MICHIGAN ORTHOPAEDIC SURGEONS, PLLC 401(k) PLAN
FINANCIAL STATEMENTS
December 31, 2021 and 2020

INDEPENDENT AUDITORS' REPORT

To the Trustees of Michigan Orthopaedic Surgeons, PLLC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Michigan Orthopaedic Surgeons, PLLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Michigan Orthopaedic Surgeons, PLLC 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Michigan Orthopaedic Surgeons, PLLC 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Michigan Orthopaedic Surgeons, PLLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Michigan Orthopaedic Surgeons, PLLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Michigan Orthopaedic Surgeons, PLLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Contributions

Each year, participants may contribute to the Plan a percentage of their annual wages, up to the maximum dollar amount determined by the Internal Revenue Service. Participants who have attained age 50 before the end of the calendar year are eligible to make catch-up contributions. Participants may elect either Regular 401(k) deferrals (pre-tax) or Roth 401(k) deferrals (after tax). Participants may elect to rollover funds into the Plan from other employers' qualified plans and certain Individual Retirement Accounts ("Employee Rollover Contributions"). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and a common collective trust.

The Plan includes an auto-enrollment provision whereby all employees newly eligible, on or after January 1, 2020, are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 5 percent of eligible compensation and their contributions invested in a designated fund until changed by the participant. NOTES TO FINANCIAL STATEMENTS For the Years Ended December 31, 2021 and 2020

NOTE 1 – DESCRIPTION OF PLAN – CONTINUED

Plan Operations

The Company has appointed Charles Schwab Bank (“CSB”) to serve as Trustee, the Company to act as plan administrator and Sentinel Benefits & Financial Group (“Sentinel”) to assist the Company with Plan administration. The Trustee is responsible for holding the investment assets of the Plan, executing investment transactions, and making distributions to participants. The plan administrator interprets and communicates the provisions of the Plan and ensures that all government and participant reporting requirements are fulfilled. See Note 5.

Participant Accounts

Each participant’s account is credited with (a) the participant’s contributions and the Company’s safe harbor contribution, (b) the Company’s profit sharing and match, if applicable and (c) the Plan’s earnings, and charged with an allocation of investment and administrative expenses paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account. See Vesting, below.

Vesting

Participants are immediately vested in their elective, safe harbor nonelective contribution and rollover contributions. Vesting in the Company’s profit sharing and elective employer matching contributions occurs based on a Participant’s years of service, over six years such that by the end of six years of service, the participant shall be fully vested.

Notes Receivable from Participants

Participants are eligible to borrow up to the lesser of 50% of the value of their vested account balance or \$50,000 in a minimum amount of \$1,000. Such loans are treated as a direct investment of the participant and earnings on the loan will be credited to their account. Only one outstanding note receivable is permitted at any time and the note receivable prepayment schedule can be no longer than 5 years. The notes are secured by the balance in the participant’s account and bear interest at rates ranging from 3.75% to 6.50%, per annum, which are commensurate with interest rates charged for similar types of loans by other lenders and considered reasonable by the Plan Administrator. Principal and interest are paid ratably through payroll deductions.

NOTE 1 – DESCRIPTION OF PLAN – CONTINUED

Payment of Benefits

Upon termination of service due to death, disability, retirement, or termination of employment a participant will receive an amount equal to the value of the participant's vested interest in his or her account in a lump sum or as a direct rollover. Benefits amounts under \$5,000 are automatically distributed. If the value of the account is greater than \$5,000 the participant may elect to take a lump sum distribution, rollover into an IRA or to another qualified plan which accepts rollovers or leave the funds in the Plan where they remain tax deferred and invested at the participant's direction. In-service distributions from 100% vested accounts are permitted if the participant has attained 59.5 years of age. Financial hardship withdrawals are permitted, if certain conditions are satisfied as defined by the Plan.

Benefits are recorded when paid.

Coronavirus Aid, Relief, and Economic Security Act (CARES Act):

The Plan has implemented certain provisions permitted by the CARES Act and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act), which allows certain eligible individuals to receive coronavirus related relief for eligible distributions and loan repayments, as well as suspension of required minimum distributions for 2020. The features within these acts were implemented during the year ended December 31, 2020, as required by the Internal Revenue Service (IRS). Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and IRS guidance.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and participant withdrawals are charged directly to the participant's account and are included in administrative fees. Investment related expenses are included in net appreciation of fair value of investments. See Note 5.

Forfeited Accounts

Forfeited amounts may be used to reduce future employer contributions or pay Plan expenses. During 2021 and 2020 the Plan used \$60,659 and \$42,184 to pay plan expenses, respectively. At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$3,590 and \$28,360, respectively. In 2022 the Plan used \$4,423 to fund a portion of its 2021 employer contributions.

MICHIGAN ORTHOPAEDIC SURGEONS, PLLC 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS For the Years Ended December 31, 2021 and 2020

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan administrator determines the Plan's valuation policies utilizing information provided by the investment advisers and custodians. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation of investments is determined using the value at the beginning of the year or purchase price if acquired since that date. Management fees and operating expenses charged to the Plan for investments in the mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2021 no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Reclassifications

Certain prior year amounts have been reclassified to conform with the current year presentation. These reclassifications had no effect on the reported results of the Plan operations.

NOTES TO FINANCIAL STATEMENTS
For the Years Ended December 31, 2021 and 2020

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

Date of Management's Review

The Plan has evaluated subsequent events through October 3, 2022 which is the date the financial statements were available to be issued.

NOTE 3 – FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB Accounting Standards Codification Topic 820, Fair Value Measurement, are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- a. Quoted prices for similar assets or liabilities in active markets;
- b. Quoted prices for identical or similar assets or liabilities in inactive markets;
- c. Inputs other than quoted prices that are observable for the asset or liability;
- d. Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

MICHIGAN ORTHOPAEDIC SURGEONS, PLLC 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS For the Years Ended December 31, 2021 and 2020

NOTE 3 – FAIR VALUE MEASUREMENTS – CONTINUED

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds – Valued at the daily closing price as quoted by the fund. The mutual funds held by the Plan are open-ended mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by The Plan are deemed to be actively traded.

Common Collective Trust - is valued at Net Asset Value ("NAV") in accordance with valuation procedures established by the fund's Trustee and is calculated daily as of the close of trading of The New York Stock exchange. NAV is based on the fair value of the underlying investments held by the fund less its liabilities.

The Plan held no Level 3 investments at December 31, 2021 and 2020.

The following table sets forth, by level within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

	Fair Value	Fair Value Measurements Using:	
		Level 1	Level 2

NOTES TO FINANCIAL STATEMENTS For the Years Ended December 31, 2021 and 2020

NOTE 4 - INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103- 8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, all investment information disclosed in the accompanying financial statements and supplemental schedules, including investments held at December 31, 2021 and 2020 and net appreciation in fair value of investments, interest and dividends for the years then ended, were obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Charles Schwab Trust Bank ("CSB").

NOTE 5 – RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan Administrator entered into an agreement with Sentinel Benefits Group Inc. to act as the record keeper and third party administrator to assist in the continuing operation and maintenance of the Plan to ensure compliance with applicable tax laws and various additional administrative services. Fees incurred by the Plan for these services are included in administrative expenses in the amount of \$43,245 and \$39,463 for the years ended December 31, 2021 and 2020, respectively.

During 2021 and 2020, Sentinel Pension Advisors, Inc. ("SPA") provided investment advisory services to the Plan. Fees incurred by the Plan for these investment services are included in administrative expenses in the amount of \$50,000 and \$49,479 for the years December 31, 2021 and 2020, respectively. Pursuant to a revenue sharing agreement, \$1,431 and \$6,557, was deposited to the Plan and offset against fees for the years ended December 31, 2021 and 2020, respectively.

Custodial fees paid to CSB by the Plan are included in administrative expenses in the amount of \$14,793 and \$9,473 for the years ended December 31, 2021 and 2020, respectively.

These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 6 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in all benefits earned to that date.

MICHIGAN ORTHOPAEDIC SURGEONS, PLLC 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS For the Years Ended December 31, 2021 and 2020

NOTE 7 – TAX STATUS

The volume submitter plan adopted by the Plan obtained an opinion letter dated November 26, 2014, in which the Internal Revenue Service stated that the volume submitter plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has not requested or received a plan determination letter. Although the Plan has been amended since receiving the determination letter, the Plan's administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code and therefore believe the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in market values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the statements of net assets available for benefits.

The spread of COVID-19 coronavirus has caused general business disruption throughout the United States of America and globally, which has led to significant economic uncertainty. It has also created financial market volatility. Due to the uncertainties regarding the duration and potential economic impact of COVID-19 the related long-term impact to the Plan cannot be reasonably estimated at this time. The Plan's financial statements do not include any adjustments that might result from the outcome of these uncertainties.
