# INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee
Skagfield Corporation 401(k) Profit-Sharing Plan
Tallahassee, Florida

## Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Skagfield Corporation 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of Skagfield Corporation 401(k) Profit Sharing Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

## Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section —

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

*Members: American Institute of Certified Public Accountants and Florida Institute of Certified Public Accountants*

- the information in the accompanying 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion on the 2021 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Skagfield Corporation 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Skagfield Corporation 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards

will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Skagfield Corporation 401(k) Profit-Sharing Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Skagfield Corporation 401(k) Profit-Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Other Matters**

**2021 Supplemental Schedules Required by ERISA**

The supplemental schedules of Delinquent Participant Contributions and Assets (Held at End of Year) for the year ended December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. **Auditor's Report on the 2020 Financial Statements**

We were engaged to audit the 2020 financial statements of Skagfield Corporation 401(k) Profit-Sharing Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA.

**NOTES TO FINANCIAL STATEMENTS**
**DECEMBER 31, 2021 AND 2020**

## NOTE 1 – DESCRIPTION OF PLAN

The following description of the Skagfield Corporation (the Company) 401(k) Profit-Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan and Adoption agreements for a more complete description of the Plan's provisions.

***General*** – The Plan is a defined contribution plan covering all employees of the Company and its wholly-owned subsidiary who have completed 90 days of service and are age eighteen (18) or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Effective January 1, 1995, a 401(k) salary deferral provision was added to the Plan. It allows employees to make elective deferrals and provides for discretionary employer matching of such elective contributions. The Plan was amended July 1, 2018, to include an auto-enrollment provision and loan program.

***Contributions*** – Participants can annually contribute up to the legal maximum. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a default deferral rate set at 3% of eligible compensation. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Company may make discretionary matching contributions of 50 percent of the amount a participant contributes to the Plan, up to a maximum of $250 a year. Additional amounts may be contributed at the discretion of the Company's board of directors. Contributions are subject to certain limitations.

***Participant Accounts*** – Each participant's account is credited with the participant's contributions, employer matching contributions, earnings, an allocation of the Company's discretionary contributions, forfeitures of terminated participants' nonvested accounts and an allocation of administrative expenses. Allocations are based on participant compensation as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

***Investment Options*** – Upon enrollment in the Plan, a participant may direct contributions to be invested in a combination of investment options offered by the Plan. All investments are participant directed. Participants may change their investment options at any time during the year. There were no nonparticipant-directed investments as of December 31, 2021 or 2020.

***Unallocated Assets*** – As of December 31, 2021 and 2020, there were no unallocated assets held in separate accounts.

***Vesting*** – Participants are immediately vested in their elective contributions plus actual earnings thereon. Vesting in the Company's matching and discretionary contribution portion of their accounts is based on years of continuous service. A participant is 100 percent vested after six years of credited service.

**NOTE 1 – DESCRIPTION OF PLAN (continued)**

***Payment of Benefits*** – On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the vested value of his or her account, or annuity installments over a maximum of fifteen years. For termination of service due to other reasons, a participant may receive the value of the vested interest as a lump-sum distribution.

***Participant Loans*** – Participants may borrow from the Plan an amount limited to the lessor of $50,000 or 50% of their vested account balance. Loans are for a period not to exceed five years and bear interest at an agreed-upon percentage based on prevailing market rates. The interest rates ranged from 4.25% to 6.5%, at December 31, 2021 and 2020.

***Forfeited Accounts*** – The nonvested balance in a participant's account is forfeited when the participant ceases to be an employee and receives a distribution of the entire vested portion of their account. The nonvested portion is first used to reduce administrative expenses of the Plan and any excess is allocated to the remaining participants.

***Normal Retirement*** – Normal retirement is age 65, the age at which the participant's account becomes non-forfeitable.

***Plan Termination*** – Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all amounts credited to the affected participants' accounts shall become 100% vested and shall not be subject to forfeiture.

***CARES Act Funding*** – In March 2020, the CARES Act was signed into law by the U.S. government. The legislation is aimed at providing relief to individuals and businesses that have been negatively impacted by the coronavirus pandemic. In May 2020, the Company applied for and received a $916,000 Paycheck Protection Program (PPP) loan. This loan can be utilized to pay for payroll costs such as, salary and employee benefits, including payment of retirement benefits. The loan was forgiven on May 15, 2021.

The CARES Act, which among other things contains numerous tax, emergency funding and other provisions that affect certain retirement plan provisions. In April 2020, the plan authorized changing distribution and loan administrative provisions as allowed by the CARES Act. A CARES Act distribution allows the Plan's participants to take a COVID-19 related distribution up to $100,000 from the Plan beginning on or after January 1, 2020 and before December 31, 2020. The temporary loan repayment deferral provision of the CARES Act allows qualified Plan participants who have Plan repayments to defer such repayments until December 31, 2020. In addition, Required Minimum Distributions rules for distribution for the 2020 calendar year were temporarily waived.

## NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Significant accounting policies of the Plan are as follows:

***Basis of Accounting*** – The financial statements of the Plan have been prepared using the accrual basis of accounting.

***Investment Valuation and Income Recognition*** – The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value of the Guaranteed Interest Accounts is measured at discontinuance value, which is the amount the Plan participant will receive if they transfer or surrender their funds out of the guaranteed interest account (See Note 3). The Plan's management determines the Plan's valuation policies utilizing information provided by the investment advisors, custodians and insurance company. See Note 4 for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Net appreciation includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

***Payment of Benefits*** – Benefits are recorded when paid.

***Estimates*** – The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

The Plan invests in various mutual funds comprised of investment securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

## NOTE 3 – INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan has entered into an investment contract with the Principal Life Insurance Company (Principal). Principal maintains the contributions in guaranteed interest accounts, a collective investment trust, or in pooled-separate accounts. The accounts are credited with earnings on the underlying investments and charged for plan withdrawals and administrative expenses.

## NOTE 3 – INVESTMENT CONTRACT WITH INSURANCE COMPANY (continued)

The guaranteed interest accounts promise contract value for a benefit event; however, there are possible market value adjustments and surrender charges when funds are withdrawn prior to maturity. Therefore, the guaranteed interest accounts are not considered benefit responsive. The contract value of the investment contract at December 31, 2021 and 2020 was $26,746 and $57,248, respectively. See Note 4 for fair value disclosure.

## NOTE 4 – INVESTMENTS AND FAIR VALUE MEASUREMENTS

The Plan's investments are held by the Principal Life Insurance Company as custodian. All information on Plan investment assets and related investment income transactions has been prepared and certified as both complete and accurate by the Principal Life Insurance Company as custodian.

Fair Value Measurement and Disclosures Topic of the FASB Accounting Standards Codification establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy under the Fair Value Measurement and Disclosures Topic are described as follows:

- *Level 1*: Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date. The Plan has no Level 1 investments.
- *Level 2*: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly. Observable inputs include quoted prices for similar assets or liabilities in active or non-active markets. Level 2 inputs may also include insignificant adjustments to market observable inputs. The Plan has no Level 2 investments.
- *Level 3*: Inputs that are unobservable inputs for the asset or liability. Unobservable inputs are those that reflect the Plan's own assumptions about the assumptions that market participants would use in pricing the asset, based on the best information available in the circumstances.

**NOTE 4 – INVESTMENTS AND FAIR VALUE MEASUREMENTS (continued)**

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

*Guaranteed Interest Accounts:* Valued at the contract value for a benefit event; however, there are possible market value adjustments and surrender charges when funds are withdrawn prior to maturity. Therefore, the guaranteed interest accounts are not considered benefit responsive.

*Collective Investment Trust:* The Principal Stable Value Fund (PSVF) is a fund for collective investment in contracts issued by insurance companies, or other institutions that are designed for stability of principal, that is valued at the net asset value of units of PSVF's collective trust. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that PSVF will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require a 12 month advance notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

*Pooled Separate Accounts:* Pooled separate accounts are investment vehicles established and maintained by an insurance company. They are accessed through the purchase of an insurance contract such as a group annuity. The net asset value is used as a practical expedient to estimate fair value. Participant transactions (purchases and sales) may occur daily and there are no redemption restrictions or withdrawal limitations for these investments.

**NOTE 4 – INVESTMENTS AND FAIR VALUE MEASUREMENTS (continued)**

The following table sets forth the Plan's assets measured at fair value at December 31, 2021 and 2020. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

| | | Fair Value Measurements at Reporting Date | | |
|---|---|---|---|---|
| | Fair Value | Level 1 | Level 2 | Level 3 |
| **2021** | | | | |
| Guaranteed Interest Account | $ 26,746 | $ - | $ - | $ 26,746 |
| Pooled Separate Accounts* | 3,717,033 | | | |
| Collective Investment Trust* | 1,124,846 | | | |
| Total Investments | $ 4,868,625 | | | |
| **2020** | | | | |
| Guaranteed Interest Account | $ 57,248 | $ - | $ - | $ 57,248 |
| Pooled Separate Accounts* | 2,997,156 | | | |
| Collective Investment Trust* | 1,300,410 | | | |
| Total Investments | $ 4,354,814 | | | |

* Certain investments that were measured at net asset value per share (or its equivalent), have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

The guaranteed investment contract with an insurance company is not actively traded and significant other observable inputs are not available. Thus, the fair value of the guaranteed investment contract is measured using the guaranteed interest rate. This rate is based on the investment conditions on the date the rate is set. The Plan uses the Composite Guaranteed Rate in effect on the last day of the initial deposit year in determining the market value adjustment for the Guaranteed Interest Account.

The following table sets forth Level 3 investments at fair value as of December 31, 2021:

| Type | Fair Value | Valuation Technique | Significant Unobservable Inputs | Rates or Range of Rates |
|---|---|---|---|---|
| Guaranteed Interest | $ 26,746 | Discontinuance Value | Composite Guaranteed Rate | 0.88% |
| | | | Current Rate on 12/31/2021 | 1.20% |

## NOTE 4 – INVESTMENTS AND FAIR VALUE MEASUREMENTS (continued)

For the years ended December 31, 2021 and 2020, the changes in the fair value of measurements using significant unobservable inputs (Level 3) were as follows:

| | 2021 | 2020 |
|---|---|---|
| Fair value at January 1 | $ 57,248 | $ 86,429 |
| Realized and unrealized gains and losses, net | 324 | 1,467 |
| Purchases, sales, issuances and settlements, net | (30,826) | (30,648) |
| Fair Value at December 31 | $ 26,746 | $ 57,248 |

Net realized and unrealized gains and losses are reported in the changes in net assets available for benefits.

For the years ended December 31, 2021 and 2020, there were no transfers in or out of Level 3.

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2021 and 2020, respectively. There are no participant redemption restrictions or withdrawal limitations for these investments; the redemption notice period is applicable only to the Plan.

| | Fair Value | Unfunded Commitments | Redemption Frequency | Redemption Notice Period |
|---|---|---|---|---|
| **2021** | | | | |
| Pooled Separate Accounts | $ 3,717,033 | -- | Daily | 1 day |
| Collective Investment Trust – Principal Stable Value Fund | $ 1,124,846 | -- | Daily | 12 months |
| **2020** | | | | |
| Pooled Separate Accounts | $ 2,997,156 | -- | Daily | 1 day |
| Collective Investment Trust – Principal Stable Value Fund | $ 1,300,410 | -- | Daily | 12 months |

## NOTE 5 – NET ASSETS AVAILABLE FOR BENEFITS

A portion of net assets available for benefits included the following as of December 31:

| | 2021 | 2020 |
|---|---|---|
| Balance in accounts of persons who have withdrawn from participating in the earnings and operations of the Plan | $ 441,756 | $ 387,428 |
| Refunds of excess contributions | $ - | $ 2,519 |

## NOTE 6 – RELATED PARTY TRANSACTIONS

The Plan sponsor absorbed $10,000 in Plan administration expenses for each of the years ended December 31, 2021 and 2020, as well as $21,284 and $21,576 in audit fees for the years ended December 31, 2021 and 2020, respectively. These costs, and the related employer reimbursements, are not included in the Statement of Changes in Net Assets Available for Benefits. For the years ended December 31, 2021 and 2020, there were no forfeitures used to offset the administrative fees.

There are no party-in-interest transactions that are required to be disclosed under ERISA Section 103(b)(3)(D).

## NOTE 7 – TAX STATUS

The Plan obtained its latest determination letter on March 31, 2014, in which the Internal Revenue Service (IRS) made a favorable determination of the Plan and stated that the Plan, as then designed, is in compliance with the applicable requirements of the *Internal Revenue Code*. The Plan has been amended since receiving the determination letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the *Internal Revenue Code.* Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax period in progress. The Plan administrator believes it is no longer subject to income tax examination for years prior to 2018.

## NOTE 8 – EVALUATION OF SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through September 20, 2022, the date which the financial statements were available to be issued.
