Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of the iCare Services 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the iCare Services 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the iCare Services 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the iCare Services 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the iCare Services 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule of Assets (Held at End of Year) - December 31, 2021 and Schedule of Delinquent Participant Contributions for the year Ended December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the iCare Services 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 7, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements, other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Respectfully submitted,

NOTE 1 - DESCRIPTION OF PLAN

The following description of the iCare Services 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a contributory, defined contribution plan covering employees of iCare Financial Services, Inc.; iCare Consulting Services, LLC; Cedar Home for Hispanic Elderly, LLC; Pine Crest Health Care, LLC; Park View Rehab Center, LLC; River View Rehab Center, LLC; Rock River Health Care, LLC; Prairie Oasis, LLC; Oak Park Oasis, LLC; The Austin Oasis, LLC; Quincy Senior Living, LLC; and Carlyle Senior Living, LLC (the Company) who have completed one year with 1,000 hours of service and are 21 years of age or older. Nonresident aliens and leased employees are not eligible for the Plan. Union employees may participate in the Plan but are not eligible to receive employer discretionary profit sharing contributions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may contribute up to 100% of their annual compensation up to the maximum allowable limits of Code Section 401(k). The Company makes matching contributions equal to 25 percent of each participant's contributions that are not in excess of 4 percent of the participant's compensation. Each year, the Company also has the option to make a profit sharing contribution which is not limited to its current or accumulated net profit. The Company did not make a profit sharing contribution for the year ended December 31, 2021.

Participant Accounts

Each participant's self-directed 401(k) account is credited with the participant's contributions and earnings on the participant's contributions, and is charged with plan expenses. Each participant has separate self-directed 401(k) accounts for employer matching contributions and employer profit sharing contributions, which consist of the Company's contributions and earnings on the Company's contributions, and which are charged with plan expenses.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company matching contributions and profit sharing contributions portions of their accounts plus earnings thereon is based on years of continuous service. A participant is 100% vested after six years of credited service.

Description of Investment Options

The Plan's assets are held in a trust administered by Great-West Life & Annuity Insurance Company and Great-West Trust Company LLC. Participants may elect to have their account contributions invested in one or a combination of investment options provided by the Plan. The investment options consist of a group annuity contract and various mutual funds and collective trust funds as selected by the Plan Administrator.

iCARE SERVICES 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Notes Receivable from Participants

The Plan contains provisions which allow for loans to participants, subject to certain restrictions. The maximum loan amount is the lesser of one half of the vested balance or \$50,000 reduced by the highest outstanding loan balance in the account during the prior 12 month period. Up to 50 percent of the vested balance may be used as collateral for the loan. These loans, which have a maximum term of five years (longer, if used to acquire a participant's principal residence), are to be repaid through regular payroll withholdings. The interest rate charged for loans from the Plan is established by the Plan Administrator.

Payment of Benefits and Distributions

On termination of service due to death, disability, retirement, or other reasons, a participant will receive an amount equal to the value of the participant's vested interest in a lump-sum payment. In addition, the Plan provides for in-service withdrawals under certain circumstances.

Administrative Expenses

Certain administrative expenses have been paid by the Company. Administrative expenses paid by the Plan include investment advisory and management fees.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Forfeited Accounts

At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$-0- and \$190, respectively. These forfeitures may be used to pay administrative expenses or reduce employer contributions. During the year ended December 31, 2021, forfeitures totaling \$366 were used to pay administrative expenses.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Administration

The Plan is administered by the Plan Administrator.

iCARE SERVICES 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Notes Receivable from Participants

Loans to participants are reported at their unpaid principal balance plus any accrued but unpaid interest.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and that also affect revenues and expenses during the reporting period. Actual results could differ from those estimates.

Since March of 2020, the COVID-19 pandemic has significantly impacted the global economy. As the situation continues to evolve, economic uncertainties have led to adverse economic conditions and significant volatility in the financial markets. The duration of these uncertainties and any potential negative impacts on the Plan's assets cannot be reasonably estimated at this time. As a result, accounting estimates and assumptions may change over time in response to COVID-19.

Date of Management's Review

For the current reporting period, subsequent events were evaluated through October 6, 2022, which represents the date the financial statements were available to be issued.

iCARE SERVICES 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021

NOTE 3 - INVESTMENTS

The financial information relating to the Plan's investments is included in the accompanying financial statements based on information provided by the custodians. Great-West Life & Annuity Insurance Company and Great-West Trust Company LLC were the custodians of the Plan's investments at December 31, 2021 and 2020. All investments are participant directed utilizing the investment options provided by the Plan.

NOTE 4 – INFORMATION CERTIFIED BY THE PLAN'S CUSTODIANS

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the custodians have certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate.

	<u>2021</u>	<u>2020</u>
Investments:		
Mutual funds (at fair value)	\$ 308,651	\$ 192,536
Collective trust funds (at fair value)	\$ 1,835,945	\$ 1,289,712
Group annuity contract (at contract value)	\$ 38,323	\$ 34,058
Notes receivable from participants	\$ 38,613	\$ 36,707

For the year ended December 31, 2021, the custodians also certified to the completeness and accuracy of \$213,154 of net realized and unrealized appreciation in fair value of investments and \$15,920 in interest and dividends investment income related to the aforementioned investments, as well as \$1,827 in interest income related to the aforementioned notes receivable from participants.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

NOTE 5 - FAIR VALUE MEASUREMENTS

The Fair Value Measurements and Disclosure Topic of the Financial Accounting Standards Board Accounting Standards Codification establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
---------	---

iCARE SERVICES 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021

NOTE 5 - FAIR VALUE MEASUREMENTS (Continued)

- | | |
|---------|---|
| Level 2 | Inputs to the valuation methodology include: <ul style="list-style-type: none">• Quoted prices for similar assets or liabilities in active markets.• Quoted prices for identical or similar assets or liabilities in inactive markets.• Inputs other than quoted prices that are observable for the asset or liability.• Inputs that are derived principally from or corroborated by observable market data or correlation by other means. |
|---------|---|

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- | | |
|---------|---|
| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement. |
|---------|---|

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the end of the plan year by obtaining quoted prices on nationally recognized securities exchanges.

Collective trust funds: Valued at the net asset value (NAV) of units held by the plan. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This NAV represents the Plan's fair value since this is the NAV at which the Plan transacts with the fund. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

Participant transactions (purchases and sales) may occur daily. There are no unfunded commitments and no redemption notice period requirements.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

iCARE SERVICES 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021

NOTE 5 - FAIR VALUE MEASUREMENTS (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value at December 31, 2021 and 2020:

Assets at Fair Value at December 31, 2021				
	Quoted Prices in Active Markets for Identical Assets Level 1	Significant Other Observable Inputs Level 2	Significant Unobservable Inputs Level 3	Total
Mutual funds	\$ 308,651	\$ -0-	\$ -0-	\$ 308,651
Collective trust funds, measured at NAV as a practical expedient				1,835,945
Total	<u>\$ 308,651</u>	<u>\$ -0-</u>	<u>\$ -0-</u>	<u>\$ 2,144,596</u>

Assets at Fair Value at December 31, 2020				
	Quoted Prices in Active Markets for Identical Assets Level 1	Significant Other Observable Inputs Level 2	Significant Unobservable Inputs Level 3	Total
Mutual funds	\$ 192,536	\$ -0-	\$ -0-	\$ 192,536
Collective trust funds, measured at NAV as a practical expedient				1,289,712
Total	<u>\$ 192,536</u>	<u>\$ -0-</u>	<u>\$ -0-</u>	<u>\$ 1,482,248</u>

NOTE 6 - GROUP ANNUITY CONTRACT

The Plan offers as an investment option a fully benefit-responsive investment contract (group annuity contract) with Great-West Life & Annuity Insurance Company (Great-West). Great-West maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Subject to certain restrictions, participants may ordinarily direct the withdrawal or transfer of all or a portion of their investments at contract value. The group annuity contract is a traditional investment contract. The group annuity contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

iCARE SERVICES 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021

NOTE 6 - GROUP ANNUITY CONTRACT (Continued)

The group annuity contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because it is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Great-West, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments. There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the group annuity contract as of December 31, 2021 and 2020 was \$38,323 and \$34,058, respectively. The crediting interest rate is based upon a formula agreed upon with the issuer, but it may not be less than zero.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include termination of the Plan, termination of the recordkeeping agreement, or written notice of termination provided either by the Plan Administrator or the issuer. In the event of terminating the contract, the issuer will pay all participant account values to another provider or trustee as directed by the Plan Sponsor, contingent upon certain termination charges applicable to the contract. The Plan Administrator believes that occurrence of such events that would limit the Plan's ability to transact at contract value is not probable.

Liquidation of the entire contract may cause a one-time adjustment to the aggregate contract value, resulting in a fair value different from the contract value. The total liquidation is a contingent event, which cannot be initiated by the Plan's participants, and which can only be initiated by the Plan Administrator upon termination of the Plan or complete termination of the contract.

The group annuity contract requires the insurance company to provide ninety days notice prior to the termination of the agreement.

NOTE 7 - TAX STATUS

The volume submitter plan sponsor has obtained an opinion letter dated March 31, 2014, in which the IRS stated that the restated volume submitter plan document was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan Administrator timely adopted the restated volume submitter plan. The Plan Administrator believes that the Plan is being operated in accordance with the IRC.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Department of Labor or the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes the Plan is no longer subject to income tax examinations for years prior to 2018.

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 9 - PARTY IN INTEREST TRANSACTIONS

Plan investments include a group annuity contract issued by Great-West Life & Annuity Insurance Company (Great-West). Great-West is the custodian of the Plan and, therefore, these transactions qualify as party in interest transactions. Fees paid indirectly by the Plan to the custodian are included as a reduction of the return earned on the group annuity contract.

NOTE 10 - PROHIBITED TRANSACTIONS

During the year ended December 31, 2021, the Company failed to remit to the Plan's custodians certain employee contributions totaling approximately \$1,855 within the period prescribed by Department of Labor regulations. Delays in remitting contributions to the custodians were due to administrative errors, and the Company has or will make contributions to the affected participants' accounts to compensate those participants for potential lost income due to the delays. The Company calculated the amount of corrective payments due to the Plan and determined that the amount is immaterial.
