The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### ***Opinion on the 2021 Financial Statements***

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

PKF O'Connor Davies, LLP is a member firm of the PKF International Limited network of legally independent firms and does not accept any responsibility or liability for the actions or inactions on the part of any other individual member firm or firms.

- The information in the accompanying 2021 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion on the 2021 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the 2021 Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditors’ Responsibilities for the Audit of the 2021 Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors’ report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Other Matters***

#### ***2021 Supplemental Schedule Required by ERISA***

The supplemental schedule, Form 5500 - Schedule H, Part IV, Line 4(i) - Schedule of Assets (Held at End of Year), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of

management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

*Auditors' Report on the 2020 Financial Statements*

The 2020 financial statements of the Plan were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report dated June 10, 2022, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplemental schedule, and (b) the form and content of the information included in the financial statements and supplemental schedule other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**THE GATEWAY ENGINEERS, INC.  
PROFIT SHARING RETIREMENT & 401(k) PLAN**

**NOTES TO FINANCIAL STATEMENTS**

**Note 1 - Description of the Plan**

The following description of The Gateway Engineers, Inc. Profit Sharing Retirement & 401(k) Plan (the “Plan”) is provided for general information purposes only. More complete information regarding the Plan’s provisions may be found in the Plan document.

**General**

The Plan is a defined contribution plan covering all employees of The Gateway Engineers, Inc. (the “Employer”) who are at least 18 years of age except for leased employees or interns who work less than 1,000 hours, as defined, (“Participants”). Prior to July 1, 2021, the Plan covered all employees of the Employer who were at least 20 years of age and completed three consecutive months of service (defined as at least 250 hours during this period) except for lease employees. If 250 hours were not completed within three consecutive months employees were subject to a one-year service requirement defined as 1,000 hours of service during the twelve-month period following their date of hire.

Minnesota Life Insurance Company (“Minnesota Life” or “Insurance Company”) holds the investments for the Plan. Securian Financial Group, Inc. (“Securian”), an affiliate of Minnesota Life, provides recordkeeping services for the Plan. An officer of the Employer serves as the Trustee of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). All investments are participant directed.

Subsequent to year end, the Plan terminated its agreement with Minnesota Life and Securian and switched custodial and recordkeeping services to Empower Retirement, LLC and affiliates.

**Plan Administration**

The Employer is the Plan administrator and has the authority to appoint person(s) or entities to carry out the operation of the Plan. Individual Participant accounts may be charged with an allocation of administrative expenses, if not paid by the Employer.

**Participant Deferral Contributions**

Participants may defer up to a maximum of 100% of their eligible compensation, as defined by the Plan, not to exceed the annual dollar limit established by the Internal Revenue Code (“IRC”). Participants may make pre-tax or Roth contributions to their accounts. Participants who have reached the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (“Participant Rollovers”).

**Employer Contributions**

**Employer Matching Contributions**

The Employer, at its discretion, may elect to make matching contributions. For the year ended December 31, 2021, the Employer elected to match 50% of each Participant’s deferral elective contributions up to 8% of eligible compensation.

**THE GATEWAY ENGINEERS, INC.  
PROFIT SHARING RETIREMENT & 401(k) PLAN**

**NOTES TO FINANCIAL STATEMENTS**

**Note 1 - Description of the Plan (Continued)**

**Employer Contributions (Continued)**

**Non-Elective Employer Contributions**

The Employer, at its discretion, may elect to make non-elective employer contributions to the Plan. All Participants are eligible for the non-elective employer contribution if they have completed a year of service, defined as at least 1,000 hours of service during the Plan year, are employed on the last day of the Plan year, and are at least 18 years of age. Employer non-elective contributions are allocated at the Employer's discretion to Participant allocation groups, as defined, based on a percentage of a Participant's compensation, as defined. During the year ended December 31, 2021, the Employer elected to make a non-elective employer contribution of \$525,000 plus an allocation of forfeitures of \$55,230.

**Participant Accounts**

Each Participant's account is credited with the Participant's deferral contributions, the respective Employer contributions, an allocation of the Plan's investment earnings or losses, and is charged with an allocation of certain administrative expenses, if applicable. Allocations are based on Participant compensation, account balances, or specific Participant transactions, as defined. The benefit to which a Participant is entitled is the benefit that can be provided from the Participant's vested account.

**Vesting**

Participants are immediately vested in their respective participant deferral and rollover contributions plus actual earnings thereon. Participants vest in their Employer's contributions accounts based on the following schedule unless termination of service is due to disability or death, at which the participant becomes fully vested.

| <u>Years of Service</u> | <u>Percent Vested</u> |
|-------------------------|-----------------------|
| 0 - 2 Years             | 0%                    |
| 3 Years                 | 100%                  |

**Notes Receivable from Participants**

Participants may borrow from their fully vested accounts, a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 reduced by the excess, if any, of the highest outstanding balance of any other loan to the participant from the Plan during the preceding 12-month period over the outstanding balance of such loan on the date the loan is made, or fifty percent (50%) of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan administrator. A Participant may have one (1) loan for the purchase of a primary residence and one (1) loan for any other purpose. Loan terms range up to five (5) years (or longer for the purchase of a primary residence as determined by the plan administrator). Principal and interest are paid directly to the Insurance Company by the participants via Automated Clearing House ("ACH") or checks if for prepayment. If a Participant ceases to make loan payments and the Plan administrator deems the loan to be in default, the Participant's loan balance is reduced and a benefit payment is made in accordance with the Plan document.

**THE GATEWAY ENGINEERS, INC.  
PROFIT SHARING RETIREMENT & 401(k) PLAN**

**NOTES TO FINANCIAL STATEMENTS**

**Note 1 - Description of the Plan (Continued)**

**Notes Receivable from Participants (Continued)**

Interest rates for outstanding loans range from 3.74% to 6.05% at December 31, 2021 and 3.85% to 6.05% at December 31, 2020, and at December 31, 2021 mature at various dates through March 2049.

**Payment of Benefits**

Upon termination of service due to death, disability, termination, or retirement, a Participant or beneficiary may elect to receive a lump-sum or partial distribution in an amount up to the value of the Participant's vested interest in his or her account. The payment can either be a cash distribution, property distribution in the form of insurance or annuity contracts to the Participant, subject to income tax withholdings, or a tax-free rollover to an Individual Retirement Account ("IRA") or another qualified plan, as defined. If a Participant's vested account is greater than \$1,000 and less than \$5,000, the Plan administrator, after notification, may distribute the benefit into an IRA.

In-service withdrawals from a Participant's vested account balance are permitted upon reaching age 60. In-service withdrawals are also permitted due to financial hardship, as defined.

**Forfeitures**

A Participant who is no longer employed by the Employer forfeits any non-vested balance. Forfeitures are added to any non-elective employer contributions and are allocated in the same manner. During the year ended December 31, 2021, an allocation of forfeitures of \$55,230 was allocated as an additional contribution to the non-elective employer contribution. At December 31, 2021 and 2020, the balance in the forfeiture account had been fully allocated to participants.

**Note 2 - Summary of Significant Accounting Policies**

**Basis of Accounting**

The accompanying financial statements have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("GAAP").

**Use of Estimates**

The preparation of financial statements in conformity with GAAP requires Plan management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could vary from the estimates that were used.

**Investments, Investment Valuation and Income Recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

**THE GATEWAY ENGINEERS, INC.  
PROFIT SHARING RETIREMENT & 401(k) PLAN**

**NOTES TO FINANCIAL STATEMENTS**

**Note 2 - Summary of Significant Accounting Policies (Continued)**

**Investments, Investment Valuation and Income Recognition (Continued)**

Purchases and sales of securities are recorded on a trade-date basis. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

**Unit Values**

Individual Participant accounts for the pooled separate accounts are maintained on a unit value basis. Participants do not have beneficial ownership in the specific underlying securities or other assets in the funds but do have an interest therein represented by units which are valued daily. The funds earn dividends and interest which are automatically reinvested in additional units. Generally, contributions to and withdrawals from each fund are converted to units by dividing the amounts of such transactions by the unit values as last determined, and the Participants' accounts are charged or credited with the number of units properly attributable to each Participant.

**Notes Receivable from Participants**

Notes receivable from Participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from Participants is recognized on the accrual basis of accounting. Related fees are recorded as administrative fees and expensed when incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

**Payments of Benefits**

Benefit payments to Participants are recorded in the period in which the Participant is paid.

**Note 3 - Information Prepared and Certified by the Plan's Insurance Company**

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Insurance Company has certified that the following data included in the accompanying financial statements and supplemental schedule are complete and accurate:

- Investments and notes receivable from participants, as shown on the statements of net assets available for benefits as of December 31, 2021 and 2020.
- Investment income and interest income on notes receivable from participants, as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2021.
- Form 5500 - Schedule H, Part IV, Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2021.

**THE GATEWAY ENGINEERS, INC.**  
**PROFIT SHARING RETIREMENT & 401(k) PLAN**

**NOTES TO FINANCIAL STATEMENTS**

**Note 3 - Information Prepared and Certified by the Plan's Insurance Company (Continued)**

The Plan's independent auditors' did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

**Note 4 - Fair Value Measurements**

Under GAAP, a framework for measuring fair values has been established to clarify the definition of those fair values and expand disclosures about assets and liabilities measured at fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy described under GAAP are as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

There have been no changes in the methodologies used at December 31, 2021 and 2020. The following is a description of the valuation methodologies used for assets measured at fair value.

*Guaranteed interest account:* The Plan has a guaranteed interest account with Minnesota Life Insurance Company. The Minnesota Life General Account is a pooled fixed contract which provides for fixed interest rates. Funds invested in the general account prior to the beginning of each year will receive a return based on the Renewal Funds Rate ("RFR") as determined by Minnesota Life. Funds contributed to the general account during the year will receive a return based on the New Funds Rate ("NFR") as determined by Minnesota Life. Amounts contributed are held in the Minnesota Life Insurance Company's general account and are credited on a net daily basis at an annual effective rate.

**THE GATEWAY ENGINEERS, INC.  
PROFIT SHARING RETIREMENT & 401(k) PLAN**

**NOTES TO FINANCIAL STATEMENTS**

**Note 4 - Fair Value Measurements (Continued)**

*Guaranteed interest account (continued):* The contract is not fully benefit-responsive due to transfer provisions in the contract that prevent Participants from obtaining immediate full access to their account at contract value. Up to 20% of the contract value or \$2,000, whichever is greater, may be withdrawn once during any twelve month period. Contract value represents contributions made under the contract, plus earnings, less Participant withdrawals and administrative expenses. At December 31, 2021 and 2020, fair value of the contract approximated contract value. During 2021, the minimum crediting interest rate was 1.00%, the NFR was 1.13% and the RFR was 2.30%. Such interest rates are reviewed on an annual basis for resetting.

*Pooled separate accounts:* Pooled separate accounts invest in various investment options (i.e., common stock, mutual funds) and are valued at their accumulation unit value ("AUV"). The AUV is determined daily based on the net asset value ("NAV") of shares of the underlying fund, the fund's dividends and the separate account charges. NAV is a readily determinable fair value and is the basis for current transactions.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

**Investments at Fair Value as of December 31, 2021**

**Note 4 - Fair Value Measurements (Continued)**

The following table sets forth the basic assumptions used in arriving at fair value and the range of value for unobservable inputs of the Plan's level 3 investment as of December 31, 2020:

| Instrument                  | Fair Value  | Principal Valuation Technique          | Significant Unobservable Inputs | Range of Significant Input Values | Weighted Average |
|-----------------------------|-------------|----------------------------------------|---------------------------------|-----------------------------------|------------------|
| Guaranteed Interest Account | \$2,407,643 | Discounted cash flow (income approach) | Future crediting rates          | 1.92% - 3.14%                     | 3.06%            |

**Note 5 - Risks and Uncertainties**

The Plan invests in investment securities which are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the Participants' account balances and the amounts reported in the statements of net assets available for benefits.

**Note 6 - Party-In-Interest Transactions**

Plan investments include a guaranteed interest account and shares of pooled separate accounts managed by an affiliate of the Insurance Company and, therefore, these transactions qualify as exempt party-in-interest transactions. Administrative fees of \$2,020 were paid to the Insurance Company during 2021. Notes receivable from participants also qualify as exempt party-in-interest transactions as defined by ERISA.

**Note 7 - Plan Termination**

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, any unallocated assets of the Plan will be allocated to Participant accounts and distributed in such a manner as the Employer may determine.

**Note 8 - Tax Status**

The underlying volume submitter profit sharing plan with a cash or deferred arrangement has received an opinion letter from the Internal Revenue Service ("IRS"), initially dated March 31, 2014 and received an updated opinion letter from the IRS dated June 30, 2020 stating that the form of the plan is qualified under Section 401(a) of the IRC, is exempt from federal income taxes under Section 501(a) of the IRC and that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. The plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and that the Plan is qualified and the related trust is tax-exempt as the date of these financial statements.

**NOTES TO FINANCIAL STATEMENTS**

**Note 8 - Tax Status (Continued)**

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. It is the Plan's policy to account for any uncertainties as described under the income tax laws. Under the income tax laws, the tax-exempt status of the Plan is considered a tax position. No such uncertain tax positions have been recognized by the Plan as of December 31, 2021 or 2020.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for the plan years ended prior to 2018.

**Note 9 - Subsequent Events**

The Plan administrator has evaluated subsequent events through October 3, 2022, the date the financial statements were available to be issued, and determined that there have been no subsequent events, except as disclosed in Note 1, that would require recognition in, or disclosure in the financial statements and notes to the financial statements.
