change the allocation of their account in the different investments at any time.

Receivables from Participants: The Plan permits loans to be made to participants pursuant to a written loan policy. Any participant may apply for a loan from the Plan. Applications must be in writing and approved by the Plan Administrator. Plan loans must be in an amount between \$1,000 and \$50,000 and cannot exceed 50% of the participants non-forfeitable account balance. A participant may have no more than one loan outstanding at one time, and loan refinancing is not permitted. The Plan Administrator determines loan interest rates, and prepayment terms. Rates are comparable to rates charged by commercial lending institutions in the region in which the Company is located. Loans are not permitted beyond five years, unless it qualifies as a "home loan", at which time the term will be ten years.

As of December 31, 2021, the Plan had \$362,129 in loans outstanding to 49 participants, with maturities from 1 to 10 years, and interest rates of 5.0% to 7.25%.

Hagar Restaurant Equipment
Service, Inc. 401(k) Plan

December 31, 2021

As of December 31, 2020, the Plan had \$448,284 in loans outstanding to 55 participants, with maturities from 1 to 10 years, and interest rates of 5.0% to 7.25%.

Excess Contributions Payable There were no excess contributions in 2021 or 2020.

Vesting: Participants are immediately vested in their elective contributions and rollover contributions plus or minus any earnings or losses thereon. Participants are vested in their non-elective contributions and Company matching contributions based on years of credited service according to the following schedule:

Less than two years	0%
Two, but less than three years	20%
Three, but less than four years	40%
Four, but less than five years	60%
Five, but less than six years	80%
Six years or greater	100%

Distributions: Upon retirement, death, or disability participants are entitled to their entire account balance. On termination of service, participants are entitled to their vested balance. The participant shall receive a lump-sum amount equal to their entitled account balance if the balance is \$1,000 or less. Amounts greater than \$1,000 up to \$5,000 will be distributed to an IRA or annuity for the benefit of the participant. The distribution of amounts greater than \$5,000 may be deferred until a later date. Required minimum distributions must begin within a prescribed period after the participant attains the age of 72. In service distributions are permitted for a participant who is 59 1/2 years or older, or for hardship reasons.

Forfeitures: Forfeitures of Company contributions due to participants withdrawing prior to being 100% vested are first used to pay Plan administrative expenses, and then may be used to reduce employer contributions. The Plan had no unallocated forfeitures available on December 31, 2021 and 2020. During 2021 and 2020, forfeitures were used to pay employer contributions and Plan expenses of \$11,723 and \$57,092, respectively.

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The accompanying financial statements have been prepared on the accrual method of accounting.

Use of Estimates: The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition: The Plan's funds are invested in separate accounts with Fidelity Management Trust Company. Funds invested in separate accounts are subject to certain investment restrictions and standards set forth in the contract. Earnings of the assets invested in separate accounts are a function of the underlying assets of the separate account.

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction

between market Participants at the measurement date. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gain and losses on investments bought and sold as well as held during the year and are net indirect compensation paid by the plan to Fidelity Investments Institutional for certain agency fees. These fees are based on a percentage of asset values by investment and range from 0.27% to 0.35%.

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. No allowance for credit losses is recorded as loans are fully secured by the participant account. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Payment of Benefits: Benefit payments are recorded when paid.

Expenses: Certain expenses of maintaining the Plan are paid either by the Plan or by the Company. Expenses that are paid by the Company are excluded from these financial statements.

NOTE C--INVESTMENTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2021 and 2020 was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company, as custodian for the Plan Trustee.

NOTE D--FAIR VALUE MEASUREMENTS

Certain Plan investments are reported at fair value in the accompanying Statements of Net Assets Available for Benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs are unobservable and have the lowest priority. Next, Level 2 inputs are used when identical assets cannot be identified, but quoted prices for similar assets in active markets are available. Level 3 inputs were only used when Level 1 or Level 2 inputs were not available. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020.

	Assets at Fair Value as of December 31, 2021

NOTE E--PLAN STATUS

Although it has not expressed any intent to do so, Hagar Restaurant Equipment Service, Inc. has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

NOTE F--TAX STATUS

The Plan is qualified under the appropriate section of the Internal Revenue Code (IRC) and, accordingly, the Plan's net investment income is exempt from income taxes. The Plan operates under the Defined Contribution Volume Submitter Plan of its third-party administrator. A determination letter has been obtained for the Volume Submitter Plan. The Plan sponsor believes that the Plan as designed is currently being operated in compliance with the applicable requirements of the IRC and continues to be tax exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to

be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

The Plan is subject to routine audits by taxing jurisdictions. However, currently, no audits for any tax periods are in progress. The Plan is subject to income tax examinations for plan years ended December 31, 2019 through 2021.

NOTE G--TRANSACTIONS WITH PARTIES-IN-INTEREST

The Plan invests in mutual funds managed by the Plan's custodian. These transactions qualify as party-in-interest transactions. Notes receivable from Plan participants and the related interest income are also considered party-in-interest transactions. Administrative fees related to the administration of the Plan are paid by the Plan.

Other administrative expenses were paid by the Plan Sponsor. The Plan Sponsor has the option, but not the obligation, to pay any of the Plan's administrative expenses. In addition, certain administrative functions are performed by officers or employees of the Plan Sponsor for which the officer or employee receives no compensation from the Plan nor is the Plan charged by the Plan Sponsor for these services.

NOTE H--RISKS AND UNCERTAINTIES

The Plan's investments are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investments and the level of uncertainty related to changes in the values of investments, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in Net Assets Available for Benefits.
