Independent Auditors' Report

The Plan Administrator
CBIZ, Inc. Retirement Savings Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of CBIZ, Inc. Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with U.S. generally accepted accounting principles.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical

requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. generally accepted accounting principles, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statement section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. generally accepted accounting principles.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. generally accepted accounting principles.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and is derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

RETIREMENT SAVINGS PLAN

Notes to Financial Statements

December 31, 2021 and 2020

(1) Description of Plan

The following description of the CBIZ, Inc. Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

(a) General

The Plan is a defined contribution plan covering all full-time employees of CBIZ, Inc. (the Company) who have attained age 21 and have completed the earlier of 60 consecutive days of service or a 12-month period of service. Eligibility for all other employees is determined based on a 12-month period of service. Employees are eligible to make salary deferral contributions, and after completing 12 full months of employment and 1,000 hours of service within the 12-month period, participants are eligible to receive employer profit sharing and matching contributions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Mass Mutual Life Insurance Company ("Mass Mutual") was the Plan recordkeeper and custodian of certain investments. Reliance Trust Company was the Plan trustee effective June 3, 2011. Effective January 4, 2021, Empower Retirement ("Empower") acquired Mass Mutual and will serve as the Plan recordkeeper and custodian of certain investments going forward.

On April 1, 2022, Reliance Trust Company was replaced with Great-West Trust Company as the trustee of the Plan and the Plan Document was restated with Adoption Agreement #001.

(b) Legislative Changes Adopted by the Plan

On March 27, 2020, President Trump signed into law the "Coronavirus Aid, Relief, and Economic Security (CARES) Act." The CARES Act, among other things, included several relief provisions available to tax-qualified retirement plans and their participants. The provisions were allowed to be effective and operationalized immediately, prior to amending the Plan document. Plan management evaluated the relief provisions available to plan participants under the CARES Act and implemented the following provisions during 2020:

- Special coronavirus distributions up to \$100,000 through December 31, 2020
- Increased the available loan amount to the lesser of \$100,000 or 100% of the participant's vested account balance through September 22, 2020
- Extended the period for loan repayments, if applicable, up to one year through December 31, 2020, and
- Temporary relief on required minimum distributions for the calendar year 2020

The Plan will be amended for the provisions implemented under the CARES Act by the time prescribed.

RETIREMENT SAVINGS PLAN

Notes to Financial Statements

December 31, 2021 and 2020

(c) Contributions

Each year participants may contribute up to 80% of pre-tax annual compensation up to a maximum contribution per employee allowable by law, \$19,500 for 2021 and 2020, as defined in the Plan. Employees reaching the age of 50 can make an additional “catch up” contribution of \$6,500 for 2021 and 2020 in addition to the maximum contribution. The Plan allows participants to make after-tax (Roth) contributions. Participants may also contribute amounts representing distributions from other qualified plans. The Company contributes 50% of the first 6% of base compensation that a participant contributes to the Plan. Additional amounts may be contributed at the discretion of the Company’s board of directors. No such discretionary amounts were contributed during the years ended December 31, 2021 or 2020. In the event that participant contributions exceed amounts allowable by law, such excess contributions are refunded to the participants.

The Plan was amended on April 1, 2020 to make employer matching contributions for employees of certain subsidiaries discretionary, rather than fixed, to allow for flexibility if the match needed to be suspended. However, employer matching contributions were not suspended.

(d) Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company’s matching and discretionary contribution portion of their accounts plus earnings thereon is based on years of service. A participant becomes 100% vested upon completion of three years of vesting service. Prior to the third year of service, the vesting percentage is zero. A year of service constitutes working a minimum of 1,000 hours during a plan year.

(e) Participant Accounts

Each participant’s account is credited with the participant’s contribution and allocation of (a) the Company’s contribution, if any, and (b) Plan earnings or losses. Allocations of earnings or losses are based on account balances as defined in the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the vested portion of the participant’s account.

(f) Investment Options

Upon enrollment in the Plan, participants may direct contributions to their accounts among a variety of investment options. The investment options currently include various stock, fixed income, stable value, and balanced – lifecycle funds, and offer a range of risk and return characteristics. Additionally, self-directed brokerage account investments are available through Charles Schwab Personal Choice Retirement Account (“PCRA”).

(g) Notes Receivable from Participants

Participants may borrow from their account an amount up to the lesser of \$50,000 or 50% of their vested account balance. The repayment period of the loans may range from six months to five years, or beyond for the purchase of a primary residence. Loans bear interest at the fixed rate of prime plus 1% determined upon date of loan origination, and are secured by the participant’s account balance. The interest rates on participant loans ranged from 4.25% to 6.50% at December 31, 2021. Maturity dates subject to a 60-day grace period, range from December 31, 2021 to November 27, 2043 for

CBIZ, INC.
RETIREMENT SAVINGS PLAN

Notes to Financial Statements

December 31, 2021 and 2020

loans outstanding as of December 31, 2021. Loans are recorded at unpaid principal plus accrued interest.

Under the CARES Act, the available loan limit was increased to \$100,000 or 100% of the participant's vested account balance. The CARES Act also delayed loan payments for a COVID-19 qualified individual for any loan outstanding on or after March 27, 2020 through December 31, 2020 and, if applicable, extends the loan for up to one year. This increased loan limit was allowed to be taken from March 27, 2020 through September 22, 2020.

(h) Payment of Benefits

Upon retirement, termination, death or total and permanent disability, a participant may elect to receive either a single lump-sum amount equal to the value of the participant's vested interest in his or her account, as a rollover to another qualified plan, in substantially equal installments.

The CARES Act permits eligible participants to request special penalty-free distributions of up to \$100,000 for qualifying coronavirus-related reasons. The special coronavirus-related distributions waive the 10% early withdrawal penalty and were allowed to be made between January 1, 2020 and December 31, 2020.

(i) Forfeitures

For the years ended December 31, 2021 and 2020, forfeited nonvested accounts totaled \$464,628 and \$462,256 respectively. The complete balance of forfeited accounts is used to pay expenses of the Plan or reduce the Company's matching contribution as directed by the Plan Administrator.

(2) Summary of Accounting Policies

(a) Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting. Plan assets include fully benefit-responsive investment contracts. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The Statement of Net Assets available for Plan Benefits and the Statement of Changes in Net Assets available for Plan Benefits are prepared on a contract value basis for the fully benefit-responsive investment contracts.

(b) Valuation of Investments and Income Recognition

The Plan's investments are stated at fair value, except for fully benefit-responsive investment contracts which are at contract value. Units of pooled separate accounts and mutual funds are valued based on the observable net asset value (NAV) of the underlying mutual fund investment. Shares of registered investment companies represent the NAV of shares held by the Plan at year-end. Shares of CBIZ, Inc. common stock unit value is calculated based on market value of the stock.

CBIZ, INC.
RETIREMENT SAVINGS PLAN

Notes to Financial Statements

December 31, 2021 and 2020

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments represents both realized and unrealized gains and losses.

(c) Administrative Expenses

Certain administrative expenses incurred in the operation of the Plan are paid by the Company and are not reflected in the accompanying financial statements.

(d) Payment of Benefits

Benefits are recorded when paid.

(e) Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

(f) Recent Accounting Pronouncements

In August 2018, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (Update) 2018-13, Fair Value Measurement (Topic 820) Disclosure Framework – Changes to the Disclosure Requirements for Fair Value Measurement. The Update modifies fair value disclosure requirements by removing, modifying or adding to the required fair value disclosures which affects our disclosure in Note 3 (Fair Value Measurement). The Update is effective for fiscal years beginning after December 15, 2019. The Plan adopted the Update for plan year 2020. The Update did not have a material impact to the statement of net assets available for benefits or the statement of changes in net assets available for benefits.

(3) Investment Certifications

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator has obtained certifications from Empower, the custodian of investments as defined by the Plan, as agent for Reliance Trust Company, the trustee of the Plan that the following data included in the accompanying financial statements and supplemental schedules are complete and accurate:

- Investments at fair value and notes receivable from participants, as of December 31, 2021 and 2020.
- Investment income and interest income on notes receivable from participants, for the year ended December 31, 2021.
- Schedule H, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021.

Total investment income	<u>\$ 141,449,351</u>	<u>143,701,803</u>

(4) Fair Value Measurements

FASB Accounting Standards Codification (ASC) 820-10 establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820-10 are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted market prices that are observable for the asset or liability, and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Pooled separate accounts: Unit value calculated based on the observable NAV of the underlying mutual fund investment. Management has determined the assets are redeemable for the NAV at measurement date without prior written notice and there are no unfunded commitments at Plan's fiscal year end. NAV is valued on a daily basis. Management has determined NAV has a readily determinable fair value.

Self-directed brokerage account: This account consists of participant investments in individual common stock securities which are valued at the closing price reporting on the active market for which they are traded.

CBIZ, INC.
RETIREMENT SAVINGS PLAN

Notes to Financial Statements

December 31, 2021 and 2020

Mutual funds: Unit value calculated based on the observable NAV of the underlying mutual fund investment. Management has determined the assets are redeemable for the NAV at measurement date without prior written notice and there are no unfunded commitments at Plan's fiscal year end. NAV is valued on a daily basis. Management has determined NAV has a readily determinable fair value.

CBIZ, Inc. common stock fund: Unit value calculated based on the market value of the stock fund. The stock fund is made up of a component invested in short-term investment product (cash component) and a component invested in CBIZ company stock (outside component).

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020.

Investments at fair value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total

Notes to Financial Statements

December 31, 2021 and 2020

(5) Investment Contract with Insurance Company

The Plan entered into a contract with Mass Mutual. The contract includes a benefit-responsive contract (Fixed Interest Fund) for which Empower holds the assets in a separate account. The benefit-responsive contract is credited with earnings and charged for participant withdrawals and administrative expenses. Participants may direct the withdrawal or transfer of all or a portion of their investment at contract value.

Interest rates on the Fixed Interest Fund investment contract are declared on a quarterly basis. The interest rate declared for the three-month period ended April 30, 2021 was 3.06%, for the three-month period ended July 31, 2021 was 2.61%, for the three-month period ended October 31, 2021 was 2.64% and for the three-month period ended January 31, 2022 was 2.72%. The actual yield earned and credited to participants for the year ended December 31, 2021 was 2.77%. The interest rate declared for the three-month period ended April 30, 2020 was 3.35%, for the three-month period ended July 31, 2020 was 3.23%, for the three-month period ended October 31, 2020 was 3.52% and for the three-month period ended January 31, 2021 was 3.24%. The actual yield earned and credited to participants for the year ended December 31, 2020 was 3.21%.

Certain events, such as the premature termination of the contract by the Plan or the termination of the Plan, would limit the Plan's ability to transact at contract value with the issuer. The Plan Administrator believes the occurrence of such events that would also limit the Plan's ability to transact at contract value with the plan participants is not probable. There are no reserves against the contract value for credit risk of the contract issuer or otherwise. Mass Mutual's credit rating is Aa3.

The contract with Mass Mutual also includes investments that are considered pooled separate accounts, which are included in the accompanying financial statements at fair value of \$239,302,528 and \$231,952,872 at December 31, 2021 and 2020, respectively.

(6) Related-Party Transactions

Plan expenses for record-keeping and operation of the Plan are incurred and paid to Empower and Reliance Trust Company. Therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan to these related parties for the administrative services amounted to \$321,312 and \$591,449 for the years ended December 31, 2021 and 2020, respectively. As of December 31, 2021 and 2020, the Plan also holds shares of CBIZ, Inc. common stock. CBIZ, Inc. is the Plan Sponsor and qualifies as a party-in-interest.

(7) Tax Status

The Internal Revenue Service has determined and informed the Company by a determination letter dated March 31, 2014 that the Plan, as then designed, was in compliance with the applicable sections of the Internal Revenue Code (IRC) as a qualified deferred compensation plan. The Company believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and that, therefore, the Plan qualifies under Section 401(a) of the IRC and is tax exempt as of December 31, 2021.

CBIZ, INC.
RETIREMENT SAVINGS PLAN

Notes to Financial Statements

December 31, 2021 and 2020

Accounting principles generally accepted in the United States of America require the plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(8) Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

(9) Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

(10) Subsequent Events

The Plan administrator has evaluated if any subsequent events occurring after December 31, 2021 would have a material effect on the financial statements. No reportable subsequent events except as disclosed in Note 1 have been identified as of October 10, 2022, the date the financial statements were available to be issued.

Schedule C Soft Dollar Compensation Eligible Indirect Compensation Statement

Mutual fund investments of the plan (whether direct or indirect through a separate investment account) may have soft dollar arrangements pursuant to which the investment advisor or sub-advisor to the mutual fund (and/or its affiliates) may direct trades to certain brokers in exchange for research and other services, other than just trade execution. For plans investing directly or indirectly in the MassMutual Premier or Select Funds, MassMutual provided the required written disclosure regarding soft dollar compensation on the Schedule C Formula Description and/or EIC Statement Description Attachment. For all other mutual funds, MassMutual provided the required written disclosure in the Statement of Additional Information (“SAI”).

For additional information on soft dollar compensation, refer to the section of the mutual fund’s SAI that discusses brokerage allocation and other practices.
