INDEPENDENT AUDITORS' REPORT

To the Retirement Plan Committee
401(k)/Profit Sharing Plan and Trust for
Wake Radiology Consultants, P.A.
Raleigh, North Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of 401(k)/Profit Sharing Plan and Trust for Wake Radiology Consultants, P.A., an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended and the related notes to the financial statements ("2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of 401(k)/Profit Sharing Plan and Trust for Wake Radiology Consultants, P.A. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about 401(k)/Profit Sharing Plan and Trust for Wake Radiology Consultants, P.A.'s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of 401(k)/Profit Sharing Plan and Trust for Wake Radiology Consultants, P.A.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about 401(k)/Profit Sharing Plan and Trust for Wake Radiology Consultants, P.A.'s ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of 401(k)/Profit Sharing Plan and Trust for Wake Radiology Consultants, P.A. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform auditing procedures with respect to the information certified by a qualified institution. In our report dated June 23, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

1. Description of Plan

The following description of 401(k)/Profit Sharing Plan and Trust for Wake Radiology Consultants, P.A. (the "Plan") provides only general information. Participants in the Plan should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all full-time employees of Wake Radiology Consultants, P.A. and affiliates (the "Company") who are at least 20½ years of age. Entry dates are January 1st and July 1st. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

Each year participants may elect to defer up to 75% of their pre-tax or after-tax ("Roth") annual compensation, subject to contribution limitations set forth in the Internal Revenue Code ("IRC"). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Plan also permits rollover contributions from other qualifying retirement plans.

The Company makes safe harbor nonelective matching contributions of 3% of compensation for all participants of the Plan. The Company may also make a discretionary nonelective contribution. This contribution equaled \$4,193,573 for the year ended December 31, 2021. Participants who are not employees of the Company on the last day of the Plan year are not eligible to receive an allocation of the Company's discretionary nonelective contribution unless their termination was due to disability or death or they accrued at least 1,000 hours of service during the Plan year. The Company's discretionary nonelective contribution is allocated to participants based on the ratio of their eligible compensation to total eligible compensation and the amount of their eligible compensation that exceeds \$9,000 to total eligible compensation that exceeds \$9,000.

Participant Accounts

Each participant's account is credited with the participant's contributions, allocations of the Company's contributions, and allocations of plan earnings and administrative expenses. Allocations are based on participants' compensation or account balances, as defined. A participant is entitled to the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately 100% vested in the salary reduction amount contributed to the Plan, safe harbor matching contributions, and the rollover portion of their investment account plus any actual earnings thereon. Participant vesting in the portion of their accounts attributable to the Company's discretionary nonelective contributions is determined on a graduated basis based upon years of creditable service. A participant is fully vested in the Company's discretionary nonelective contributions after four years of credited service. Participants will become fully vested in their employer discretionary nonelective contributions plus earnings thereon upon reaching the early retirement age (55), or upon death or disability.

1. Description of Plan (Continued)

Payment of Benefits

Generally, the participant becomes eligible to receive benefits on their normal retirement age (65), death, disability, or termination of service. The Plan also permits early retirement upon attaining age 55. Participants are also eligible to take in-service withdrawals from elective deferral accounts once they attain age 59 ½. Effective January 1, 2020, the Plan was amended to allow participants to make in-service withdrawals from all accounts upon attaining age 65.

For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account. Upon termination of employment, participants may elect to defer payment of their account balance if it exceeds \$1,000. If a participant's account balance is equal to or less than \$1,000, the account will be automatically distributed. Benefits are payable in lump-sum payments, installments or in an annuity for the portion of the funds that are attributable to the money purchase pension plan that was previously merged into this Plan.

Forfeited Accounts

The portion of a participant's account to which he is not entitled upon termination of employment is deemed a forfeiture. At December 31, 2021, forfeited non-vested accounts totaled \$0. Forfeited amounts may be used to reduce the employer's non-elective contribution obligations as permitted by the Plan's provisions.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000, reduced by the excess of the highest outstanding note balance during the preceding year over the outstanding note balance as of the date of the note, or 50% of their vested account balance. Note terms range from one to five years. The notes are secured by the participant's account and bear interest at a fixed rate of prime plus 1.0% (4.25% at December 31, 2021) as of the date of the new loan. Principal and interest are paid ratably through payroll deductions. Total notes receivable from participants were \$654,468 and \$787,535 at December 31, 2021 and 2020, respectively.

Coronavirus Aid, Relief, and Economic Security Act

The COVID-19 outbreak in the United States caused business disruption through mandated and voluntary closings of businesses in numerous industries. On March 27, 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") that included numerous employee benefit plan provisions to assist plan sponsors and participants. A participant must be a qualified individual in order to receive a COVID related loan or distribution. A participant is considered a qualified individual if one or more of the following criteria are met:

- (a) The participant, spouse or dependent is diagnosed with COVID-19.
- (b) The participant experiences adverse financial consequences as a result of being quarantined, furloughed, laid off, or having hours reduced due to COVID-19; unable to work due to lack of child care due to COVID-19; or closing or reduced hours of a business owned or operated by an individual due to COVID-19.

1. Description of Plan (Continued)

Coronavirus Aid, Relief, and Economic Security Act (Continued)

A description of the CARES Act provisions for COVID related loans and distributions is summarized below.

COVID Related Loans

For plan loans made to a qualified individual between March 27, 2020 and September 22, 2020, the loan limitation may be increased up to the lesser of (1) \$100,000 (less outstanding plan loans of the participant) or (2) 100% of the participant's vested balance.

If a loan is outstanding on or after March 27, 2020 and any repayment on the loan is due from March 27, 2020 to December 31, 2020, the due date may be delayed under the Plan for up to one year and any payments after the suspension period will be adjusted to reflect the delay and any interest accruing during the delay.

COVID Related Distributions

The 10% federal tax penalty is waived for COVID related distributions up to \$100,000 for qualified individuals through December 31, 2020. Participants have the option to pay tax on the income from the COVID related distribution over a three-year period or to repay the amount withdrawn back to the Plan over a three-year period. Repayments are not subject to contribution limits.

The Plan will be amended for the adoption of the CARES Act by December 31, 2022.

2. Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Plan Expenses

Certain plan expenses are paid by the plan sponsor as provided by the plan document. Expenses related to specific participant transactions (notes receivable from participants and distributions) are charged directly to the participants' accounts.

Payment of Benefits

Benefits are recorded when paid.

Cash and Cash Equivalents

The Plan considers all invested cash balances to be cash equivalents.

WAKE RADIOLOGY CONSULTANTS, P.A.**
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

2. Significant Accounting Policies (Continued)

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The plan sponsor determines the plan's valuation policies utilizing information provided by the investment advisors. See Note 6 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on the trade-date basis. Interest is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Realized and unrealized appreciation and depreciation in the value of investments are allocated to the participant accounts based on participant holdings in each fund.

Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balance plus any accrued, but unpaid interest. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the plan document.

3. Federal Income Taxes

The Plan has adopted a Non-Standardized Pre-Approved Profit Sharing plan document that received an opinion letter dated August 19, 2020 in which the Internal Revenue Service ("IRS") stated that the document was in compliance with the applicable requirements of the IRC. As allowed by the IRS, the Plan is relying on the opinion letter issued on the plan document for its own qualification. The plan document has been amended for changes required by the IRS since receiving the opinion letter. Plan management believes that the Plan is currently designed and operating in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would be sustained upon examination by the applicable authorities. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that, as of December 31, 2021, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in process.

4. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become fully vested in their accounts.

5. Investments

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The following information included in the accompanying financial statements and supplemental schedule was obtained or derived from information certified as complete and accurate by T. Rowe Price Trust Company ("T. Rowe Price"), the trustee of the Plan, and was not subject to audit for the years ended December 31:

	<u>2021</u>	<u>2020</u>

6. Fair Value Measurements (Continued)

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

Level 1 Inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority.

Level 2 Inputs are based on significant other observable inputs such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs are unobservable and significant to the fair value measurement.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. The Plan uses Level 2 inputs when market prices are not attainable but other observable inputs are available to arrive at a fair value, and Level 3 inputs were only used when Level 1 or Level 2 inputs were not available. There were no Level 2 or Level 3 investments in the Plan.

Level 1 Fair Value Measurements

The fair value of mutual funds and interest-bearing cash and cash equivalents is based on quoted net asset values of the shares held by the Plan at year end.

7. Party-in-Interest Transactions

Plan investments are managed by T. Rowe Price, the trustee as defined by the Plan. These transactions qualify as exempt party-in-interest transactions. Fees paid by the Plan to T. Rowe Price and other parties-in-interest for record keeping and investment management services were \$56,689 for the year ended December 31, 2021. The Plan also holds notes receivable from participants. As a result, these notes receivable and all related transactions were with a party-in-interest. All of these transactions are exempt from being prohibited transactions by ERISA.

NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

8. Risks and Uncertainties

The Plan invests in various investment securities as directed by its participants. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

As a result of the spread of COVID-19, economic uncertainties have arisen which are likely to negatively impact investment income and other plan transactions. Other financial impact could occur though such potential impact is unknown at this time.

9. Subsequent Events

The Company has evaluated events and transactions for potential recognition or disclosure in the financial statements through July 28, 2022, which is the date the financial statements were available to be issued.

Plan management intends to amend the Plan for the adoption of the CARES Act provisions by December 31, 2022, which is the deadline for making the amendment.
