Pond Lehocky LLP 401(k) Profit Sharing Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of the Pond Lehocky LLP 401(k) Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the 2021 Financial Statements* section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are required to be independent of Pond Lehighy LLP 401(k) Profit Sharing Plan and Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Pond Lehighy LLP 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Pond Lehocky LLP 401(k) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Pond Lehocky LLP 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) and Delinquent Participant Contributions as of December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Pond Lehigh LLP 401(k) Profit Sharing Plan and Trust. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 4, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

1. Description of plan

The following description of the Pond Lehocky LLP 401(k) Profit Sharing Plan and Trust (Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering employees of Pond Lehocky Giordano LLP d/b/a Pond Lehocky LLP (Company) and its affiliate Pond Lehocky Giordano Disability LLC d/b/a Pond Lehocky Disability LLC. The Plan covers substantially all employees who are age twenty-one and older. Through June 21, 2018, one year of service was required in order to participate in all contributions under the Plan. Effective June 22, 2018, the Plan was amended to allow for immediate participation for the purpose of elective deferrals only.

Participants may enter the Plan immediately upon meeting the Plan's eligibility requirements. Through June 21, 2018, the Plan included an automatic pre-tax deferral provision under which 7% of compensation was deferred, with an annual 1% increase up to a maximum of 12%, unless otherwise elected by the participant, for employees meeting the Plan's eligibility requirements on or after March 1, 2016. Effective June 22, 2018, the Plan was amended to decrease the automatic pre-tax deferral to 5% with an annual escalation of 1% up to a maximum of 10%. Prior to September 27, 2019, the annual escalation date was based on a participant's automatic enrollment anniversary. Effective September 27, 2019, the Plan was amended to establish January 1st as the annual escalation date. For participants that are automatically enrolled in the Plan during the last 90 days of the plan year, the annual escalation will be deferred until the subsequent January 1st. Effective April 16, 2021, pursuant to amendment, the Plan's automatic escalation provisions were eliminated.

The Plan was amended to formally adopt the hardship distribution provisions under the Bipartisan Budget Act of 2018 with an effective date of January 1, 2020.

Due to the permanent layoff of a significant number of the Company's employees during 2020, it was determined that a partial plan termination had occurred. As a result, the affected participants became fully vested in their accounts.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan's trustees are responsible for oversight of the Plan. The Company is the Plan Administrator and is responsible for the day-to-day operations of the Plan. The Plan's trustees determine the appropriateness of the Plan's investment offerings and monitor investment performance.

Coronavirus Aid, Relief, and Economic Security (CARES) Act

The CARES Act was signed into law on March 27, 2020 in response to the economic impact caused by the coronavirus pandemic. The CARES Act includes, among other things, several optional relief provisions available to tax-qualified retirement plans and their participants. During 2020, plan management elected to implement the following provisions:

1. Description of plan (Continued)

Coronavirus Aid, Relief, and Economic Security (CARES) Act (Continued)

- Permitting participants with loans outstanding to defer payments due in 2020 to after January 1, 2021.
- A temporary waiver of required minimum distributions (RMDs) permitted participants to suspend their RMDs for 2020.

The CARES Act allows for immediate utilization of these provisions with formal amendment required no later than December 31, 2025.

Contributions

Participants may contribute up to 100% of eligible compensation, as defined by the Plan, on either a pre-tax deferral basis or on an after-tax basis as a Roth 401(k) deferral. Participants that are fifty years of age or older may make catch-up contributions to the Plan. Contributions are subject to certain statutory limitations. Participants may also contribute amounts representing distributions from other qualified plans as rollover contributions. The Company and its affiliate may make discretionary matching contributions and participants must be employed on the last day of the year to receive this match. The Company and its affiliate may make discretionary profit sharing contributions, which are allocated in the ratio that each participant's compensation bears to total compensation of all eligible participants with the allocation determined as of the end of the Plan year. In order to receive an allocation of profit sharing contributions, participants must complete 500 hours of service or be employed on the last day of the year. The profit sharing formula is not integrated with social security. For 2021, the Company and its affiliate declared the following discretionary match: 100% of salary deferrals up to 2% of a participant's eligible compensation, 50% of salary deferrals from 3% to 4% of a participant's eligible compensation, and 25% of salary deferrals from 5% to 8% of a participant's eligible compensation. The matching contribution for the year ended December 31, 2021, which totaled \$275,252 before the application of forfeitures, was funded in 2022. No profit sharing contribution was declared for 2021. Participants direct the investment of contributions into various investment options offered by the Plan and may change their investment options at any time.

Participant accounts

Each participant's account is credited with the participant's elective and rollover contributions and Company's matching contributions, as well as allocations of the Company's profit sharing contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting

Participants are immediately vested in their voluntary and rollover contributions. Vesting in the Company's matching contributions and profit sharing contributions, plus actual earnings thereon, is based on years of continuous service. A participant is 100% vested, using graduated vesting, after six years of credited service. Additionally, participants become 100% vested if separated from service due to death or disability or upon reaching normal retirement age, as defined in the Plan.

Notes receivable from participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of the lesser of 50% of the participant's vested account balance or \$50,000. The loans are collateralized by the balance in the participant's account and bear interest at the prime rate in effect at the loan's inception plus 2%. Principal and interest is paid ratably through payroll deductions over a period generally not to exceed sixty months, unless the loan is for the purchase of a principal residence, for which the repayment term may not exceed three hundred and sixty months. A participant may have no more than one loan outstanding at a given time. Refinancing of loans is not permitted.

Payment of benefits

Participants may withdraw all or a portion of their vested accounts upon termination of service due to death, disability, retirement or severance of employment before attaining normal retirement age. Benefits are generally paid in the form of a lump sum. A participant may also elect in-service distributions provided the participant has attained the age of 59½. Additionally, in-service distributions are always permitted from a participant's rollover account.

In addition, participants may withdraw from their employee elective deferral account, excluding Roth, if they incur a financial hardship.

Forfeited accounts

At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$6,771 and \$14,968, respectively. Forfeitures are generally utilized annually to reduce the funding of the employer matching contribution but may also be utilized to reinstate previously forfeited account balances of participants or pay administrative expenses. During 2021, forfeitures were utilized to restore balances of certain plan participants impacted by 2020 partial plan termination and to pay administrative expenses.

Remittance of contributions

The Company remits employee deferral contributions to the Plan on a payroll by payroll basis. The Company remits employer matching and profit sharing contributions after the close of the plan year.

2. Summary of significant accounting policies

Basis of accounting

The accompanying financial statements have been prepared using the accrual basis of accounting.

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Trustees determine the Plan's valuation policies using information provided by the custodian. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of benefits

Benefits are recorded when paid.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Tax status

Effective January 1, 2015, the Plan adopted a Volume Submitter Profit Sharing Plan with CODA developed by Milberg Consulting LLC. The Internal Revenue Service (IRS) has determined and informed Milberg Consulting LLC by its IRS Advisory Letter dated September 30, 2014, that the form of the volume submitter plan as then designed was in compliance with applicable provisions of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the advisory letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with applicable requirements of the IRC and, therefore, believe that the Plan is qualified and the related trust is tax exempt. Accordingly, there is no provision for income taxes in the accompanying financial statements.

401(K) PROFIT SHARING PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

2. Summary of significant accounting policies (Continued)

Tax status (Continued)

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 740, *Income Taxes*, requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if they have taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021 there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan's policy is to recognize interest and penalties related to unrecognized tax benefits in income tax expense.

Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for the benefits.

On March 11, 2020, the World Health Organization declared the outbreak of a coronavirus (COVID-19) a pandemic. The COVID-19 pandemic and resulting global disruptions have caused significant economic uncertainty and volatility in financial markets. Because of the uncertainty of the markets during this time, Plan management is unable to estimate the total impact the pandemic, if any, will have on the Plan's financial statements.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results could differ from these estimates.

Administrative expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from the financial statements. Contract administration fees and fees related to the administration of notes receivable from participants and benefits paid to participants charged directly to the affected participant's account are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

2. Summary of significant accounting policies (Continued)

Recent accounting pronouncements

In August 2018, FASB issued *Accounting Standards Update 2018-13, Disclosure Framework – Changes to the Disclosure Requirements for Fair Value Measurement (ASU 2018-13)*. ASU 2018-13 modifies the disclosure requirements for fair value measurements in ASC Topic 820, *Fair Value Measurement*. ASU 2018-13 is effective for all entities for fiscal years beginning after December 15, 2019. The Plan adopted ASU 2018-13 on January 1, 2020, which did not have a material effect on the Plan's financial statements.

3. Investments and fair value of financial instruments

ASC Topic 820, *Fair Value Measurement*, provides a framework for measuring, reporting and disclosing fair value under generally accepted accounting principles. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in an active market for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2021 and 2020.

Registered investment companies (mutual funds) – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

POND LEHOCKY LLP
401(K) PROFIT SHARING PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

3. Investments and fair value of financial instruments (Continued)

Pooled separate accounts – Valued based on the NAV of units in each account held by the Plan at year end. The NAV, as provided by the custodian, is used as a practical expedient to estimating fair value. The NAV is based upon the fair value of the underlying investments comprising the account less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value could result in a different fair value measurement at the reporting date.

Assets at fair value at December 31, 2021 were as follows:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Registered investment companies	<u>\$6,129,982</u>			\$6,129,982
Investments measured at net asset value				
(a) Pooled separate accounts				<u>291,755</u>
Total investments at fair value				<u>\$6,421,737</u>

Assets at fair value at December 31, 2020 were as follows:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Registered investment companies	<u>\$5,326,855</u>			\$5,326,855
Investments measured at net asset value				
(a) Pooled separate accounts				<u>187,312</u>
Total investments at fair value				<u>\$5,514,167</u>

- (a) In accordance with ASC 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

3. Investments and fair value of financial instruments (Continued)

Changes in fair value levels

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

The Plan evaluates the significance of transfers between levels based upon the nature of the financial instrument and size of the transfer relative to total net assets available for benefits. There were no transfers in or out of Levels 1, 2, or 3 for the years ended December 31, 2021 and 2020.

Investments measured using the net asset value per share practical expedient

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2021 and 2020. There are no participant redemption restrictions for these investments. The redemption notice period is applicable only to the Plan.

<u>Investment Type</u>	<u>Fair Value</u> <u>as of December 31,</u>		<u>Unfunded</u> <u>Commitments</u>	<u>Redemption</u> <u>Frequency</u>	<u>Redemption</u> <u>Notice Period</u>

4. Investment information certified by the custodian

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Principal Life Insurance Company and Delaware Charter Guarantee & Trust Company d/b/a Principal Trust Company, (collectively "Principal"), the custodian of the Plan, as complete and accurate, except for comparing such information certified by the custodian to information included in the Plan's financial statements and supplemental schedule. The custodian certified the following as complete and accurate:

- a. The investments, at fair value, at December 31, 2021 and 2020.
- b. Net appreciation in fair value of investments and dividend income for the year ended December 31, 2021.

NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

5. Related party and party in interest transactions

Certain plan investments are units of pooled separate accounts managed by Principal. Principal is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

Principal and the Plan have established a Plan Expense Agreement (PEA) under which the Plan receives a portion of revenue received for Principal's recordkeeping services. The amounts received by the Plan under the PEA may only be used to pay the costs of legitimate plan expenses. During 2021, amounts earned under the PEA totaled \$12,263 and are included in other income in the statement of changes in net assets available for benefits.

The Plan also issues loans to its participants which are secured by the participant's account balances.

6. Prohibited transactions

During the year ended December 31, 2020, the Company did not remit certain employee contributions and participant loan repayments totaling \$89,031 to the Plan's custodian within the period prescribed by DOL regulations. The Company restored lost income to affected plan participants in 2021.

During the year ended December 31, 2021, the Company did not remit certain employee contributions and participant loan repayments totaling \$156,185 to the Plan's custodian within the period prescribed by DOL regulations. The Company restored lost income to affected plan participants in 2022.

7. Subsequent events

Effective January 1, 2022, the Plan adopted the Milberg Consulting LLC Non Standardized Pre-Approved Profit Sharing Plan with CODA to bring plan into compliance with legislative and regulatory changes set forth in IRS Notice 2017-37.

In connection with the preparation of the financial statements, the Plan has evaluated subsequent events from December 31, 2021 through October 7, 2022, which is the date the financial statements were available for issuance and concluded that no additional disclosures are required.
