INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of
the Valley View Casino 401(k) Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Valley View Casino 401(k) Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the 2021 financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Valley View Casino 401(k) Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit

evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Valley View Casino 401(k) Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Valley View Casino 401(k) Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Valley View Casino 401(k) Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of (1) Schedule H, Line 4(i) - Schedule of Assets (Held at Year End) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Valley View Casino 401(k) Plan and Trust. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 28, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

VALLEY VIEW CASINO 401(k) PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Valley View Casino 401(k) Plan and Trust (the “Plan”) provides only general information. For specific information, participants should refer to the provisions of the Plan.

General

The Plan is a defined contribution 401(k) plan covering the employees of Valley View Casino and Hotel (the “Company”) and the affiliated employer, San Pasqual Casino Development Group, Inc. (“SPCDGI”), collectively (the “Employer”). The Plan was restated effective June 1, 2015. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Reliance Trust Company (“Reliance Trust”) serves as the Plan’s Custodians and Great-West Life & Annuity Insurance Company, LLC and Great-West Trust Company, LLC serve as the Plan’s Trustees and the Plan’s third-party administrators.

Eligibility

Employees are eligible to participate in the Plan upon attaining the age of 18, except interns, contract and temporary employees. The Plan does not have a minimum service requirement. The Plan does not have automatic enrollment.

Contributions

Participants: Participants may contribute, or change the amount of their contributions, on the day they become an eligible participant or at any time thereafter, but no more than once per month. Participants may discontinue their contributions at any time. However, once contributions are discontinued, they cannot be resumed until the following month. Participants may elect to defer as contributions to the Plan up to the maximum annual statutory limit, which for 2021 was \$19,500. If the participant is at least age 50 by year-end, an additional catch-up contribution of \$6,500 may be made (for a total of \$26,000 in 2021). Participants may also contribute amounts representing rollovers from other qualified defined benefit or defined contribution plans.

Employer: The Company and SPCDGI matches 50% of participant deferrals up to a maximum deferral of 5% of the participant's compensation. The Employer match is only made for all eligible participants employed for at least one 12-month period and still employed at year end.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company and SPCDGI's matching contribution, (b) Plan earnings or losses and (c) administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

VALLEY VIEW CASINO 401(k) PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021

NOTE 1 – DESCRIPTION OF PLAN (continued)

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the remainder of their accounts is based on years of continuous service. For participants hired prior to January 1, 2018, a participant is vested in Employer contributions at a rate of 34%, 67% and 100% on each anniversary date over three years of credited service. For all participants hired on or after January 1, 2018, participants will be vested according to a 5-year graded vesting schedule (20%, 40%, 60%, 80%, and 100%). One year of service is equivalent to 1,000 hours of service during a Plan year. Additionally, participants become fully vested upon death or disability.

Forfeitures

Forfeitures of terminated participants' nonvested accounts may be used to reduce Plan expenditures or Employer matching contributions. At December 31, 2021 and 2020, forfeited nonvested accounts totaled approximately \$0. In 2021, Employer contributions were reduced by approximately \$3,000 from forfeited nonvested accounts.

Investment Options

Upon enrollment in the Plan, participants must direct their salary deferral contributions and their share of Employer contributions into various investment options as made available by the Plan Administrator, which are more fully described in the Plan's literature. Participants may change their investment options upon request.

Payment of Benefits

A participant may take a distribution of his/her entire vested account balance in a single lump sum upon termination of employment or normal retirement at age 59 ½.

Notes Receivable from Participants

The Plan can make loans to participants not to exceed the lesser of 50% of a participant's vested account balance or \$50,000, reduced by the highest outstanding loan balance of the participant from the Plan during the one-year period ending on the day before the date on which the loan was made. Loan transactions are treated as a transfer to (from) the investment fund from (to) the participants loan fund. The loans are secured by the balance in the participant's account and bear interest at a fixed rate based on the prime interest rate at the date of the loan, plus 1%. At December 31, 2021 and 2020, the interest rate on outstanding participant loans ranged from 4.25% to 6.5%.

Loans for active participants are repaid through payroll withholdings, generally over five years, although participants may select a shorter term. The Plan provides for longer maturities if the loan is used to acquire the principal residence of the participant. Participants are allowed to have one outstanding loan at any one time.

NOTE 1 – DESCRIPTION OF PLAN (continued)

Corrective Distributions

As of December 31, 2021, and 2020, contributions that exceeded the maximum allowable amounts totaled \$33,728 and \$28,248, respectively.

Hardship Withdrawals

Participants may withdraw all or any portion of their vested contributions in the event of hardship as defined in the Plan agreement.

Administrative Expenses

Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Amounts paid by the Plan are deducted directly from participants' accounts. Plan expenses that are charged directly to participants' accounts include fees associated with notes receivable from participants, origination and annual maintenance fees, recordkeeping fees, and distribution fees and other third party administrator and advisor fees. All other fees, including accounting, legal services and other administrative fees are paid by the Company. During the year ended December 31, 2021, the third party administrative expenses paid by the Plan were \$157,084.

Setting Every Community Up for Retirement Enhancement Act

The Plan has implemented certain requirements by the Setting Every Community Up for Retirement Enhancement Act of 2019 (the "Secure Act"), which laws change the Plan to, among others, add an age increase for Required Minimum Distributions and allow employees that meet certain work and age requirements to make elective deferrals. Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and IRS guidance.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

VALLEY VIEW CASINO 401(k) PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investment Valuation and Income Recognition

The mutual funds are stated at fair value based upon quoted market prices. The common collective trusts are stated at fair value based upon the net asset value of the underlying assets. The Mass Mutual SF Guaranteed Fund ("SF Guaranteed Fund") and the Mass Mutual Fixed Interest Fund ("Fixed Interest Fund") are a fully benefit responsive investment contracts which is valued at contract value. Refer to Note 4 for the SF Guaranteed Fund and the Fixed Income Fund and Note 5 for the fair value measurement disclosures associated with the Plan's investments.

The Plan presents in the statement of changes in net assets available for benefits the net appreciation (depreciation) in the fair value of its investments, which consists of the realized gains or losses and the unrealized appreciation or depreciation on investments that are bought and sold, as well as held during the year. Purchases and sales of securities are recorded on trade-date basis. Interest income is accrued when earned. Dividends are recorded on the ex-dividend date.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid balance plus any accrued, but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Benefits Due to Terminated Participants

Funds due to participants that have terminated employment but have not yet been distributed are not presented as liabilities in the statements of net assets available for benefits. Distributions are reflected in the statement of changes in net assets available for benefits when paid. As of December 31, 2021 and 2020, there were no distributions payable to the Plan participants.

NOTE 3 – INFORMATION CERTIFIED BY THE CUSTODIAN AND TRUSTEES

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA, certain information prepared and certified by a trustee or custodian need not be audited or reported on by an independent public accountant. Accordingly, Reliance Trust, Great-West Life & Annuity Insurance Company, LLC, and Great-West Trust Company, LLC has certified to the Plan Administrator the completeness and accuracy of:

- Investments and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of December 31, 2021 and 2020.
- Net appreciation (depreciation) in fair value of investments and dividend and interest income reflected on the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2021.
- Investments reflected in the supplemental schedule of assets (held at end of year).

VALLEY VIEW CASINO 401(k) PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021

NOTE 4 – FULLY BENEFIT RESPONSIVE INVESTMENT CONTRACT

At December 31, 2020, the Plan was invested in the Fixed Interest Fund, a guaranteed interest account. During the year ended December 31, 2021, the Plan transferred this balance to the SF Guaranteed Fund, a guaranteed interest account. These investments are traditional guaranteed investment contracts ("GIC") that provides a fixed return of principal plus interest (based on the coupon rate) for a specified period of time. These investments are recorded at contract value in the statements of net assets available for benefits. All contracts are fully benefit-responsive and therefore carried at contract value in accordance with the Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 962, *Plan Accounting – Defined Contribution Pension Plans*. Contract value represents contributions to the fund, plus accrued interest, less participant withdrawals.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. As of December 31, 2021 and 2020, the total contract value of the guaranteed interest accounts held by the Plan is estimated to be \$3,446,182 and \$3,102,331, respectively.

Certain events may limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe that any events, which would limit the Plan's ability to transact at contract value with participants, are probable of occurring.

The interest rate credited to the participant's account is reset at least quarterly and in some cases may be reset more frequently. Inputs used to determine the crediting interest rate include each contract's portfolio market value, current yield to maturity, duration and market value relative to contract value. The crediting interest rate is based on an agreed-upon formula with the issuer, but cannot be less than zero. Such interest rates are reviewed on a quarterly basis for resetting.

NOTE 5 – FAIR VALUE MEASUREMENTS

Investments in the Plan are recorded at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability between market participants at the measurement date in accordance with FASB ASC 820, *Fair Value Measurements and Disclosure* ("FASB ASC 820").

FASB ASC 820 provides the framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value.

The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access for assets.

VALLEY VIEW CASINO 401(k) PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021

NOTE 5 – FAIR VALUE MEASUREMENTS (continued)

Level 2 – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in active markets, inputs other than quoted prices that are observable for the asset or liability, and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement inputs, which contain assumptions by the party valuing those assets. For level 3 inputs, there is no market data or correlations with market assumptions.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used needed to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded (Market approach).

Common collective trusts – Valued using the NAV provided by the Custodian. The NAV is quoted on a private market that is not active; however, the unit prices are based on the fair value of the underlying investments. The funds are primarily invested in collective investment funds, ranging from conservative to moderate to aggressive mixes.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan Administrator believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following summarizes investments by classification and method of valuation, within the fair value hierarchy, in accordance with the requirements of FASB ASC 820 as of December 31, 2021 and 2020:

NOTE 6 – TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated March 31, 2014 that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (the “Code”) and therefore exempt from federal income taxes under Section 501(a) of the Code. Although the Plan has been amended since receiving the determination letter, the Plan Administrator and the Plan’s tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code and therefore believe that the Plan is qualified and the related trust is tax-exempt. Therefore, no provision for income taxes has been included in the Plan’s financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure within the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2018.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021

NOTE 7 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan and discontinue its contributions at any time, subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their Employer contribution accounts. In the event of Plan termination, all amounts credited to accounts of participants shall be paid to each participant in accordance with the Plan agreement.

NOTE 8 – PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds, common collective trusts, and a guaranteed interest account managed by Reliance Trust and Mass Mutual. Reliance Trust and Mass Mutual are the Custodians and third-party administrators as defined by the Plan and, therefore, these transactions qualify as exempt party-in-interest transactions.

NOTE 9 – RISKS AND UNCERTAINTIES

The Plan invests in various investments. Investments are exposed to various risks such as interest rate, market, and credit risks. The Plan is also exposed to credit risk in the event of default by the issuers of the underlying owned investment securities to the extent of amounts recorded on the statements of net assets available for benefits. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

In March 2020, an outbreak of a novel strain of coronavirus ("COVID-19") emerged globally. As a result, events have occurred including mandates from federal, state, and local authorities leading to an overall decline in economic activity which could result in significant changes in overall Plan participation, a decline in Plan assets value, and other material adverse effects to the Plan's financial status. The Plan Administrator is not able to reliably estimate the length or severity of this outbreak and the related financial impact.
