The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (collectively, the "2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedule Required by ERISA

The supplemental Schedule H, line 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

The 2020 financial statements of the Plan were audited by predecessor auditors. As permitted by ERISA Section 103(a)(3)(c) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan management instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report dated October 8, 2021, indicated that (a) the amounts and disclosures in the 2020 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2020 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

JAMES EDWARD & COMPANIES, INC. 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 – PLAN DESCRIPTION

The following description of the James Edward & Companies, Inc. 401(k) Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan Document for a more complete description of the Plan’s provisions. The Plan Document is controlling at all times.

General

The Plan Sponsor is James Edward & Companies, Inc. and other adopting employers are Chaparral Distributing, LLC, Matador Distributing, LLC, Viva Distributing, LLC, and Matador Distributing Carolina, LLC, all of which are collectively hereafter referred to as “Employer” or “Company.”

The Plan was established on April 1, 1997 and is a defined contribution plan covering substantially all employees of the Company. The purpose of the Plan is to provide employees with retirement benefits. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). As defined in the Plan Document, employees become eligible to make salary deferral contributions upon having attained the age of 18 and completing three months of service. Employees may enroll in the Plan on the first day of the month coinciding with or next following upon meeting the eligibility requirements unless the Company is notified otherwise by the employee.

Contributions

Each year, participants may elect to defer up to 90% their eligible compensation, as defined in the Plan, through salary deductions. In addition, participants may elect to defer up to 100% of any irregular pay, such as bonuses paid during the year; however, annual contributions may not exceed the maximum allowed under the Internal Revenue Code. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (“rollover”).

The Plan includes a Roth 401(k) feature which allows Participants to contribute funds on a post-tax elective deferral basis, in addition to, or instead of pre-tax elective deferrals. The Roth 401(k) feature allows for tax-free growth and distributions provided that the post-tax contributions have been vested for at least six years and the Participant has reached the age of 59 ½.

The Company’s safe harbor matching contributions are equal to 100% of the Participants’ salary deferrals up to 4% of their eligible compensation. For the year ended, December 31, 2021, the Company made safe harbor contributions of \$343,071. The Company has the option to make annual discretionary matching and employer non-elective contributions in an amount to be determined by the Company. For the year ended December 31, 2021, no discretionary matching or employer non-elective contributions were made.

Participant Accounts

Separate accounts are maintained for each participant. Participant accounts are credited with the participant contributions, rollover contributions, and allocations of safe harbor contributions, discretionary matching contributions, and discretionary non-elective contributions, and investment earnings and losses and charged with withdrawals and administrative fees. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

JAMES EDWARD & COMPANIES, INC. 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 – PLAN DESCRIPTION – CONTINUED

Vesting

Participants are immediately vested in their voluntary contributions, rollover contributions, Company's safe harbor matching contributions and actual earnings or losses thereon.

Vesting in the Company's discretionary matching and discretionary non-elective contributions portions of a participant's account plus actual earnings thereon is based on years of continuous service. A participant is 20% vested after two years of service, increasing 20% each year thereafter until becoming fully vested after six years of service as defined in the Plan Document. However, if a participant dies, or becomes disabled prior to attaining the normal retirement age, as defined by the Plan, the participant's account becomes 100% vested if still employed by the Company as of such date.

Investment Options

Upon enrollment in the Plan, participants may direct the investment of their accounts among various investment options provided under the Plan. Participants may change their investment elections at any time, as well as transfer existing balances between investment funds.

Notes Receivable from Participants

Participants may borrow from their vested accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the vested account balance. Loan transactions are treated as a transfer between investment funds and the loan fund. Loan terms range from 1-5 years or up to 10 years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan Administrator. The maximum number of loans that a participant may have at any one time is one. Loan repayments are made by check or payroll deduction.

During the year ended December 31, 2020, the Plan adopted the following provisions of the Coronavirus Aid, Relief, and Economic Security ("CARES") Act:

- Loan provision which allows the Plan's participants to take a loan during the 180-day period beginning on March 27, 2020 up to the lesser of \$100,000 or 100% of the nonforfeitable value of the participant's account under the Plan.
- Temporary loan repayment deferral provision which allows qualified Plan participants who have Plan loan repayments to defer such repayments until December 31, 2020.

Payment of Benefits and Withdrawals

Upon termination of service due to death, disability or normal retirement, a participant or their beneficiary may elect to receive an amount equal to the value of the participant's full account balance, regardless of years of credited service. Under the Plan Document, normal retirement is defined as age 65. For termination due to other reason, participants may receive the sum of their contributions and any earnings thereon, plus the vested portion of Company contributions. Payments of benefits are made, at the election of the participant, either in the form of a lump-sum distribution or payment in equal periodic installments.

JAMES EDWARD & COMPANIES, INC. 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 – PLAN DESCRIPTION – CONTINUED

Payment of Benefits and Withdrawals - Continued

A hardship withdrawal, if approved can be made on employee deferral contributions to satisfy certain immediate and heavy financial needs, as defined, up to the amount of the participant's vested balance. An unrestricted withdrawal can be made upon normal retirement age of 65 on all or a portion of the participants' vested account.

During the year ended December 31, 2020, the Plan adopted the following provisions of CARES Act:

- Distribution provision which allows the Plan's participants to take a COVID-19 related distribution up to \$100,000 from the Plan beginning on or after January 1, 2020 and before December 31, 2020.
- Required minimum distribution provision which suspends required minimum distributions for all participants and beneficiaries for the calendar year ended December 31, 2020.

Forfeitures

At December 31, 2021 and 2020, the forfeiture account balance totaled \$4,990 and \$4,709, respectively. Forfeitures are retained in the Plan and may be used to reduce Company matching contributions, or to pay Plan expenses. For the year ended December 31, 2021 and 2020, no forfeitures were used to reduce Company matching contributions, or to pay Plan expenses.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements are prepared on the accrual basis of accounting.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and the disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfers a liability in an orderly transaction between market participants at the measurement date. The net change in fair value of investments is reported in the statement of changes in net assets available for benefits in the period of the change.

Purchases and sales of securities are recorded on a trade-date basis. Expenses related to the purchase or sale of investments are added to cost or deducted from proceeds. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

JAMES EDWARD & COMPANIES, INC. 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments for six months and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan Document.

Payment of Benefits

Benefit payments to participants are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Investment related expenses are included in net appreciation of fair value of investments.

NOTE 3 – FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available.

There were no plan investments categorized under Levels 1, 2 and 3 as of December 31, 2021 and 2020 as the investments are measured using the Net Asset Value (“NAV”) per share.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021.

The Plan’s investments in the pooled separate accounts are stated at fair value and represent the number of participation units owned by the Plan valued at the net asset unit value of the separate account as of year-end. The NAV is used as a practical expedient to determine fair value for these accounts. The calculated NAV is directly related to the net asset value of the underlying investment adjusted for dividends or distributions received by the Custodian and the daily equivalent of any fees charged. Pooled separate accounts invest primarily in long-term bonds, domestic and international stocks, or single mutual funds. The underlying investments held by each pooled separate account are traded on an active market. Due to the nature of these investments, there are no unfunded commitments or redemption restrictions.

JAMES EDWARD & COMPANIES, INC. 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS

NOTE 4 – INFORMATION CERTIFIED BY THE CUSTODIAN (UNAUDITED)

The following information included in the accompanying financial statements and supplemental schedule were obtained from data that has been prepared and certified to as complete and accurate by John Hancock Life Insurance Company, USA (the “Custodian”).

	<u>2021</u>	<u>2020</u>
Cash and Cash Equivalents	\$ 4,992	\$ 4,709
Investments at Fair Value	7,826,631	6,411,525
Notes Receivable from Participants	181,225	221,536
Net Appreciation in Fair Value of Investments	826,797	682,433
Interest Income on Notes Receivable from Participants	11,561	15,296

NOTE 5 – ADMINISTRATION OF PLAN ASSETS

The Plan’s assets are managed by the Custodian. Administrative functions for the plan year ended December 31, 2021 were performed by Nova 401(k) Associates, Inc. (“Nova”). Certain administrative expenses are paid by the participants. Other administrative expenses, such as accounting and legal fees, are paid by the Company.

NOTE 6 – FEDERAL INCOME TAX STATUS

The Plan is a Prototype Plan sponsored by Nova. The Internal Revenue Service (“IRS”) has determined and informed Nova by a letter dated March 31, 2014, that the Plan is designed in accordance with the applicable requirements of the Internal Revenue Code. The Prototype Plan has been amended since receiving its determination letter. The Plan itself had not received a determination letter from the IRS. However, the Plan’s management and tax counsel believe that the Plan is currently designed and operated in complete compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan’s financial statements.

Accounting principles generally accepted in the United States of America (“U.S. GAAP”) requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan’s management believes it is no longer subject to income tax examinations for years prior to 2018.

NOTE 7 – PARTIES-IN-INTEREST

The Plan has notes receivable from participants at December 31, 2021 and 2020. As a result, these notes and all transactions related to these notes qualify as parties-in-interest transactions. These transactions are exempt from being prohibited transactions by ERISA.

The Plan’s investments are managed by the Custodian and, therefore, these transactions qualify as party-in-interest transaction. These transactions are exempt from being prohibited transactions by ERISA.

JAMES EDWARD & COMPANIES, INC. 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS

NOTE 7 – PARTIES-IN-INTEREST – CONTINUED

The Plan incurs expenses related to general administration, recordkeeping, and investment advisory services. Fees paid by the Plan for these services totaled \$60,212 for the year ended December 31, 2021. These transactions are exempt from being prohibited transactions by ERISA.

NOTE 8 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become fully vested in their employer contributions.

NOTE 9 – RISK AND UNCERTAINTIES

The Plan invests in various investment securities for its participants. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 10 – DIFFERENCES BETWEEN FINANCIAL STATEMENTS AND FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500:

	<u>2021</u>	<u>2020</u>
Net Assets Available for Benefits per Financial Statements	\$ 8,042,204	\$ 6,661,676
Add: Investments	181,225	221,536
Less: Receivable – Notes Receivable from Participants	<u>(181,225)</u>	<u>(221,536)</u>
Net Assets Available for Benefits per Form 5500	\$ <u>8,042,204</u>	\$ <u>6,661,676</u>

NOTE 11 – SUBSEQUENT EVENTS

Plan's management has evaluated subsequent events through August 10, 2021, the date which the financial statements were available to be issued. No matters were identified affecting the Plan's financial statements or related disclosures.
