Sharing Plan for Cooperatives and Participants
(Participating Employer – New Vision Co-op, Brewster, Minnesota, Group 205)

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of The Restated Thrift/Profit Sharing Plan for Cooperatives, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note F to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of The Restated Thrift/Profit Sharing Plan for Cooperatives and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Restated Thrift/Profit Sharing Plan for Cooperatives's ability to continue as a going concern for a reasonable period of time.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Restated Thrift/Profit Sharing Plan for Cooperatives's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Restated Thrift/Profit Sharing Plan for Cooperatives's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America. We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of assets held at end of year is presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of The Restated Thrift/Profit Sharing Plan for Cooperatives. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 29, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to Financial Statements

December 31, 2021 and 2020

A. Description of the Plan

The Restated Thrift/Profit Sharing Plan for Cooperatives ("Thrift/Profit Sharing Plan"), formerly known as the New Vision Co-op 401(K) Salary Savings and Profit Sharing Plan, is a defined contribution plan administered by Associated Benefits Corporation ("Plan Administer"). The participating employer, New Vision Co-op, Brewster, Minnesota, Group 205, has adopted the Thrift/Profit Sharing Plan with 401(k) provisions ("Plan"). The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. General

The Plan is a defined contribution plan covering certain employees of the Company who have completed three months of service. On-call employees and seasonal employees are not eligible for the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Directors is responsible for oversight of the Plan. The trustees determine the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Board of Directors. Effective September 1, 2021, the Plan moved its third-party administrative services and amended and restated the Plan document.

2. Contributions

Each year, participants may contribute up to 100% of pretax compensation, as defined in the Plan, beginning three months after their hire date. The aggregate sums of contributions from compensation are subject to an annual limit. The Company will contribute a matching contribution equal to 100% of the salary reduction deferral elected on the first 6% of compensation. Each year, the Company may make a discretionary profit sharing contribution to active participants who have at least 500 hours of service. Participants may elect their deferrals to a traditional (pretax) account or to a Roth (after tax) account.

3. Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of Plan earnings and may be charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

4. Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the remainder of their accounts is based on the total of an employee's countable years of service. A participant is 100% vested after 5 years of credited service.

5. Investment Options

Upon enrollment in the Plan, a participant may direct contributions into any combination of the investment alternatives offered by the Plan. Participants may change their investment options daily.

6. Loans to Participants

Participants may borrow from their fund accounts at a maximum equal to the lesser of \$50,000 or 50% of the Participant's Vested Account. Loan transactions are treated as a transfer to (from) the investment fund from (to) the Participant Loan fund. The loans are secured by the balance in the participant's account and bear interest at a reasonable rate determined by the Loan Administrator. Interest rates range from 5.25% to 7.5% and have maturity dates through 2027. Principal and interest is paid ratably through bi-weekly payroll deductions.

7. Administrative Expenses

Administrative expenses of the Plan are paid by the Plan as provided in the Plan document. Certain fees are paid by the Plan Sponsor which are not reflected in the Statements of Changes in Net Assets Available for Benefits.

8. Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or as an annuity. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. A participant may withdraw all or part of their benefits derived from their contributions on account of hardship as defined by the Plan and the applicable IRS regulations. Under these rules, the participant must exhaust the possibilities of all other distributions and loans available under the Plan and meet certain other requirements. Upon receiving a hardship withdrawal, the participants elective contributions are suspended for six months.

9. Forfeited Accounts

At December 31, 2021 and 2020, forfeited non-vested accounts were \$22,003 and \$16,783, respectively. Forfeitures of non-vested employer contributions are first allocated to pay plan expenses with any remaining used to offset employer contributions. During the years ended December 31, 2021 and December 31, 2020, forfeitures allocated were \$22,262 and \$0, respectively.

B. Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. The value of each account is based on the market value of the securities in the account. Net earnings on investments include realized and unrealized gains and losses and interest and dividends recorded on an accrual basis. The Plan's investment contract (guaranteed interest accounts) are not fully benefit-responsive and are stated at fair value as determined by the custodian of the Plan's assets.

Notes Receivable – Participant Loans

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent participant loans are reclassified as distributions.

Payment of Benefits

Benefits are recorded when paid.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Reclassifications

Certain reclassifications to the December 31, 2020 financial statements may have been made to conform to the December 31, 2021 presentation.

C. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). This hierarchy consists of three broad levels:

Level 1 – Quoted prices in active markets for identical financial instruments that are accessible at the measurement date.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Models and other valuation methodologies using significant inputs that are unobservable for financial instruments.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and December 31, 2020.

Pooled Separate Accounts: Valued based on the fund's daily NAV, which is considered by Plan management to be the best approximation of fair value. The unit value of the fund is calculated daily. Underlying holdings are primarily valued using independent appraisals or independent pricing sources.

Guaranteed Interest Contract: Valued at the amount the Plan participants would receive currently if they were to withdraw or transfer funds within the Plan prior to their maturity for an event other than death, termination or retirement. The fair value represents contract value adjusted to reflect current market interest rates to the extent that such market rates exceed crediting rates.

Mutual Funds: Valued at fair value primarily based on quoted market prices.

Common/Collective Trusts: The collective investment trusts invest in varying collective trust funds in addition to a variety of separate accounts and mutual funds. The fair value of the collective investment trust and the separate accounts are not publicly quoted pricing inputs. The individual fair values of each segment of investment assets are used to determine the net asset value (NAV) of the investment trusts and are the amount at which investments may be redeemed as of measurement date.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020, in the accompanying Statements of Net Assets Available for Benefits:

		Fair Value Measurements Using		
		Quoted Price in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
December 31, 2021	Fair Value			
Mutual Funds	\$ 1,547,647	1,547,647	--	--
Common/Collective Trusts	11,793,325	11,793,325	--	--
Total Assets in the Fair Value Hierarchy	<u>\$ 13,340,972</u>	<u>13,340,972</u>	<u>--</u>	<u>--</u>
December 31, 2020				
Investment Contract with Insurance Company	\$ 102,125	--	--	102,125
Pooled Separate Accounts	11,807,641	11,807,641	--	--
Total Assets in the Fair Value Hierarchy	<u>\$ 11,909,766</u>	<u>11,807,641</u>	<u>--</u>	<u>102,125</u>

The Plan's investments are reported at fair value in the accompanying Statements of Net Assets Available for Benefits. The method used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

FASB Accounting Standards Codification 820-10, *Fair Value Measurements and Disclosures*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs were only used when Level 1 or Level 2 inputs were not available.

Level 3 Fair Value Measurements

Guaranteed investment contracts with an insurance company are not actively traded and significant other observable inputs are not available. Thus, the fair value of the guaranteed investment contract is determined by discounting the related cash flows based on current yields of similar instruments with comparable durations. The following table provides further details of the Level 3 fair value measurements:

		Investment Contract
Year Ended	December 31, 2021	
	Beginning Balance	\$ 102,125
	Realized Gains (Losses)	--
	Unrealized Gains (Losses)	--
	Earnings (Losses)	412
	Purchases, Issuance and Settlements	(29,246)
	Transfers In (Out) of Level 3	(73,291)
	Ending Balance	<u>\$ --</u>
Year Ended	December 31, 2020	
	Beginning Balance	\$ 144,482
	Realized Gains (Losses)	--
	Unrealized Gains (Losses)	1,091
	Earnings (Losses)	1,193
	Purchases, Issuance and Settlements	(44,641)
	Transfers In (Out) of Level 3	--
	Ending Balance	<u>\$ 102,125</u>

The pooled separate accounts are funds designed to meet the needs of a plan participant that wants an investment option suited to the participant's particular investment time horizon and risk tolerance. The funds generally invest in the other open-ended mutual funds, insurance company separate accounts, and collective trust funds that are considered appropriate based on the remaining time horizon of the particular fund and expected risk tolerance of those investors associated with that time horizon.

D. Guaranteed Interest Contract with Principal Life

The Plan entered into a contract with Principal Life, which guarantees interest on money as it is deposited. The rate credited is the rate declared at the beginning of each calendar quarter and is guaranteed on all deposits made during that quarter until the end of the 12-month period following the beginning of that calendar quarter. The contract is not benefit responsive and is reported at fair value.

E. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA.

F. Certification

The Company has obtained certification from Principal Life Insurance Company that the following information is complete and accurate:

Earnings from Investments
Investment Valuations

G. Tax Status

The Internal Revenue Service has determined and informed the Company by a letter dated March 31, 2014, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code. The Plan has been restated since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

H. Related Party Transactions

Certain plan investments and an investment contract with Principal Life Insurance Company are managed by Principal Life Insurance Company and Delaware Charter Guaranteed and Trust Company (d/b/a Principal Trust Company) and qualify as party-in-interest transactions. The Plan also has a service agreement with Principal Financial Group, who also receives revenue from mutual funds for services they provide to the funds. Delaware Charter Guarantee and Trust Company (d/b/a Principal Trust Company) is the Plan custodian, and therefore, these transactions qualify as party-in-interest. These transactions are exempt from the prohibited transition rules of ERISA.

I. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

J. Subsequent Events

The Plan has evaluated events and transactions occurring after December 31, 2021, for potential items required to be recognized or disclosed in the financial statements. Subsequent events were evaluated through September 29, 2022, the date the financial statements were issued.
