INDEPENDENT AUDITOR'S REPORT

The Plan Administrator
F.C.C. Associates' Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of F.C.C Associates' Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

(Continued)

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year from the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

(Continued)

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2021 and Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of F.C.C Associates' Retirement Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 23, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

F.C.C. ASSOCIATES' RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 1 - DESCRIPTION OF PLAN

The following description of the F.C.C. Associates' Retirement Plan (the Plan) provides general information about the Plan's provisions. F.C.C. (North America), Inc. (the Company) is the Plan sponsor. Participants should refer to the Plan agreement and the summary Plan description for a more complete description of the Plan's provisions, copies of which may be obtained from the plan sponsor.

General: The Plan is a defined contribution plan covering substantially all employees of the Company, which includes FCC (North America), Inc; FCC (Indiana); FCC (North Carolina), LLC; and FCC (Adams), LLC, who have three months of continuous service and have reached the age of 18. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The purpose of the Plan is to provide eligible employees a means of saving for retirement on a tax-deferred basis.

Contributions: Participants may contribute up to 50% of eligible Roth and pretax annual compensation, as defined in the Plan agreement. Highly compensated employees, as defined by the Plan, may contribute up to 25% of eligible annual compensation. Participants are automatically enrolled in the Plan at 3% with an automatic escalation of 1% annually on January 1, up to a maximum deferral rate of 10% unless elected otherwise by the participant. The Plan also permits participants to roll over distributions they receive from other qualified retirement plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company currently matches 100% of the portion of each participant's contributions, which does not exceed 3% of compensation. At its discretion, the Company's management may elect to make a discretionary contribution. There were no discretionary contributions for the year ended December 31, 2021. Employer contributions are invested into the investment funds for each participant following the same investment elections established by the participant for the participant contribution. Contributions are subject to certain limitations.

Participant Accounts and Forfeitures: Each participant's account is credited with the participant's contribution and allocations of the Company's contribution and plan earnings. Allocations are based on participant compensation or account balances, as defined in the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Forfeited balances of a terminated participant's non-vested accounts are reallocated among the remaining participants in the proportion that each participant's compensation for the year bears to the total compensation of all participants for the year. There was approximately \$387,000 and \$333,000 of unallocated forfeitures included in plan assets at December 31, 2021 and 2020, respectively. \$333,491 of forfeitures were reallocated to participants during 2021.

Vesting: Participant contributions and related earnings are immediately vested. Company contributions vest according to the following schedule:

<u>Years of Service</u>	<u>Vesting %</u>
<1 year	-
1 year	20
2 years	40
3 years	60
4 years	80
5 or more years	100

(Continued)

F.C.C. ASSOCIATES' RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Participant Loans: Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms shall not exceed five years except for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at the published prime rate. The interest rates on outstanding loans at December 31, 2021 and 2020, ranged from 3.25% to 5.5%. Principal and interest are paid through payroll deductions.

Payment of Benefits: Participants become eligible for benefit payments upon death, disability, retirement, or termination. Participants may elect to receive either a lump-sum cash distribution equal to the value of the vested interest in his or her account, a direct rollover distribution, a nontransferable annuity payable over the lifetime of the participant or the joint lifetimes of the participant and a designated individual, or defer receipt of their account balance until age 70 $\frac{1}{2}$. Participants may also take distributions from the Plan upon attainment of age 59 $\frac{1}{2}$. Participants may also receive a distribution for reasons of proven financial hardship, up to the amount the employee has deferred (excluding earnings thereon) under the Plan.

Administrative and Investment Management Expenses: Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Plan recordkeeping and trustee fees are paid by the Plan and are reflected in the financial statements as administrative expenses. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment management fees are charged to the Plan as a reduction of investment return and included in the investment income (loss) reported by the Plan.

Plan Termination: Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants will become 100% vested in their accounts.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared under the accrual method of accounting.

Risks and Uncertainties: The Plan invests in various investments. Investments are exposed to various risks such as interest rate, market volatility, liquidity and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The coronavirus was declared a Public Health Emergency of International Concern by the World Health Organization on January 30, 2020 and a global pandemic on March 11, 2020. The ultimate impact of the coronavirus on the Plan and the Company will depend on future developments, which are highly uncertain and cannot be predicted, including new information which may emerge concerning the severity of the coronavirus and the actions required to contain the coronavirus or treat its impact, among others.

Payment of Benefits: Benefits are recorded when paid.

(Continued)

F.C.C. ASSOCIATES' RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Notes Receivable from Participants: Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be a distribution, the participant loan balance is reduced, and a benefit payment is recorded.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures, and actual results may differ from these estimates.

Investment Valuation and Income Recognition: The Plan's investments, other than fully benefit responsive investment contracts, are reported at fair value as further described in Note 4. Fair value is the price that would be received by the Plan for an asset or paid by the Plan to transfer a liability (an exit price) in an orderly transaction between market participants on the measurement date in the Plan's principal or most advantageous market for the asset or liability. Contract value is the relevant measure for the Plan's fully benefit-responsive investment contracts, because contract value is the amount Plan participants generally receive when executing transactions under the terms of the contract and Plan provisions.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Subsequent Events: Management evaluated subsequent events for the Plan through October 7, 2022, the date the financial statements were available to be issued.

NOTE 3 - CERTIFIED INVESTMENTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Prudential Bank & Trust, FSB and Prudential Retirement Insurance and Annuity Company ("PRIAC").

NOTE 4 - FAIR VALUE MEASUREMENTS

Fair value measurements are determined by maximizing the use of observable inputs and minimizing the use of unobservable inputs. The hierarchy places the highest priority on unadjusted quoted market prices in active markets for identical assets or liabilities (Level 1 measurements) and gives the lowest priority to unobservable inputs (Level 3 measurements). The three levels of inputs within the fair value hierarchy are defined as follows:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the Plan has the ability to access as of the measurement date.

(Continued)

F.C.C. ASSOCIATES' RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 4 - FAIR VALUE MEASUREMENTS (Continued)

Level 2: Significant other observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

Level 3: Significant unobservable inputs that reflect the Plan's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

In some cases, a valuation technique used to measure fair value may include inputs from multiple levels of the fair value hierarchy. The lowest level of significant input determines the placement of the entire fair value measurement in the hierarchy.

The following presents the valuation methods and assumptions used by the Plan to estimate the fair values of investments.

Mutual Funds: The fair values of mutual fund investments are determined by obtaining quoted prices on nationally recognized securities exchanges (Level 1 inputs).

Pooled Separate Accounts: Participants may direct the investment of their accounts into various pooled separate accounts issued by Prudential Retirement Insurance and Annuity Company. The fair values of participation units held in Prudential Retirement Insurance and Annuity Company Pooled Separate Accounts are based on the net asset values reported by the fund managers as of the financial statement dates and recent transaction prices. Each pooled separate account provides for daily redemptions by the Plan with no advance notice requirements and has redemption prices that are determined by the fund's net asset value per unit.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

	Fair Value Measurements as of December 31, 2021			
	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Investments:				
Mutual Funds	\$ 34,703,522	\$ 34,703,522	\$ -	\$ -
Pooled Separate Accounts*	<u>9,880,236</u>	<u>-</u>	<u>-</u>	<u>-</u>
Total Investment at Fair Value	<u>\$ 44,583,758</u>	<u>\$ 34,703,522</u>	<u>\$ -</u>	<u>\$ -</u>
	Fair Value Measurements as of December 31, 2020			
	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Investments:				
Mutual Funds	\$ 29,599,141	\$ 29,599,141	\$ -	\$ -
Pooled Separate Accounts*	<u>9,466,740</u>	<u>-</u>	<u>-</u>	<u>-</u>
Total Investment at Fair Value	<u>\$ 39,065,881</u>	<u>\$ 29,599,141</u>	<u>\$ -</u>	<u>\$ -</u>

* Investments measured at fair value using net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table for such investments are intended to permit reconciliation of the fair value hierarchy to the investments at fair value line item presented in the statement of net assets available for benefits.

(Continued)

NOTE 5 - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS

The Plan holds a fully benefit-responsive investment contract that is reported at contract value, which is generally the amount a participant would receive if he or she would initiate a withdrawal or transfer from the contract under the provisions of the Plan. Contract value represents contributions made to the contract, plus earnings, less participant withdrawals and administrative expenses. The contract value of the Plan's fully benefit-responsive investment contract (traditional guaranteed investment contract) was \$7,556,972 and \$6,949,563 and December 31, 2021 and 2020, respectively.

The Plan entered into a fully benefit-responsive investment contract with PRIAC via an investment in the Prudential Retirement Insurance and Annuity Company Guaranteed Income Fund (Guaranteed Income Fund). PRIAC maintains the contributions in a general account. The account is credited with interest and charged for administrative expenses. In certain instances when total distributions or transfers in the Guaranteed Income Fund within a calendar year exceed predetermined thresholds (e.g., 10% of the balance of the Fund on the first day of the year), transactions in the Guaranteed Income Fund may face certain restrictions, in accordance with contract terms. The Plan administrator does not believe that the occurrence of any such event, which would limit the Plan's ability to transact at contract value with participants within 90 days, is probable. There are no events that allow the PRIAC to terminate the contract and which require the plan sponsor to settle at an amount different than contract value within 90 days.

NOTE 6 - PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under DOL regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Some administrative expenses of the Plan are paid directly by the Company. The Plan holds pooled separate accounts as well as a guaranteed investment contract managed by PRIAC; therefore, these transactions and the Plan's payment of trustee and recordkeeping fees qualify as party-in-interest transactions. In addition, the Plan held party-in-interest investments in the form of participant loans at December 31, 2021 and 2020 of \$2,090,227 and \$2,471,954, respectively.

NOTE 7 - TAX STATUS

The Internal Revenue Service issued an opinion letter dated April 29, 2014 indicating that the prototype adopted by the Plan, as then designed, was in compliance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, Plan management believes that the Plan is designed and being operated in compliance with the applicable requirements of the IRC. Therefore, they believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

INDEPENDENT AUDITOR'S REPORT

The Plan Administrator
F.C.C. Associates' Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of F.C.C Associates' Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

(Continued)

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year from the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

(Continued)

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2021 and Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of F.C.C Associates' Retirement Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 23, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

F.C.C. ASSOCIATES' RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 1 - DESCRIPTION OF PLAN

The following description of the F.C.C. Associates' Retirement Plan (the Plan) provides general information about the Plan's provisions. F.C.C. (North America), Inc. (the Company) is the Plan sponsor. Participants should refer to the Plan agreement and the summary Plan description for a more complete description of the Plan's provisions, copies of which may be obtained from the plan sponsor.

General: The Plan is a defined contribution plan covering substantially all employees of the Company, which includes FCC (North America), Inc; FCC (Indiana); FCC (North Carolina), LLC; and FCC (Adams), LLC, who have three months of continuous service and have reached the age of 18. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The purpose of the Plan is to provide eligible employees a means of saving for retirement on a tax-deferred basis.

Contributions: Participants may contribute up to 50% of eligible Roth and pretax annual compensation, as defined in the Plan agreement. Highly compensated employees, as defined by the Plan, may contribute up to 25% of eligible annual compensation. Participants are automatically enrolled in the Plan at 3% with an automatic escalation of 1% annually on January 1, up to a maximum deferral rate of 10% unless elected otherwise by the participant. The Plan also permits participants to roll over distributions they receive from other qualified retirement plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company currently matches 100% of the portion of each participant's contributions, which does not exceed 3% of compensation. At its discretion, the Company's management may elect to make a discretionary contribution. There were no discretionary contributions for the year ended December 31, 2021. Employer contributions are invested into the investment funds for each participant following the same investment elections established by the participant for the participant contribution. Contributions are subject to certain limitations.

Participant Accounts and Forfeitures: Each participant's account is credited with the participant's contribution and allocations of the Company's contribution and plan earnings. Allocations are based on participant compensation or account balances, as defined in the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Forfeited balances of a terminated participant's non-vested accounts are reallocated among the remaining participants in the proportion that each participant's compensation for the year bears to the total compensation of all participants for the year. There was approximately \$387,000 and \$333,000 of unallocated forfeitures included in plan assets at December 31, 2021 and 2020, respectively. \$333,491 of forfeitures were reallocated to participants during 2021.

Vesting: Participant contributions and related earnings are immediately vested. Company contributions vest according to the following schedule:

<u>Years of Service</u>	<u>Vesting %</u>
<1 year	-
1 year	20
2 years	40
3 years	60
4 years	80
5 or more years	100

(Continued)

F.C.C. ASSOCIATES' RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Participant Loans: Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms shall not exceed five years except for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at the published prime rate. The interest rates on outstanding loans at December 31, 2021 and 2020, ranged from 3.25% to 5.5%. Principal and interest are paid through payroll deductions.

Payment of Benefits: Participants become eligible for benefit payments upon death, disability, retirement, or termination. Participants may elect to receive either a lump-sum cash distribution equal to the value of the vested interest in his or her account, a direct rollover distribution, a nontransferable annuity payable over the lifetime of the participant or the joint lifetimes of the participant and a designated individual, or defer receipt of their account balance until age 70 $\frac{1}{2}$. Participants may also take distributions from the Plan upon attainment of age 59 $\frac{1}{2}$. Participants may also receive a distribution for reasons of proven financial hardship, up to the amount the employee has deferred (excluding earnings thereon) under the Plan.

Administrative and Investment Management Expenses: Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Plan recordkeeping and trustee fees are paid by the Plan and are reflected in the financial statements as administrative expenses. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment management fees are charged to the Plan as a reduction of investment return and included in the investment income (loss) reported by the Plan.

Plan Termination: Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants will become 100% vested in their accounts.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared under the accrual method of accounting.

Risks and Uncertainties: The Plan invests in various investments. Investments are exposed to various risks such as interest rate, market volatility, liquidity and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The coronavirus was declared a Public Health Emergency of International Concern by the World Health Organization on January 30, 2020 and a global pandemic on March 11, 2020. The ultimate impact of the coronavirus on the Plan and the Company will depend on future developments, which are highly uncertain and cannot be predicted, including new information which may emerge concerning the severity of the coronavirus and the actions required to contain the coronavirus or treat its impact, among others.

Payment of Benefits: Benefits are recorded when paid.

(Continued)

F.C.C. ASSOCIATES' RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Notes Receivable from Participants: Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be a distribution, the participant loan balance is reduced, and a benefit payment is recorded.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures, and actual results may differ from these estimates.

Investment Valuation and Income Recognition: The Plan's investments, other than fully benefit responsive investment contracts, are reported at fair value as further described in Note 4. Fair value is the price that would be received by the Plan for an asset or paid by the Plan to transfer a liability (an exit price) in an orderly transaction between market participants on the measurement date in the Plan's principal or most advantageous market for the asset or liability. Contract value is the relevant measure for the Plan's fully benefit-responsive investment contracts, because contract value is the amount Plan participants generally receive when executing transactions under the terms of the contract and Plan provisions.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Subsequent Events: Management evaluated subsequent events for the Plan through October 7, 2022, the date the financial statements were available to be issued.

NOTE 3 - CERTIFIED INVESTMENTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Prudential Bank & Trust, FSB and Prudential Retirement Insurance and Annuity Company ("PRIAC").

NOTE 4 - FAIR VALUE MEASUREMENTS

Fair value measurements are determined by maximizing the use of observable inputs and minimizing the use of unobservable inputs. The hierarchy places the highest priority on unadjusted quoted market prices in active markets for identical assets or liabilities (Level 1 measurements) and gives the lowest priority to unobservable inputs (Level 3 measurements). The three levels of inputs within the fair value hierarchy are defined as follows:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the Plan has the ability to access as of the measurement date.

(Continued)

F.C.C. ASSOCIATES' RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 4 - FAIR VALUE MEASUREMENTS (Continued)

Level 2: Significant other observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

Level 3: Significant unobservable inputs that reflect the Plan's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

In some cases, a valuation technique used to measure fair value may include inputs from multiple levels of the fair value hierarchy. The lowest level of significant input determines the placement of the entire fair value measurement in the hierarchy.

The following presents the valuation methods and assumptions used by the Plan to estimate the fair values of investments.

Mutual Funds: The fair values of mutual fund investments are determined by obtaining quoted prices on nationally recognized securities exchanges (Level 1 inputs).

Pooled Separate Accounts: Participants may direct the investment of their accounts into various pooled separate accounts issued by Prudential Retirement Insurance and Annuity Company. The fair values of participation units held in Prudential Retirement Insurance and Annuity Company Pooled Separate Accounts are based on the net asset values reported by the fund managers as of the financial statement dates and recent transaction prices. Each pooled separate account provides for daily redemptions by the Plan with no advance notice requirements and has redemption prices that are determined by the fund's net asset value per unit.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

	Fair Value Measurements as of December 31, 2021			
	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Investments:				
Mutual Funds	\$ 34,703,522	\$ 34,703,522	\$ -	\$ -

Total Investment at Fair Value	<u>\$ 44,583,758</u>	<u>\$ 34,703,522</u>	<u>\$ -</u>	<u>\$ -</u>
	Fair Value Measurements as of December 31, 2020			
	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>

Total Investment at Fair Value	<u>\$ 39,065,881</u>	<u>\$ 29,599,141</u>	<u>\$ -</u>	<u>\$ -</u>

* Investments measured at fair value using net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table for such investments are intended to permit reconciliation of the fair value hierarchy to the investments at fair value line item presented in the statement of net assets available for benefits.

(Continued)

NOTE 5 - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS

The Plan holds a fully benefit-responsive investment contract that is reported at contract value, which is generally the amount a participant would receive if he or she would initiate a withdrawal or transfer from the contract under the provisions of the Plan. Contract value represents contributions made to the contract, plus earnings, less participant withdrawals and administrative expenses. The contract value of the Plan's fully benefit-responsive investment contract (traditional guaranteed investment contract) was \$7,556,972 and \$6,949,563 and December 31, 2021 and 2020, respectively.

The Plan entered into a fully benefit-responsive investment contract with PRIAC via an investment in the Prudential Retirement Insurance and Annuity Company Guaranteed Income Fund (Guaranteed Income Fund). PRIAC maintains the contributions in a general account. The account is credited with interest and charged for administrative expenses. In certain instances when total distributions or transfers in the Guaranteed Income Fund within a calendar year exceed predetermined thresholds (e.g., 10% of the balance of the Fund on the first day of the year), transactions in the Guaranteed Income Fund may face certain restrictions, in accordance with contract terms. The Plan administrator does not believe that the occurrence of any such event, which would limit the Plan's ability to transact at contract value with participants within 90 days, is probable. There are no events that allow the PRIAC to terminate the contract and which require the plan sponsor to settle at an amount different than contract value within 90 days.

NOTE 6 - PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under DOL regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Some administrative expenses of the Plan are paid directly by the Company. The Plan holds pooled separate accounts as well as a guaranteed investment contract managed by PRIAC; therefore, these transactions and the Plan's payment of trustee and recordkeeping fees qualify as party-in-interest transactions. In addition, the Plan held party-in-interest investments in the form of participant loans at December 31, 2021 and 2020 of \$2,090,227 and \$2,471,954, respectively.

NOTE 7 - TAX STATUS

The Internal Revenue Service issued an opinion letter dated April 29, 2014 indicating that the prototype adopted by the Plan, as then designed, was in compliance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, Plan management believes that the Plan is designed and being operated in compliance with the applicable requirements of the IRC. Therefore, they believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

INDEPENDENT AUDITOR'S REPORT

The Plan Administrator
F.C.C. Associates' Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of F.C.C Associates' Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

(Continued)

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year from the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

(Continued)

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2021 and Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of F.C.C Associates' Retirement Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 23, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

F.C.C. ASSOCIATES' RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 1 - DESCRIPTION OF PLAN

The following description of the F.C.C. Associates' Retirement Plan (the Plan) provides general information about the Plan's provisions. F.C.C. (North America), Inc. (the Company) is the Plan sponsor. Participants should refer to the Plan agreement and the summary Plan description for a more complete description of the Plan's provisions, copies of which may be obtained from the plan sponsor.

General: The Plan is a defined contribution plan covering substantially all employees of the Company, which includes FCC (North America), Inc; FCC (Indiana); FCC (North Carolina), LLC; and FCC (Adams), LLC, who have three months of continuous service and have reached the age of 18. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The purpose of the Plan is to provide eligible employees a means of saving for retirement on a tax-deferred basis.

Contributions: Participants may contribute up to 50% of eligible Roth and pretax annual compensation, as defined in the Plan agreement. Highly compensated employees, as defined by the Plan, may contribute up to 25% of eligible annual compensation. Participants are automatically enrolled in the Plan at 3% with an automatic escalation of 1% annually on January 1, up to a maximum deferral rate of 10% unless elected otherwise by the participant. The Plan also permits participants to roll over distributions they receive from other qualified retirement plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company currently matches 100% of the portion of each participant's contributions, which does not exceed 3% of compensation. At its discretion, the Company's management may elect to make a discretionary contribution. There were no discretionary contributions for the year ended December 31, 2021. Employer contributions are invested into the investment funds for each participant following the same investment elections established by the participant for the participant contribution. Contributions are subject to certain limitations.

Participant Accounts and Forfeitures: Each participant's account is credited with the participant's contribution and allocations of the Company's contribution and plan earnings. Allocations are based on participant compensation or account balances, as defined in the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Forfeited balances of a terminated participant's non-vested accounts are reallocated among the remaining participants in the proportion that each participant's compensation for the year bears to the total compensation of all participants for the year. There was approximately \$387,000 and \$333,000 of unallocated forfeitures included in plan assets at December 31, 2021 and 2020, respectively. \$333,491 of forfeitures were reallocated to participants during 2021.

Vesting: Participant contributions and related earnings are immediately vested. Company contributions vest according to the following schedule:

<u>Years of Service</u>	<u>Vesting %</u>
<1 year	-
1 year	20
2 years	40
3 years	60
4 years	80
5 or more years	100

(Continued)

F.C.C. ASSOCIATES' RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Participant Loans: Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms shall not exceed five years except for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at the published prime rate. The interest rates on outstanding loans at December 31, 2021 and 2020, ranged from 3.25% to 5.5%. Principal and interest are paid through payroll deductions.

Payment of Benefits: Participants become eligible for benefit payments upon death, disability, retirement, or termination. Participants may elect to receive either a lump-sum cash distribution equal to the value of the vested interest in his or her account, a direct rollover distribution, a nontransferable annuity payable over the lifetime of the participant or the joint lifetimes of the participant and a designated individual, or defer receipt of their account balance until age 70 $\frac{1}{2}$. Participants may also take distributions from the Plan upon attainment of age 59 $\frac{1}{2}$. Participants may also receive a distribution for reasons of proven financial hardship, up to the amount the employee has deferred (excluding earnings thereon) under the Plan.

Administrative and Investment Management Expenses: Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Plan recordkeeping and trustee fees are paid by the Plan and are reflected in the financial statements as administrative expenses. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment management fees are charged to the Plan as a reduction of investment return and included in the investment income (loss) reported by the Plan.

Plan Termination: Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants will become 100% vested in their accounts.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared under the accrual method of accounting.

Risks and Uncertainties: The Plan invests in various investments. Investments are exposed to various risks such as interest rate, market volatility, liquidity and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The coronavirus was declared a Public Health Emergency of International Concern by the World Health Organization on January 30, 2020 and a global pandemic on March 11, 2020. The ultimate impact of the coronavirus on the Plan and the Company will depend on future developments, which are highly uncertain and cannot be predicted, including new information which may emerge concerning the severity of the coronavirus and the actions required to contain the coronavirus or treat its impact, among others.

Payment of Benefits: Benefits are recorded when paid.

(Continued)

F.C.C. ASSOCIATES' RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Notes Receivable from Participants: Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be a distribution, the participant loan balance is reduced, and a benefit payment is recorded.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures, and actual results may differ from these estimates.

Investment Valuation and Income Recognition: The Plan's investments, other than fully benefit responsive investment contracts, are reported at fair value as further described in Note 4. Fair value is the price that would be received by the Plan for an asset or paid by the Plan to transfer a liability (an exit price) in an orderly transaction between market participants on the measurement date in the Plan's principal or most advantageous market for the asset or liability. Contract value is the relevant measure for the Plan's fully benefit-responsive investment contracts, because contract value is the amount Plan participants generally receive when executing transactions under the terms of the contract and Plan provisions.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Subsequent Events: Management evaluated subsequent events for the Plan through October 7, 2022, the date the financial statements were available to be issued.

NOTE 3 - CERTIFIED INVESTMENTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Prudential Bank & Trust, FSB and Prudential Retirement Insurance and Annuity Company ("PRIAC").

NOTE 4 - FAIR VALUE MEASUREMENTS

Fair value measurements are determined by maximizing the use of observable inputs and minimizing the use of unobservable inputs. The hierarchy places the highest priority on unadjusted quoted market prices in active markets for identical assets or liabilities (Level 1 measurements) and gives the lowest priority to unobservable inputs (Level 3 measurements). The three levels of inputs within the fair value hierarchy are defined as follows:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the Plan has the ability to access as of the measurement date.

(Continued)

F.C.C. ASSOCIATES' RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 4 - FAIR VALUE MEASUREMENTS (Continued)

Level 2: Significant other observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

Level 3: Significant unobservable inputs that reflect the Plan's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

In some cases, a valuation technique used to measure fair value may include inputs from multiple levels of the fair value hierarchy. The lowest level of significant input determines the placement of the entire fair value measurement in the hierarchy.

The following presents the valuation methods and assumptions used by the Plan to estimate the fair values of investments.

Mutual Funds: The fair values of mutual fund investments are determined by obtaining quoted prices on nationally recognized securities exchanges (Level 1 inputs).

Pooled Separate Accounts: Participants may direct the investment of their accounts into various pooled separate accounts issued by Prudential Retirement Insurance and Annuity Company. The fair values of participation units held in Prudential Retirement Insurance and Annuity Company Pooled Separate Accounts are based on the net asset values reported by the fund managers as of the financial statement dates and recent transaction prices. Each pooled separate account provides for daily redemptions by the Plan with no advance notice requirements and has redemption prices that are determined by the fund's net asset value per unit.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

	Fair Value Measurements as of December 31, 2021			
	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Investments:				
Mutual Funds	\$ 34,703,522	\$ 34,703,522	\$ -	\$ -

Total Investment at Fair Value	<u>\$ 39,065,881</u>	<u>\$ 29,599,141</u>	<u>\$ -</u>	<u>\$ -</u>

* Investments measured at fair value using net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table for such investments are intended to permit reconciliation of the fair value hierarchy to the investments at fair value line item presented in the statement of net assets available for benefits.

(Continued)

NOTE 5 - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS

The Plan holds a fully benefit-responsive investment contract that is reported at contract value, which is generally the amount a participant would receive if he or she would initiate a withdrawal or transfer from the contract under the provisions of the Plan. Contract value represents contributions made to the contract, plus earnings, less participant withdrawals and administrative expenses. The contract value of the Plan's fully benefit-responsive investment contract (traditional guaranteed investment contract) was \$7,556,972 and \$6,949,563 and December 31, 2021 and 2020, respectively.

The Plan entered into a fully benefit-responsive investment contract with PRIAC via an investment in the Prudential Retirement Insurance and Annuity Company Guaranteed Income Fund (Guaranteed Income Fund). PRIAC maintains the contributions in a general account. The account is credited with interest and charged for administrative expenses. In certain instances when total distributions or transfers in the Guaranteed Income Fund within a calendar year exceed predetermined thresholds (e.g., 10% of the balance of the Fund on the first day of the year), transactions in the Guaranteed Income Fund may face certain restrictions, in accordance with contract terms. The Plan administrator does not believe that the occurrence of any such event, which would limit the Plan's ability to transact at contract value with participants within 90 days, is probable. There are no events that allow the PRIAC to terminate the contract and which require the plan sponsor to settle at an amount different than contract value within 90 days.

NOTE 6 - PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under DOL regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Some administrative expenses of the Plan are paid directly by the Company. The Plan holds pooled separate accounts as well as a guaranteed investment contract managed by PRIAC; therefore, these transactions and the Plan's payment of trustee and recordkeeping fees qualify as party-in-interest transactions. In addition, the Plan held party-in-interest investments in the form of participant loans at December 31, 2021 and 2020 of \$2,090,227 and \$2,471,954, respectively.

NOTE 7 - TAX STATUS

The Internal Revenue Service issued an opinion letter dated April 29, 2014 indicating that the prototype adopted by the Plan, as then designed, was in compliance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, Plan management believes that the Plan is designed and being operated in compliance with the applicable requirements of the IRC. Therefore, they believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.
