REPORT OF INDEPENDENT AUDITORS

To the Plan Administrator of the
VertexOne 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of VertexOne 401(k) Plan (the “Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (“ERISA”), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s (“DOL”) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor’s Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (“GAAP”).
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor’s Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of or for the year ended December 31, 2021, is presented for the purpose of additional analysis and is not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103 (a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 12, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

VERTEXONE 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

A. Description of the Plan

Effective February 1, 2020, Vertex Business Services 401(k) Plan changed its name to the VertexOne 401(k) Plan (the “Plan”). The following description of the Plan provides only general information. The Plan is sponsored by Vertex US Holdings, Inc. dba VertexOne (the “Company” and formerly known as Vertex Business Services, LLC). Participants should refer to the Plan document for a more complete description of the Plan’s provisions. The Company’s corporate offices are located in Richardson, Texas.

General

The Plan, which was established effective January 1, 2005, and restated most recently effective June 22, 2021, is a defined contribution plan available to qualifying employees of the Company and its affiliates. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). Substantially all employees of the Company are eligible to participate on the first date of employment and entered into the Plan as soon as administratively feasible. Union employees and non-resident aliens are not eligible to participate in the Plan. Prior service credit is allowed for certain affiliates as further described in the Plan document.

The purpose of the Plan is to encourage the Company’s employees to save and invest, systematically, a portion of their current compensation so that they and their families may have a source of additional income upon their retirement or in the event of death.

Effective February 1, 2020, the Plan changed its recordkeeper from Wells Fargo to Fidelity Workplace Services. As a result, the Plan’s trustee was changed from Wells Fargo to Fidelity Management Trust Company. Additionally, the Plan was restated effective February 1, 2020, and there were no significant changes to the Plan’s provisions.

On March 27, 2020, former President Trump signed into law the Coronavirus Aid, Relief, and Economic Security Act (the “CARES Act”) which allowed Plan sponsors to immediately adopt certain retirement plan provisions to allow qualified individuals, as defined in the CARES Act, additional access to retirement plan balances. As a result, while the Plan has not been formally amended, the Company determined it was in the best interest of the participants to allow a) a COVID-19 distribution up to \$100,000, b) an increase in the available participant loan amount up to \$100,000, not to exceed 100% of the participant’s account balance, and c) deferral of 2020 loan repayments for a year.

Contributions

Participants may contribute up to 100% of their eligible annual compensation, as defined by the Plan, or the deferral limit (\$19,500 for 2021 and 2020). Contributions are subject to limitations on annual additions and other limitations imposed by the Internal Revenue Code (the “Code”) as defined in the Plan document. Participants can make pre-tax and Roth deferrals. Eligible participants may make a rollover contribution to the Plan.

VERTEXONE 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS (continued)

A. Description of the Plan – continued

Contributions – continued

Catch up contributions were permitted, as defined by the Plan. New participants are automatically enrolled to defer 3% of eligible compensation as of the date they are eligible to participate in the Plan.

Effective January 1, 2015, the Plan adopted the safe-harbor provisions for employer matching contributions equal to 100% of participant contributions up to 3% of eligible compensation, plus an additional 50% for the next 2% of participant contributions for non-highly compensated employees.

The Company may contribute discretionary additional matching contributions up to 6% of participants' eligible 401(k) salary. For the years ended December 31, 2021 and 2020, the Company authorized a discretionary match for highly compensated employees of 50% of contributions up to 6% of participants' eligible 401(k) salary. In order to be eligible for the discretionary contribution, the participant must be employed for six months.

The Company may also make additional discretionary non-elective employer contributions to the Plan. The discretionary non-elective employer contribution is allocated to each eligible participant in the same percentage as their compensation bears to the total compensation of all participants eligible to share in the contribution. In order to be eligible for the discretionary non-elective contribution, the participant must be employed for six months. Upon a participant's death, disability, or reaching normal age (65), a participant will also receive the discretionary non-elective employer contribution. The Company did not make an additional discretionary non-elective contribution for the Plan for 2021 or 2020.

Participant Accounts

Under the Plan, each participant's account is credited with the participant's contributions, allocations of the Company's contribution, if any, and Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined by the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Forfeitures

Forfeited balances of matching contributions are eligible to reduce the Company's contributions, qualified non-elective contributions and to pay Plan expenses. Forfeitures were used to fund \$24,764 and \$112,426 of employer matching contributions during the years ended December 31, 2021 and 2020, respectively. There were no unallocated forfeiture account balances at December 31, 2021 and 2020.

Vesting

Participants are immediately vested in their voluntary contributions to the Plan, catch-up and rollover contributions, plus actual earnings thereon. Participants are immediately 100% vested in safe-harbor employer match contributions.

VERTEXONE 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS (continued)

A. Description of the Plan – continued

Vesting – continued

Prior to January 1, 2017, participants were vested in the Company's discretionary matching contributions 20% each year over a 5-year period. Effective January 1, 2017, for non-terminated participants, the vested interest in the Company's discretionary matching contributions are based upon completed years of service, as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 1 year	0%
1 year, less than 2 years	25%
2 years, less than 3 years	50%
3 years, less than 4 years	75%
4 years or more	100%

Participants' vested interest in the Company discretionary non-elective employer contributions are based upon completed years of service, as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 1 year	0%
1 year, less than 2 years	20%
2 years, less than 3 years	40%
3 years or more	100%

Investment Options

Upon enrollment in the Plan, a participant may direct employer and employee contributions in 1% increments into a variety of investment options, which vary in degree of risk. Participants may change their investment options at any time.

Participant Loans

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum amount equal to the lesser of \$50,000 or 50% of their account balance. Participants may not have more than one loan outstanding at any time. Loan terms range up to five years or longer for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate of prime plus 1%. As of December 31, 2021 and 2020, interest rates range from 4.25% to 6.73%. Principal and interest are paid ratably through payroll deductions. Participant loans are classified as notes receivable from participants in the Plan's financial statements.

VERTEXONE 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS (*continued*)

A. Description of the Plan – continued

Benefit Payments

On termination of service due to death, disability, reaching retirement age (65), or termination of employment, a participant, or designated beneficiary is entitled to receive the value of the participant's vested interest in his or her account as defined by the Plan. If withdrawing participants are not entitled to their entire account balance, the amounts not received are forfeited. Payments should be made as soon as practicable following the participant's actual retirement following the normal retirement date, disability, termination of employment, or death, as the case may be. Certain in-service withdrawals are allowed. A participant may also elect to withdraw all or a portion of their vested account balance while employed after reaching age 59 ½.

A participant may receive a hardship distribution from salary reduction contributions if the distribution is: (1) on account of uninsured medical expenses incurred by the participant, their spouse, or dependents; (2) to purchase (excluding mortgage payments) a principal residence of the participant; (3) for the payment of post-secondary tuition expenses; (4) needed to prevent eviction of the participant from their principal residence or foreclosure upon the mortgage of the participant's principal residence; (5) funeral expenses for a participant's spouse, parents, children, or dependents; (6) certain repairs of damage to the participant's principal residence; (7) certain disaster events and casualty losses.

The mandatory distribution provisions of the Plan allow for an automatic rollover to an individual retirement account established for the benefit of the terminated participant's account if the vested account balance exceeds \$1,000 but is less than \$5,000. These automatic rollovers are completed only if the participant does not request a distribution from the Plan in a timely manner following their termination. Terminated participants with vested account balances of less than \$1,000 are subject to an involuntary lump-sum distribution if they do not submit distribution instructions in a timely manner.

Plan Expenses

Employees of the Company perform certain administrative functions with no compensation from the Plan. Plan expenses that are paid by the Company and are not reflected in the accompanying financial statements. The Plan pays certain administrative expenses as reflected in the accompanying financial statements.

B. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are presented on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

VERTEXONE 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS (continued)

B. Summary of Significant Accounting Policies – continued

Use of Estimates

The preparation of the financial statements in conformity with GAAP requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Contributions

Contributions from the Company and participants are accrued as they become obligations of the Company, as determined by the Plan's administrator, and in the period in which they are deducted, in accordance with salary deferral agreements.

Investment Valuation and Income

The investments of the Plan are stated at fair value as of the end of the Plan year and are subject to market or credit risks customarily associated with equity investments. Fair value measurements are determined in accordance with GAAP, which defines fair value, establishes a framework for measuring fair value, and expands disclosures about assets and liabilities measured at fair value. See Note C for information related to the Plan's valuation methodologies.

Investment gains and losses are accounted for using the average cost basis of the securities sold. The net realized and unrealized gains and losses on investments include realized gains and losses on sales of investments during the year and unrealized increases or decreases in the market value of investments held at year end. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Notes Receivable from Participants

Notes receivable from participants are recorded at the unpaid principal balance plus accrued but unpaid interest, if any.

Payment of Benefits

Benefits are recorded when paid.

C. Fair Value Measurements

GAAP defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date and establishes a three-tier hierarchy that is used to identify assets and liabilities measured at fair value. The hierarchy focuses on the inputs used to measure fair value and requires that the lowest level input be used.

VERTEXONE 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS (continued)

C. Fair Value Measurements – continued

The three levels defined by GAAP are as follows:

- Level 1 — observable inputs that are based upon quoted market prices for identical assets or liabilities within active markets.
- Level 2 — observable inputs other than Level 1 that are based upon quoted market prices for similar assets or liabilities, based upon quoted prices within inactive markets, or inputs other than quoted market prices that are observable through market data for substantially the full term of the asset or liability. There were no Level 2 assets in the Plan.
- Level 3 — inputs that are unobservable for the particular asset or liability due to little or no market activity and are significant to the fair value of the asset or liability. These inputs reflect assumptions that market participants would use when valuing the particular asset or liability. There were no Level 3 assets in the Plan.

The methodologies used to measure each major category of assets and liabilities is described below. There have been no other changes in the methodologies used at December 31, 2021 and 2020.

- Mutual funds are measured at quoted market prices on the day of valuation. Accordingly, these investments are classified as Level 1 financial instruments.
- The common collective trust includes primarily fully-benefit responsive investment contracts that are measured at the unit value established on the day of valuation. The unit value of a collective investment fund is calculated by dividing the fund's net asset value ("NAV") on the calculation date by the number of units of the fund that are outstanding on the calculation date, which is derived from observable purchase and redemption activity in the collective investment fund. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. There are no significant restrictions on redeeming common collective trust funds at NAV.

The following table details the Plan's investments at fair value by level, within the fair value hierarchy, as of December 31, 2021 and 2020.

	2021		
	Level 1	Level 2	Total
Mutual funds	\$ 31,801,494	\$ -	\$ 31,801,494
Total investments in the fair value hierarchy	\$ 31,801,494	\$ -	31,801,494
Investments measured at NAV (a)			5,073,926
Total investments at fair value			\$ 36,875,420

VERTEXONE 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS (continued)

C. Fair Value Measurements – continued

	2020		
	Level 1	Level 2	Total
Mutual funds	\$ 29,367,083	\$ -	\$ 29,367,083
Total investments in the fair value hierarchy	\$ 29,367,083	\$ -	29,367,083
Investments measured at NAV (a)			3,398,032
Total investments at fair value			\$ 32,765,115

(a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

These items are classified in their entirety based on the lowest priority level of input that is significant to the fair value measurement. The assessment of the significance of a particular input to the fair value measurement requires judgment and may affect the placement of assets and liabilities within the levels of the fair value hierarchy.

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2021 and 2020, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

December 31, 2021	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Common collective trust fund	\$ 5,073,926	N/A	Daily	12 months
December 31, 2020	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Common collective trust fund	\$ 3,398,032	N/A	Daily	12 months

NOTES TO FINANCIAL STATEMENTS *(continued)*

D. Certified Investments

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the years then ended, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company, the trustee of the Plan.

E. Tax Status

Effective February 1, 2020, the Plan adopted a Fidelity Volume Submitter Basic Plan Document, which has a favorable advisory letter from the Internal Revenue Service (“IRS”) dated March 31, 2014. Effective June 21, 2021, the Plan adopted the Fidelity Pre-Approved Defined Contribution Plan which has a favorable opinion letter from the IRS dated June 30, 2020. The letters state the form of the Plan is acceptable under Section 401 of the Code. The Company may rely on the letters with respect to the qualification of the Plan under Code Section 401(a) with certain limitations. Prior to February 1, 2020, the Plan adopted the Defined Contribution Volume Submitter Plan and Trust with Wells Fargo Bank, N.A., which has a favorable advisory letter from the IRS dated March 31, 2014. That advisory letter stated that the form of the volume submitter plan was acceptable under Section 401 of the Code.

Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The Company believes that the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan was qualified, and the related trust was tax-exempt as of the financial statement date. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

GAAP requires management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

F. Parties-in-Interest Transactions

Parties-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee organization or relatives of such persons.

NOTES TO FINANCIAL STATEMENTS (*continued*)

F. Parties-in-Interest Transactions – continued

The Plan invests in various investments managed by Fidelity Management Trust Company during 2020 and 2021 and Wells Fargo Bank, N.A., during 2020, which act as trustees for only those investments as defined by the Plan. Transactions in such investments, as well as loans to participants, qualify as parties-in-interest transactions, which are exempt from the prohibited transaction rules. The Plan paid certain expenses related to Plan operations and investment activity to various service providers. These transactions are party-in-interest transactions under ERISA.

G. Termination of the Plan

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all participants will become 100%.

H. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

I. Subsequent Events

In the Plan's financial statements, the Company has evaluated all subsequent events and transactions for potential recognition or disclosure through September 29, 2022, the date the financial statements were available for issuance.

Effective February 7, 2022, VertexOne Software, LLC and EC Infosystems, Inc. were added as participating employers.
