INDEPENDENT AUDITORS' REPORT

To the ATS Construction 401(k) Retirement Plan
and Participants
Lexington, Kentucky

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of the ATS Construction 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of ATS Construction 401(k) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of ATS Construction 401(k) Retirement Plan and to meet our other ethical responsibilities in accordance with the

relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about ATS Construction 401(k) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of ATS Construction 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about ATS Construction 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT

To the ATS Construction 401(k) Retirement Plan
and Participants
Lexington, Kentucky

We were engaged to audit the accompanying statement of net assets available for benefits of the ATS Construction 401(k) Retirement Plan as of December 31, 2020, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the 2020 financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 6, which was certified by Fifth Third Bank, the trustee of the Plan, except for comparing such information with the related information included in the financial statement. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2020, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statement.

Report on Form and Content in Compliance With DOL Rules and Regulations for 2020 Financial Statement

The form and content of the information included in the 2020 financial statement, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

ATS CONSTRUCTION 401(k) RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2021 and 2020

1. Description of Plan

The following brief description of the ATS Construction (the "Company") 401(k) Retirement Plan (the "Plan"), is provided for general information purposes only. Participants should refer to the Summary Plan Description for more complete information.

General

The Plan is a defined contribution retirement plan subject to the provisions of the Employee Retirement Security Act of 1974 (ERISA). The Plan is administered by a trust, the trustee of which is Fifth Third Bank.

Eligibility

The Plan covers substantially all employees of L-M Asphalt Partners, Ltd., dba ATS Construction, L-M Holdings, Inc, Central Bridge Company, LLC, ATS Asphalt Terminal, LLC, Stone Creek Farm Ltd., L-G Haulers and Walker Construction & Materials, LLC (collectively referred to herein as the "Companies"). The employees are eligible immediately following the date the employee performs an hour of service and employees may enter the Plan immediately after becoming eligible.

Contributions

Each year, participants are permitted to contribute a portion of their total annual eligible compensation, as defined in the plan agreement, as a before-tax salary deferral contribution not to exceed the maximum allowable under Internal Revenue Service Regulations. The Companies may, at their discretion, make a matching contribution each Plan year on behalf of eligible participants. The total contribution to a participant's account for the Plan year cannot exceed the maximum limit determined by Internal Revenue Service regulations.

Davis-Bacon Act

The Company provides an employer contribution for each eligible participant who performs Davis-Bacon Act Service. Davis-Bacon Act Service is any service performed by an employee under a public contract subject to the Davis-Bacon Act, or to any other federal, state or municipal prevailing wage law. There is no minimum age or length of service requirement, and employees are immediately eligible to participate as of their date of employment.

Investment Options

Participants may, upon enrollment in the Plan, elect to invest their contributions and any Company contributions in any or all of the various funds currently offered by the Company. The Plan also allows individual investment direction among any allowable investments through self-directed brokerage accounts.

Periodic transfer among funds of certain accumulated account balances and directions of future employee's deferral and Company matching contributions is permitted.

NOTES TO THE FINANCIAL STATEMENTS
December 31, 2021 and 2020

1. Description of Plan, continued

Participant Accounts

Participant contributions are credited to the individual accounts. Each participant's account is also credited with Company contributions and allocations of the Plan's earnings or losses. Allocations are based on participant earnings or account balances, as defined.

Benefits and Vesting

The benefit to which a participant is entitled is the benefit which can be provided from the participant's accounts, which includes participant and Company contributions and related earnings thereon. Earnings are allocated based on the individual participant's account balance in relation to total participant account balances. Participants become 25% vested in sponsor contributions and related earnings thereon after two years of service of 1,000 hours or more, and vest 25% each additional year of service up to 100% after five years. The participants are immediately vested in their contributions, Davis-Bacon employer contributions and related earnings. The nonvested portion of a participant's employer matching account is forfeited upon the distribution of the vested portion of the participant's account.

Forfeited Accounts

There were no forfeited nonvested accounts as of December 31, 2021 and 2020. Forfeited balances of terminated participants' nonvested accounts are used to either reduce employer matching contributions or pay plan administrative and trust expenses.

Payment of Benefits

Upon termination of service due to death, disability or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. For termination of service due to other reasons, a participant will receive the value of the vested interest in his or her account as a lump-sum distribution.

Participants may also be entitled to in service distributions for hardship, qualified reservists, or age 59½, subject to Plan provisions.

Plan Expense Account

A plan expense account (the "ERISA account") is maintained to hold revenue sharing funds the Plan receives from Prudential pursuant to an agreement between Prudential and the Plan. These revenue sharing funds are available to pay qualified Plan administrative expenses. At December 31, 2021 and 2020, the ERISA account balance was \$66,122 and \$44,607, respectively. For the years ended December 31, 2021 and 2020, the Plan paid qualified administrative expenses out of the ERISA account totaling \$85,375 and 64,858, respectively.

Administrative Expenses

Administrative expenses of the Plan, except certain investment and administrative fees, are absorbed by the Plan Sponsor.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America requires the Plan's Administrator to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Actual results may differ from these estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

The net appreciation (depreciation) in fair value for each investment option was determined based on quoted market prices and is included in investment income in the statement of changes in net assets available for benefits. The net appreciation (depreciation) in fair value of investments includes both realized gains and losses on investments sold during the year and unrealized gains and losses on investments held at the end of the year.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Payment of Benefits

Benefits are recorded when paid.

Management's Review of Subsequent Events

The Plan has evaluated and considered the need to recognize or disclose subsequent events through September 28, 2022, which represents the date that these financial statements were available to be issued. Subsequent events past this date, as they pertain to the year ended December 31, 2021 have not been evaluated by the Plan.

3. Investments

During 2021, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated (depreciated) in value by \$1,092,717 as follows:

Mutual funds	\$ 788,265
Self-directed brokerage accounts	<u>304,452</u>
	<u>\$ 1,092,717</u>

ATS CONSTRUCTION 401(k) RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2021 and 2020

4. Fair Value Measurements

FASB ASC 820-10 establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy consists of three broad levels. Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets. Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments.

When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are used only when Level 1 or Level 2 inputs are not available.

The following is a description of the valuation methodologies used for the investments measured at fair value. The methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. There have been no changes in the methodologies used at December 31, 2021 or 2020.

Mutual Funds

The fair values of mutual funds are valued at quoted market prices, which represents the net asset value of shares held at year end. The mutual funds are deemed to be actively traded.

Self-Directed Brokerage Accounts

The fair values of self-directed brokerage accounts are based on the underlying investments. Mutual funds are valued at quoted market prices, which represents the net asset value of shares held at year end. The mutual funds are deemed to be actively traded. Common stocks and other equities are valued at the closing price reported on the active market in which the individual securities are traded.

Money market fund

Money market funds are stated at fair value, which approximates cost.

Common Collective Trust – Stable Value Funds

The Stable Value Collective Trust Fund invests in a diversified portfolio of stable assets, which include, but are not limited to, investments in investment companies, synthetic guaranteed investment contracts, and insurance separate account contracts. Investments in investment companies, which consist of money market funds, are valued at the net asset value (NAV) on the valuation date. These instruments are actively traded assets. Synthetic guaranteed investment contracts are valued based on their underlying investments acquired by the Fund, which typically include portfolios of fixed income securities or units in other interests in other fixed income collective trusts. The rate of return is based on a formula described within the terms of the contract and is based on issuer ratings and the present value of the change in each contracts replacement cost. Investments in insurance separate contracts consist of investments in separate accounts comprised of various fixed income securities acquired by the issuer of the separate account. The rate of return is calculated in the same manner described above for synthetic guaranteed investment contracts. Investments in insurance separate contracts are not actively traded assets. The Fund uses NAV as a practical expedient for recognizing fair value.

Accounting Standards Update (ASU) No. 2015-07 eliminated the requirement to categorize investments for which fair values are measured using the net asset value per share practical expedient on the fair value hierarchy. Accordingly, the Plan does not categorize common collective trust – stable value funds on the fair value hierarchy.

4. Fair Value Measurements, continued

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020.

Common collective trust	<u>2,149,873</u>			
Total	<u>\$ 20,185,349</u>			

5. Transactions with Parties-In-Interest

During the year certain Plan investments were shares of funds managed by the trustee, Fifth Third Bank. Therefore, these transactions qualify as party-in-interest.

6. Information Prepared and Certified by Trustee

Investments on the statement of net assets available for benefits and the schedule of assets (held at end of year) and investment income and related activity reported on the statement of changes in net assets available for benefits, with the exception of one self-directed brokerage account that had earnings of \$111,357 during 2021 and was valued at \$974,339 and \$839,011 as of December 31, 2021 and 2020, respectively, has been derived from information prepared and certified as complete and accurate by the trustee of the Plan, in accordance with Section 2520.103-5 of the Department of Labor rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

7. Tax Status

The Company adopted a prototype non-standardized profit sharing plan with a cash or deferral arrangement which received a favorable opinion letter from the Internal Revenue Service on March 31, 2008, which stated that the Plan and related trust are designed in accordance with the applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. However, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

ATS CONSTRUCTION 401(k) RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2021 and 2020

7. Tax Status, continued

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2018.

8. Risks and Uncertainties

The Plan provides for participant directed investment options in any combination of twenty-two funds and self-directed brokerage accounts. Investment securities are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of the investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits and the statement of changes in net assets available for benefits.

In March 2020, the World Health Organization categorized Coronavirus Disease 2019 ("COVID-19") as a pandemic, and the President of the United States declared the COVID-19 outbreak a national emergency. The COVID-19 pandemic has led to volatility in financial markets and has affected, and may continue to affect, the market price of Plan assets. The potential economic impact brought by, and the duration of, COVID-19 is difficult to assess or predict and will depend on future developments that are highly uncertain and cannot be predicted.

9. Priorities upon Plan Termination

Although it has not expressed any intention to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, the rights of all affected participants to amounts contributed by them and the sponsor and related earnings thereon would become fully vested.

SUPPLEMENTAL SCHEDULE
INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The following information included in the accompanying financial statements and supplemental schedule, with the exception of one self-directed brokerage account valued at \$974,339 as of December 31, 2021, was obtained from data that has been prepared and certified to as complete and accurate by the trustee.
