Independent Auditor's Report

Hargray Retirement Plan Committee
Hargray Communications Group
Hilton Head, South Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Hargray Communications Group 401(k) Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2021, and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section of our report

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying 2021 financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - 2021 Supplemental Schedule Required by ERISA

The 2021 supplemental schedule, Schedule H, Line 4i - schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the 2021 financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Report on the 2020 Financial Statements

We were engaged to audit the statement of net assets available for benefits of the Plan as of December 31, 2020. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by the qualified institution. Our audit report, dated July 2, 2021, indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the information certified by the qualified institution were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to Financial Statements

1. Description of the Plan

The following brief description of the Hargray Communications Group 401(k) Savings Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for more complete information.

General

The Plan is a defined contribution plan and is sponsored by Hargray Communications Group (the Company or Employer). Employees are eligible for participation after attaining age 18. Enrollment is allowed immediately upon meeting the above conditions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Merger

In February 2021, Cable One, Inc. announced it entered into an agreement to acquire the equity interest of Hargray Communications Group. As a result, effective as of January 1, 2022, the Plan was merged into the Cable One 401(k) Plan. As a result of the merger, all participant balances became 100% vested.

Contributions

Each year, participants may contribute up to 75% of pretax annual compensation, subject to Internal Revenue Code (IRC) limitations. Eligible employees who have attained age 50 before the close of the Plan year are allowed to make catch-up contributions up to the maximum allowed by the IRC. Additionally, participants may make voluntary, non-deductible after-tax Employee contributions of up to 100% of compensation. Contributions are subject to certain limitations. Newly hired employees who become eligible to participate in the Plan are automatically enrolled at 6% of their compensation after 30-days, unless another option is selected by them.

Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan. A current description of the investment funds may be obtained from the Plan administrator.

The Company has elected to make a non-discretionary matching contribution on behalf of each of its eligible participants whereby participants in the Plan receive a matching contribution of 75% of the first 6% of compensation contributed to the Plan. Additional amounts may be contributed at the option of the Company's board of directors.

Additionally, the Company may make a quarterly discretionary contribution for employees that are employed on the last day of each Plan quarter. For 2021, the discretionary contribution was approximately \$879,000.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the Company's contribution and Plan earnings (losses). Allocations are based on participant compensation, deferrals, or account balances, as defined. Participants direct the investment of their account into various investment options offered by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Hargray Communications Group 401(k) Savings Plan

Notes to Financial Statements

1. Description of the Plan (cont.)

Notes Receivable from Participants

Participants may borrow, from their fund accounts, a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. A participant may not have more than one loan outstanding at any time. Note receivable transactions are treated as a transfer between the investment fund(s) and the participant note receivable fund. The notes receivable from participants are secured by the balance in the participant's account and bear a reasonable rate of interest as defined by the Plan. Interest rates on all outstanding loans range from 4.25% to 6.50%. Principal and interest payments occur ratably through regular payroll deductions over a period not to exceed five years unless the notes receivable were used to purchase a primary residence in which case the note receivable terms may exceed five years.

Vesting

Participants were fully vested in their contributions, plus actual earnings thereon. Company non-discretionary matching contribution and discretionary contribution, plus actual earnings (losses) thereon, became or remained fully vested upon Plan termination.

Payment of Benefits

A participant's contributions and Company contributions may be withdrawn upon retirement (on or after the attainment of normal retirement age), termination of employment, disability, or death. Participants may elect to have distributions paid in a lump-sum, annuities, or installments. Under certain qualifying circumstances, hardship withdrawals are permitted under the Plan.

Forfeited Accounts

Upon termination of employment, participants forfeit their non-vested balances. If a participant is rehired within a five-year period, the forfeited contributions are reinstated. Forfeited balances of terminated participant's non-vested accounts are used first to pay administrative expenses. Remaining forfeitures, if any, are used to reduce future contributions. At December 31, 2021 and 2020, there were no unallocated, forfeited account balances. During 2021, approximately \$60,000 of forfeited account balances were used to reduce Employer contributions.

Plan Expenses

The Plan's expenses are paid either by the Plan or the Company, as provided by the Plan document. Expenses that are paid directly by the Company are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the plan are recorded as deductions in the accompanying statement of changes in net assets available for benefits. In addition, certain investment related expenses are deducted from net appreciation (depreciation) of fair value of investments presented in the accompanying statement of changes in net assets available for benefits.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan were prepared using the accrual basis of accounting. The Plan follows accounting standards set by the Financial Accounting Standards Board (FASB). The FASB sets accounting principles generally accepted in the United States of America (GAAP).

Hargray Communications Group 401(k) Savings Plan

Notes to Financial Statements

2. Summary of Significant Accounting Policies (cont.)

Use of Estimates

The preparation of financial statements in conformity with GAAP requires the Plan administrator to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The investments of the Plan are reported at fair value. The fair value of a financial instrument is the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (the exit price). See Note 4 for discussion of fair value measurements.

Purchases and sales are recorded on a trade-date-basis. Investment income (loss) is recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Payment Benefits

Benefit payments to participants are recorded upon distribution.

3. Information Prepared and Certified by Fidelity

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity Management Trust Company, (Fidelity), has provided certifications that the financial information included in the financial statements and supplemental schedule as of December 31, 2021 and 2020, and for the year ended December 31, 2021, provided to the Plan is complete and accurate. The information as to investment assets and transactions therein, and investment income included in the accompanying financial statements and supplemental schedule as of December 31, 2021 and 2020, and for the year ended December 31, 2021, are covered by such certifications.

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

4. Fair Value Measurements

GAAP establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs in which little or no market data exists (Level 3 measurements). The three levels of the fair value hierarchy under GAAP are described below:

Hargray Communications Group 401(k) Savings Plan

Notes to Financial Statements

4. Fair Value Measurements (cont.)

Basis of Fair Value Measurement

Level 1 - Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;

Level 2 - Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly;

Level 3 - Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds – Valued at the daily closing prices as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common Collective Trust Fund - The Morley Stable Value Fund is a common collective trust funds that is valued at the NAV as a practical expedient based on the last reported sales price of the underlying investments held. The Plan's interest in the collective trusts was based on information reported by the trustees using the audited financial statements of the collective trusts at year-end. The NAV is based on the value of the underlying assets owned by the trusts, minus its liabilities, and then divided by the number of shares outstanding. The investment income was allocated to participants based on their proportionate share of the net assets of the fund. This asset is not included in the fair value hierarchy.

Money Market Fund - Valued using the amortized cost or penny rounding method as permitted by Rule 2a-7 under the Investment Company Act of 1940, which approximates its fair value.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020.

<i>December 31, 2021</i>	Level 1		Level 2		Level 3		Total
Mutual funds	\$	62,755,079	\$	-	\$	-	62,755,079
Money market funds		271,083		-		-	271,083
Common collective trusts measured at NAV*		-		-		-	1,725,812
Total investments at fair value	\$	63,026,162	\$	-	\$	-	64,751,974

4. Fair Value Measurements (cont.)

<i>December 31, 2020</i>	Level 1		Level 2		Level 3		Total
Mutual funds	\$	53,764,909	\$	-	\$	-	\$ 53,764,909
Money market funds		273,672		-		-	273,672
Common collective trust measured at NAV*		-		-		-	1,812,380
Total investments at fair value	\$	54,038,581	\$	-	\$	-	\$ 55,850,961

* Certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value to the amounts presented in the statements of net assets available for benefits.

The Morley Stable Value Fund constituted all of the Plan's investments using NAV as a practical expedient to measure fair value as of December 31, 2021 and 2020. There were no unfunded commitments associated with the fund as of December 31, 2021 or 2020. Individual participants benefit payments are permitted without restriction while redemptions by participants to reinvest are permitted provided that they are reinvested in non-competing investments.

5. Tax Status

The Plan is based on the Non-Standardized Pre-Approved Profit Sharing Plan with CODA (pre-approved plan) sponsored by FMR LLC, which received a favorable opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, stating that the pre-approved plan is designed in accordance with the provisions of the IRC. Although the Plan has been amended since receiving the advisory letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and therefore, believes that the Plan is qualified, and the related trust is tax exempt.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. Related Parties and Party-In-Interest Transactions

The recordkeeping and custody functions for the underlying investments held by the Plan are performed by Fidelity Management Trust Company. Certain investments of the Plan are shares of registered investment companies advised by affiliates of Fidelity Management Trust Company.

Additionally, the Plan issues notes to participants, which are secured by the balance in the participants' accounts. These transactions qualify as party-in-interest transactions.

Hargray Communications Group 401(k) Savings Plan

Notes to Financial Statements

7. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500:

<i>December 31,</i>	2021	2020
Net assets available for benefits per the financial statements	\$ 66,184,008	\$ 57,531,256
Deemed transfers from the Plan as of December 31, 2021	(66,184,008)	-
Less: Employer contributions receivable	-	(203,270)
Net assets available for benefits per Form 5500	\$ -	\$ 57,327,986

The following is a reconciliation of net increase per the financial statements to net income per Form 5500 for the year ended December 31, 2021:

<i>December 31,</i>	2021
Net increase per financial statements	\$ 8,652,752
Add: prior year employer contribution receivable	203,270
Net income per Form 5500	\$ 8,856,022

8. Risk and Uncertainties

The Plan's investments are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investments and the level of uncertainty related to changes in the value of investments, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and amounts reported in the statements of net assets available for benefits.

In January 2020, the World Health Organization declared the outbreak of a novel Coronavirus (COVID-19) as a "Public Health Emergency of International Concern", which continues to spread throughout the world and has adversely impacted global commercial activity and contributed to volatility in financial markets. The coronavirus outbreak and government responses are creating disruption in global supply chains and adversely impacting many industries. The outbreak could have a continued impact on economic and market conditions and trigger a period of global economic slowdown. The rapid development and fluidity of this situation precludes any prediction as to the ultimate impact of the coronavirus outbreak. Nevertheless, the outbreak presents uncertainty and risk with respect to the Plan, its investment performance, and overall financial results.

9. Subsequent Events

Management has evaluated subsequent events through October 10, 2022, which is the date the financial statements were available to be issued.

In May 2021, the Plan sponsor was acquired by Cable One, Inc. In March 2022, pursuant to a Plan merger with the Cable One 401(k) Plan, the Company liquidated all assets of the Plan and transferred them to the Cable One 401(k) Plan.
