INDEPENDENT AUDITORS' REPORT

TO THE 401(K) COMMITTEE OF CAMICO SAVINGS AND INVESTMENT PLAN

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed the audit of the financial statements of CAMICO SAVINGS AND INVESTMENT PLAN (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from qualified institutions as of December 31, 2021 and for the year then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the 2021 financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H – Line 4i: Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditors' Report on the 2020 Financial Statements

The 2020 financial statements of the Plan were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by the qualified institutions. Their report dated July 29, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplemental schedule, and (b) the form and content of the information included in the financial statements and supplemental schedule other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

CAMICO SAVINGS AND INVESTMENT PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the Camico Savings and Investment Plan (the “Plan”) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan’s provisions.

General – The Plan was established on April 1, 1992 by the Camico Mutual Insurance Company, (the “Company”), and restated effective December 22, 2014. Effective July 1, 2021, the plan was amended to exclude Camico Incentive Plan (“CIP”), Short Term Incentive Plan (“STIP”), spot bonuses and COVID pay from eligible compensation. Effective November 22, 2021, the terms of the Plan was restated (see Note 6). The Plan is a voluntary defined contribution plan available to substantially all employees of the Company who have attained twenty-one years of age and who are not union employees or non-resident aliens. Eligible employees may participate in the Plan at the beginning of the month following satisfaction of the eligibility requirements. The 401(k) Committee is responsible for the oversight of the Plan, which includes determining the appropriateness of the Plan’s investment offerings, monitors investment performance. The Plan is subject to the provisions of the Employee Retirement Income Securities Act of 1974 (“ERISA”) and certain provisions of the Internal Revenue Code (“IRC”).

In April 2020, the Plan implemented provisions of the Coronavirus Aid, Relief, and Economic Security (the “CARES Act”) that was signed into law on March 27, 2020. These provisions were applicable for qualified Plan participants and included an increase in maximum loan amounts to the lesser of the participant’s account balance or \$100,000 for a loan issued through September 23, 2020; the ability of qualified participants who had Plan loan repayments due in 2020 to defer such repayments beyond December 31, 2020; and a new coronavirus-related distribution up to \$100,000 in 2020. In addition, the CARES Act allowed any participant subject to a 2020 required minimum distribution (“RMD”) to waive such distribution. In addition, effective January 1, 2020, the Plan implemented the delay of the commencement date for required minimum distributions pursuant to the Setting Every Community Up for Retirement Enhancement Act of 2019 (the “SECURE Act”). The Plan will be amended for the provisions implemented under the CARES Act and SECURE Act by the time prescribed.

The Plan provides for a plan administrator who is responsible for keeping accurate and complete records with regard to the Plan, informing participants of changes or amendments to the Plan, ensuring that the Plan conforms to the law and to government regulations and providing participants with any reports and documents required by law.

CAMICO SAVINGS AND INVESTMENT PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Participant Contributions – Participants may elect to contribute pre-tax or after-tax salary deferrals based on a percentage of eligible compensation or a specified dollar amount, with maximum contributions of \$19,500 for 2021. The Plan allows participants who are 50 years of age or older by the end of the calendar year and who are making contributions to the Plan to also make a catch-up contribution of up to \$6,500 for 2021. Participants may rollover amounts representing distributions from an eligible retirement plan subject to approval by the Plan administrator.

Employer Contributions – The Company may make a discretionary matching contribution equal to a percentage of participant's elective deferral, which is determined each pay period. For the year ended December 31, 2021, the Company matched 50% of the participant's salary deferral up to 6% of the participant's eligible compensation. The Company may also make a discretionary profit sharing contribution based on the greater of the age-based or the grandfathered contribution calculations. The age-based contribution is a percentage of compensation that equals 4%, 6%, or 8%, based on the participant's age. The grandfathered contribution is calculated by a third-party consultant and is applicable to participants who were employed before January 1, 2007 and who were at least age 35 on that date. Participants must be credited with at least 1,000 hours during the Plan year and be actively employed on the last day of the Plan year to share in the discretionary profit sharing contribution; however, no such contributions were made in 2021. Employer matching contributions made to the Plan amounted to \$265,274 for the year ended December 31, 2021.

Participant Accounts – The Plan maintains an account for each participant which is credited with the participant's contributions, rollover contributions, the Company's matching contributions and allocations of Plan investment earnings or losses, the Company's profit sharing contributions, and is charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined by the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Vesting – Participants are immediately vested in their voluntary contributions and rollover contributions plus actual earnings thereon. Employer contributions vest according to the following schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
1	25%
2	50%
3	75%
4	100%

Additionally, participants become 100% vested in their accounts upon reaching early or normal retirement age, as defined by the Plan.

CAMICO SAVINGS AND INVESTMENT PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Investment Options – Upon enrollment in the Plan, participants may direct the investment of their accounts among the funds available through the Plan.

Notes Receivable from Participants – Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from one to five years, or up to 15 years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at 1% over the prime rate published in the Wall Street Journal on the first business day of the month the loan is originated. Principal and interest are paid ratably through regular payroll deductions. Pursuant to the CARES Act enacted in March 2020, eligible participants could request a delay of loan repayments due between March 27, 2020 and December 31, 2020. If a delay was granted, the participant's note was re-amortized effective January 1, 2021 and included any interest accrued during the period of delay. Any outstanding portion of loans are due in full upon termination of employment.

Payment of Benefits – Upon termination of service due to death, disability or retirement, a participant may receive a lump-sum distribution, a direct rollover distribution, or a combination of cash and direct rollover distribution equal to the value of the participant's vested interest in his or her account. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum cash distribution. In-service distributions are allowed for hardship withdrawals, if a participant has obtained 59 ½ years of age, disability, or deemed severance distribution. If a terminated participant's vested interest in his/her account is between \$1,000 and \$5,000 and no instructions have been received from such participant, the amount will be rolled over to an individual retirement account plan for the benefit of the participant, as designated by the Plan administrator. However, if the vested benefit in the participant's account does not exceed \$1,000, the participant will receive the full value of the vested interest in the account as a lump sum distribution. Benefit payments to the participant generally must begin by the later of the year after the participant attains age 72 or the year in which the participant terminates employment.

Forfeited Accounts – Any portion of a terminated employee's account that is not vested, subject to the possibility of reinstatement, is forfeited. The forfeited accounts may be used to pay the Plan's administrative expenses or to reduce employer contributions. The forfeitures are held in a guaranteed interest account pending such application. Forfeited nonvested accounts amounted to \$10,332 and \$24,118 at December 31, 2021 and 2020, respectively. During the year ended December 31, 2021, \$10,628 was used from the forfeiture account to pay administrative expenses, and \$5,317 was used to pay for the employer contributions.

CAMICO SAVINGS AND INVESTMENT PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The Plan's financial statements are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America.

Use of Estimates – The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of changes in net assets available for benefits during the reporting period. Actual results may differ from those estimates.

Investment Valuation and Income Recognition – Investments are reported at fair value (except for the fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's 401(k) Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, trustee and insurance company. See Note 3 for further discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant does not make loan repayments and the plan administrator considered the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Payment of Benefits – Benefits are recorded when paid.

Administrative Expenses – The Plan permits the payment of Plan expenses to be made from the Plan's assets, which will be funded from forfeitures, or will be proportionately allocated to the accounts of all participants in the Plan. Such expenses include fees paid to the trustee, third-party consultants and recordkeeper. Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Further, certain expenses specifically incurred by and attributable to a participant will be paid out of the related participant's account. Investment related expenses are included in net appreciation or depreciation of fair value of investments.

CAMICO SAVINGS AND INVESTMENT PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Subsequent Events – The Plan has evaluated subsequent events through October 4, 2022 which is the date the financial statements were available to be issued.

NOTE 3 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under this topic are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2021 and 2020.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

CAMICO SAVINGS AND INVESTMENT PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021

NOTE 3 – FAIR VALUE MEASUREMENTS (Continued)

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31:

	2021			Total
	Level 1	Level 2	Level 3	
Total Assets in the Fair Value Hierarchy:				
Mutual Funds	<u>\$ 23,528,108</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 23,528,108</u>
	2020			Total
	Level 1	Level 2	Level 3	
Total Assets in the Fair Value Hierarchy:				
Mutual Funds	<u>\$ 19,565,054</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 19,565,054</u>

Three and two of the Plan's investments accounted for 34% and 26% of total investments as of December 31, 2021 and 2020, respectively.

NOTE 4 – INFORMATION CERTIFIED BY THE TRUSTEE AND INSURANCE COMPANY

The Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Great-West Trust Company, LLC ("Great-West Trust"), the trustee of the Plan, and Great-West Life & Annuity Insurance Company ("Great-West"), an insurance company who maintains certain Plan assets under a group annuity contract, have certified to the completeness and accuracy of all investments and notes receivable from participants reflected on the accompanying Statements of Net Assets Available for Benefits as of December 31, 2021 and 2020, the information presented in Note 3, and the supplemental Schedule H – Line 4i: Schedule of Assets (Held at End of Year) as of December 31, 2021, and the related investment income and interest income earned on the notes receivable from participants reflected in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2021.

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

CAMICO SAVINGS AND INVESTMENT PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021

NOTE 5 – GUARANTEED INVESTMENT CONTRACT

As part of the Guaranteed Portfolio Fund, the Plan entered into a benefit-responsive investment contract with Great-West. Great-West maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Great-West, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The fair value of the investment contract, prior to contract termination, equals the contract value at December 31, 2021 and 2020. The interest crediting rate is based on the earnings of the underlying assets in the entire medium-long term new portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. The interest crediting rate is reset quarterly.

Certain events may permit Great-West to terminate the investment contract. Such events include the following: (a) the Plan is amended or is operated in a manner which is unacceptable to Great-West; (b) the Plan fails to comply with any provision contained in the contract; (c) the Plan fails to qualify or becomes disqualified under the IRC; (d) the total amount of contributions received by Great-West in the preceding twelve (12) months is less than \$25,000; (e) the Plan fails to remit the participant's contribution within 30 days after the deduction was made. Upon termination by Great-West, a surrender value adjustment may apply.

In addition, certain events may limit the ability of the Plan to transact at contract value with Great-West. Such events include premature termination of the contract by the Plan, plant closings, layoffs, plan termination, bankruptcy, mergers, and early retirement incentives. The Plan administrator does not believe that any events which would limit the ability of the Plan to transact at contract value with participants are probable of occurring.

CAMICO SAVINGS AND INVESTMENT PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021

NOTE 6 – TAX STATUS

The Plan is a defined contribution plan designed to qualify as a tax-exempt Plan under the IRC. The Plan adopted the Great-West Trust Company Defined Contribution Volume Submitter Plan and Trust that has received an opinion letter dated March 31, 2014, in which the Internal Revenue Service (“IRS”) stated that the volume submitter plan and trust, as then designed, was in accordance with the applicable requirements of the IRC. In connection with the Plan amendment and restatement on November 22, 2021, the Plan adopted the Great-West Trust Company Defined Contribution Pre-Approved Plan that has received an opinion letter dated June 30, 2020, in which the IRS stated that the Defined Contribution Pre-Approved Plan and related trust are designed in accordance with the applicable requirements of the IRC. Although the Plan has not received a determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the federal and state taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Great-West Funds, Inc., a party related to Great-West Trust and Great-West. Great-West Trust is the trustee of the Plan and Great-West maintains certain Plan assets under a group annuity contract, therefore, these transactions qualify as party-in-interest transactions. Certain administrative fees incurred by the Plan, other than those associated with certain participant directed transactions, are included in net appreciation or depreciation in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment.

Great-West provides certain administrative services to the Plan pursuant to a Recordkeeping Services Agreement (RSA) between the Company and Great-West. Great-West receives revenue from investment fund service providers for services Great-West provides to the funds. This revenue is used to offset certain amounts owed to Great-West for its administrative services to the Plan. If the revenue received by Great-West from such investment fund service providers exceeds the amount owed under the RSA, Great-West remits the excess to the Plan’s trust on a monthly basis. Such amounts may be applied to pay plan administrative expenses. During 2021, the amount of approximately \$40,000 was received and used to pay plan administrative expenses and are not included in these financial statements. The Plan or Plan sponsor may make a payment to Great-West for administrative expenses not covered by revenue sharing.

CAMICO SAVINGS AND INVESTMENT PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021

NOTE 8 – PLAN TERMINATION

The Company has established the Plan with the expressed intention and expectation that it will continue the Plan. However, if circumstances make it impossible or inadvisable to continue the Plan, the Company reserves the right to terminate it at any time subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts. Benefits will be held in the trust fund and will remain in existence until the Company requests the discontinuance of the trust agreement.

NOTE 9 – RISKS AND UNCERTAINTIES

The Plan provides for various investment options in any combination among the funds sponsored by the Plan. Investment securities are exposed to various risks, such as interest rate, market fluctuation and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 10 – PLAN OPERATIONAL MATTER

During the year ended December 31, 2020, the Plan discovered that certain eligible compensation for purposes of determining participant contributions as per the plan document was not properly considered when calculating contribution amounts for plan year 2020. The Company has made the appropriate corrections by remitting the corrective contributions and lost earnings to the account of the affected participants during 2021.

NOTE 11 – SUBSEQUENT EVENTS

Effective August 1, 2022, Empower announced name changes of its insurance companies. In addition, certain investment products offered by Empower, including mutual funds historically marketed under the "Great-West Funds" brand, are also being renamed to incorporate "Empower" into the product names in place of "Great-West."
