INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of
Elica Health Centers 403(b) Plan
Sacramento, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Elica Health Centers 403(b) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Elica Health Centers 403(b) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the 2021 financial statements referred to above related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Elica Health Centers 403(b) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Elica Health Centers 403(b) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Elica Health Centers 403(b) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Elica Health Centers 403(b) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4a - Schedule of Delinquent Participant Contributions for the Year Ended December 31, 2021, and Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021, are presented for purpose of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Elica Health Centers 403(b) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated June 18, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rule and Regulations for Reporting and Disclosure under ERISA.

**ELICA HEALTH CENTERS 403(b) PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

NOTE 1: DESCRIPTION OF PLAN

The following description of the Elica Health Centers ("the Company" or "Plan Sponsor") 403(b) Plan ("the Plan") provides only general information. Participants should refer to the Summary Plan Description for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan under section 403(b) of the Internal Revenue Code. The Plan covers all eligible employees of Elica Health Centers. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Principal Trust Company and Ameritas both serve as the custodian and recordkeeper for the Plan.

Eligibility

All employees of the Company are eligible to make salary deferrals on their date of hire. Participants are eligible for employer matching contributions following the completion of one year of service (defined as working 1,000 hours) and attaining age twenty-one. Eligible employees must be employed by the Plan Sponsor on the last day of the Plan year to receive a matching contribution.

Participant Contributions

Participants may contribute, through pre-tax deferral of compensation, an amount up to the maximum allowed by the IRS. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants can start, increase or decrease the amount of their deferral elections at any time. Participants may contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants may also make after-tax Roth contributions.

Employer Contributions

Beginning in 2021, the Company contributes a Safe Harbor matching contribution equal to 100% of an eligible participants salary deferrals, up to 4% of eligible compensation. The Safe Harbor match is based on salary deferrals contributed each payroll period.

Participant Investment Account Options

Participants direct the investment of their contributions into various investment options offered by the Plan.

Participant Accounts

Each participant's account is credited with the participants' contributions and an allocation of (a) the Employer's contribution, (b) Plan earnings, and (c) charged with benefit payments and an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**ELICA HEALTH CENTERS 403(b) PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

NOTE 1: DESCRIPTION OF PLAN (Continued)

Vesting

Participants are immediately vested in their voluntary contributions and contributions representing rollovers from other qualified plans, plus earnings thereon. Participants are also always 100 percent vested in any Company Safe Harbor matching contributions. Discretionary employer matching and other employer contributions vest over a six-year period as follows:

<u>Years of service</u>	<u>Percentage</u>
1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Payment of Benefits

On termination of service due to death, disability, retirement or any other reason, a participant is entitled to receive a distribution equal to the value of the participant's vested interest in his or her account as a lump-sum distribution. If a terminated participant has an account balance of less than \$1,000 and does not request that the account balance be rolled into another qualifying plan, the participant will automatically receive a cash lump-sum payment. Terminated participants with account balances between \$1,000 and \$5,000 who do not request the account balance be rolled into another qualifying plan will automatically have their account balance rolled into an Individual Retirement Account established for the benefit of the participant. Terminated participants with account balances greater than \$5,000 may elect to leave their account in the Plan or roll their account balance into another qualified plan. Participants may also receive in-service distributions on account of hardship or after attaining age 70 1/2. As of December 31, 2021 and 2020, there were no benefits payable to participants that have elected to withdraw from the Plan but have not yet been paid.

Administrative Expenses

The Plan's expenses are paid either by the Plan or the Plan Sponsor, as provided by the Plan document. Expenses that are paid directly by the Plan Sponsor are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statement of changes in net assets available for benefits.

Forfeited Accounts

When certain terminations of participation in the Plan occur, the nonvested portion of the participant's account, as defined by the Plan, represents a forfeiture. Forfeitures are utilized to reduce the employer contributions for the Plan year or pay Plan administrative expenses. During the year ended December 31, 2021 there were \$11,692 of forfeitures used to pay Plan expenses or reduce employer contributions. At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$1,586 and \$6,217, respectively.

**ELICA HEALTH CENTERS 403(b) PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Investment Valuation and Income Recognition

The Plan's investments, other than fully benefit responsive investment contracts, are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Contract value is the relevant measure for the Plan's fully benefit-responsive investment contracts, because contract value is the amount Plan participants generally receive when executing transactions under the terms of the contract and Plan provisions. See Note 4 for discussion of fair value measurements and a description of the method(s) and significant assumptions used to determine the fair value of investments.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on ex-dividend dates. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Subsequent Events

The Plan has been amended to require completion of six months of service in order for participants of the Plan to become eligible for the Safe Harbor Matching contribution. The effective date for the Plan amendment is January 1, 2022.

The Plan has evaluated subsequent events through September 29, 2022, the date on which the financial statements were available to be issued.

Future Accounting Pronouncements

In 2022, The Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2022-03, *Fair Value Measurement* (Topic 820): Fair Value Measurement of Equity Securities Subject to Contractual Sale Restrictions.

The amendments in this ASU clarify that a contractual restriction on the sale of an equity security is not considered part of the unit of account of the equity security and, therefore, is not considered in measuring fair value. The amendments also clarify that an entity cannot, as a separate unit of account, recognize and measure a contractual sale restriction. The amendments in this ASU also require the following disclosures for equity securities subject to contractual sale restrictions: 1. The fair value of equity securities subject to contractual sale restrictions reflected in the balance sheet 2. The nature and remaining duration of the restriction(s) 3. The circumstances that could cause a lapse in the restriction(s).

The new requirements are effective for the Plan's December 31, 2025 year end. Management has not yet determined the impact of this accounting standard on the Plan's financial statements.

NOTE 3: INVESTMENT CONTRACTS WITH INSURANCE COMPANIES

Ameritas Life Insurance Corp

The Plan has an investment in a Stable Value Fixed Account with Ameritas Life Insurance Corp. The contract value of funds held in the Ameritas Stable Value Fixed Account generally represents principal plus accrued interest. The Ameritas Stable Value Fixed Account earns a declared interest rate each month. Interest rate guarantees of the Ameritas Stable Value Fixed Account are backed by assets held by the Ameritas general account. Credited rates are set based on yields earned on new purchases of fixed income securities for the general account for new deposits. Subsequent renewal rates are based on the investment performance of the general account at the time of renewal. Credited rates are guaranteed for the duration of the guaranteed period, and do not vary with the subsequent performance of assets of the general account which back these guarantees. The value of the investment as of December 31, 2021 and 2020 is presented below:

	2021	2020
Ameritas Fixed Income Guaranteed Option	\$ <u>24,756</u>	\$ <u>-</u>

Certain events may limit the ability of the plan sponsor and/or plan participants to transact at contract value with Ameritas. Examples of these events would include (but would not be limited to) premature termination of this contract and termination of the retirement plan. In these examples, the contract value could be reduced by any applicable surrender charges upon distribution of contract's funds. Under no event may Ameritas terminate this contract and settle at an amount different from contract value.

Principal Life Insurance Company

The Plan had an investment in a fully benefit-responsive Group Annuity contract with Principal Life Insurance Company (Principal: Issuer) in 2020. Under the terms of the contract, the contributions were maintained in a general account. The account was credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Contract value represented contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may have ordinarily directed the withdrawal or transfer of all or a portion of their investment at contract value. The guaranteed investment contract issuer was contractually obligated to repay the principal and a specified interest rate that was guaranteed to the Plan. There were no reserves against contract value for credit risk of the contract issuer or otherwise. The value of the investment as of December 31, 2021 and 2020 is presented below:

	2021	2020
Principal Fixed Income Guaranteed Option	\$ <u>-</u>	\$ <u>40,557</u>

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under Employee Retirement Income Security Act of 1974. In the event that the Plan Sponsor terminates the contract and requests an immediate payout, the contract payout would be subject to a 5% termination fee. The plan administrator does not believe that the occurrence of any other such contract value events, which would limit the Plan's ability to transact at contract value with participants, is probable. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date. The crediting interest rate of the contract is based on a formula agreed upon with the issuer, as defined in the contract agreement, but cannot be less than zero. Such interest rates are reviewed and reset on a semi-annual basis. The key factors that influence future interest crediting rates could include the following: the level of market interest rates, the amount and timing of participant contributions, transfers and withdrawals into/out of the contracts, and the duration of the underlying investments backing the contract.

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

NOTE 4: FAIR VALUE MEASUREMENTS

FASB Accounting Standards Codification 820, Fair Value Measurements and Disclosures, established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value.

The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of fair value hierarchy are described below:

- | | |
|---------|---|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. |
| Level 2 | <p>Inputs to the valuation methodology include:</p> <ul style="list-style-type: none">• Quoted prices for similar assets or liabilities in active markets;• Quoted prices for identical or similar assets or liabilities in inactive markets;• Inputs other than quoted prices that are observable for the assets or liability;• Inputs that are derived principally from or corroborated by observable market data correlation or other means. <p>If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.</p> |
| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement. |

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value on a recurring basis and recognized in the accompanying statements of net assets available for benefits, as well as the general classification of such assets pursuant to the valuation hierarchy. There have been no significant changes in the valuation techniques during the year ended December 31, 2021. The Plan had no liabilities measured at fair value on a recurring basis. In addition, the Plan had no assets or liabilities measured at fair value on a nonrecurring basis.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded, resulting in a Level 1 valuation.

NOTE 5: UNAUDITED INFORMATION - CERTIFIED INVESTMENTS

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Substantially all information pertaining to the Plan's investments included in the financial statements, including the associated investment income, was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by Ameritas Life Insurance Corp. as of December 31, 2021 and for the period from March 23, 2021 to December 31, 2021, and by Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company as of December 31, 2020, and for the period from January 1, 2021 to March 22, 2021. This information has not been audited by independent accountants.

NOTE 6: PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 7: TAX STATUS

The Plan is intended to be a tax sheltered annuity plan under Section 403(b) of the Internal Revenue Code of 1986, as amended. There is currently no program with the Internal Revenue Service to obtain a determination letter for 403(b) plans. The plan administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirement of the Code.

NOTE 8: TRANSACTIONS WITH PARTIES-IN-INTEREST

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, a person who owns fifty percent or more of such an employer. Substantially all administrative expenses of the Plan are paid by the Plan Sponsor. Fees paid by the Plan for investment management services were included as a reduction of the return earned on each fund. The Plan holds Fixed Income Securities issued by Ameritas. As the issuers of these investments are affiliates of the Plan custodian, they reflect parties-in-interest transactions.

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

NOTE 9: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 10: CONTINGENCIES

The World Health Organization declared the worldwide coronavirus (COVID-19) outbreak a public health emergency on January 30, 2020 and officially declared it as a pandemic as of March 11, 2020. Management has performed an evaluation of certain financial statement line items such as investments, contributions, and investment income, to determine whether valuation or impairment adjustments should be made. Management has determined that the amounts reported on the financial statements are properly valued as of December 31, 2021. However, since the duration and full effects of the COVID-19 outbreak are yet unknown there could be future negative impacts to the financial condition of the Plan.
