INDEPENDENT AUDITOR'S REPORT

To The Administrative Committee of
the Cablecraft Motion Controls 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Cablecraft Motion Controls 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Cablecraft Motion Controls 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Cablecraft Motion Controls 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

(continued)

R.A. Fredericks & Company, LLP

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Cablecraft Motion Controls 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Cablecraft Motion Controls 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets Held For Investment Purposes for year ended December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

(continued)

R.A. Fredericks & Company, LLP

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

The 2020 financial statements of Cablecraft Motion Controls 401(k) Plan were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report dated September 20, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplemental schedules, and (b) the form and content of the information included in the financial statements and supplemental schedules other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

CABLECRAFT MOTION CONTROLS 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 1. DESCRIPTION OF PLAN

The following description of the Cablecraft Motion Controls 401(k) Plan (Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

a. General

The Plan is a defined contribution plan organized effective January 1, 2011 covering all full-time employees of the Cablecraft Motion Controls, LLC (Company) who are not covered by a collective bargaining unit (except where specifically included). The Board of Directors oversees governance of the Plan. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

b. Contributions

Each year, participants may authorize the Employer to contribute to the Plan up to 100% of their eligible annual compensation, subject to the maximum annual amount permitted under the Internal Revenue Code (IRC). Participants who attain age 50 before the end of the Plan year are eligible to make catch-up contributions.

The Employer may elect to make discretionary matching and profit-sharing contributions to the Plan. In 2021, starting pay-date May 7, 2021, the Employer made matching contributions equal to 50% of the first 6% of compensation that each eligible participant contributed to the Plan. In 2020, the Employer made matching contributions equal to 50% of the first 6% of compensation that each eligible participant contributed to the Plan. No Employer profit-sharing contributions were made to the Plan in 2021 and 2020.

Participants direct the investment of their contributions into various investment options offered by the Plan. Each participant will be assigned an allocation group. Contributions are subject to certain statutory limitations.

c. Participant Accounts

Each participant's account is credited with the participant's contribution, the allocation of the Company's matching contribution, the allocation of the Company's discretionary contribution, Plan earnings (losses) and Plan expenses. Allocations are based on participant earnings or account balances, as defined. All investments are participant directed. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Unallocated assets were \$6,416 and \$3,022 at December 31, 2021 and 2020, respectively.

See the accompanying Independent Auditor's Report.

CABLECRAFT MOTION CONTROLS 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED) **YEARS ENDED DECEMBER 31, 2021 AND 2020**

NOTE 1. DESCRIPTION OF PLAN (CONTINUED)

d. Forfeitures

In accordance with final IRS regulations, the Plan sponsor can use forfeitures to pay plan administrative expenses. At December 31, 2021 and 2020, forfeited nonvested accounts of terminated participants totaled \$6,416 and \$3,022, respectively. These accounts will be used to pay Plan expenses. In 2021 and 2020, forfeited nonvested accounts of \$6,394 and \$6,098 were used to pay Plan expenses.

e. Vesting

Participants are immediately vested in their contributions plus earnings thereon. Vesting in the Company's elective contribution portion of their accounts is based upon years of continuous service. A participant is 100% vested after five-years of continuous service.

f. Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump sum amounts equal to the value of the participant's vested interest in his or her account or purchase an immediate or deferred annuity. Hardship and in-service withdrawals, as defined in the Plan Agreement, are also permitted from a participant's account.

g. Investment Options

Upon enrollment in the Plan, a participant may direct contributions in whole percentages in any of the twenty-six (26) available investment options.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following are the significant accounting policies followed by the Plan:

a. Basis of Accounting

The financial statements of the Plan are prepared in on the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value.

See the accompanying Independent Auditor's Report.

CABLECRAFT MOTION CONTROLS 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED) **YEARS ENDED DECEMBER 31, 2021 AND 2020**

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

b. Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies. See Note 6 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

c. Expenses

Certain expenses of maintaining the Plan are paid by the Company and are therefore excluded from these financial statements. Certain administration fees are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

d. Use of estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein. Accordingly, actual results may differ from those estimates.

e. Payments of benefits

Benefit payments are recorded when paid.

NOTE 3. BENEFITS PAYABLE

Benefit payments for persons who have withdrawn from participation in the earnings and operations of the Plan remain as a component of net assets available for benefits until paid. There are no benefits payable at December 31, 2021 and 2020.

Amounts allocated to withdrawing participants were not recorded on the Form 5500 for benefit claims that had been processed and approved for payment prior to December 31, but not yet paid as of that date.

See the accompanying Independent Auditor's Report.

CABLECRAFT MOTION CONTROLS 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 4. TAX STATUS

The Internal Revenue Service (IRS) has determined and informed the Company that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's counsel believe the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

Management has reviewed the Plan's tax positions as of December 31, 2021 and concluded that the plan has no assets or liabilities for net unrecognized tax benefits relating to uncertain tax positions. Additionally, the plan is unaware of any tax positions for which it would be reasonably possible that the total amounts of unrecognized tax assets or liabilities would be reasonably possible that the total amounts of unrecognized tax assets or liabilities would change significantly in the next twelve months.

NOTE 5. INFORMATION PREPARED AND CERTIFIED BY AGENT OF TRUSTEE

The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified to as complete and accurate by the agent of the trustees for 2021:

JOHN HANCOCK LIFE INSURANCE COMPANY (U.S.A.)

	2021
Investments in Pooled Accounts	\$ 7,110,161

See the accompanying Independent Auditor's Report.

CABLECRAFT MOTION CONTROLS 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 6. FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consists of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs were only used when Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 3 inputs for the years presented.

Level 2 Fair Value Measurements

Pooled Separate Accounts: Valued at the unit price reported by the sponsoring insurance company. The underlying investments owned can include money market funds, stable value funds, fixed-income securities, registered investment companies, common stocks, corporate bonds, U.S. Government securities, other pooled separate accounts, or guaranteed investment contracts priced by the sponsoring insurance company using applicable interest rates and contract provisions. The unit price is based on the fair value of the underlying investments owned, less any accrual of fees and expenses borne by the account and divided by the number of units outstanding. The unit price is readily determinable and quoted on the active private market on which participants can transact daily with no significant redemption restrictions on these investments.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

December 31, 2021	Fair Value	Fair Value Measurements Using		
		(Level 1)	(Level 2)	(Level 3)
Pooled separate accounts	\$ 7,110,161	\$ -	\$ 7,110,161	\$ -

CABLECRAFT MOTION CONTROLS 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 6. FAIR VALUE MEASUREMENTS (CONTINUED)

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the years ended December 31, 2021 and 2020, there were no significant transfers between the Levels 1 and 2 and no transfers into or out of Level 3.

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefit in accordance with the Financial Accounting Standards Board (FASB) *Disclosures for Investments in Certain Entities That Calculate Net Asset Value per Share (or its Equivalent)* ("ASU 2015-07"). The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 8. CONCENTRATION OF CREDIT RISK

Financial instruments which potentially subject the Plan to significant concentrations of credit risk consist principally of pooled separate accounts. These investments are not insured by the Federal Deposit Insurance Corporation.

NOTE 9. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their discretionary employer contributions.

See the accompanying Independent Auditor's Report.

NOTES TO FINANCIAL STATEMENTS YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 10. RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

The Plan investments are managed by John Hancock Life Insurance Company (U.S.A.), the Insurer of the Plan, and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services amounted to \$17,591 and \$14,681 for the year ended December 31, 2021 and 2020, respectively.

These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 11. COVID-19 AND PLAN MANAGEMENT 'S PLAN

On March 11, 2020, the World Health Organization declared the novel coronavirus (COVID-19) a global pandemic. The Plan Sponsor currently continues to operate in all its jurisdictions and is complying with the rules and guidelines prescribed in each jurisdiction. To date, the Plan Sponsor's efforts and arrangements to comply with the prescribed guidelines have not materially affected its ability to maintain business operations. While the Plan Sponsor has experienced a material adverse impact to its net sales, there are currently no considerations for liquidating or terminating the Plan.

The COVID-19 pandemic has resulted in substantial volatility in the global financial markets. As a result, the value of the Plan's investments, are likely to be negatively impacted. The extent of the negative impact of COVID-19 on the value of the Plan's investments cannot be estimated at this time (see Note 7).

NOTE 12. SUBSEQUENT EVENTS

Subsequent events were evaluated through October 10, 2022, which is the date the financial statements were available to be issued.
