## Independent Auditor's Report

To the Plan Administrator  
Boston Financial Investment Management, LP 401(k) Profit Sharing Plan

### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements*

We have performed an audit of the financial statements of Boston Financial Investment Management, LP 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C)"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

### *Opinion on the 2021 Financial Statements*

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### *Basis for Opinion on the 2021 Financial Statements*

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the

relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

#### *Responsibilities of Management for the 2021 Financial Statements*

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

#### *Auditor's Responsibilities for the Audit of the 2021 Financial Statements*

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a significant likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### Other Matters

##### *2021 Supplemental Schedules Required by ERISA*

The supplemental Schedule of Assets (Held at End of Year) (Schedule H, Line 4i) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

*Auditor's Report on the 2020 Financial Statements*

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 5, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## **Boston Financial Investment Management, LP 401(k) Profit Sharing Plan**

### **Notes to Financial Statements December 31, 2021**

#### **Note 1 - Description of Plan**

The following brief description of the Boston Financial Investment Management, LP 401(k) Profit Sharing Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

##### **General**

The Plan was established on November 1, 2009 and was most recently amended on January 18, 2018. The Plan is a defined contribution plan covering substantially all of the employees of Boston Financial Investment Management, LP (the "Plan Administrator"). The Plan qualifies under Section 401(k) of the Internal Revenue Code (the "IRC") and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan covers all eligible employees attaining the age of 21. Participants may begin participating after completing two months of service and having attained age 21. The Plan's Investment Committee is responsible for oversight of the Plan, determines the appropriateness of the Plan's investment offerings, and monitors investment performance.

The Plan's assets are held in the custody of Great-West Life & Annuity Insurance Company and Great West Trust Company, LLC ("Great West") who are also the directed Trustees and Record Keepers.

##### **Contributions**

Each year, participants may contribute up to 15% of pre-tax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. The Plan Administrator has implemented a policy whereby it will match 100% of employee contributions (subject to IRS compensation limits) up to a maximum of \$5,000 per participant per calendar year. Participants also direct the investment of Plan Administrator contributions. Contributions are subject to certain Internal Revenue Service ("IRS") limitations.

##### **Participant accounts**

Each participant's account is credited with the participant's contributions and Plan Administrator matching contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

##### **Vesting**

Participants are immediately vested in their salary deferral contributions, rollover contribution, qualified nonelective contributions, and plan earnings (losses) on such contributions.

## **Boston Financial Investment Management, LP 401(k) Profit Sharing Plan**

### **Notes to Financial Statements December 31, 2021**

Plan Administrator discretionary contributions and related investment income vest accordingly as follows:

| <u>Years of vesting service</u> | <u>Percent vested</u> |
|---------------------------------|-----------------------|
| Less than 1                     | 0%                    |
| 1                               | 33%                   |
| 2                               | 66%                   |
| 3                               | 100%                  |

Plan Administrator has a special provision for nonelective contributions. These contributions and related investment income vest accordingly as follows:

| <u>Years of vesting service</u> | <u>Percent vested</u> |
|---------------------------------|-----------------------|
| Less than 1                     | 0%                    |
| 1                               | 20%                   |
| 2                               | 40%                   |
| 3                               | 60%                   |
| 4                               | 80%                   |
| 5                               | 100%                  |

#### **Notes receivable from participants**

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account. The loan interest rate, determined quarterly, is set at 1% above the prime rate of 3.25% and 3.25% as December 31, 2021 and 2020, respectively. Principal and interest is paid ratably through monthly payroll deductions.

#### **Payment of benefits**

Upon termination of service, the participant (or designated beneficiary) may elect to receive an amount equal to the value of the vested interest in their account. The Plan allows for distributions upon termination of service, death, disability, attainment of age 59-1/2, in certain hardship situations, and other situations as detailed by the Plan document. A participant may elect to receive a lump sum payment, an annuity, or may roll over the value of their account into another qualified plan. In the event a participant terminates or retires and the participant's vested account balance is less than \$5,000, but greater than \$1,000, the balance will be rolled into an IRA. If the vested account balance is less than \$1,000, it will be paid in the form of a lump sum distribution.

#### **Forfeited accounts**

Nonvested amounts are forfeited as of the earlier of the date of distribution of the participant's vested account or after the last day of the Plan year in which the participant incurs a five-year break in service. Forfeitures are used to reduce Plan Administrator contributions or pay Plan administrative expenses. At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$4,265 and \$4,752, respectively. During 2021, the amount of forfeitures used to reduce Plan Administrator contributions was \$3,826.

### **Notes to Financial Statements December 31, 2021**

#### **Note 2 - Significant accounting policies**

##### **Basis of accounting**

The accompanying financial statements have been prepared on the accrual basis of accounting.

##### **Use of estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect the reported amount of net assets available for benefits and changes therein. Actual results could differ from those estimates.

##### **Investment valuation and income recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, trustees and insurance companies. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

##### **Notes receivable from participants**

Note receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

##### **Payment of benefits**

Benefit payments to participants are recorded upon distribution.

##### **Expenses**

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Plan Administrator. Expenses that are paid by the Plan Administrator are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

##### **Subsequent events**

The Plan has evaluated subsequent events through October 5, 2022, the date the financial statements were available to be issued.

#### **Note 3 - Fair value measurements**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities ("Level 1") and the lowest priority to unobservable inputs ("Level 3"). The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification 820 are described as follows:

# Boston Financial Investment Management, LP 401(k) Profit Sharing Plan

## Notes to Financial Statements December 31, 2021

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2: Inputs to the valuation methodology include:
  - Quoted prices for similar assets or liabilities in active markets;
  - Quoted prices for identical or similar assets or liabilities in inactive markets;
  - Inputs other than quoted prices that are observable for the asset or liability; and
  - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

| Assets at fair value as of December 31, 2021 |                      |             |             |                      |

### **Notes to Financial Statements December 31, 2021**

#### **Note 4 - Parties-in-interest transactions**

Parties-in-interest are defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. As of December 31, 2021 and 2020, certain investments were held by parties-in-interest. Fees paid by the Plan to parties-in-interest for investment management and recordkeeping services amount to \$124,536 for the year ended December 31, 2021.

Great West provides certain administrative services to the Plan pursuant to a Master Plan Services Agreement ("MSA") between the Plan Administrator and Great West. Great West receives revenue from mutual fund service providers for services Great West provides to the funds. This revenue is used to offset certain amounts owed to Great West for its administrative services to the Plan.

If the revenue received by Great West from such mutual fund services providers exceeds the amount owed under MSA, Great West remits the excess to the Plan's trust on a quarterly basis. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of the participants. During 2021, there were no excess amounts.

#### **Note 5 - Plan termination**

Although the Plan Administrator has not expressed any intent to do so, the Plan Administrator has the right under the Plan to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

#### **Note 6 - Tax status**

The IRS has determined and informed the Plan Administrator by a letter dated March 31, 2014 that the Plan and related trust are designed in accordance with applicable sections of the IRC. The Plan Administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### **Note 7 - Risks and uncertainties**

The Plan invests in various securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

In early 2020, an outbreak of a novel strain of coronavirus ("COVID-19") emerged globally. As a result, events have occurred domestically in the United States and globally, including mandates from federal, state and local authorities, leading to an overall decline in economic activity. The continuation of the effects of COVID-19 in 2021 could result in significant disruption of global

financial markets, however, the ultimate impact of COVID-19 on the financial performance of the Plan's investments cannot be reasonably estimated at this time.

#### **Note 8 - Certified investments**

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Investments held at December 31, 2021 and 2020, and investment income for the year ended December 31, 2021, that are disclosed in the accompanying financial statements and supplemental schedule, were obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by Great West, the trustees of the Plan.
