INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of
Vince & Joe's Fruit Market 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Vince & Joe's Fruit Market 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Vince & Joe's Fruit Market 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Vince & Joe's Fruit Market 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Vince & Joe's Fruit Market 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Vince & Joe's Fruit Market 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Vince & Joe's Fruit Market 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Assets Held at End of Year, as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to

or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Massachusetts Mutual Life Insurance Company, the 2020 trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the year ended December 31, 2020, that the information provided to the plan administrator by the trustee is complete and accurate.

401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020**

NOTE 1: DESCRIPTION OF THE PLAN

The following description of the Vince & Joe's Fruit Market 401(k) Plan is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

Administrator/Trustees

The Plan Administrator is Vince & Joe's Fruit Market, Inc., and the plan's Trustee is Great-West Life & Annuity Insurance Company. All record keeping functions were performed by Dyatech, LLC. Investment responsibilities, including safeguarding of assets and discretionary authority concerning the purchase and sale of those assets are handled by Empower Retirement, LLC.

General

Vince & Joe's Fruit Market 401(k) Plan became effective on January 1, 2005. The Plan's year end and anniversary date is December 31st.

The Plan is a defined contribution plan. Under terms of the Plan, employees who have completed 12 months of service and attained the age of 21 are participants in the Plan. The net assets are allocated among "participants' accounts", which consists of each participant's accumulated share of annual contributions and any adjustment for appreciation or depreciation on asset revaluations.

Contributions to the Plan

Each participant may elect to defer for each plan year no greater than 15 percent of his/her compensation not to exceed \$19,500 for the years ended December 31, 2021 and 2020. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may elect either Pre-Tax 401(k) Deferrals or Roth 401(k) Deferrals. The Plan's Trustees reserve the right to amend or revoke a participant's election to defer compensation to insure that contributions made by or on behalf of a participant for a plan year do not exceed the limitations of Section 415 of the Internal Revenue Code or to insure that the discrimination tests of Section 401(k) of the Internal Revenue Code are met for each plan year.

The Company, in its sole discretion, will make safe-harbor contributions to the Plan. The Company can choose between several types of safe harbor contributions, but they must contribute an amount equal to at least 3% of each eligible participant's compensation in order to maintain its safe harbor status. The Company made safe harbor contributions of \$247,246 for the year ended December 31, 2021.

NOTE 1: DESCRIPTION OF THE PLAN - Continued

Vesting and Distributions

Company discretionary contributions are vested in accordance with the following vesting schedule:

Years of Service	Percentage
Less than 2	0
2	20
3	40
4	60
5	80
6 or more	100

Participant deferral contributions and employer safe harbor contributions are always fully vested.

Participants can also become fully vested in the employer account upon the occurrence of one of the following events: death, disability or attainment of normal retirement age (59 1/2).

The Plan provides that the form by which a participant retirement benefit shall be paid is one lump-sum cash payment. In the event of death, the remaining balance in the participant's account shall be distributed to his/her beneficiaries.

Tax Status

The IRS has determined and informed the Plan sponsor by a letter dated November 26, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRS and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements are prepared using the accrual basis of accounting. Employer contributions and income from investments are recorded when earned. Expenses are recorded in the accounting period in which they are incurred.

**VINCE & JOE'S FRUIT MARKET
401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020**

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Investments

Fund investments are valued based on the market value of the underlying investments as of the last business day of the year. Realized gains and losses on investment transactions are recorded as the difference between proceeds received and carrying value. Net unrealized appreciation or depreciation in the fair market value of investments is recorded as the change in carrying value of the investment portfolio from the beginning of the year or date of purchase to the end of the year.

Allocation of Contributions, Investment Income, Gains and Losses, and Forfeitures

The Plan states that the discretionary employer contributions, if any, are allocated to the participants based on the ratio of a participant's current year compensation to the total compensation for all eligible participants. Compensation is limited to \$290,000 per participant for allocation purposes for the year ended December 31, 2021.

Funds contributed by employees and by the Company are invested in mutual funds at percentages elected by each participant.

The income, gains or losses in each fund are allocated on a daily basis to the applicable participants accounts in that fund based on the previously reported account balances, adjusted for current period contributions and withdrawals.

Forfeitures of terminated participant's non-vested accounts are used to first pay administrative expenses any remaining forfeitures will be added to any discretionary employer contributions. There were no forfeited non-vested accounts during the year ended December 31, 2021.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Income Taxes

The Plan has adopted accounting rules that prescribe when to recognize and how to measure the financial statement effects of income tax positions taken or expected to be taken on its income tax returns. These rules require management to evaluate the likelihood that, upon examination by relevant taxing jurisdictions, those income tax positions would be sustained. Based on that evaluation, the Plan only recognizes the maximum benefit of each income tax position that is more than 50% likely of being sustained. To the extent that all or a portion of the benefits of an income tax position are not recognized, a liability would be recognized for the unrecognized benefits, along with any interest and penalties that would

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

result from disallowance of the position. Should any such penalties and interest be incurred, they would be recognized as operating expenses.

Based on the results of management's evaluation, adoption of the rules did not have a material effect on the accompanying financial statements. Consequently, no liability is recognized in the accompanying statements of net assets available for benefits for unrecognized income tax positions. Further, no interest or penalties have been accrued as of December 31, 2021 and 2020 or charged to expense for the year ended December 31, 2021. With limited exceptions, the Plan is no longer subject to federal tax audits for years prior to 2018.

Date of Management's Review

Subsequent events were evaluated through October 7, 2022, which is the date the financial statements were available to be issued.

NOTE 3: FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority and Level 2 inputs consist of observable inputs other than quoted prices for identical assets. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. No Level 3 inputs were available to the Plan.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end.

**VINCE & JOE'S FRUIT MARKET
401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020**

NOTE 3: FAIR VALUE MEASUREMENTS - Continued

Level 2 Fair Value Measurements

The fair value of certain investment contracts with insurance companies for which quoted market price are not available are valued using a market approach. The use of quoted prices for identical assets and matrix pricing or other similar techniques are examples of market approaches.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

Unaudited Information Certified by the Plan Trustee

The plan management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan management instructed the plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Great-West Life & Annuity Insurance Company, the trustee of the plan for the year ended December 31, 2021, and Massachusetts Mutual Life Insurance Company, the trustee of the plan for the year ended December 31, 2020, as complete and accurate, except for comparing such information certified by the trustee with information included in the plans' financial statements and supplemental schedules. The information certified included total investments of \$8,102,720 and \$6,887,155 as of December 31, 2021 and 2020, respectively, and the related gain of \$104,530 for the year ended December 31, 2021.

NOTE 5: RELATED PARTY TRANSACTIONS

Dyatech is the Plan's third-party administration and provides record keeping for the Plan's transactions. The transactions qualify as party-in-interest transactions. Fees paid by the Plan for record keeping services amounted to \$3,596 for the year ended December 31, 2021.

Great-West Life & Annuity Insurance Company is the trustee of the Plan. The transactions qualify as party-in-interest transactions. Fees paid by the Plan for trustee services amounted to \$19,061 for the year ended December 31, 2021.

NOTE 6: GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan is invested in a fully benefit-responsive fixed account investment contract with Talcott Resolution Life Insurance Company (Talcott). Hartford maintains the contributions in a pooled account. The account is credited with contributions and actual interest earnings on the underlying investments and charged for participant withdrawals and administrative expenses.

Contract value, as reported to the Plan by Talcott, represents contributions made under the contract, plus earnings, less withdrawals and administrative expenses. Participants may ordinarily direct the withdrawals or transfer of all or a portion of their investment at contract value notwithstanding the liquidation value events that limit the ability of the Plan to transact at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The fair value of the investment contract was \$926,000 and \$879,174 as of December 31, 2021 and 2020, respectively. The declared interest rate as of the end of the Plan year was 1.25%.

NOTE 7: PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 8: TERMINATED PARTICIPANTS

Included in net assets available for benefits are amounts allocated to individuals who have withdrawn from the Plan. Amounts allocated to these participants were \$337,501 and \$255,589 as of December 31, 2021 and 2020, respectively.

NOTE 9: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 10: REQUIRED SCHEDULE INFORMATION

The following information pertains to the 2021 financial statement schedule required under ERISA:

- a. Schedule of Assets Held at End of Year - see supplementary schedule
- b. Schedule of Reportable Transactions - none to be reported
- c. Obligations in Default - none to be reported
