INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of the
Pennsylvania General Energy Company, LLC Retirement Plan
Warren, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Pennsylvania General Energy Company, LLC Retirement Plan ("Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of assets available for benefits as of December 31, 2021, and the related statement of changes in assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from Northwest Bank, a qualified institution, as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section -

- The amounts and disclosures in the accompanying 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

INDEPENDENT AUDITOR'S REPORT
(continued)

- The information in the accompanying 2021 financial statements related to assets held by and certified to by the qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITOR'S REPORT
(continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of assets held at end of year as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

INDEPENDENT AUDITOR'S REPORT

(continued)

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 12, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - PLAN DESCRIPTION

The following description of the Pennsylvania General Energy Company, LLC Retirement Plan ("Plan") provides only general information regarding the Plan. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions. Effective January 22, 2022, the Plan's adoption agreement was amended to conform with certain legislative and regulatory changes. The amendment did not have a material impact on the Plan's provisions.

General

The Plan is a safe harbor defined contribution plan established to provide retirement benefits for employees of Pennsylvania General Energy Company, LLC and its affiliate, Pennsylvania General Energy Management Corporation, collectively referred to as the ("Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974.

Eligibility

An employee becomes eligible to participate in the Plan on the first day of the payroll period coinciding with or next following the date of completion of three months of service and attaining the age of twenty-one.

Contributions

Participants may direct the Company to contribute a deferral of their annual compensation to the Plan, subject to overall limitations imposed by the Internal Revenue Code ("IRC"). Participants who have attained age 50 by the end of the Plan year are eligible under the IRC to make additional catch-up contributions. These deferred salary contributions are classified as participant contributions in the financial statements. In addition, participants who receive qualified distributions from another qualified plan may be able to rollover such distributions into the Plan.

In order to maintain safe harbor status, the Company makes safe harbor matching contributions equal to 100% of a participant's salary deferrals not to exceed 3% of compensation plus 50% of a participant's salary deferrals greater than 3% not to exceed 5% of compensation. The Company may also elect to make discretionary profit-sharing contributions. Safe harbor matching employer contributions of \$258,615 and \$314,201 were made to the Plan in 2021 and 2020, respectively. No discretionary profit-sharing contributions were made to the Plan during either of the years ended December 31, 2021 or 2020.

NOTE 1 - PLAN DESCRIPTION (continued)

Participant accounts

Each participant's account is credited with the participant's deferred salary contributions, Company contributions, and an allocation of Plan earnings based on the investment options selected by the participant. Each participant's account is reduced by participant withdrawals, forfeitures, and an allocation of Plan losses based on investment options selected by the participant.

Vesting

Participants are immediately vested in their deferred salary contributions and employer safe harbor matching contributions plus actual earnings thereon. Vesting in the Company's discretionary contributions plus actual earnings thereon is based on years of continuous service. For those contributions, participants are vested 20% after two years of continuous service plus 20% for each additional year of continuous service up to 100%. Terminated employees are entitled to their vested amounts.

Notes receivable from participants

Participants may borrow from their vested account balance in amounts ranging from a minimum of \$1,000 to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the participant's account balance. Fixed interest rates on loans are consistent with a commercially reasonable rate of interest. Fixed interest rates on loans are based on the prime rate plus 1% at the date of loan origination. Loan principal and interest payments must be made according to terms of each promissory note and prepayments may be made at any time. A maximum repayment period of five years applies to all loans, except for loans used to acquire a principal residence. Interest rates on outstanding loans as of December 31, 2021 ranged from 4.25% to 6.50%.

The balance of loans in default (as defined) is reported to the participant as taxable income and is subject to personal income taxes and penalties. Such loans remain outstanding and continue to accrue interest even though they have been reported to a participant on Form 1099 (a "deemed distribution"). Loans will not be charged against the participant's vested account balance until approval is received to offset the loan due to the participant's termination of service, retirement, death, disability, attainment of age 59-1/2, or reaching the earliest date that distribution is permitted under the Plan.

NOTE 1 - PLAN DESCRIPTION (continued)

Distributions of benefits

Upon death, retirement or other termination of employment, the participant or beneficiary has the option to leave their vested balance in the Plan, receive a lump-sum distribution, or receive installment distributions subject to Plan provisions. A participant may, in the event of hardship, be permitted to withdraw all or a portion of deferred salary and rollover contributions in accordance with Plan provisions.

Forfeitures

Forfeitures are applied as reductions of Company profit sharing contributions. There were no significant forfeitures of non-vested accounts for the years ended December 31, 2021 and 2020.

Plan termination

Although it has not expressed any intention to do so, the Company may terminate the Plan at any time. In the event of termination, the interests of participants affected by the termination and their beneficiaries under the Plan shall be vested and non-forfeitable.

Administrative expenses

The Company elects to pay certain Plan expenses from its own assets. To the extent that the Company elects not to pay for Plan expenses, the Plan permits the payment of such expenses from Plan assets.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities as of the date of the financial statements and the reported amounts of changes in assets during the reporting period. Actual results could differ from those estimates.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investments

Investment transactions are accounted for on the trade date (date the order to buy or sell is executed). Interest and dividend income are recorded when earned. All gains and losses (realized and unrealized) on investments recorded at fair value, bought and sold as well as held during the year, are included in net appreciation in fair value of investments in the statements of changes in assets available for benefits. Capital gain distributions from mutual funds are included in net appreciation in fair value of investments in the statements of changes in assets available for benefits.

The Plan provides for various investment options that are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments and the level of uncertainty related to changes in the fair value of investments, it is at least reasonably possible that changes in the fair values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of assets available for benefits.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as a distribution in accordance with the terms of the Plan document.

Payment of benefits

Benefit payments are recorded when paid.

Subsequent events

The Plan evaluates events and transactions occurring subsequent to the date of the financial statements for matters requiring recognition or disclosure in the financial statements. The accompanying financial statements consider events through October 11, 2022, the date on which the financial statements were available to be issued.

NOTE 3 - FEDERAL INCOME TAX EXEMPTION

The Plan is operating under a prototype plan document of Definiti, LLC. The most recent determination letter for the prototype plan document is dated August 20, 2014. In this letter, the Internal Revenue Service stated that the Plan, as designed, is in compliance with the applicable requirements of the IRC. The Plan has been amended since receiving the determination letter. In the opinion of the Plan Administrator, the Plan as amended is currently designed in compliance with the applicable requirements of the IRC and is being operated in accordance with the terms of the Plan.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for periods prior to 2018.

NOTE 4 - CERTIFICATION

The information about investments, notes receivable from participants, and related income contained in the financial statements and Schedule of Assets Held at End of Year has been certified as accurate and complete by Northwest Bank, the Plan's trustee.

NOTE 5 - INVESTMENTS

The Plan provides participants the opportunity to direct both participant and employer contributions into separate investment funds. However, investment managers have the authority to make investment decisions within each fund.

Mutual funds

The Plan's mutual fund investments are stated at fair value, determined by quoted market prices.

NOTE 6 - FAIR VALUE MEASUREMENTS

Investments measured and reported at fair value are classified and disclosed in one of the following categories based on the extent of market price observability.

Level I – Inputs are quoted prices in active markets for identical assets as of the reporting date. Investments in mutual funds and cash equivalents fall in Level I.

Level II – Inputs are other than quoted market prices included within Level I, however, are observable, either directly or indirectly. The Plan holds no Level II investments.

Level III – Inputs are unobservable for the investment and include situations where there is little, if any, market activity for the investment. The inputs into the determination of fair value require significant management judgment or estimation. The Plan holds no Level III investments.

The valuations of the Plan's investments by the above fair value hierarchy levels as of December 31, are as follows:

	<u>2021</u>	
	<u>Level I</u>	<u>Total</u>
Mutual funds	\$ 27,508,285	\$ 27,508,285
Cash equivalents	<u>9,916</u>	<u>9,916</u>
	<u>\$ 27,518,201</u>	<u>\$ 27,518,201</u>
