To the Administrator and Trustees
Keller Supply Company Profit Sharing 401(k) Plan

Independent Auditor's Report

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Keller Supply Company Profit Sharing 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Keller Supply Company Profit Sharing 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Keller Supply Company Profit Sharing 401(k) Plan 's ability to continue as a going concern for within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Keller Supply Company Profit Sharing 401(k) Plan 's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Keller Supply Company Profit Sharing 401(k) Plan 's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived

from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Keller Supply Company Profit Sharing 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 29, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

KELLER SUPPLY COMPANY PROFIT SHARING 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF THE PLAN:

The Keller Supply Company Profit Sharing 401(k) Plan (the Plan) is a contributory, defined contribution plan for the benefit of the employees of Keller Supply Company (the Company).

The responsibility for operations, investments, policies and administration of the Plan (except for the day-to-day investment management and control of assets) is vested in the Administrative Committee of the Company. Administrative Committee members are appointed by the Company's Board of Directors. Plan assets are held in a trust administered by the Plan trustee under the terms of a trust agreement. The Plan adopted the Great-West Trust Company Defined Contribution Prototype Plan and Trust. The trustee function of the Plan is performed by Great-West Life & Annuity Insurance Company (the "Trustee"). The Trustee receives contributions made to the Plan in a trust and invests those contributions as directed by participants and according to the policies established by the Administrative Committee. The Trustee makes payouts from the Plan in accordance with the Plan document. The funds must be used for the exclusive benefit of Plan participants and their beneficiaries. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Employees may contribute deferrals subject to statutory limits. The Plan allows participants to designate all or a portion of their elective deferrals on a pretax basis or as Roth deferrals. The Company provides a matching contribution (determined annually by the Company's Board of Directors) equal to a discretionary percentage or amount of each participant's elective deferral. For 2021 and 2020, the Company provided a discretionary matching contribution equal to the lesser of 25% of the first 4% of compensation that a participant contributed to the Plan or 1% of compensation. Additional amounts may be contributed at the option of the Company's Board of Directors. The additional contributed amounts for the profit-sharing component of the Plan are allocated to participants based on eligible compensation. The Company funds its matching and profit-sharing contributions annually. The Company's 2021 matching 401(k) contribution and discretionary profit-sharing contribution were \$390,295 and \$3,009,705, respectively. The Company's 2020 matching 401(k) contribution and discretionary profit-sharing contribution were \$363,788 and \$1,429,212, respectively. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

Employees are eligible to participate in elective deferrals with the performance of one hour of service and are eligible for matching and profit-sharing contributions upon attaining eighteen years of age and completion of one year of service. In addition, eligible employees hired on or after June 1, 2010 are automatically enrolled for a 2% deferral in the absence of an election to the contrary.

A participant may direct the Trustee to invest his/her elective contributions, catch-up contributions, qualified non-elective contributions, rollover contributions and employer contributions in available investment options. Investment options include a variety of mutual funds, including life-cycle funds.

Participants may change their investment selections at any time.

Each participant's account is credited with the participant's contribution and related matching contribution and allocations of the employer's discretionary contributions, net plan earnings, and

NOTE 1 - Continued:

forfeitures. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Employer contributions and allocated earnings and forfeitures thereon vest with individual participants based upon vesting service (as defined) with the Company, with 100% vesting after six years of service or at normal retirement age. Forfeitures of the employer match and profit-sharing contributions are reallocated to remaining participants as an additional discretionary matching contribution (employer match) and an additional discretionary nonelective contribution (profit sharing) and were as follows:

	2021	2020
Forfeiture reallocation – employer match	\$14,196	\$28,749
Forfeiture reallocation – profit sharing	74,489	128,686
	<u>\$88,685</u>	<u>\$157,435</u>

At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$88,685 and \$157,435, respectively. These amounts were allocated in March 2022 and 2021, respectively.

Vested benefits are payable upon the retirement, death, disability or termination of a participant.

Participants may receive loans from the Plan. Participant loans carry interest at a commercially reasonable rate as determined by the Administrative Committee, are secured by the related account balances, and have maturities not to exceed five years.

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event the Plan is terminated, each participant's account will be fully vested, nonforfeitable, and distributed to the participant after the effective date of the termination.

CARES Act -

On March 27, 2020, the Coronavirus Aid, Relief and Economic Security Act (the “CARES Act”) was signed into law. The CARES Act allows retirement plans, among other things, to provide participants who are impacted by the coronavirus (as defined in the CARES Act) with greater access to their savings.

The Plan has not yet been amended to adopt the following provisions under Section 202 of the CARES Act:

- Qualified individuals may receive coronavirus-related distributions in an aggregate amount up to \$100,000 from the participant's account in the Plan. Coronavirus-related distributions can be taken up to December 31, 2020 and may be repaid within three years of the date of distribution.
- Qualified individuals may borrow up to \$100,000 for loans made from March 27, 2020 through September 22, 2020, and repayment can be delayed.
- Allows for suspension of loan payments due from March 27, 2020 through December 31, 2020 for up to one year.

The Plan must amend the plan document to adopt these provisions on or before December 31, 2022.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES:

Basis of accounting -

The financial statements of the Plan are prepared using the accrual method of accounting.

Valuation of investments and income recognition -

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Investment securities are exposed to various risks, such as interest rate, market, and credit risk. It is reasonably possible, given the level of risk associated with investment securities that changes in the near term could materially affect participants' account balances and the amounts reported in the financial statements.

Notes receivable from participants -

Notes receivable from participants are measured at their unpaid balance. Interest income is recorded on the accrual basis. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2021 or 2020.

Expenses -

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses.

Use of estimates -

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the Plan's administrator to make estimates and assumptions that affect the reported amounts of assets and net assets available for benefits at the date of the financial statements and the reported amounts of additions to and deductions from net assets available for benefits during the reporting period. Accordingly, actual results could differ from those estimates.

NOTE 3 - FAIR VALUE MEASUREMENTS:

Fair value is a market-based measurement determined based on assumptions that market participants would use in pricing an asset or liability. Under generally accepted accounting principles, there are three levels of inputs, which prioritize the inputs used in measuring fair value as follows:

- Level 1: Observable market inputs such as quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2: Observable market inputs, other than the quoted prices in active markets, that are observable either directly or indirectly; and
- Level 3: Unobservable inputs where there is little or no market data, which require the reporting entity to develop its own assumptions.

The inputs or methodology used for valuing investments is not necessarily an indication of the risk associated with investing in those securities.

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of:

	Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$53,598,262	\$-	\$-	\$53,598,262

	Assets at Fair Value as of December 31, 2020			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$47,352,930	\$-	\$-	\$47,352,930

NOTE 4 - INFORMATION CERTIFIED BY TRUSTEE:

Following is a summary of the unaudited information included in the financial statements and supplemental schedule which was prepared by Great-West Life & Annuity Insurance Company in 2021 and 2020, the trustee and custodian of the Plan's investment assets, and furnished to the administrator along with certification that such information is complete and accurate.

1. Fair value of mutual funds as of December 31, 2021 and 2020.
2. Notes receivable from participants as of December 31, 2021 and 2020.
3. Investment income for the year 2021.
4. Interest income on participant notes receivable for the year 2021.
5. The information in Note 3 as of December 31, 2021 and 2020 and the supplemental schedule on page 12.

NOTE 5 - FEDERAL INCOME TAXES:

Keller Supply Company (Employer) adopted the Great-West Trust Company Defined Contribution Prototype Plan and Trust effective January 1, 2021. It is the intent of the prototype plan to be exempt from federal income taxes. An opinion letter dated June 30, 2020 from the Internal Revenue Service has been obtained by the prototype plan sponsor. The Plan Administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, they believe that the Plan is qualified, and the related trust is tax-exempt as of the financial statement date.

Generally accepted accounting principles require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has concluded that as of December 31, 2021, the Plan has not taken any uncertain positions that would require recognition or disclosure. Therefore, no provision for income taxes has been included in the Plan's financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2018.

NOTE 6 - PARTY-IN-INTEREST TRANSACTIONS:

Great-West Life & Annuity Insurance Company acts as a custodian and recordkeeper via its subsidiary, Empower Retirement for the Plan. Effective September 13, 2021, Hunnex and Shoemaker (H&S) commenced third party administration services. Empower provided third party administration from January 1, 2021 – September 12, 2021. Therefore, transactions with the above named and their subsidiaries qualify as party-in-interest transactions.

NOTE 7 - SUBSEQUENT EVENTS:

Effective January 1, 2022, the Plan was restated to adopt the H&S Nonstandardized Profit Sharing/401(k) Plan. This restatement resulted in no material modifications to the Plan's provisions.

The Plan has evaluated subsequent events through October 6, 2022, the date these financial statements were available to be issued.
