To the Compensation Committee of the Board of Directors
BERKSHIRE CORPORATION 401(k) SAVINGS PLAN

Dear Members of the Board of Directors:

In connection with our audit of the financial statements of Berkshire Corporation 401(k) Savings Plan as of December 31, 2021, we have made a review of the Company's accounting procedures and internal control. While the primary objective of such a review is to afford us a basis of determining the scope of our audit procedures, it nevertheless presents us with an opportunity to submit, for the Company's consideration, suggestions for changes in procedures that, in our opinion, would strengthen internal control or contribute to the improvement of operating efficiency.

The comments and recommendations in this letter are based upon observations made in the course of such review. The review was not designed for the purpose of expressing an opinion on internal accounting control, and it would not necessarily disclose all weaknesses in the system. The matters discussed herein were considered during our examination of the above mentioned financial statements, and they did not modify the opinion expressed in our report on those financial statements.

The comments noted are not necessarily the result of poor management and may in many cases be due to factors outside the control of the Company's personnel, such as organizational restrictions and budgetary limitations.

We will review the status of these comments during our next audit engagement. We have already discussed many of these comments and suggestions with various Company personnel, and we will be pleased to discuss them in further detail at your convenience. We are also available to provide guidance to assist the Company in implementing the recommendations.

We would like to express our thanks and appreciation to the Company and its personnel for the cooperation given us during the course of our audit.

Sincerely,

Adelson + Company PC

COMMENTS AND RECOMMENDATIONS

1. During testing of participant distributions and terminated participants, it was noted that 1 out of 10 participants selected received an improper vesting percentage on employer contributions upon taking a distribution from the plan.

Recommendation:

Prior to releasing funds, the vesting percentage on the distribution form should be verified against that percentage noted in Principal.

STATUS OF PRIOR COMMENTS AND RECOMMENDATIONS

1. All participants tested had appropriate employer match contributions remitted to the Plan during the Plan year.
