INDEPENDENT AUDITORS' REPORT

TO THE 401(k) COMMITTEE AND PARTICIPANTS OF JUDY MADRIGAL & ASSOCIATES 401(k) PLAN

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed the audit of the financial statements of JUDY MADRIGAL & ASSOCIATES 401(k) PLAN ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of December 31, 2021 and for the year ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the 2021 financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule H – Line 4i: Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditors' Report on the 2020 Financial Statements

The 2020 financial statements of the Plan were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by the qualified institution. Their report dated October 5, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplemental schedule, and (b) the form and content of the information included in the financial statements and supplemental schedule other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the Judy Madrigal & Associates 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement and sub-plan agreements for a more complete description of the Plan’s provisions.

General – Judy Madrigal & Associates dba JMA Human Resource Management (the “Company”) is a professional employer organization (“PEO”) that provides comprehensive payroll and human resource solutions to its clients who are small and medium-sized business owners. The Company, as the principal employer, established a multiple employer Plan on January 1, 1993 to provide retirement benefits to its employees and employees of its clients. The Plan was established under a pre-approved defined contribution prototype plan and trust agreement. The Plan is subject to the provisions of the Employee Retirement Income security Act of 1974 (“ERISA”) and certain provisions of the Internal Revenue Code (“IRC”).

As of December 31, 2021, the adopting employers of the Plan are:

- Altos Optical Co. Inc.

JUDY MADRIGAL & ASSOCIATES 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

General (Continued) – On September 1, 2021, Entre Nous Aesthetics became a new participating employer of the Plan. Entre Nous Aesthetics had sponsored a prior defined contribution plan and the accounts of all participants in that plan, totaling \$98,588, were transferred to the Plan. This transfer is reported as a separate line item in the Statement of Changes in Net Assets Available for Benefits.

To participate in the Plan, an adopting employer enters into a simplified plan adoption and acceptance agreement (“sub-plan”) with the Company. Each participating employer has its own sub-plan agreement that defines employer-elected plan provisions that would only apply to the employees of the participating employer. These provisions relate to eligibility requirements, vesting, and employer contributions, among others. Plan provisions, not defined in the sub-plan, follow the general provisions of the Company’s Plan document.

The Plan is a defined contribution plan covering all eligible employees of participating employers who meet specified age requirements, are not covered by a collective bargaining agreement, and have completed specified service requirements, as defined in each sub-plan. The Company has established a 401(k) Committee (the “401(k) Committee”) which is responsible for oversight of the Plan and determines the appropriateness of the Plan’s investment offerings, and monitors investment performance. The founder and president of the Company is the trustee of the Plan.

The Plan uses Massachusetts Mutual Life Insurance Company (“MassMutual”) for recordkeeping services. MassMutual has entered into a trust arrangement with Reliance Trust Company (“Reliance”) to act as trustee. On December 31, 2020, Empower Retirement, LLC (“Empower”) acquired the retirement business of MassMutual. Following an initial transition period, Empower will become the sole administrator of this business. Effective February 1, 2022, Great-West Trust Company replaced Reliance to provide trust services.

The Plan appointed Pinnacle Financial Services, Inc. (“Pinnacle”) as third party administrator to provide the design, consulting, administration and compliance support to the Plan. Prior to December 1, 2021, the Plan adopted Pinnacle’s prototype Non-Standardized 401(k) Profit Sharing Plan. Effective March 1, 2021, the Plan appointed a new third party administrator, the C-Ben Group, LLC to provide plan design, consulting, administration and compliance support. Effective December 1, 2021, the Plan and each sub-plan were amended and restated in the form of C-Ben Group, LLC’s Non-Standardized Pre-Approved Profit Sharing Plan with substantially the same provisions.

In April 2020, the Plan implemented certain distribution and loan provisions of the Coronavirus Aid, Relief, and Economic Security (“CARES”) Act that was signed into law on March 27, 2020. The distribution provisions allowed the Plan’s qualified participants to take a coronavirus-related distribution up to \$100,000 from the Plan beginning on or after January 1, 2020 and before December 31, 2020. The loan provisions allowed qualified Plan participants who had outstanding Plan loans on or after March 27, 2020 to defer any repayments until December 31, 2020. In addition, the CARES Act allowed any participant subject to a 2020 required minimum distribution to waive such distribution. Effective January 1, 2020, the Plan implemented the delay of the commencement date for required minimum distributions pursuant to the Setting Every Community Up for Retirement Enhancement Act of 2019 (the “SECURE Act”). The Plan will be amended for the provisions implemented under the CARES Act and SECURE Act in accordance with the applicable law and Internal Revenue Service (“IRS”) guidance.

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

General (Continued) – The Plan’s administrator is responsible for keeping accurate and complete records with regard to the Plan’s operations, informing participants of changes or amendments to the Plan, ensuring that the Plan conforms to the law and government regulations, and providing participants with any reports and documents required by law.

Participant Contributions – Participants in the Plan may elect to contribute, on a pre-tax basis or after-tax basis (“Roth”), either a percentage or set dollar amount of their annual eligible compensation, as defined by the sub-plan. Participants may voluntarily contribute up to 100% of their annual eligible compensation, subject to the annual limits specified by the IRC. For the year ended December 31, 2021, the annual limitation was \$19,500. Participants who reached at least 50 years of age by the end of the Plan year are permitted to make additional catch-up contributions limited to \$6,500 for the year ended December 31, 2021. Participants are also allowed to roll over contributions from other qualified retirement plans, subject to approval by the plan administrator.

Employer Contributions – Participating employers may elect to provide discretionary matching, safe harbor matching and/or discretionary profit sharing contributions to employees who meet the specified age and service requirements, as defined in the respective sub-plan.

During 2021, certain sub-plans provided for discretionary matching contributions to eligible employees, on a payroll-to-payroll basis, at a percentage rate of eligible compensation, determined from year to year by the participating employers, but not to exceed 100% of participant contributions. For the year ended December 31, 2021, total discretionary matching contributions were \$53,264.

During 2021, certain sub-plans provided for safe harbor matching contributions, on a payroll-to-payroll basis, covering all eligible employees or non-highly compensated eligible employees, as defined by the sub-plan. For the year ended December 31, 2021, total safe harbor matching contributions were \$183,445.

During 2021, certain sub-plans provided for annual discretionary profit sharing contributions using the integrated, non-integrated or non-safe harbor grouping methods. Under the integrated approach, the Plan allows for a non-matching contribution of 5.7% of eligible compensation plus an additional contribution of 5.7% on compensation earned in excess of the Social Security wage base. Under non-integrated approach, the contribution is allocated in the same ratio as each participant's compensation bears to the total of such compensation of all participants, in the same dollar amount to all participants. Under the non-safe harbor method grouping approach, the participating employer can elect to contribute to the Plan on behalf of each of the classifications of participants and such amount as shall be determined by the Employer. To receive the annual discretionary profit sharing contributions, the eligible employee must have completed at least 1,000 hours of service during the Plan year and must be actively employed on the last day of the Plan year. Regardless of these requirements, participants who leave employment during the plan year due to retirement, disability, authorized leave of absence or death, will receive an allocation of discretionary profit sharing contributions, if any. During the year ended December 31, 2021, total discretionary profit sharing contributions were \$255,187.

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Employer Contributions (Continued) – If a sub-plan is determined to be top heavy, as defined by the provisions of the IRS, a participating employee who is actively employed on the last day of the Plan year and is not a key employee, may be entitled to a minimum qualified nonelective contribution, or QNEC from the employer equal to the lesser of 3% of the eligible participant's compensation for the Plan year or the highest percentage allocated to a key employee. Generally, a key employee is any participant in the sub-plan who is an owner or an officer of the employer who is earning a specified level of compensation as designated by the IRS. Any other employer contributions will be taken into account when determining the minimum QNEC contribution amounts. For the year ended December 31, 2021, no top heavy minimum contributions were required.

Concentrations – As of December 31, 2021 and 2020, four sub-plans accounted for approximately 58% and 60% of the Plan's investment assets, respectively. In the event these sub-plans are terminated, the Plan would retain the obligation for current fixed administrative expenses until the appropriate adjustments were made.

Approximately 51% and 50% of the Plan's investment assets are held in three investment funds as of December 31, 2021 and 2020, respectively.

Participant Accounts – The Plan maintains an account for each participant which is credited with the participant's contributions, rollover contributions, employer matching contributions, as well as allocations of employer non-matching contributions, Plan investment earnings or losses, and administrative expenses. Allocations are based on participant earnings or account balances, or specific participant transactions, as defined by the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting – Participants are immediately vested in their voluntary contributions, employer safe-harbor non-matching, and rollover contributions plus actual earnings thereon. For certain sub-plans, vesting in employer contributions other than safe-harbor non-matching contributions is based on years of continuous service, as defined in each sub-plan.

Each sub-plan has adopted one of the following vesting schedules.

<u>Years of Service</u>	<u>Vesting Percentage</u>			
	<u>Schedule A</u>	<u>Schedule B</u>	<u>Schedule C</u>	<u>Schedule D</u>

NOTES TO FINANCIAL STATEMENTS

December 31, 2021

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Investment Options – Upon enrollment in the Plan, a participant may direct the investment of his or her account balance into various funds available through the Plan.

Notes Receivable from Participants – The Plan does not allow participants to borrow from their vested account balances. The outstanding loans at December 31, 2020, were pre-existing notes receivable transferred into the Plan when Pathology Services Inc. became an adopting employer. The duration of these loans did not exceed five years and interest rates were fixed throughout the term of the loans. The loans were being paid off according to the original loan amortization schedules. Principal and interest were paid ratably through payroll deductions. All outstanding loans were fully paid off as of December 31, 2021,

Payment of Benefits – Upon disability, death, retirement or termination of the sub-plan, a participant receives a lump-sum amount equal to 100% of the value of the participant's account. If a participant terminates employment from a participating employer, and is not employed by any of the other participating employers in the Plan, the participant may receive the vested portion of their account, as a single lump sum or may rollover the vested interest in their account to another eligible retirement plan. Terminated participants with account balances in excess of \$5,000 may delay receipt of distributions at any time after termination date. If a participant's vested account balance is between \$1,000 and \$5,000, at the time of termination or retirement, and no instructions have been received from such participant, the amount may be rolled over to an individual retirement account ("IRA"), designated by the plan administrator. Vested account balances of less than \$1,000 are automatically cashed out as a single lump-sum distribution. A participant may take a hardship withdrawal from pre-tax and after-tax contributions for qualifying expenses, as defined in the Plan. In service distribution of the participant's elective contributions, safe harbor contributions and vested non-matching contributions is allowed, after reaching 59½ years of age or as defined in the sub-plan. Minimum required distributions must be made by April 1st following the later of the calendar year in which the participant reaches 72 years of age or the calendar year in which the participant retires, except for benefit distributions to a 5% owner of the participating employer, which must begin no later than April 1 of the calendar year following the calendar year in which the participant attains age 72 regardless of employment status.

Forfeited Accounts – A participant's non-vested account is forfeited upon severance of employment. Forfeitures may be used to pay Plan fees, and/or reduce employer contributions to the Plan. Forfeited non-vested accounts amounted to \$12,172 and \$9,394 as of December 31, 2021 and 2020 respectively. For the year ended December 31, 2021, forfeited non-vested accounts were used to pay administrative expense of \$16,868. There were no forfeited non-vested accounts used to reduce employer contributions in 2021.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The Plan's financial statements are prepared on the accrual basis of accounting, in conformity with accounting principles generally accepted in the United States of America.

Use of Estimates – The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of changes in net assets available for benefits during the reporting period. Actual results may differ from those estimates.

Investment Valuation and Income Recognition – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's 401(k) Committee determines the Plan's valuation policies utilizing information provided by its investment advisors. See Note 3 for further discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants – Notes receivable from participants were measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income was recorded on the accrual basis. Related fees were recognized as administrative expenses when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020.

Payments of Benefits – Benefits are recorded when paid.

Administrative Expenses – Administration fees, including fees for participant directed transactions, and asset-based fees are directly charged or allocated to the participant's account, and are included in total administrative expenses of the Plan. Investment related expenses are included in net appreciation or depreciation of fair value of investments. Certain expenses of maintaining the Plan paid directly by the Company are excluded from these financial statements.

NOTE 3 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques are required to maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding valuation methods may produce a fair value determination that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 4 – INFORMATION CERTIFIED BY THE TRUSTEE COMPANY

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Reliance, the trustee of Plan assets, has certified to the completeness and accuracy of all investments and the notes receivable from participants reflected on the accompanying Statements of Net Assets Available for Benefits and in Note 3 as of December 31, 2021 and 2020, and in the supplemental Schedule H - Line 4i: Schedule of Assets (Held at End of Year) as of December 31, 2021, and the related investment income and interest income earned on the notes receivable from participants presented in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2021.

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

NOTE 5 – TAX STATUS

Prior to December 31, 2021, the Plan adopted the Pinnacle prototype Non-Standardized 401(k) Profit Sharing Plan. The terms of the Plan are based on a prototype plan which received an opinion letter from the IRS on March 31, 2014 stating that the prototype plan and related trust are designed in accordance with the applicable sections of the IRC. In connection with the Plan amendment and restatement on December 1, 2021, the Plan adopted the C-Ben Group, LLC's Non-Standardized Pre-Approved Profit Sharing Plan that has received an opinion letter dated November 23, 2020, in which the IRS stated that the Non-Standardized Pre-Approved Profit Sharing Plan and related trust are designed in accordance with the applicable requirements of the IRC.

JUDY MADRIGAL & ASSOCIATES 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021

NOTE 5 – TAX STATUS (Continued)

Although the Plan has not filed for a separate determination letter; the plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt. Accordingly, no provision for income taxes is reflected in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in process.

NOTE 6 – RELATED PARTY TRANSACTIONS

Certain Plan assets are administered by MassMutual/Empower. MassMutual/Empower serves as the recordkeeper of the Plan. Reliance has an arrangement with MassMutual/Empower to provide directed trustee services to the Plan. Therefore, these transactions qualify as party-in-interest transactions.

Fees paid by the Plan for investment management services are included in net appreciation or depreciation in fair value of investments, as they are paid through revenue sharing, rather than a direct payment. During 2021, MassMutual/Empower provided certain administrative services to the Plan pursuant to a service agreement. MassMutual/Empower also received revenue from certain investment service providers for services MassMutual/Empower provides to the funds. This revenue was used to offset certain amounts owed for administrative services to the Plan. If the revenue received by MassMutual/Empower from such investment service providers exceeds the amount owed under the service agreement, MassMutual/Empower will remit the excess to the Plan. Such amounts may be applied to pay Plan recordkeeping and administration fees. During 2021, there were no excess amounts. The Plan or Plan sponsor are permitted to make payments to Empower for administration expenses not covered by revenue sharing.

NOTE 7 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan provides for various investment options in any combination from among the funds offered through the Plan. Investment securities are exposed to various risks, such as interest rate, market fluctuation and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9 – SUBSEQUENT EVENTS

Subsequent to December 31, 2021, nine new employers adopted the Plan.

Effective March 15, 2022, the following new employers adopted the Plan:

- Leslie Kardos MD dba Pacific Gynecology Surgical Group
- Nicholas H. Mast MD
- SharkEye Technology Services

Effective July 1, 2022, the following new employer adopted the Plan:

- Urgent Care + Telehealth

Effective July 15, 2022, the following new employers adopted the Plan:

- Ashley Provost Design, Inc.
- Robert F. Gray, M.D., Inc.
- Incidental, Inc.
- BCI Dental Laboratories, Inc.

Effective October 1, 2022, the following new employer adopted the Plan:

- Orthopedics and Sports Medicine Institute & Spine

Additionally, three participating employers terminated participation in the Plan as follows:

- Paul Byron Roache, M.D., effective April 15, 2022
- Pathology Services Inc., effective May 31, 2022
- Patricia L. Austin, M.D., Inc., effective September 16, 2022

The Plan's management has evaluated subsequent events through October 10, 2022, which is the date the financial statements were available to be issued.
