Dayrise Residential, LLC 401(k) Retirement Plan
Houston, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of the DAYRISE RESIDENTIAL, LLC 401(K) RETIREMENT PLAN ("Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management's Responsibility for the Financial Statements

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements, as a whole, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule listed in the accompanying table of contents as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated July 28, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

NOTE 1—PLAN DESCRIPTION

The following description of the Dayrise Residential, LLC 401(k) Retirement Plan ("the Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. General - employees are eligible to participate in the Plan following the completion of three months of service and have attained age 21. Employees are allowed to join the plan immediately once such requirements are met. The Plan is subject to the provisions of the Employment Retirement Income Security Act of 1974 (ERISA), as amended.

2. Contributions

   Elective Deferrals

   Participants may choose to contribute by payroll deduction up to 100% of their compensation, to a maximum of $19,500 for 2021 and $19,000 for 2020. Participants who are at least age 50 may make an additional "catch-up" contribution of $6,500 in 2021 and $6,000 in 2020. The plan offers both pre-tax and after-tax (Roth contributions) deferral options.

   Matching Contribution

   Each plan year, the Company may elect to make a discretionary matching contribution equal to a uniform percentage of each participant's salary deferrals. The Company made a discretionary matching contribution of 0.5 percent of the eligible annual compensation for the employee who is employed as of December 31, 2021 and worked at least 1,000 hours for the Plan year ending December 31, 2021.

3. Participant Accounts - Each participant's account is credited with the participant's contribution and matching contribution, if any. Participants direct the investment of their accounts into a variety of mutual funds. Participants may change their investment options daily.

4. Vesting - Participants are 100% vested in their voluntary contributions and actual earnings thereon. Participants also have immediate non-forfeitable right to their employer matching contributions if there is any made.

5. Payment of Benefits - On termination of service, death, disability or retirement, a participant's vested benefits will be paid in a lump sum.

6. Income Allocation - Plan earnings under the terms of this Plan shall be allocated to the account of each participant in the relation that the account bears to the total of all account balances.

7. Plan Expenses - All administrative expenses are paid by the Plan unless paid by the Company.

NOTE 2—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the Plan have been prepared on the accrual basis of accounting.

USE OF ESTIMATES

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan's investments are held by Voya Financials. The Plan's investments consist of investment options that invest solely in shares of an underlying mutual fund or a fixed interest account.

Dividend and interest income are recognized when received. Net appreciation (depreciation) on investments held represents the change in market value of the investments from the beginning of the Plan year (or date the investments were purchased, if later) to the end of the Plan year.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

BENEFITS

Benefits are recorded when paid.

NOTE 3—FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements and Disclosures* establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

NOTE 3—FAIR VALUE MEASUREMENTS (Continued)

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Level 1 Fair Value Measurements

Mutual funds are valued at quoted net asset values of the shares held by the Plan at year-end.

Level 2 and Level 3 Fair Value Measurements

Level 2 and Level 3 Fair Value Measurements are not applicable to the Plan for 2021 and 2020.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

Assets at Fair Value as of December 31, 2021

	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 1,276,151	$ —	$ —	$ 1,276,151

Assets at Fair Value as of December 31, 2020

	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 843,358	$ —	$ —	$ 843,358

NOTE 3—FAIR VALUE MEASUREMENTS (Continued)

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the years ended December 31, 2021 and 2020 are reported in net appreciation (depreciation) in fair value of investments.

NOTE 4—INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The Plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) for 2021. The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA for 2020. Accordingly, the Plan's record keeper, Voya Retirement Insurance and Annuity Company has certified that the following data included in the accompanying financial statements and schedule is complete and accurate.

a. Investments, as shown in the accompanying statement of assets available for benefits as of December 31, 2021 and 2020.

b. Investment income, as shown in the accompanying statement of changes in assets available for benefits for the year ended December 31, 2021 and 2020.

c. The schedule of assets (held at end of year) as of December 31, 2021, as shown on Schedule H - Line 4(i).

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

NOTE 5—PARTICIPANT LOANS

Participants may borrow from the employee contribution portion of their account balance. The amount the Plan may loan to participants is limited by rules under the Internal Revenue Code. Any new loans, when added to the outstanding balance of all other loans from the Plan, will be limited to the lesser of: a) $50,000 reduced by the excess, if any, of the highest outstanding balance of loans from the Plan during the one-year period ending on the day before the date of the new loan over participants' current outstanding balances of loans as of the date of the new loan; or b) 1/2 of their vested interest in the Plan. The amount the Plan may loan to participants can also be limited by Plan rules such as which Employee and Employer Contributions are available for loan use, the number of loans that can be outstanding at any one time or how often participants may request a loan.

NOTE 6—TAX STATUS

The Plan, through its adoption of FIS Business Systems LLC Prototype Volume Submitter Profit Sharing Plan with CODA, has obtained an opinion letter issued to FIS Business Systems LLC from the Internal Revenue Service dated March 31, 2014 stating that the prototype plan is qualified under Section 401(a) of the Internal Revenue Code ("IRC") and that any employer adopting this plan will be considered to have a qualified plan under the IRC. The plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable provisions of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan presently meets the requirements of Section 401(a) of the Internal Revenue Code and, accordingly, its income is exempt from federal income taxes under Section 501(a). A similar status exists for Illinois income taxes.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7—PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 8—PARTY-IN-INTEREST TRANSACTIONS

Certain expenses of the Plan are paid by the Plan sponsors. Other expenses are paid directly by the Plan.

The Plan's investments are managed by AFC Pensions, the Plan's Third-Party Administrator (the "TPA"). The assets are held by Voya Financials, which takes the record-keeping role. The TPA, the trustee, the record keeper and auditor are all considered parties-in-interest. Administrative fees paid by the Plan were $1,925 for 2021 and $1,050 for 2020. The fees paid for both 2021 and 2020 were based on customary and reasonable rates for such services.

NOTE 9—SUBSEQUENT EVENTS

Management has evaluated subsequent events through August 19, 2022, the date which the financial statements were available for issue. Other than noted in the preceding paragraph, there were no subsequent events which require disclosure.
