Wolfe Companies 401(k) Savings Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Wolfe Companies 401(k) Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the Statement of Net Assets Available for Benefits as of December 31, 2021, and the related Statement of Changes in Net Assets Available for Benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – 2021 Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter – Auditor’s Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform auditing procedures with respect to the information certified by a qualified institution. In our report dated October 11, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements and supplemental schedule, and (b) the form and content of the information included in the 2020 financial statements and supplemental schedule other than that derived from the certified information, was presented in compliance with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to Financial Statements
December 31, 2021 and 2020

1. DESCRIPTION OF PLAN

The following description of the Wolfe Companies 401(k) Savings Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

a. General

The Plan is a defined contribution plan established on January 1, 2017. The Plan covers all full-time employees of Wolfe Plumbing, Inc. and Wolfe Fire Protection, Inc. (the Companies) who are not in an ineligible class of employees as defined by the Plan.

Effective December 1, 2021, the Plan was amended and restated to comply with current regulations and to remain qualified as a tax-exempt Plan. General operating provisions of the Plan were not modified with respect to this amendment. This amendment also adopted the regulatory changes identified in note 9.

Wolfe Plumbing, Inc. is also the plan sponsor and plan administrator.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

b. Eligibility

Employees are eligible to participate after reaching the age of 18 and completing three consecutive months of service. Employees can enter the Plan on the first day of the calendar quarter coinciding with or next following completion of the eligibility requirements.

c. Contributions

Each year, participants may elect to defer and contribute up to 75% of their compensation, as defined by the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover).

Under a qualified automatic contribution arrangement (QACA), the Companies contribute safe harbor contributions equaling 100% of a participant's elective deferrals up to a maximum of 4% of eligible compensation. All participants are eligible to receive the employer safe harbor contribution.

Wolfe Companies 401(k) Savings Plan
Notes to Financial Statements, Continued

1. DESCRIPTION OF PLAN, (Continued)

c. Contributions, (Continued)

Also, under the QACA, the Plan has an automatic enrollment feature. Upon satisfying the eligibility requirements, all eligible employees are automatically enrolled to contribute 3% of eligible compensation, unless they decline to participate. The contribution percentage will automatically escalate based on years of plan participation. Automatic escalations increase contributions to 4% after three years of participation, 5% after four years of participation, and 6% after five years or more of participation, unless otherwise elected by the participant.

The Plan allows for discretionary matching and profit-sharing contributions. During the year ended December 31, 2021, there were no such contributions made to the Plan.

Participants direct the investment of their contributions and employer safe harbor contributions into various investment options offered by the Plan. Participants may change their investment elections as often as permitted under the Plan and the investment vehicle they choose.

Contributions are subject to certain Internal Revenue Service (IRS) limitations.

d. Participant accounts

Each participant's account is credited with the participant's contributions and the employer's safe harbor contributions, and an allocation of plan earnings or losses, and charged with an allocation of administrative expenses. Allocations are based on participant compensation or account balances, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

e. Vesting

The participants are fully vested at all times in their salary deferral contributions plus actual earnings or losses thereon.

The vesting schedule for employer safe harbor contributions and earnings or losses thereon is as follows:

<u>Years of service</u>	<u>Vesting %</u>
0-1	0%
2 or more	100%

Upon death, disability or reaching normal retirement age (65 years old), participants become fully vested in all account balances.

(Continued)

1. DESCRIPTION OF PLAN, (Continued)

f. Payment of benefits

Benefits will be paid to the participants or participant's beneficiary upon termination of service, death, disability or retirement.

Benefits will be paid either as a lump-sum or in installment payments for required minimum distributions, at the participant's discretion.

If the participant's vested benefit under the Plan exceeds \$5,000, then the participant or participant's beneficiary must give consent before the lump-sum distribution may be made.

If the participant's vested benefit under the Plan does not exceed \$5,000, then the benefit must be distributed in a single lump-sum payment as soon as possible following the event that entitles the participant to a distribution.

The Plan allows in-service distributions to participants who have reached age 59 ½.

Participants may also withdraw funds from their vested account in the event of financial hardship as defined by the Plan.

g. Forfeitures

Forfeited account balances will be used first to offset plan administrative expenses then used to reduce employer safe harbor contributions under the Plan and finally, any remaining forfeitures will be allocated to participants.

At December 31, 2021 and 2020, there were forfeited, non-vested accounts of \$12,019 and \$3,018, respectively. During the year ended December 31, 2021, the Plan used \$3,018 from forfeitures to reduce employer safe harbor contributions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

a. Basis of accounting

The financial statements of the Plan are prepared under the accrual basis of accounting.

b. Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Wolfe Companies 401(k) Savings Plan
Notes to Financial Statements, Continued

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, (Continued)

c. Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investment committee determines the Plan's valuation policies utilizing information provided by the investment adviser and custodian. See note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

d. Payment of benefits

Benefits are recorded when paid.

e. Administrative expenses

Certain administrative expenses are paid by the Companies and are not reflected in these financial statements. Administrative expenses paid by the Plan include investment and record keeping fees that are charged to participants' accounts and apportioned based upon their relative account values. Transaction based fees are charged directly to participants' accounts. Investment related expenses are included in net appreciation of fair value of investments.

f. Date of the Plan's review

The Plan has evaluated subsequent events through October 4, 2022, the date the financial statements were available to be issued.

3. CUSTODIANS CERTIFICATION UNDER ERISA SECTION 103(a)(3)(C)

The plan sponsor has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted under such election, the auditors' examination did not extend to the following investment information certified by the custodians as complete and accurate:

- Investments
- Net appreciation in fair value of mutual funds
- Interest and dividends
- Schedule of assets (held at end of year)

(Continued)

Wolfe Companies 401(k) Savings Plan
Notes to Financial Statements, Continued

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date.

Level 2 Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs that are unobservable inputs for the asset or liability.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money market fund: Valued at cost plus accrued interest which approximates fair value.

Wolfe Companies 401(k) Savings Plan
Notes to Financial Statements, Continued

4. FAIR VALUE MEASUREMENTS, (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value:

		December 31, 2021			
		Level 1	Level 2	Level 3	Total
Mutual funds	\$	5,623,300	-	-	5,623,300
Money market fund		-	39,230	-	39,230
Total investments at fair value	\$	<u>5,623,300</u>	<u>39,230</u>	<u>-</u>	<u>5,662,530</u>

		December 31, 2020			
		Level 1	Level 2	Level 3	Total
Mutual funds	\$	4,044,562	-	-	4,044,562
Money market fund		-	24,699	-	24,699
Total investments at fair value	\$	<u>4,044,562</u>	<u>24,699</u>	<u>-</u>	<u>4,069,261</u>

5. PARTY-IN-INTEREST TRANSACTIONS

The Plan offers investment options issued by T. Rowe Price. T. Rowe Price is the recordkeeper of the Plan, and therefore, these transactions are recognized as exempt party-in-interest transactions under ERISA.

For the year ended December 31, 2021, the Plan paid \$600 for certain expenses related to plan operations to service providers. These expenses are recognized as exempt party-in-interest transactions under ERISA.

6. PLAN TERMINATION

Although they have not expressed any intent to do so, the Companies have the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their employer safe harbor contributions.

7. TAX STATUS

The Plan utilizes a prototype volume submitter profit sharing plan administered by T. Rowe Price. The prototype plan obtained a determination letter dated June 1, 2015 from the IRS, which states that the Plan, as designed, complied with applicable requirements of the Internal Revenue Code (IRC) and accordingly, was exempt from federal income tax. Although the Plan has been amended since receiving the determination letter, the plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

(Continued)

Wolfe Companies 401(k) Savings Plan
Notes to Financial Statements, Continued

7. TAX STATUS, (Continued)

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any taxing periods in progress.

8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

9. REGULATORY CHANGES

SECURE Act

The Setting Every Community Up for Retirement Enhancement (SECURE) Act was signed into law on December 20, 2019, though the changes became effective beginning in 2020 and subsequent periods.

The Plan was amended effective December 1, 2021 to adopt the applicable provisions of the SECURE Act.

CARES Act

During 2020, the COVID-19 virus spread to the United States of America. Effective March 2020, the World Health Organization declared the virus outbreak a pandemic. COVID-19 led to significant volatility in financial markets and had a significant impact on national and local economies as a whole.

In response to the pandemic, the Federal Government signed into law the Coronavirus Aid, Relief, and Economic Security (CARES) Act. The CARES Act provided economic relief in various forms, including retirement plan provisions that allowed for coronavirus-related distributions and

The Companies elected not to adopt the relief provisions of the CARES Act.
