INDEPENDENT AUDITOR'S REPORT

Plan Administrator
University Club of Chicago 401(k) Savings Plan
Chicago, Illinois

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of **University Club of Chicago 401(k) Savings Plan** (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for plan benefits as of December 31, 2021, and the related statement of changes in net assets available for plan benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – 2021 Supplemental Schedules Required by ERISA

The supplemental schedule of assets held for investment purposes and the schedule of delinquent participant contributions as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 8, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and, accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

University Club of Chicago 401 (k) Savings Plan Notes to the Financial Statements

1. Description of the Plan

The following description of the University Club of Chicago (the "Club") 401(k) Savings Plan (Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General – The Plan became effective January 1, 1998, and was established to provide employees with the option to make pretax voluntary contributions under applicable sections of the Internal Revenue Code ("IRC"). The Plan is a defined contribution plan covering all eligible employees, excluding employees covered by a collective bargaining agreement, unless the agreement requires the employees to be included under the Plan, of the University Club of Chicago who have completed at least 1,000 hours of service within a 12-month period, as defined in the Plan document. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan is administered by the Club's Employee Benefits Committee ("Committee"), which is a committee of the Board of Directors of the Club and includes members of the Club's management and the Plan Administrator. The Committee has responsibility for the operation and administration of the Plan and monitoring of the Plan's investments. Fidelity Management Trust Company is the trustee of the Plan.

Contributions – Each year, participants may contribute up to 60% of their pretax annual compensation, as defined in the Plan document. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined contribution or defined benefit plans (rollovers). The Plan also allows participants to designate all or a portion of their deferrals as Roth contributions to the Plan on an after-tax basis and allows rollovers of designated Roth contributions into the Plan.

Discretionary matching Club contributions may be contributed at the option of the Club's Board of Directors. The Board of Directors can elect any percentage to contribute that does not exceed 4% of each participant's eligible compensation, as defined in the Plan document. The Club did not elect to make discretionary matching Club contributions for the years ended December 31, 2021 and 2020.

Contributions are subject to certain IRC limitations. Participants may direct all their contributions among one or more funds offered in the Plan. Changes in allocation of future contributions and transfers among funds of presently invested contributions are permitted pursuant to the Plan provisions.

University Club of Chicago 401 (k) Savings Plan
Notes to the Financial Statements (cont'd)

1. Description of the Plan (cont'd)

Participant Accounts – Each participant's account is credited with the participant's contributions and the Club's matching contributions, including safe-harbor, as well as allocations of (a) any additional discretionary matching Club contributions and (b) Plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Payment of Benefits – Upon termination of service, death, permanent disability, retirement, or attainment of age 59½, a participant will generally receive their benefits as a lump-sum payment equal to the value of the participant's vested interest in his or her account. Withdrawals from the Plan may also be made upon circumstances of financial hardship in accordance with provisions specified in the Plan document.

Vesting – Participants are immediately vested in their contributions and the Club's safe harbor matching contributions, plus actual earnings thereon. Vesting in the Club's matching contributions, plus any additional discretionary matching Club contributions is based on years of continuous service. A participant vests 20% each year and is fully vested upon five years of service.

Forfeited Accounts – Forfeitures resulting from non-vested amounts can be used to pay administrative expenses of the Plan or may be used to reduce future Club contributions. At December 31, 2021, forfeited nonvested accounts totaled \$6,486 (\$1,599 at December 31, 2020).

2. Summary of Accounting Policies

Basis of Accounting – The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements, and changes therein, and the disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Employee Benefits Committee determines the Plan's valuation policies utilizing information provided by the investment advisors and trustee. See Note 3 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

2. Summary of Accounting Policies (cont'd)

Payment of Benefits – Benefit payments are recorded when paid.

Plan Amendment – On March 27, 2020, President Trump signed into law the Coronavirus Aid, Relief, and Economic Security Act, (CARES Act). As a result, changes were made related to Plan withdrawals and loans to participants, for impacted participants, their spouse and dependent(s) who have been diagnosed with virus SARS-CoV-2 or with COVID-19, as well as participants that have experienced adverse financial consequences. The changes applicable to the Plan are summarized below:

- Impacted participants may receive up to \$100,000 in aggregate withdrawals before December 31, 2020.
- 10% penalty tax for early withdrawal is waived.
- Mandatory 20% withholding on distributions will not apply.
- No limit to the number of withdrawals an impacted participant can make.
- Repayment of withdrawal amount is permitted if repayment occurs within three years of the distribution.
- Required Minimum Distribution (RMD) rules for distributions required for the 2020 calendar year are temporarily waived.

On August 3, 2022, the IRS issued Notice 2022-33, which extends the deadlines for qualified retirement plans to adopt amendments reflecting certain optional and required changes under the SECURE, CARES, and Miners Acts. Plan sponsors of defined contribution plans generally now have until December 31, 2025, to amend their plans if they took advantage of benefit changes permitted by these laws, including changes allowed by the CARES Act as part of COVID-19 relief.

The Plan will formally adopt an amendment to address these changes at a later date in accordance with applicable law and IRS guidance.

Subsequent Events – Subsequent events have been evaluated through October 6, 2022, which is the date the financial statements were available to be issued.

Administrative Expenses – Certain expenses of maintaining the Plan are paid directly by the Club and are excluded from these financial statements. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan and are included in administrative expenses. Allocations are based on account balances. Investment related expenses are included in net appreciation of fair value of investments.

2. Summary of Accounting Policies (cont'd)

Partial Plan Termination – Due to a reduction of the Clubs workforce in 2020, the Plan experienced a partial plan termination as defined by ERISA. The reduction in workforce was a result of the COVID-19 pandemic. Under ERISA, a partial plan termination may occur if a significant percentage of the Plan participants are terminated because of an action taken by the Plan Sponsor. If a partial plan termination occurs, full vesting in the employer's contribution is required for the affected participants, but the remaining participants' vesting continues to be determined per the plan provisions. All affected participants were fully vested at the date of their partial plan termination.

3. Fair Value Measurements

Financial Accounting Standards Board (FASB), Accounting Standards Codification (ASC) 820, "Fair Value Measurements and Disclosures," provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value.

Level 1 – Valuations are based on unadjusted quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access at the measurement date.

Level 2 – Valuations are based on quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in markets that are not active; and model-derived valuations whose significant inputs are observable.

Level 3 – Valuations are based on unobservable inputs for the asset or liability that reflect the reporting entity's own data and assumptions that market participants would use in pricing the asset or liability. These unobservable inputs are significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Shares of Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The shares of mutual funds held by the Plan are deemed to be actively traded.

Money Market Fund: The money market fund is valued using the amortized cost or penny rounding method as permitted by Rule 2a-7 under the Investment Company Act of 1940, which approximates fair value.

3. Fair Value Measurements (cont'd)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

At December 31, the Plan's financial instruments were categorized as follows:

2021				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 8,916,775	\$ -	\$ -	\$ 8,916,775
Money market fund	1,832,598	-	-	1,832,598
Total	\$ 10,749,373	\$ -	\$ -	\$ 10,749,373

2020				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 9,297,030	\$ -	\$ -	\$ 9,297,030
Money market fund	299,438	-	-	299,438
Total	\$ 9,596,468	\$ -	\$ -	\$ 9,596,468

4. Information Certified by the Trustee

The Club, acting in its capacity as the Plan administrator, has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The following is a summary of the unaudited information regarding the Plan as of December 31, 2021 and 2020, and for the year ended December 31, 2021, included in the Plan's financial statements and supplemental schedule, that was prepared by or derived from information prepared by Fidelity Management Trust Company and furnished to the Club. The Club has obtained certifications from the Trustee as of December 31, 2021 and December 31, 2020, and for the year ended December 31, 2021, that such information is complete and accurate.

	2021	2020
Investments, at fair value	\$ 10,749,373	\$ 9,596,468
Net appreciation in fair value of investments	1,413,870	
Dividends and interest	287,486	

University Club of Chicago 401 (k) Savings Plan
Notes to the Financial Statements (cont'd)

5. Plan Termination

Although it has not expressed any intent to do so, the Club has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in the Club contribution portion of their accounts.

6. Related-Party and Party-in-Interest Transactions

Certain Plan investments are managed by affiliates of Fidelity Trust Management Company, the trustee of the Plan and, therefore, these transactions qualify as party-in-interest transactions. As described in Note 2, the Plan made direct payments to the Fidelity Trust Management Company of \$18,632. Certain employees of the Club provide administrative services to the Plan. Employees are not paid by the Plan for their services.

7. Tax Status

The Plan adopted a volume submitter plan document from Fidelity Management & Research Company, which received an opinion letter from the Internal Revenue Service ("IRS") on June 30, 2020, stating that the volume submitter plan document as then designed, was in compliance with the applicable requirements of the IRC. Although the Plan has been amended since the date of the aforementioned opinion letter, the Plan Administrator believes that the Plan is designed, and currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

9. Delinquent Participant Contributions

During 2021, the Club corrected late deposits of \$48,029 made during prior years. The corrections were done under the United States Department of Labor's Voluntary Fiduciary Correction Program. Delays in remitting contributions to the Plan constitute prohibited transactions. Related excise taxes were paid by the Club.
