Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of DDH Enterprise, Inc. 401(k) Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the years ended December 31, 2021, and 2020, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of DDH Enterprise, Inc. 401(k) Profit Sharing Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2021 and 2020, and for the years ended December 31, 2021, and 2020 stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of DDH Enterprise, Inc. 401(k) Profit Sharing Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about DDH Enterprise, Inc. 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity

with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of DDH Enterprise, Inc. 401(k) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about DDH Enterprise, Inc. 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets held at year end for investment purposes at December 31, 2021, is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Note 1 - Description of the Plan

General

The Plan is a defined contribution plan covering all full-time employees of the Company and its wholly owned subsidiaries who have one year of service and are 21 or older. The Plan was initially effective January 1, 1994 and was amended and restated July 1, 2011.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The Board of Directors of DDH Enterprises, Inc. oversee the governance of the Plan and determine the appropriateness of the Plan's investment offerings and monitor investment performance.

The Company has contracted with Equitable Life Insurance Company to provide plan record keeping and administrative services, and to serve as trustee of the Plan's assets.

Eligibility

Employees eligible to participate in the Plan and may enroll quarterly on the first day of the Plan year and the first day of the fourth, seventh and tenth month of the Plan Year.

Participant Contributions

Participants may contribute 15% of pretax annual compensation, as defined in the Plan not exceeding \$19,500 the year ended December 31, 2021 and \$19,000 for the year ended December 31, 2020. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions of \$6,500 for the year ended December 31, 2021 and \$6,000 for the year ended December 31, 2020.

Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and a guaranteed interest option (GIO) as investment options for participants. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate.

Company Contributions

Each year the Company will contribute a discretionary matching contribution not to exceed a portion of the before-tax contributions. The percentage of contribution is determined by the employer on an annual basis. The matching Company contribution is invested directly into a portfolio of investments at the option of the company's board of directors. Contributions are subject to certain limitations. For the years ended December 31, 2021 and 2020, the company matched 10% of the employee's contribution to the Plan.

Participant Accounts

Each participants account is maintained separately within the Plan and is credited with their elective deferrals, employer contributions and earnings. Participants may elect to have contributions invested in any or all of the funds of the Plan, subject to certain limitations. Investment income and losses and related management expenses are allocated to the participants' accounts regularly. Allocation of employer contributions, investment income and losses and administrative expenses are based on participants compensation or account balances, as defined. Forfeited balances of terminated non vested participants accounts are applied at the end of the Plan year in which they occur to reduce employer contributions or expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participants vested account.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting

Notes to Financial Statements

Note 2 - Summary of Significant Accounting Policies (con't)

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles require management to make estimates and assumptions that could affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Valuation of Investments and Income Recognition

Plan investments are stated at fair value. If available quoted market prices are used to value investments. Shares of registered investment companies are valued at quoted market prices, which represent the net value of shares held by the Plan at year-end.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded at the ex-dividend date. The realized gain or loss on investments is included with unrealized appreciation or depreciation in the current value of the pooled separate accounts.

Payment of Benefits

Benefits are recorded when paid

Administrative Expenses

The tax compliance fees and administration costs of maintaining the Plan are paid by the Company, but brokerage services are borne by the participants.

Income Tax Status

The Internal Revenue Service has determined the Plan is designed in accordance with applicable sections of the Internal Revenue Code, and therefore the related trust is not subject to tax under current law.

The Plan administrator believes the Plan is designed and is currently being operated in compliance with applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) for any uncertain position that more likely than not would not be sustained upon examination by the IRS.

Risks and Uncertainties

Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the value of investment securities will occur in the near term and those changes could materially affect the amounts reported in the financial statements.

Note 3 - Information Certified by the Trustee

The following information included in the accompanying financial statements was obtained from data that has been prepared and certified to as complete and accurate by Equitable Life Insurance Company.

Statement of net assets available for benefits:	<u>2021</u>	<u>2020</u>
Investments at fair value:

Money market	62,000	65,026
Total investments	<u>\$ 19,553,433</u>	<u>\$ 17,701,126</u>

Note 4 - Investment Contract with Insurance Company

In 2010 the Plan entered into an investment contract with Equitable Life Insurance Co. for a combined profit sharing 401(k) plan. Equitable maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The Plan provides for a participant-directed investment program, whereby the participant may select among available alternatives and periodically change their selection. Once a year the Plan's board of directors evaluates the Plan's assets and can change investments offered to the participants in the Plan.

Integrated with the Plan is a Guaranteed Interest Option (GIO) The GIO provides for a minimum guaranteed interest, the actual rate of interest credited during the time over which the funds are invested is declared periodically and is subject to change. The interest is credited daily with minimum interest rate guaranteed over the life of the contract . The GIO rate is 1.50% and the contract minimum interest rate is 1.0% as of December 31, 2021 and 2020 respectively. The value of the GIO at any time is equal to the contributions and transfers to the options, minus withdrawals and transfers out of the option and charges that are deducted by Equitable as specified in the contract.

As of December 31, 2021 and 2020, the guaranteed interest balance is \$1,283,743 and \$1,340,548 respectively. The managers of Equitable believe that this Plan is not a fully benefit-responsive investment contract as described in ASC 946-210-45-10 and should be reported at fair value.

Note 5 - Fair Value Measurement

The Plan accounts for certain assets and liabilities at fair value. The hierarchy below lists three levels of fair value based on the extent to which inputs used in measuring fair value are observable in the market. The Plan categorizes each of its fair value measurements in one of these three levels based on the lowest level input that is significant to the fair value measurement in its entirety. These levels are:

Notes to Financial Statements

December 31, 2021 and 2020

Note 5 - Fair Value Measurement (con't)

Level 1 - Unadjusted quoted prices in active markets for identical investments as of the reporting date.

Level 2 - Observable inputs to the valuation methodology are other than Level 1 inputs, which are either directly or indirectly observable as of the reporting date, and fair value can be determined through the use of models or other valuation methodologies.

Level 3 - Inputs to the valuation methodology are unobservable inputs in situation where there is little or no market activity for the asset or liability, and the reporting entity makes estimates and assumptions related to the pricing of the asset or liability including assumptions regarding risk.

The Plan's policy is to recognize significant transfers between levels at the actual date of the event or circumstance that caused the transfer, for the years ended December 31, 2021, and 2020 there were no transfers in or out of levels 1,2 or 3.

	<u>\$ 17,701,126</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 17,701,126</u>

Mutual funds held by the Plan are considered to be actively traded. The fair values of common stocks are based on the closing price reported on the active market where the individual securities are traded.

Note 6 - Reconciliation of Financial Statements to Form 5500

The net assets available for benefits per the financial statements at December 31, 2021 in the amount of \$19,556,170 does not differ from the net assets available for benefits per Form 5500.

Note 7 - Excess Contributions Distributions

During the years ended December 31, 2021 and 2020, the Plan distributed excess contributions in order to keep the plan in compliance under the Internal Revenue Service guidelines. These distributions resulted because of the Plan's failure of the test of Actual Deferral Percentage (ADP) over Actual Contribution Percentage (ACP) for highly compensated employees. The total amount of the distributions was \$83,238 and \$81,511 respectively including tax withheld and cash paid to over-funded employees for the years ended December 31, 2021 and 2020 respectively.

Note 8 - Related-Party Transactions and Party in Interest Transactions

Plan investments are managed by Equitable Life Insurance Company. Equitable Life Insurance Company is the trustee and record keeper of the Plan and, therefore, these transactions qualify as party in interest transactions.

Note 9 - Date of Management's Review of Subsequent Events

Subsequent events were evaluated through October 4, 2022, which is the date the financial statements were available to be issued. The management of the Plan is not aware of any other obligations, legal actions or other commitments not disclosed in these financial statements.
