Administrative Committee of  
PMG U.S. Group Savings and  
Retirement Plan  
Columbus, Indiana

Independent Auditor's Report

**Scope and Nature of the ERISA 103(a)(3)(C) Audit for the 2021 Financial Statements**

We have performed an audit of the financial statements of PMG U.S. Group Savings and Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

**Opinion on the 2021 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by PMG U.S. Group Savings and Retirement Plan and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion on the 2021 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of PMG U.S. Group Savings and Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about PMG U.S. Group Savings and Retirement Plan's ability to continue as a going concern within one year after financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of PMG U.S. Group Savings and Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about PMG U.S. Group Savings and Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## **Other Matters**

### *2021 Supplemental Schedules Required by ERISA*

The supplemental schedules schedule H, part IV, line 4a, schedule of delinquent participant contributions, and Schedule H, Part IV, line 4i - schedule of assets held for investment purposes at end of year as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by PMG U.S. Group Savings and Retirement Plan and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

*Auditor's Report on the 2020 Financial Statements*

We were engaged to audit the 2020 financial statements of PMG U.S. Group Savings and Retirement Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 13, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## NOTES TO FINANCIAL STATEMENTS

### PMG U.S. GROUP SAVINGS AND RETIREMENT PLAN

December 31, 2021 and 2020

#### **NOTE A - DESCRIPTION OF PLAN**

The following brief description of PMG U.S. Group Savings and Retirement Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

##### **General:**

The Plan is a defined contribution 401(k) profit sharing plan covering all employees of PMG Indiana Corporation and PMG Pennsylvania Corporation (collectively the Company). These two affiliated entities are under common control. Employees are eligible to participate in the Plan after completing 6 months of service and are age 18 or older. Employees are eligible for the discretionary profit sharing contributions after completion of 501 hours of service in a 6 month period, are age 18 or older, and are employed on the last day of the Plan year. The Plan also includes an auto enrollment feature for all eligible participants. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Administrative Committee oversees governance of the Plan, determines the appropriateness of the Plan's investment offerings and monitors investment performance.

##### **Contributions:**

Participants are automatically enrolled in the plan unless they elect otherwise and may make voluntary contributions from their compensation, as defined in the Plan agreement. The maximum voluntary contribution was \$19,500 in 2021 and 2020, respectively. The total annual participant voluntary contribution is adjusted annually by a cost of living factor. Participants who will be at least age 50 by the end of the year may make additional contributions of \$6,500 for 2021 and 2020.

The Company makes a discretionary matching contribution that is based on a percentage of the employee's contribution. For the years ended December 31, 2021 and 2020, the Company's contribution was 50% of the employee's contribution up to the first 6% of annual compensation. Effective September 14, 2020, the matching contribution was suspended. These contributions were reinstated on January, 1, 2021.

In addition, the Company may make annual discretionary profit sharing contributions to the Plan allocated based on the participants' compensation during the year. The Company can choose not to contribute to the Plan for a particular year. The Company did not make any profit sharing contributions in 2021 and 2020.

Participants may direct the investment of their voluntary contributions and employer's matching and profit sharing contributions into any of several investment options.

##### **Participant Accounts:**

Each participant's account is credited with their voluntary contributions and allocations of (a) the Company's contribution, (b) Plan earnings, and (c) any forfeiture of terminated participants' non-vested accounts at the discretion of the plan administrator. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

## NOTES TO FINANCIAL STATEMENTS

### PMG U.S. GROUP SAVINGS AND RETIREMENT PLAN

December 31, 2021 and 2020

#### **NOTE A - DESCRIPTION OF PLAN (CONTINUED)**

##### **Vesting:**

Participants are immediately vested in their voluntary contributions. Vesting in the Company's matching and discretionary contribution portion of their accounts is determined based upon years of service. A participant is vested according to the following table:

| <u>Years of Service</u> | <u>Vesting %</u> |
|-------------------------|------------------|
| 0                       | 0%               |
| 1                       | 50%              |
| 2                       | 100%             |

##### **Payment of Benefits:**

Distributions are available upon termination, financial hardship, disability, death or attaining age 59-1/2. Benefits are paid in either a lump-sum amount equal to the value of the participant's vested interest in his or her account, annual installments over a specified period of time, or a combination thereof, if the value of the account is over \$5,000. For accounts less than \$5,000, the participant will receive a lump-sum payment.

##### **Forfeitures:**

The non-vested portion of a terminated participant's account balance remains in the Plan and is called a forfeiture. At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$3,097 and \$3,544, respectively. Forfeitures may be used by the Plan at the discretion of the plan administrator for payment of plan expenses. Any remaining amounts may be used to reduce future employer matching contributions. In 2021, administrative expenses and employer matching contributions paid from the forfeited non-vested accounts amounted to \$4,883 and \$4,077, respectively. In 2020, administrative expenses and employer matching contributions paid from the forfeited non-vested accounts amounted to \$9,123 and \$13,024, respectively.

##### **Notes Receivable from Participants:**

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum of the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined at the time the loan is issued by the plan administrator. Principal and interest are paid ratably through payroll deductions.

##### **Plan Expenses:**

Except for administrative expenses relating to participant loans and distributions and costs that are covered by forfeitures applied to such costs at the discretion of the plan administrator, the Company is absorbing all significant costs of the Plan.

## NOTES TO FINANCIAL STATEMENTS

### PMG U.S. GROUP SAVINGS AND RETIREMENT PLAN

December 31, 2021 and 2020

#### **NOTE A - DESCRIPTION OF PLAN (CONTINUED)**

##### **CARES Act:**

Effective January 1, 2020, the Plan adopted the applicable provisions of the Coronavirus Aid, Relief, and Economic Security Act (CARES Act), which was signed into law on March 27, 2020. The CARES Act distribution provision allowed the Plan's participants to take a distribution up to \$100,000 or 100% of their vested balance, whichever is less, from the Plan beginning on or after January 1, 2020 and before December 31, 2020. Eligible participants who receive a distribution under the CARES Act were not subject to the standard early withdrawal penalty that generally applies to participants under the age of 59½. In addition, the Plan adopted the temporary loan repayment deferral provision of the CARES Act. The deferral provision adopted by the Plan allowed qualified Plan participants who had Plan loan repayments to suspend such repayments through December 31, 2020 and then reamortize the loan over the remaining period of the loan plus up to an additional 12 months. Pursuant to the CARES Act, the Plan also suspended all minimum required distributions for 2020 and allowed participants who had already taken their minimum required distributions to roll them back into the Plan.

#### **NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

##### **Basis of Accounting:**

The financial statements of the Plan are prepared using the accrual method of accounting.

##### **Investment Valuation and Income Recognition:**

The Plan's investments are stated at fair value. Money market accounts and shares of mutual funds are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year-end. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

##### **Notes Receivable from Participants:**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2021 and 2020, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

##### **Excess Contributions Payable:**

Amounts payable to participants totaling \$10,689 and \$12,290 at December 31, 2021 and 2020, respectively, for contributions in excess of amounts allowed by the IRS are recorded as a liability and are included in corrective distributions. The Plan distributed the 2021 excess contributions to the applicable participants prior to April 18, 2022.

##### **Use of Estimates:**

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

#### **NOTE C - INFORMATION CERTIFIED BY THE TRUSTEE**

Investments and participant accounts are managed by Fidelity Management Trust Company. The Plan maintains the records of the participants. All financial information contained in the accompanying financial statements and supplemental schedules regarding investments, participant loans, interest and dividend income, and net appreciation in fair value of investments as of and for the years ended December 31, 2021 and 2020, have been certified by Fidelity Management Trust Company as complete and accurate in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations and Disclosure under the Employee Retirement Security Act of 1974.

#### **NOTE D - INVESTMENTS AND FAIR VALUE MEASUREMENTS**

FASB ASC 820 requires the Plan to classify its assets and liabilities based on valuation methods using three inputs. Level 1 inputs are based on quoted prices in active markets for identical investments. Level 2 inputs are based on significant observable market inputs, such as quoted prices for similar investments and quoted prices in inactive markets. Level 3 inputs are based on significant unobservable inputs that reflect the Plan's determination of assumptions that market participants might reasonably use in valuing the investments. The valuation inputs are not necessarily an indication of risk or liquidity associated with the underlying investments.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

| Assets at Fair Value                      |                      |                      |

All these transactions qualify as party-in-interest transactions and are exempt from the prohibited transaction rules of ERISA.

#### **NOTE F - PLAN TERMINATION**

### PMG U.S. GROUP SAVINGS AND RETIREMENT PLAN

December 31, 2021 and 2020

#### NOTE H - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

On January 30, 2020, the World Health Organization ("WHO") announced a global health emergency because of a new strain of coronavirus originating in Wuhan, China (the "COVID-19 outbreak") and the risks to the international community as the virus spreads globally beyond its point of origin. In March 2020, the WHO classified the COVID-19 outbreak as a pandemic, based on the rapid increase in exposure globally.

The full impact of the COVID-19 outbreak continues to evolve as of the date of this report. This pandemic has adversely affected global economic activity and greatly contributed to instability in financial markets. Because the values of the Plan's individual investments may fluctuate in response to changing market conditions, the amount of losses that will be recognized in subsequent periods, if any, and related impact on the Plan's liquidity cannot be determined at this time.
