| <b>Part I</b> | <b>Service Provider Information (see instructions)</b> |
|---------------|--------------------------------------------------------|

You must complete this Part, in accordance with the instructions, to report the information required for **each person** who received, directly or indirectly, \$5,000 or more in total compensation (i.e., money or anything else of monetary value) in connection with services rendered to the plan or the person's position with the plan during the plan year. If a person received **only** eligible indirect compensation for which the plan received the required disclosures, you are required to answer line 1 but are not required to include that person when completing the remainder of this Part.

**1 Information on Persons Receiving Only Eligible Indirect Compensation**

- a** Check "Yes" or "No" to indicate whether you are excluding a person from the remainder of this Part because they received only eligible indirect compensation for which the plan received the required disclosures (see instructions for definitions and conditions)..... ☒ Yes ☐ No
- b** If you answered line 1a "Yes," enter the name and EIN or address of each person providing the required disclosures for the service providers who received only eligible indirect compensation. Complete as many entries as needed (see instructions).

**Part I Service Provider Information (continued)**

3. If you reported on line 2 receipt of indirect compensation, other than eligible indirect compensation, by a service provider, and the service provider is a fiduciary or provides contract administrator, consulting, custodial, investment advisory, investment management, broker, or recordkeeping services, answer the following questions for (a) each source from whom the service provider received \$1,000 or more in indirect compensation and (b) each source for whom the service provider gave you a formula used to determine the indirect compensation instead of an amount or estimated amount of the indirect compensation. Complete as many entries as needed to report the required information for each source.

| <b>Part I</b> | <b>Asset and Liability Statement</b> |
|---------------|--------------------------------------|

**1** Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

## Independent Auditor's Report

To Plan Administrator  
CareFlite 401(k) Plan  
Grand Prairie, Texas

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed audits of the financial statements of CareFlite 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certification from a qualified institution as of December 31, 2021 and 2020, and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### ***Opinion***

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### ***Other Matter – Supplemental Schedule Required by ERISA***

The supplemental Schedule H; line 4i - Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## Notes to Financial Statements

---

### 1. Description of Plan

#### *General*

The CareFlite 401(k) Plan (the "Plan") is a defined contribution plan established by CareFlite (the "Company" or "Employer") under the provision of Section 401(a) of the Internal Revenue Code ("IRC"), which includes a qualified cash or deferred arrangement as described in section 401(k) of the IRC, for the benefit of eligible employees of the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

There are no age or service requirements for eligibility in the Plan. All employees of the Company are eligible to participate except residents of Puerto Rico and non-resident aliens who do not receive any earned income from the Company which constitutes United States sourced income. The pilots are union members whose contract states they will participate in the same benefits as all other employees and are included in the Plan. Eligible Plan participants may begin making contributions as of the first day of each month.

The duties of the Plan administrator are to oversee the operations of the Plan and to provide for prudent investment of plan assets. Accordingly, the Plan administrator has been granted discretionary authority concerning investment and management activities.

Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

#### *Plan Administration*

Under the Plan agreement, Fidelity Management Trust Company (the "trustee") is responsible for the custody of all trust assets and the record keeping for Plan members and trust financial matters.

#### *Contributions*

Each year participants may contribute up to 50% of pretax annual compensation on a pretax basis or on an after-tax Roth basis, as defined in the Plan. During 2021, total employee contributions were limited to the lesser of 50% of employee compensation or \$19,500. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions of up to \$6,000. Participants may also contribute amounts representing distributions from other qualified benefit plans.

New employees are automatically enrolled to contribute 3% of their salary to the Plan unless they opt out of participating or elect a different percentage to contribute. Unless the employee elects otherwise, deferrals for each employee having automatic enrollment contributions made on their behalf are automatically increased 1% annually until such time as the deferral percentage is 10%.

# CareFlite 401(k) Plan

## Notes to Financial Statements

---

The Company will make matching contributions to the Plan each year, within the limits of Internal Revenue Service ("IRS") regulations. For the year ended December 31, 2021, the Company matching contribution is equal to 75% of the first 6% of eligible compensation contributed for employees that have completed one year of service; 100% of the first 6% of eligible compensation contributed for employees that have completed 5 or more years of service; and 125% of the first 6% of eligible compensation for employees that have completed 10 or more years of service. The company may also make an discretionary matching contribution. No additionally matching contribution was made for the year ended December 31, 2021.

An employee is eligible to participate in the service-weighted additional matching contribution portion of the Plan if they complete a minimum of twelve months of service. Service for purposes of eligibility includes service with the predecessor employers of Texas Health Resources, Baylor Health Care System, and Methodist Hospitals of Dallas.

### ***Participant Accounts***

Individual accounts are maintained for each of the Plan's participants to reflect the participant's contributions and related employer matching, as well as the participant's share of the investment income, appreciation (depreciation) and any related administrative expenses. The benefit to which a participant is entitled is limited to the amount of the participant's vested account balance.

### ***Vesting***

Participants are always fully vested in their elective contributions and rollovers, if any, plus actual earnings thereon. Vesting in all employer contribution portion of accounts, plus actual earnings thereon, is as follows:

| <b>Years of Service</b> | <b>Vesting Percentage</b> |
|-------------------------|---------------------------|
| 1                       | 0%                        |
| 2                       | 25%                       |
| 3                       | 50%                       |
| 4                       | 75%                       |
| 5 or more               | 100%                      |

On Participants become fully vested upon death, disability, reaching retirement age (65) or termination of the Plan.

## Notes to Financial Statements

### ***Forfeited Accounts***

The non-vested portion of the Company's contributions and related earnings of terminated employees may be used to reduce administrative expenses of the Plan, reduce future Company contributions, or reduce qualified non-elective contributions in accordance with the Plan document. At December 31, 2021 and 2020, there were \$99,445 and \$108,067 of unallocated forfeitures, respectively. During 2021, the Company used forfeitures of \$124,791 to reduce employer matching contributions.

### ***Payment of Benefits***

On retirement, death, disability, or termination of service, a participant (or participant's beneficiary in the event of death) may elect to receive a lump-sum distribution equal to the participant's vested account balance. In addition, in-service and hardship distributions are permitted if certain criteria are met subject to a \$500 minimum threshold.

### ***Notes Receivable from Participants***

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest rates that are commensurate with local prevailing rates as determined by the Plan administrator and is fixed for the term of the loan. Principal and interest is paid ratably through payroll deductions. Additionally, loans bear a \$100 loan origination fee. No additional amounts may be borrowed until any prior loan has been repaid.

### ***Investment Options***

Upon enrollment in the Plan, a participant may direct the contributions made to the Plan to any of the investment funds offered at the discretion of the Plan Administrator, and in such multiples as the participant prescribes. A participant may change his or her investment direction with respect to future contributions or redirect the investment of his or her account balances.

## **2. Summary of Accounting Policies**

### ***Basis of Accounting***

The financial statements of the Plan are prepared under the accrual method of accounting, in conformity with accounting principles generally accepted in the United States of America ("GAAP").

### ***Use of Estimates***

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

# CareFlite 401(k) Plan

## Notes to Financial Statements

---

### ***Contributions***

Contributions from the Employers and participants are accrued as they become obligations of the Company, as determined by the Plan administrator, which is when they are deducted from participant earnings, in accordance with salary deferral agreements.

### ***Investment Valuation and Income Recognition***

The plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Shares of registered investment companies are valued at quoted market prices which represent the net asset value ("NAV") of shares held by the Plan at each year end. The fair value of investments in the common collective trust is measured by using NAV as a practical expedient to estimate fair value and is determined by each fund trustee at year end based on the fair value of the underlying securities within that trust.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. The Plan presents, in the Statement of Changes in Net Assets Available for Benefits, the net appreciation and depreciation in fair value of its investments which consists of realized gains and losses and unrealized appreciation and depreciation on these investments.

### ***Benefit Payments***

Benefit payments to participants are recorded when paid.

### ***Notes Receivable from Participants***

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

### ***Administrative Expenses***

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and benefits paid to participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are paid to investment advisors, transfer agents, and others described in each fund prospectus or other published documents are deducted by the investment funds or accounts prior to the allocation of the Plans' investment earnings activity and are therefore included in net appreciation of fair value of investments.

### 3. Fair Value Measurements

Accounting Standards Codification (“ASC”) Topic 820 *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy are described below:

#### ***Basis of Fair Value Measurement***

|         |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
|---------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |

The asset or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2021 and 2020.

#### ***Registered Investment Companies***

Investments in registered investment companies are valued at the daily closing price as reported by the fund. Funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The funds held by the Plan are deemed to be actively traded. These funds are classified as level 1.

#### ***Common Collective Trusts***

The fair value of participation units held in collective trusts are based on the net asset values reported by fund managers as of the financial statement dates and recent transaction prices. The investment objective of the common collective trust is to provide preservation of capital and provide relatively stable returns consistent with a low risk profile. This investment is a direct filing entity.

## Notes to Financial Statements

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

\* Certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are provided to permit reconciliation of the fair value hierarchy to the amounts presented in the Statement of Net Assets Available for Benefits.

### ***Fair Value of Measurements in Entities that Use Net Asset Value***

The common collective trust funds held by the Plan provide for daily redemptions by the Plan at reported net asset value with no advance notice requirement. The Plan is permitted to redeem investment units at net asset value on the measurement date. The Fidelity Managed Income Fund can require a 12 month notice for full redemption of the fund by the Plan at their discretion.

## **4. Certified Investments**

The plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity, a qualified institution,

has certified that the following investment information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2021 and 2020.
- Investment income (loss), net and interest income on notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2021.
- Investment information included in the schedule of assets (held at end of year) as of December 31, 2021, as shown on the ERISA-required supplemental schedule.

At the request of the Plan Administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing the certified investment information with the related information presented and disclosed in the financial statements and supplemental schedule, reading the disclosures relating to the investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP and whether the supplemental schedule is in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

### 5. Related Party Transactions and Party-in-Interest Transactions

Certain plan investments are managed by Fidelity Management & Research Company (FMRC). Fidelity Management Trust Company, an affiliate of FMRC, is the trustee of the Plan, and Fidelity Investments Institutional Operations Company, Inc., a division of FMRC, provides recordkeeping and administrative services to the Plan. Fees incurred by the Plan for the investment management services are included in net appreciation (depreciation) in fair value of the investment. The Company pays directly any other fees related to the Plan's operations. The Plan issues loans to participants that are secured by the vested balance of the participants account the above transactions qualify as party-in-interest transactions, which are exempt from the prohibited transactions rules.

### 6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

### 7. Tax Status and Plan Amendments

The Company has adopted the Fidelity Management & Research Company Defined Contribution Prototype Non-Standardized Profit Sharing Plan. The IRS has issued an opinion letter dated June 30, 2020 stating that the Plan is acceptable under section 401(a) of the IRC for use by employers for the benefit of their employees. The Company is relying on the opinion letter that the Plan meets the qualification requirements of the IRC. Although the Plan has been amended since receiving the opinion letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

## Notes to Financial Statements

---

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax Disability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS and the Department of Labor.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

### **8. Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

The macroeconomic impacts stemming from the conflict in Ukraine, and the potential impact and duration of the COVID-19 pandemic, continuing supply chain issues and rising inflation has continued to cause volatility in the markets. Any future impact on investments or the Plan remains uncertain.

### **9. Subsequent Events**

Plan management has evaluated the impact of all subsequent events through October 10, 2022, the date the financial statements and supplemental schedule were available to be issued and has determined that there were no subsequent events requiring adjustment or disclosure in the financial statements.

## Independent Auditor's Report

To Plan Administrator  
CareFlite 401(k) Plan  
Grand Prairie, Texas

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed audits of the financial statements of CareFlite 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certification from a qualified institution as of December 31, 2021 and 2020, and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### ***Opinion***

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### ***Other Matter – Supplemental Schedule Required by ERISA***

The supplemental Schedule H; line 4i - Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# CareFlite 401(k) Plan

## Notes to Financial Statements

---

### 1. Description of Plan

#### *General*

The CareFlite 401(k) Plan (the "Plan") is a defined contribution plan established by CareFlite (the "Company" or "Employer") under the provision of Section 401(a) of the Internal Revenue Code ("IRC"), which includes a qualified cash or deferred arrangement as described in section 401(k) of the IRC, for the benefit of eligible employees of the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

There are no age or service requirements for eligibility in the Plan. All employees of the Company are eligible to participate except residents of Puerto Rico and non-resident aliens who do not receive any earned income from the Company which constitutes United States sourced income. The pilots are union members whose contract states they will participate in the same benefits as all other employees and are included in the Plan. Eligible Plan participants may begin making contributions as of the first day of each month.

The duties of the Plan administrator are to oversee the operations of the Plan and to provide for prudent investment of plan assets. Accordingly, the Plan administrator has been granted discretionary authority concerning investment and management activities.

Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

#### *Plan Administration*

Under the Plan agreement, Fidelity Management Trust Company (the "trustee") is responsible for the custody of all trust assets and the record keeping for Plan members and trust financial matters.

#### *Contributions*

Each year participants may contribute up to 50% of pretax annual compensation on a pretax basis or on an after-tax Roth basis, as defined in the Plan. During 2021, total employee contributions were limited to the lesser of 50% of employee compensation or \$19,500. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions of up to \$6,000. Participants may also contribute amounts representing distributions from other qualified benefit plans.

New employees are automatically enrolled to contribute 3% of their salary to the Plan unless they opt out of participating or elect a different percentage to contribute. Unless the employee elects otherwise, deferrals for each employee having automatic enrollment contributions made on their behalf are automatically increased 1% annually until such time as the deferral percentage is 10%.

# CareFlite 401(k) Plan

## Notes to Financial Statements

---

The Company will make matching contributions to the Plan each year, within the limits of Internal Revenue Service ("IRS") regulations. For the year ended December 31, 2021, the Company matching contribution is equal to 75% of the first 6% of eligible compensation contributed for employees that have completed one year of service; 100% of the first 6% of eligible compensation contributed for employees that have completed 5 or more years of service; and 125% of the first 6% of eligible compensation for employees that have completed 10 or more years of service. The company may also make an discretionary matching contribution. No additionally matching contribution was made for the year ended December 31, 2021.

An employee is eligible to participate in the service-weighted additional matching contribution portion of the Plan if they complete a minimum of twelve months of service. Service for purposes of eligibility includes service with the predecessor employers of Texas Health Resources, Baylor Health Care System, and Methodist Hospitals of Dallas.

### ***Participant Accounts***

Individual accounts are maintained for each of the Plan's participants to reflect the participant's contributions and related employer matching, as well as the participant's share of the investment income, appreciation (depreciation) and any related administrative expenses. The benefit to which a participant is entitled is limited to the amount of the participant's vested account balance.

### ***Vesting***

Participants are always fully vested in their elective contributions and rollovers, if any, plus actual earnings thereon. Vesting in all employer contribution portion of accounts, plus actual earnings thereon, is as follows:

| <b>Years of Service</b> | <b>Vesting Percentage</b> |
|-------------------------|---------------------------|
| 1                       | 0%                        |

## Notes to Financial Statements

---

### ***Forfeited Accounts***

The non-vested portion of the Company's contributions and related earnings of terminated employees may be used to reduce administrative expenses of the Plan, reduce future Company contributions, or reduce qualified non-elective contributions in accordance with the Plan document. At December 31, 2021 and 2020, there were \$99,445 and \$108,067 of unallocated forfeitures, respectively. During 2021, the Company used forfeitures of \$124,791 to reduce employer matching contributions.

### ***Payment of Benefits***

On retirement, death, disability, or termination of service, a participant (or participant's beneficiary in the event of death) may elect to receive a lump-sum distribution equal to the participant's vested account balance. In addition, in-service and hardship distributions are permitted if certain criteria are met subject to a \$500 minimum threshold.

### ***Notes Receivable from Participants***

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest rates that are commensurate with local prevailing rates as determined by the Plan administrator and is fixed for the term of the loan. Principal and interest is paid ratably through payroll deductions. Additionally, loans bear a \$100 loan origination fee. No additional amounts may be borrowed until any prior loan has been repaid.

### ***Investment Options***

Upon enrollment in the Plan, a participant may direct the contributions made to the Plan to any of the investment funds offered at the discretion of the Plan Administrator, and in such multiples as the participant prescribes. A participant may change his or her investment direction with respect to future contributions or redirect the investment of his or her account balances.

## **2. Summary of Accounting Policies**

### ***Basis of Accounting***

The financial statements of the Plan are prepared under the accrual method of accounting, in conformity with accounting principles generally accepted in the United States of America ("GAAP").

### ***Use of Estimates***

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

### ***Contributions***

Contributions from the Employers and participants are accrued as they become obligations of the Company, as determined by the Plan administrator, which is when they are deducted from participant earnings, in accordance with salary deferral agreements.

### ***Investment Valuation and Income Recognition***

The plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Shares of registered investment companies are valued at quoted market prices which represent the net asset value ("NAV") of shares held by the Plan at each year end. The fair value of investments in the common collective trust is measured by using NAV as a practical expedient to estimate fair value and is determined by each fund trustee at year end based on the fair value of the underlying securities within that trust.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. The Plan presents, in the Statement of Changes in Net Assets Available for Benefits, the net appreciation and depreciation in fair value of its investments which consists of realized gains and losses and unrealized appreciation and depreciation on these investments.

### ***Benefit Payments***

Benefit payments to participants are recorded when paid.

### ***Notes Receivable from Participants***

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

### ***Administrative Expenses***

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and benefits paid to participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are paid to investment advisors, transfer agents, and others described in each fund prospectus or other published documents are deducted by the investment funds or accounts prior to the allocation of the Plans' investment earnings activity and are therefore included in net appreciation of fair value of investments.

### 3. Fair Value Measurements

Accounting Standards Codification (“ASC”) Topic 820 *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy are described below:

#### ***Basis of Fair Value Measurement***

|         |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
|---------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
| Level 2 | <div>Inputs to the valuation methodology include<ul style="list-style-type: none"><li>• quoted prices for similar assets or liabilities in active markets;</li><li>• quoted prices for identical or similar assets or liabilities in inactive markets;</li><li>• inputs other than quoted prices that are observable for the asset or liability;</li><li>• inputs that are derived principally from or corroborated by observable market data by correlation or other means.</li></ul></div> <div>If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.</div> |
| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |

The asset or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2021 and 2020.

#### ***Registered Investment Companies***

Investments in registered investment companies are valued at the daily closing price as reported by the fund. Funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The funds held by the Plan are deemed to be actively traded. These funds are classified as level 1.

#### ***Common Collective Trusts***

The fair value of participation units held in collective trusts are based on the net asset values reported by fund managers as of the financial statement dates and recent transaction prices. The investment objective of the common collective trust is to provide preservation of capital and provide relatively stable returns consistent with a low risk profile. This investment is a direct filing entity.

## Notes to Financial Statements

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

\* Certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are provided to permit reconciliation of the fair value hierarchy to the amounts presented in the Statement of Net Assets Available for Benefits.

### ***Fair Value of Measurements in Entities that Use Net Asset Value***

The common collective trust funds held by the Plan provide for daily redemptions by the Plan at reported net asset value with no advance notice requirement. The Plan is permitted to redeem investment units at net asset value on the measurement date. The Fidelity Managed Income Fund can require a 12 month notice for full redemption of the fund by the Plan at their discretion.

## **4. Certified Investments**

The plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity, a qualified institution,

has certified that the following investment information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2021 and 2020.
- Investment income (loss), net and interest income on notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2021.
- Investment information included in the schedule of assets (held at end of year) as of December 31, 2021, as shown on the ERISA-required supplemental schedule.

At the request of the Plan Administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing the certified investment information with the related information presented and disclosed in the financial statements and supplemental schedule, reading the disclosures relating to the investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP and whether the supplemental schedule is in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

### 5. Related Party Transactions and Party-in-Interest Transactions

Certain plan investments are managed by Fidelity Management & Research Company (FMRC). Fidelity Management Trust Company, an affiliate of FMRC, is the trustee of the Plan, and Fidelity Investments Institutional Operations Company, Inc., a division of FMRC, provides recordkeeping and administrative services to the Plan. Fees incurred by the Plan for the investment management services are included in net appreciation (depreciation) in fair value of the investment. The Company pays directly any other fees related to the Plan's operations. The Plan issues loans to participants that are secured by the vested balance of the participants account the above transactions qualify as party-in-interest transactions, which are exempt from the prohibited transactions rules.

### 6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

### 7. Tax Status and Plan Amendments

The Company has adopted the Fidelity Management & Research Company Defined Contribution Prototype Non-Standardized Profit Sharing Plan. The IRS has issued an opinion letter dated June 30, 2020 stating that the Plan is acceptable under section 401(a) of the IRC for use by employers for the benefit of their employees. The Company is relying on the opinion letter that the Plan meets the qualification requirements of the IRC. Although the Plan has been amended since receiving the opinion letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

# CareFlite 401(k) Plan

## Notes to Financial Statements

---

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax Disability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS and the Department of Labor.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

### **8. Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

The macroeconomic impacts stemming from the conflict in Ukraine, and the potential impact and duration of the COVID-19 pandemic, continuing supply chain issues and rising inflation has continued to cause volatility in the markets. Any future impact on investments or the Plan remains uncertain.

### **9. Subsequent Events**

Plan management has evaluated the impact of all subsequent events through October 10, 2022, the date the financial statements and supplemental schedule were available to be issued and has determined that there were no subsequent events requiring adjustment or disclosure in the financial statements.
